

# EUROPEAN ELECTIONS

Together for Europe  
**Vote in the 2024 EU elections!**

6 – 9 June 2024

The upcoming European Elections, taking place between **6 and 9 June 2024**, mark a pivotal moment for Europe: around 370 million EU citizens have the opportunity to elect 720 members of the European Parliament to represent the people of the European Union. Each vote counts, as it shapes the future of Europe.

European politics influence the everyday life of all citizens across the EU, and EU laws tackle important issues, such as the environment, security, migration, social policies, consumer rights, economy, rule of law and many more.

For young people in particular, the EU has become an integral part of their lives. We as Young Elected Politicians from the regional or local level in the EU and candidate countries, support the European spirit of democracy and participation. Our cities and regions implement 70% of EU legislation and we experience the EU on a daily basis.

The elections are your opportunity to stand up for democracy in Europe! That is why we are calling on you:

**Use your voice for democracy  
and vote in the 2024 EU elections!**

**Who we are:** The **Young Elected Politicians programme** (YEPs) is a network of politicians who are no older than 35 and hold a mandate at regional or local level in the EU and candidate countries to EU accession. Fully funded by the European Committee of the Regions (CoR), the YEP programme gives young European representatives the opportunity to have their voice heard at the EU level.
