

AFFIDAVIT

Describe in detail the most recent incidents of harassment. If the harassment consisted only of conduct that was willful and malicious but was not a violation of the listed criminal statutes, you must describe at least 3 separate incidents of such harassment. The judge requires as much information as possible, such as what happened, each person's actions, the dates, locations, any injuries, and any medical or other services sought. Also, describe any history of harassment, with as much of the above detail as possible.

Starting ~~On or about~~ January 13, 2012, 20 the Defendant began a regular and malicious attack on my reputation, including and not limited to publishing on his website, www.planetvalenti.com, lies and innuendo regarding a traffic accident from December 2011. Additionally, he has contacted police, court officials, lawmakers, and my business associates asking them to weigh in on my case and, as he wrote on his site, sharing with them his own faulty and sensational interpretations of events surrounding it.

He has urged his readers to post their outrage on his pages and has printed anonymous rants that include lies and threats against me, which he often writes in agreement with. He repeatedly said I committed a hit and run and "left a man to die" while that case was unresolved; it has since been adjudicated and the charge

dismissed, and he continues to make the allegation of guilt. He has printed photos taken without my permission from inside my garage, as well as pictures of my neighborhood, and of me.

Mr. Valenti's continued vitriol and his repeated inclination to print lies and sensationalize every aspect of my case has made me fear for my personal safety. His site has published details of where I work and live - his readers have suggested I be fired, or that they boycott my work or march en masse on my street. He used his website to help organize a benefit, attended by hundreds, that represented me as a drunk driver who ran a man down and left him to die - all false.

Complaint for Protection from Harassment CONTINUED

The fact that he has printed my likeness, several times, also makes me afraid to go public; I am under continued emotional distress because of his vicious lies. His repeated claim that "the fix was in on my case" make me fear vigilante justice; he himself once wrote that my actions - and he lied about what these were - made me wish that there was a place where

people could be "put down." I fear for my safety from these constant actions that I feel represent cyberbullying and harassment; I recently received death threats which I believe are related to Mr. Valenti's words and this has only heightened my stress level.
