**Re: Travellers' Points of Entry**

10<sup>th</sup> December 2020

Dear Alf,

I would like to inform you, in accordance with Regulation (EU) No 576/2013 on the non-commercial movement of pet animals, of a change in Ireland's list of Travellers' Points of Entry (TPOE) through which pet dogs, cats and ferrets from third countries may arrive in Ireland.

The change is to add Dublin Port to the list. The new list is on the next page.

Yours sincerely,

Deirdre Bourke  
Animal Health Division
