(A) the relevant municipality is not required to proceed with the recommended annexation; and

(B) if the relevant municipality proceeds with annexation, the municipality shall annex the entire area that the county legislative body recommended for annexation.

(v) Upon the effective date under Section 10-2-425 of an annexation approved by an ordinance adopted under Subsection [~~(9)~~] (8)(c)(i), the area annexed is conclusively presumed to be validly annexed.

[~~(10)~~] (9) (a) Except as provided in Subsections [~~(9)~~] (8)(b)(i) and [~~(9)~~] (8)(c)(i), if protests are timely filed under Subsection [~~(9)~~] (8)(a), the municipal legislative body may not adopt an ordinance approving the annexation of the area proposed for annexation, and the annexation proceedings under this section shall be considered terminated.

(b) Subsection [~~(10)~~] (9)(a) does not prohibit the municipal legislative body from excluding from a proposed annexation under Subsection (2)(b) the property within an unincorporated island regarding which protests have been filed and proceeding under Subsection [~~(4)~~] (3) to annex some or all of the remaining portion of the unincorporated island.

Section 3. Section 17B-1-503 is amended to read:

17B-1-503. Withdrawal or boundary adjustment with municipal approval.

(1) A municipality and a local district whose boundaries adjoin or overlap may adjust the boundary of the local district to include more or less of the municipality, including the expansion area identified in the annexation policy plan adopted by the municipality under Section 10-2-401.5, in the local district by following the same procedural requirements as set forth in Section 17B-1-417 for boundary adjustments between adjoining local districts.

(2) (a) Notwithstanding any other provision of this title, a municipality annexing all or part of an unincorporated island or peninsula under Title 10, Chapter 2, Classification, Boundaries, Consolidation, and Dissolution of Municipalities, that overlaps a municipal services district organized under Chapter 2a, Part 11, Municipal Services District Act, may petition to withdraw the area from the municipal services district in accordance with this Subsection (2).

(b) For a valid withdrawal described in Subsection (2)(a):

(i) the annexation petition under Section 10-2-403 or a separate consent, signed by owners of at least 60% of the total private land area, shall state that the signers request the area to be withdrawn from the municipal services district; and

(ii) the legislative body of the municipality shall adopt a resolution, which may be the resolution adopted in accordance with Subsection 10-2-418[~~(6)~~](5)(a), stating the municipal legislative body's intent to withdraw the area from the municipal services district.

(c) The board of trustees of the municipal services district shall consider the municipality's petition to withdraw the area from the municipal services district within 90 days after the day on which the municipal services district receives the petition.

(d) The board of trustees of the municipal services district:

(i) may hold a public hearing in accordance with the notice and public hearing provisions of Section 17B-1-508;

(ii) shall consider information that includes any factual data presented by the municipality and any owner of private real property who signed a petition or other form of consent described in Subsection (2)(b)(i); and

(iii) identify in writing the information upon which the board of trustees relies in approving or rejecting the withdrawal.

(e) The board of trustees of the municipal services district shall approve the withdrawal, effective upon the annexation of the area into the municipality or, if the municipality has already annexed the area, as soon as possible in the reasonable course of events, if the board of trustees makes a finding that:

(i) (A) the loss of revenue to the municipal services district due to a withdrawal of the area will be offset by savings associated with no longer providing municipal-type services to the area; or

(B) if the loss of revenue will not be offset by savings resulting from no longer providing municipal-type services to the area, the municipality agreeing to terms and conditions, which may include terms and conditions described in Subsection 17B-1-510(5), can mitigate or eliminate the loss of revenue;

(ii) the annexation petition under Section 10-2-403, or a separate petition meeting the same signature requirements, states that the signers request the area to be withdrawn from the municipal services district; or

(iii) the following have consented in writing to the withdrawal:

(A) owners of more than 60% of the total private land area; or

(B) owners of private land equal in assessed value to more than 60% of the assessed value of all private real property within the area proposed for

withdrawal have consented in writing to the withdrawal.

(f) If the board of trustees of the municipal services district does not make any of the findings described in Subsection (2)(e), the board of trustees may approve or reject the withdrawal based upon information upon which the board of trustees relies and that the board of trustees identifies in writing.

(g) (i) If a municipality annexes an island or a part of an island before May 14, 2019, the legislative body of the municipality may initiate the withdrawal of the area from the municipal services district by adopting a resolution that:

(A) requests that the area be withdrawn from the municipal services district; and

(B) a final local entity plat accompanies, identifying the area proposed to be withdrawn from the municipal services district.

(ii) (A) Upon receipt of the resolution and except as provided in Subsection (2)(g)(ii)(B), the board of trustees of the municipal services district shall approve the withdrawal.

(B) The board of trustees of the municipal services district may reject the withdrawal if the rejection is based upon a good faith finding that lost revenues due to the withdrawal will exceed expected cost savings resulting from no longer serving the area.

(h) (i) Based upon a finding described in Subsection (e) or (f):

(A) the board of trustees of the municipal services district shall adopt a resolution approving the withdrawal; and

(B) the chair of the board shall sign a notice of impending boundary action, as defined in Section 67-1a-6.5, that meets the requirements of Subsection 67-1a-6.5(3).

(ii) The annexing municipality shall deliver the following to the lieutenant governor:

(A) the resolution and notice of impending boundary action described in Subsection (2)(g)(i);

(B) a copy of an approved final local entity plat as defined in Section 67-1a-6.5; and

(C) any other documentation required by law.

(i) (i) Once the lieutenant governor has issued an applicable certificate as defined in Section 67-1a-6.5, the municipality shall deliver the certificate, the resolution and notice of impending boundary action described in Subsection (2)(h)(i), the final local entity plat as defined in Section 67-1a-6.5, and any other document required by law, to the recorder of the county in which the area is located.

(ii) After the municipality makes the delivery described in Subsection (2)(i)(i), the area, for all purposes, is no longer part of the municipal services district.

(j) The annexing municipality and the municipal services district may enter into an interlocal agreement under Title 11, Chapter 13, Interlocal Cooperation Act, stating:

(i) the municipality's and the district's duties and responsibilities in conducting a withdrawal under this Subsection (2); and

(ii) any other matter respecting an unincorporated island that the municipality surrounds on all sides.

(3) After a boundary adjustment under Subsection (1) or a withdrawal under Subsection (2) is complete:

(a) the local district shall, without interruption, provide the same service to any area added to the local district as provided to other areas within the local district; and

(b) the municipality shall, without interruption, provide the same service that the local district previously provided to any area withdrawn from the local district.

(4) No area within a municipality may be added to the area of a local district under this section if the area is part of a local district that provides the same wholesale or retail service as the first local district.

ENACTS:

53F-2-523, Utah Code Annotated 1953

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 53F-2-302 is amended to read:

53F-2-302. Determination of weighted pupil units.

The number of weighted pupil units in the Minimum School Program for each year is the total of the units for each school district and, subject to Subsection (4), charter school, determined as follows:

(1) The number of units is computed by adding the average daily membership of all pupils of the school district or charter school attending schools, other than kindergarten and self-contained classes for children with a disability.

(2) The number of units is computed by adding the average daily membership of all pupils of the school district or charter school enrolled in kindergarten and multiplying the total by .55.

(a) In those school districts or charter schools that do not hold kindergarten for a full nine-month term, the local school board or charter school governing board may approve a shorter term of nine weeks' duration.

(b) Upon LEA governing board approval, the number of pupils in average daily membership at the short-term kindergarten shall be counted for the purpose of determining the number of units allowed in the same ratio as the number of days the short-term kindergarten is held, not exceeding nine weeks, compared to the total number of days schools are held in that school district or charter school in the regular school year.

(3) (a) The state board shall use prior year plus growth to determine average daily membership in distributing money under the Minimum School Program where the distribution is based on kindergarten through grade 12 ADMs or weighted pupil units.

(b) Under prior year plus growth, kindergarten through grade 12 average daily membership for the current year is based on the actual kindergarten through grade 12 average daily membership for the previous year plus an estimated percentage growth factor.

(c) The growth factor is the percentage increase in total average daily membership on the first school day of October in the current year as compared to the total average daily membership on the first school day of October of the previous year.

(4) In distributing funds to charter schools under this section, charter school pupils shall be weighted, where applicable, as follows:

(a) .55 for kindergarten pupils;

(b) .9 for pupils in grades 1 through 6;

(c) .99 for pupils in grades 7 through 8; and

(d) 1.2 for pupils in grades 9 through 12.

(5) Notwithstanding Subsection (3)(c):

(a) for the 2020-2021 school year the state board may use a count of average daily membership on any day or days of the current school year in 2020 to calculate a growth factor for the 2020-2021 school year; and

(b) when calculating the growth factor as described in Subsection (5)(a), the state board shall comply with all applicable federal requirements.

Section 2. Section 53F-2-304 is amended to read:

53F-2-304. Necessarily existent small schools -- Computing additional weighted pupil units -- Consolidation of small schools.

(1) As used in this section, "necessarily existent small schools funding balance" means the difference between:

(a) the amount appropriated for the necessarily existent small schools program in a fiscal year; and

(b) the amount distributed to school districts for the necessarily existent small schools program in the same fiscal year.

(2) (a) Upon application by a local school board, the state board shall, in consultation with the local school board, classify schools in the school district as necessarily existent small schools, in accordance with this section and state board rules adopted under Subsection (3).

(b) An application must be submitted to the state board before April 2, and the state board must report a decision to a local school board before June 2.

(3) The state board shall adopt standards and make rules, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, to:

(a) govern the approval of necessarily existent small schools consistent with principles of efficiency and economy that serve the purpose of eliminating schools where consolidation is feasible by participation in special school units; and

(b) ensure that school districts are not building secondary schools in close proximity to one another where economy and efficiency would be better served by one school meeting the needs of secondary students in a designated geographical area.

(4) The state board shall prepare and publish objective standards and guidelines for determining which small schools are necessarily existent after consultation with local school boards.

(5) (a) Additional weighted pupil units for schools classified as necessarily existent small schools shall be computed using distribution formulas adopted by the state board.

(b) The distribution formulas establish the following maximum sizes for funding under the necessarily existent small school program:

(i) an elementary school	160
(ii) a one or two-year secondary school	300
(iii) a three-year secondary school	450
(iv) a four-year secondary school	500
(v) a six-year secondary school	600

(c) An elementary school with fewer than 10 students shall receive the same add-on weighted pupil units as an elementary school with 10 students.

(d) A secondary school with fewer than 15 students shall receive the same add-on weighted pupil units as a secondary school with 15 students.

(e) If a necessarily existent small school generates ADM in both elementary and secondary grades, the state board may divide the school's ADM between an elementary and secondary distribution formula.

(f) The state board shall prepare and distribute an allocation table based on the distribution formula to each school district.

(6) (a) To avoid penalizing a school district financially for consolidating the school district's small schools, additional weighted pupil units may be allowed a school district each year, not to exceed two years.

(b) The additional weighted pupil units may not exceed the difference between what the school district receives for a consolidated school and what the school district would have received for the small schools had the small schools not been consolidated.

(7) (a) The state board may allocate up to 208 weighted pupil units to support schools that:

(i) have isolating conditions, as defined by the state board, including geographic isolation; and

(ii) do not qualify for necessarily existent small schools funding due to formula limitations.

(b) The state board shall review funding allocations under this Subsection (7) at least once every five calendar years.

(8) If the state board classifies a school as a necessarily existent small school in accordance with this section, the state board shall, subject to legislative appropriation, distribute small district base funding to the relevant school district in the following amounts:

(a) for a district with [~~250~~] 500 students or less, 83 additional weighted pupil units;

[~~(b) for a district with 251 to 500 students, 56 additional weighted pupil units;~~]

[~~(c)~~] (b) for a district with 501 to 1,000 students, 28 additional weighted pupil units; and

[~~(d)~~] (c) for a district with 1,001 to 2,000 students, 14 additional weighted pupil units.

(9) Subject to legislative appropriation, the state board shall give first priority from an appropriation made under this section to funding an expense approved by the state board as described in Subsection 53G-6-305(3)(a).

(10) (a) Subject to Subsection (10)(b) and after a distribution made under Subsection (9), the state board may distribute a portion of necessarily existent small schools funding:

(i) in accordance with a formula adopted by the state board that considers the tax effort of a local school board; or

(ii) to isolated small schools, as identified by the state board.

(b) The amount distributed in accordance with Subsection (10)(a) may not exceed the necessarily existent small schools fund in balance of the prior fiscal year.

(11) A local school board may use the money allocated under this section for maintenance and operation of school programs or for other school purposes as approved by the state board.

Section 3. Section 53F-2-312 is amended to read:

53F-2-312. Appropriation for class size reduction.

(1) Money appropriated to the state board for class size reduction shall be used to reduce the average class size in kindergarten through grade 8 in the state's public schools.

(2) A school district or charter school shall receive an allocation for class size reduction based on the school district or charter school's prior year average daily membership plus growth in kindergarten through grade 8 as determined under [~~Subsection~~] Section 53F-2-302[~~(3)~~] compared to the total prior year average daily membership plus growth in kindergarten through grade 8 statewide.

(3) (a) An LEA governing board may use an allocation to reduce class size in any one or all of the grades referred to under this section, except as otherwise provided in Subsection (3)(b).

(b) (i) An LEA governing board shall use 50% of an allocation to reduce class size in any one or all of grades kindergarten through grade 2, with an emphasis on improving student reading skills.

(ii) If a school district's or charter school's average class size is below 18 students in kindergarten through grade 2, an LEA governing board may petition the state board for, and the state board may grant, a waiver of the requirement described in Subsection (3)(b)(i).

(4) A school may use nontraditional innovative and creative methods to reduce class sizes with this appropriation and may use part of an allocation to focus on class size reduction for specific groups, such as at risk students, or for specific blocks of time during the school day.

(5) (a) An LEA governing board may use up to 20% of an allocation under this section for capital facilities projects if such projects would help to reduce class size.

(b) If a school district's or charter school's student population increases by at least 5% or at least 700 students from the previous school year, the LEA governing board may use up to 50% of an allocation received by the school district or charter school under this section for classroom construction.

(6) This appropriation is to supplement any other appropriation made for class size reduction.

(7) The Legislature shall provide for an annual adjustment in the appropriation authorized under this section in proportion to the increase in the number of students in the state in kindergarten through grade 8.

(iii) The division shall track the number of interviews under this Subsection (7) that are not taped, and the number of refusals that are not taped, for each interviewer, in order to determine whether a particular interviewer has a higher

AMENDS:

78B-9-402, as last amended by Laws of Utah 2013, Chapter 46
78B-9-405, as last amended by Laws of Utah 2012, Chapter 220

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 78B-9-402 is amended to read:

78B-9-402. Petition for determination of factual innocence -- Sufficient allegations -- Notification of victim -- Payment to surviving spouse.

(1) A person who has been convicted of a felony offense may petition the district court in the county in which the person was convicted for a hearing to establish that the person is factually innocent of the crime or crimes of which the person was convicted.

(2) (a) The petition shall contain an assertion of factual innocence under oath by the petitioner and shall aver, with supporting affidavits or other credible documents, that:

(i) newly discovered material evidence exists that, if credible, establishes that the petitioner is factually innocent;

(ii) the specific evidence identified by the petitioner in the petition establishes innocence;

(iii) the material evidence is not merely cumulative of evidence that was known;

(iv) the material evidence is not merely impeachment evidence; and

(v) viewed with all the other evidence, the newly discovered evidence demonstrates that the petitioner is factually innocent.

(b) The court shall review the petition in accordance with the procedures in Subsection (9)(b), and make a finding that the petition has satisfied the requirements of Subsection (2)(a). If the court finds the petition does not meet all the requirements of Subsection (2)(a), it shall dismiss the petition without prejudice and send notice of the dismissal to the petitioner and the attorney general.

(3) (a) The petition shall also contain an averment that:

(i) neither the petitioner nor the petitioner's counsel knew of the evidence at the time of trial or sentencing or in time to include the evidence in any previously filed post-trial motion or postconviction motion, and the evidence could not have been discovered by the petitioner or the petitioner's counsel through the exercise of reasonable diligence; or

(ii) a court has found ineffective assistance of counsel for failing to exercise reasonable diligence in uncovering the evidence.

(b) Upon entry of a finding that the petition is sufficient under Subsection (2)(a), the court shall then review the petition to determine if Subsection (3)(a) has been satisfied. If the court finds that the requirements of Subsection (3)(a) have not been satisfied, it may dismiss the petition without prejudice and give notice to the petitioner and the attorney general of the dismissal, or the court may waive the requirements of Subsection (3)(a) if the court finds the petition should proceed to hearing based upon the strength of the petition, and that there is other evidence that could have been discovered through the exercise of reasonable diligence by the petitioner or the petitioner's counsel at trial, and the other evidence:

(i) was not discovered by the petitioner or the petitioner's counsel;

(ii) is material upon the issue of factual innocence; and

(iii) has never been presented to a court.

(4) If the conviction for which the petitioner asserts factual innocence was based upon a plea of guilty, the petition shall contain the specific nature and content of the evidence that establishes factual innocence. The court shall review the evidence and may dismiss the petition at any time in the course of the proceedings, if the court finds that the evidence of factual innocence relies solely upon the recantation of testimony or prior statements made by a witness against the petitioner, and the recantation appears to the court to be equivocal or selfserving.

(5) A person who has already obtained postconviction relief that vacated or reversed the person's conviction or sentence may also file a petition under this part in the same manner and

form as described above, if no retrial or appeal regarding this offense is pending.

(6) If some or all of the evidence alleged to be exonerating is biological evidence subject to DNA testing, the petitioner shall seek DNA testing pursuant to Section 78B-9-301.

(7) Except as provided in Subsection (9), the petition and all subsequent proceedings shall be in compliance with and governed by Rule 65C, Utah Rules of Civil Procedure, and shall include the underlying criminal case number.

(8) After a petition is filed under this section, prosecutors, law enforcement officers, and crime laboratory personnel shall cooperate in preserving evidence and in determining the sufficiency of the chain of custody of the evidence which is the subject of the petition.

(9) (a) A person who files a petition under this section shall serve notice of the petition and a copy of the petition upon the office of the prosecutor who obtained the conviction and upon the Utah attorney general.

(b) The assigned judge shall conduct an initial review of the petition. If it is apparent to the court that the petitioner is either merely relitigating facts, issues, or evidence presented in previous proceedings or presenting issues that appear frivolous or speculative on their face, the court shall dismiss the petition, state the basis for the dismissal, and serve notice of dismissal upon the petitioner and the attorney general. If, upon completion of the initial review, the court does not dismiss the petition, it shall order the attorney general to file a response to the petition. The attorney general shall, within 30 days after receipt of the court's order, or within any additional period of time the court allows, answer or otherwise respond to all proceedings initiated under this part.

(c) After the time for response by the attorney general under Subsection (9)(b) has passed, the court shall order a hearing if it finds the petition meets the requirements of Subsections (2) and (3) and finds there is a bona fide and compelling issue of factual innocence regarding the charges of which the petitioner was convicted. No bona fide and compelling issue of factual innocence exists if the petitioner is merely relitigating facts, issues, or evidence presented in a previous proceeding or if the petitioner is unable to identify with sufficient specificity the nature and reliability of the newly discovered evidence that establishes the petitioner's factual innocence.

(d) If the parties stipulate that the evidence establishes that the petitioner is factually innocent, the court may find the petitioner is factually innocent without holding a hearing. If the state will not stipulate that the evidence establishes that the petitioner is factually innocent, no determination of factual innocence may be made by the court without first holding a hearing under this part.

(10) The court may not grant a petition for a hearing under this part during the period in which criminal proceedings in the matter are pending before any trial or appellate court, unless stipulated to by the parties.

(11) Any victim of a crime that is the subject of a petition under this part, and who has elected to receive notice under Section 77-38-3, shall be notified by the state's attorney of any hearing regarding the petition.

(12) A petition to determine factual innocence under this part, or Part 3, Postconviction Testing of DNA, shall be filed separately from any petition for postconviction relief under Part 1, General Provisions. Separate petitions may be filed simultaneously in the same court.

(13) The procedures governing the filing and adjudication of a petition to determine factual innocence apply to all petitions currently filed or pending in the district court and any new petitions filed on or after June 1, 2012.

(14) (a) As used in this Subsection (14) and in Subsection (15):

(i) "Married" means the legal marital relationship established between a man and a woman and as recognized by the laws of this state; and

(ii) "Spouse" means a person married to the petitioner at the time the petitioner was found guilty of the offense regarding which a petition is filed and who has since then been continuously married to the petitioner until the petitioner's death.

(b) A claim for determination of factual innocence under this part is not extinguished upon the death of the petitioner.

(c) (i) If any payments are already being made to the petitioner under this part at the time of the death of the petitioner, or if the finding of factual innocence occurs after the death of the petitioner, the payments due under Section 78B-9-405 shall be paid [~~according to the schedule under~~] in accordance with Section 78B-9-405 to the petitioner's surviving spouse.

(ii) Payments cease upon the death of the spouse.

(15) The spouse under Subsection (14) forfeits all rights to receive any payment under this part if the spouse is charged with a homicide established by a preponderance of the evidence that meets the elements of any felony homicide offense in Title 76, Chapter 5, Offenses Against the Person, except automobile homicide, applying the same principles of culpability and defenses as in Title 76, Utah Criminal Code, including Title 76, Chapter 2, Principles of Criminal Responsibility.

(3) Except to the extent provided by rule, the division is not responsible for investigating domestic violence in the presence of a child, as described in Section 76-5-109.1.

(4) The division may not require a parent who has a child in the custody of the division to pay for some or all of the cost of any drug testing the parent is required to undergo.

(5) The division may not refer an individual who is receiving services from the division for drug testing by means of a hair or fingernail test that is administered to detect the presence of drugs.

Section 2. Section 78A-6-115 is amended to read:

78A-6-115. Hearings -- Record -- County attorney or district attorney responsibilities -- Attorney general responsibilities -- Disclosure -- Admissibility of evidence -- Cannabis -- Drug testing.

(1) (a) A verbatim record of the proceedings shall be taken in all cases that might result in deprivation of custody as defined in this chapter. In all other cases a verbatim record shall also be made unless dispensed with by the court.

(b) (i) For purposes of this Subsection (1)(b):

(A) "Record of a proceeding" does not include documentary materials of any type submitted to the court as part of the proceeding, including items submitted under Subsection (4)(a).

(B) "Subjects of the record" includes the child's guardian ad litem, the child's legal guardian, the Division of Child and Family Services, and any other party to the proceeding.

(ii) Notwithstanding any other provision, including Title 63G, Chapter 2, Government Records Access and Management Act, the court shall release a record of a proceeding made under Subsection (1)(a) to any person upon a finding on the record for good cause.

(iii) Following a petition for a record of a proceeding made under Subsection (1)(a), the court shall:

(A) provide notice to all subjects of the record that a request for release of the record has been made; and

(B) allow sufficient time for the subjects of the record to respond before making a finding on the petition.

(iv) A record of a proceeding may not be released under this Subsection (1)(b) if the court's jurisdiction over the subjects of the proceeding ended more than 12 months before the day on which the request is made.

(2) (a) Except as provided in Subsection (2)(b), the county attorney or, if within a prosecution district, the district attorney shall represent the state in any proceeding in a minor's case.

(b) Subject to the attorney general's prosecutorial discretion in civil enforcement actions, the attorney general shall enforce all provisions of Title 62A, Chapter 4a, Child and Family Services, and this chapter, relating to:

(i) protection or custody of an abused, neglected, or dependent child; and

(ii) petitions for termination of parental rights.

(3) The board may adopt special rules of procedure to govern proceedings involving violations of traffic laws or ordinances, wildlife laws, and boating laws. However, proceedings involving offenses under Section 78A-6-606 are governed by that section regarding suspension of driving privileges.

(4) (a) For the purposes of determining proper disposition of the minor in dispositional hearings and establishing the fact of abuse, neglect, or dependency in adjudication hearings and in hearings upon petitions for termination of parental rights, written reports and other material relating to the minor's mental, physical, and social history and condition may be received in evidence and may be considered by the court along with other evidence. The court may require that the individual who wrote the report or prepared the material appear as a witness if the individual is reasonably available.

(b) For the purpose of determining proper disposition of a minor alleged to be or adjudicated as abused, neglected, or dependent, dispositional reports prepared by the division under Section 78A-6-315 may be received in evidence and may be considered by the court along with other evidence. The court may require any individual who participated in preparing the dispositional report to appear as a witness, if the individual is reasonably available.

(5) (a) Except as provided in Subsections (5)(c) through (e), in an abuse, neglect, or dependency proceeding occurring after the commencement of a shelter hearing under Section 78A-6-306 or the filing of a petition under Section 78A-6-304, each party to the proceeding shall provide in writing to the other parties or their counsel any information which the party:

(i) plans to report to the court at the proceeding; or

(ii) could reasonably expect would be requested of the party by the court at the proceeding.

(b) The disclosure required under Subsection (5)(a) shall be made:

(i) for dispositional hearings under Sections 78A-6-311 and 78A-6-312, no less than five days before the day on which the proceeding is held;

(ii) for proceedings under Chapter 6, Part 5, Termination of Parental Rights Act, in accordance with Utah Rules of Civil Procedure; and

(iii) for all other proceedings, no less than five days before the day on which the proceeding is held.

(c) The division is not required to provide a court report or a child and family plan to each party to the proceeding if:

(i) the information is electronically filed with the court; and

(ii) each party to the proceeding has access to the electronically filed information.

(d) If a party to a proceeding obtains information after the deadline in Subsection (5)(b), the information is exempt from the disclosure required under Subsection (5)(a) if the party certifies to the court that the information was obtained after the deadline.

(e) Subsection (5)(a) does not apply to:

(i) pretrial hearings; and

(ii) the frequent, periodic review hearings held in a dependency drug court case to assess and promote the parent's progress in substance use disorder treatment.

(6) For the purpose of establishing the fact of abuse, neglect, or dependency, the court may, in the court's discretion, consider evidence of statements made by a child under eight years of age to an individual in a trust relationship.

(7) (a) As used in this Subsection (7):

(i) "Cannabis" means the same as that term is defined in Section 26-61a-102.

(ii) "Cannabis product" means the same as that term is defined in Section 26-61a-102.

(iii) (A) "Chronic" means repeated or patterned.

(B) "Chronic" does not mean an isolated incident.

(iv) "Directions of use" means the same as that term is defined in Section 26-61a-102.

(v) "Dosing guidelines" means the same as that term is defined in Section 26-61a-102.

(vi) "Medical cannabis" means the same as that term is defined in Section 26-61a-102.

(vii) "Medical cannabis cardholder" means the same as that term is defined in Section 26-61a-102.

(viii) "Qualified medical provider" means the same as that term is defined in Section 26-61a-102.

(b) In any child welfare proceeding in which the court makes a finding, determination, or otherwise

considers an individual's possession or use of medical cannabis, a cannabis product, or a medical cannabis device, the court may not consider or treat the individual's possession or use any differently than the lawful possession or use of any prescribed controlled substance if:

(i) the individual's possession or use complies with Title 4, Chapter 41a, Cannabis Production Establishments;

(ii) the individual's possession or use complies with Subsection 58-37-3.7(2) or (3); or

(iii) (A) the individual's possession or use complies with Title 26, Chapter 61a, Utah Medical Cannabis Act; and

(B) the individual reasonably complies with the directions of use and dosing guidelines determined by the individual's qualified medical provider or through a consultation described in Subsection 26-61a-502(4) or (5).

(c) In a child welfare proceeding, a parent's or guardian's use of cannabis or a cannabis product is not abuse or neglect of a child under Section 78A-6-105 unless there is evidence showing that:

(i) the child is harmed because of the child's inhalation or ingestion of cannabis, or because of cannabis being introduced to the child's body in another manner; or

(ii) the child is at an unreasonable risk of harm because of chronic inhalation or ingestion of cannabis or chronic introduction of cannabis to the child's body in another manner.

(d) Unless there is harm or an unreasonable risk of harm to the child as described in Subsection (7)(c), in a child welfare proceeding a parent's or guardian's use of medical cannabis or a cannabis product is not contrary to the best interests of a child if:

(i) for a medical cannabis cardholder after January 1, 2021, the parent's or guardian's possession or use complies with Title 26, Chapter 61a, Utah Medical Cannabis Act, and there is no evidence that the parent's or guardian's use of medical cannabis unreasonably deviates from the directions of use and dosing guidelines determined by the parent's or guardian's qualified medical provider or through a consultation described in Subsection 26-61a-502(4) or (5); or

(ii) before January 1, 2021, the parent's or guardian's possession or use complies with Subsection 58-37-3.7(2) or (3).

(e) Subsection (7)(c) does not prohibit a finding of abuse or neglect of a child under Section 78A-6-105, and Subsection (7)(d) does not prohibit a finding that a parent's or guardian's use of medical cannabis or a cannabis product is contrary to the best interests of a child, if there is evidence showing a nexus between the parent's or guardian's use of cannabis or a cannabis product and behavior that would separately constitute abuse or neglect of the child.

(8) If an individual, who is party to a proceeding under Part 3, Abuse, Neglect, and Dependency Proceedings, is ordered by the juvenile court to submit to drug testing, or is referred by the division or a guardian ad litem for drug testing, the individual may not be ordered or referred for drug testing by means of a hair or fingernail test that is administered to detect the presence of drugs.

Section 3. Section 78A-6-312 is amended to read:

78A-6-312. Dispositional hearing -- Reunification services -- Exceptions.

(1) The court may:

(a) make any of the dispositions described in Section 78A-6-117;

(b) place the minor in the custody or guardianship of any:

(i) individual; or

(ii) public or private entity or agency; or

(c) order:

(i) protective supervision;

(ii) family preservation;

(iii) subject to Subsections (12)(b), 78A-6-105(40), and 78A-6-117(2) and Section 78A-6-301.5, medical or mental health treatment;

(iv) sibling visitation; or

(v) other services.

(2) Whenever the court orders continued removal at the dispositional hearing, and that the minor remain in the custody of the division, the court shall first:

(a) establish a primary permanency plan for the minor; and

(b) determine whether, in view of the primary permanency plan, reunification services are appropriate for the minor and the minor's family, pursuant to Subsections (21) through (23).

(3) Subject to Subsections (6) and (7), if the court determines that reunification services are appropriate for the minor and the minor's family, the court shall provide for reasonable parent-time with the parent or parents from whose custody the minor was removed, unless parent-time is not in the best interest of the minor.

(4) In cases where obvious sexual abuse, sexual exploitation, abandonment, severe abuse, or severe neglect are involved, neither the division nor the court has any duty to make "reasonable efforts" or to, in any other way, attempt to provide reunification services, or to attempt to rehabilitate the offending parent or parents.

(5) In all cases, the minor's health, safety, and welfare shall be the court's paramount concern in determining whether reasonable efforts to reunify should be made.

(6) For purposes of Subsection (3), parent-time is in the best interests of a minor unless the court

makes a finding that it is necessary to deny parent-time in order to:

(a) protect the physical safety of the minor;

(b) protect the life of the minor; or

(c) prevent the minor from being traumatized by contact with the parent due to the minor's fear of the parent in light of the nature of the alleged abuse or neglect.

(7) Notwithstanding Subsection (3), a court may not deny parent-time based solely on a parent's failure to:

(a) prove that the parent has not used legal or illegal substances; or

(b) comply with an aspect of the child and family plan that is ordered by the court.

(8) (a) In addition to the primary permanency plan, the court shall establish a concurrent permanency plan that shall include:

(i) a representative list of the conditions under which the primary permanency plan will be abandoned in favor of the concurrent permanency plan; and

(ii) an explanation of the effect of abandoning or modifying the primary permanency plan.

(b) In determining the primary permanency plan and concurrent permanency plan, the court shall consider:

(i) the preference for kinship placement over nonkinship placement;

(ii) the potential for a guardianship placement if the parent-child relationship is legally terminated and no appropriate adoption placement is available; and

(iii) the use of an individualized permanency plan, only as a last resort.

(9) A permanency hearing shall be conducted in accordance with Subsection 78A-6-314(1)(b) within 30 days after the day on which the dispositional hearing ends if something other than reunification is initially established as a minor's primary permanency plan.

(10) (a) The court may amend a minor's primary permanency plan before the establishment of a final permanency plan under Section 78A-6-314.

(b) The court is not limited to the terms of the concurrent permanency plan in the event that the primary permanency plan is abandoned.

(c) If, at any time, the court determines that reunification is no longer a minor's primary permanency plan, the court shall conduct a permanency hearing in accordance with Section 78A-6-314 on or before the earlier of:

(i) 30 days after the day on which the court makes the determination described in this Subsection (10)(c); or

(ii) the day on which the provision of reunification services, described in Section 78A-6-314, ends.

(11) (a) If the court determines that reunification services are appropriate, the court shall order that the division make reasonable efforts to provide services to the minor and the minor's parent for the purpose of facilitating reunification of the family, for a specified period of time.

(b) In providing the services described in Subsection (11)(a), the minor's health, safety, and welfare shall be the division's paramount concern, and the court shall so order.

(12) (a) The court shall:

(i) determine whether the services offered or provided by the division under the child and family plan constitute "reasonable efforts" on the part of the division;

(ii) determine and define the responsibilities of the parent under the child and family plan in accordance with Subsection 62A-4a-205(6)(e); and

(iii) identify verbally on the record, or in a written document provided to the parties, the responsibilities described in Subsection (12)(a)(ii), for the purpose of assisting in any future determination regarding the provision of reasonable efforts, in accordance with state and federal law.

(b) If the parent is in a substance use disorder treatment program, other than a certified drug court program:

(i) the court may order the parent to submit to supplementary drug or alcohol testing, in accordance with Subsection 78A-6-115(8), in addition to the testing recommended by the parent's substance use disorder program based on a finding of reasonable suspicion that the parent is abusing drugs or alcohol; and

(ii) the court may order the parent to provide the results of drug or alcohol testing recommended by the substance use disorder program to the court or division.

(13) (a) The time period for reunification services may not exceed 12 months from the date that the minor was initially removed from the minor's home, unless the time period is extended under Subsection 78A-6-314(7).

(b) Nothing in this section may be construed to entitle any parent to an entire 12 months of reunification services.

(14) (a) If reunification services are ordered, the court may terminate those services at any time.

(b) If, at any time, continuation of reasonable efforts to reunify a minor is determined to be inconsistent with the final permanency plan for the minor established pursuant to Section 78A-6-314, then measures shall be taken, in a timely manner, to:

(i) place the minor in accordance with the permanency plan; and

(ii) complete whatever steps are necessary to finalize the permanent placement of the minor.

(15) Any physical custody of the minor by the parent or a relative during the period described in Subsections (11) through (14) does not interrupt the running of the period.

(16) (a) If reunification services are ordered, a permanency hearing shall be conducted by the court in accordance with Section 78A-6-314 at the expiration of the time period for reunification services.

(b) The permanency hearing shall be held no later than 12 months after the original removal of the minor.

(c) If reunification services are not ordered, a permanency hearing shall be conducted within 30 days, in accordance with Section 78A-6-314.

(17) With regard to a minor in the custody of the division whose parent or parents are ordered to receive reunification services but who have abandoned that minor for a period of six months from the date that reunification services were ordered:

(a) the court shall terminate reunification services; and

(b) the division shall petition the court for termination of parental rights.

(18) When a court conducts a permanency hearing for a minor under Section 78A-6-314, the court shall attempt to keep the minor's sibling group together if keeping the sibling group together is:

(a) practicable; and

(b) in accordance with the best interest of the minor.

(19) When a child is under the custody of the division and has been separated from a sibling due to foster care or adoptive placement, a court may order sibling visitation, subject to the division obtaining consent from the sibling's legal guardian, according to the court's determination of the best interests of the child for whom the hearing is held.

(20) (a) Because of the state's interest in and responsibility to protect and provide permanency for minors who are abused, neglected, or dependent, the Legislature finds that a parent's interest in receiving reunification services is limited.

(b) The court may determine that:

(i) efforts to reunify a minor with the minor's family are not reasonable or appropriate, based on the individual circumstances; and

(ii) reunification services should not be provided.

(c) In determining "reasonable efforts" to be made with respect to a minor, and in making "reasonable efforts," the minor's health, safety, and welfare shall be the paramount concern.

(21) There is a presumption that reunification services should not be provided to a parent if the court finds, by clear and convincing evidence, that any of the following circumstances exist:

(a) the whereabouts of the parents are unknown, based upon a verified affidavit indicating that a reasonably diligent search has failed to locate the parent;

(b) subject to Subsection (22)(a), the parent is suffering from a mental illness of such magnitude that it renders the parent incapable of utilizing reunification services;

(c) the minor was previously adjudicated as an abused child due to physical abuse, sexual abuse, or sexual exploitation, and following the adjudication the minor:

(i) was removed from the custody of the minor's parent;

(ii) was subsequently returned to the custody of the parent; and

(iii) is being removed due to additional physical abuse, sexual abuse, or sexual exploitation;

(d) the parent:

(i) caused the death of another minor through abuse or neglect;

(ii) committed, aided, abetted, attempted, conspired, or solicited to commit:

(A) murder or manslaughter of a child; or

(B) child abuse homicide;

(iii) committed sexual abuse against the child;

(iv) is a registered sex offender or required to register as a sex offender; or

(v) (A) intentionally, knowingly, or recklessly causes the death of another parent of the child;

(B) is identified by a law enforcement agency as the primary suspect in an investigation for intentionally, knowingly, or recklessly causing the death of another parent of the child; or

(C) is being prosecuted for or has been convicted of intentionally, knowingly, or recklessly causing the death of another parent of the child;

(e) the minor suffered severe abuse by the parent or by any person known by the parent, if the parent knew or reasonably should have known that the person was abusing the minor;

(f) the minor is adjudicated an abused child as a result of severe abuse by the parent, and the court finds that it would not benefit the minor to pursue reunification services with the offending parent;

(g) the parent's rights are terminated with regard to any other minor;

(h) the minor was removed from the minor's home on at least two previous occasions and reunification services were offered or provided to the family at those times;

(i) the parent has abandoned the minor for a period of six months or longer;

(j) the parent permitted the child to reside, on a permanent or temporary basis, at a location where the parent knew or should have known that a clandestine laboratory operation was located;

(k) except as provided in Subsection (22)(b), with respect to a parent who is the child's birth mother, the child has fetal alcohol syndrome, fetal alcohol spectrum disorder, or was exposed to an illegal or prescription drug that was abused by the child's mother while the child was in utero, if the child was taken into division custody for that reason, unless the mother agrees to enroll in, is currently enrolled in, or has recently and successfully completed a substance use disorder treatment program approved by the department; or

(l) any other circumstance that the court determines should preclude reunification efforts or services.

(22) (a) The finding under Subsection (21)(b) shall be based on competent evidence from at least two medical or mental health professionals, who are not associates, establishing that, even with the provision of services, the parent is not likely to be capable of adequately caring for the minor within 12 months after the day on which the court finding is made.

(b) A judge may disregard the provisions of Subsection (21)(k) if the court finds, under the circumstances of the case, that the substance use disorder treatment described in Subsection (21)(k) is not warranted.

(23) In determining whether reunification services are appropriate, the court shall take into consideration:

(a) failure of the parent to respond to previous services or comply with a previous child and family plan;

(b) the fact that the minor was abused while the parent was under the influence of drugs or alcohol;

(c) any history of violent behavior directed at the child or an immediate family member;

(d) whether a parent continues to live with an individual who abused the minor;

(e) any patterns of the parent's behavior that have exposed the minor to repeated abuse;

(f) testimony by a competent professional that the parent's behavior is unlikely to be successful; and

(g) whether the parent has expressed an interest in reunification with the minor.

(24) (a) If reunification services are not ordered pursuant to Subsections (20) through (22), and the whereabouts of a parent become known within six months after the day on which the out-of-home placement of the minor is made, the court may order the division to provide reunification services.

(b) The time limits described in Subsections (2) through (18) are not tolled by the parent's absence.

(25) (a) If a parent is incarcerated or institutionalized, the court shall order reasonable services unless the court determines that those services would be detrimental to the minor.

(b) In making the determination described in Subsection (25)(a), the court shall consider:

(i) the age of the minor;

(ii) the degree of parent-child bonding;

(iii) the length of the sentence;

(iv) the nature of the treatment;

(v) the nature of the crime or illness;

(vi) the degree of detriment to the minor if services are not offered;

(vii) for a minor 10 years old or older, the minor's attitude toward the implementation of family reunification services; and

(viii) any other appropriate factors.

(c) Reunification services for an incarcerated parent are subject to the time limitations imposed in Subsections (2) through (18).

(d) Reunification services for an institutionalized parent are subject to the time limitations imposed in Subsections (2) through (18), unless the court determines that continued reunification services would be in the minor's best interest.

(26) If, pursuant to Subsections (21)(b) through (l), the court does not order reunification services, a permanency hearing shall be conducted within 30 days, in accordance with Section 78A-6-314.

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 78B-9-104 is amended to read:

78B-9-104. Grounds for relief -- Retroactivity of rule.

(1) Unless precluded by Section 78B-9-106 or 78B-9-107, [~~a person~~] an individual who has been convicted and sentenced for a criminal offense may file an action in the district court of original jurisdiction for [~~post-conviction~~] postconviction relief to vacate or modify the conviction or sentence upon the following grounds:

(a) the conviction was obtained or the sentence was imposed in violation of the United States Constitution or Utah Constitution;

(b) the conviction was obtained or the sentence was imposed under a statute that is in violation of the United States Constitution or Utah Constitution, or the conduct for which the petitioner was prosecuted is constitutionally protected;

(c) the sentence was imposed or probation was revoked in violation of the controlling statutory provisions;

(d) the petitioner had ineffective assistance of counsel in violation of the United States Constitution or Utah Constitution;

(e) newly discovered material evidence exists that requires the court to vacate the conviction or sentence, because:

(i) neither the petitioner nor petitioner's counsel knew of the evidence at the time of trial or sentencing or in time to include the evidence in any previously filed post-trial motion or [~~post-conviction~~] postconviction proceeding, and the evidence could not have been discovered through the exercise of reasonable diligence;

(ii) the material evidence is not merely cumulative of evidence that was known;

(iii) the material evidence is not merely impeachment evidence; and

(iv) viewed with all the other evidence, the newly discovered material evidence demonstrates that no reasonable trier of fact could have found the petitioner guilty of the offense or subject to the sentence received; [~~or~~]

(f) the petitioner can prove entitlement to relief under a rule announced by the United States Supreme Court, the Utah Supreme Court, or the Utah Court of Appeals after conviction and sentence became final on direct appeal, and that:

(i) the rule was dictated by precedent existing at the time the petitioner's conviction or sentence became final; or

(ii) the rule decriminalizes the conduct that comprises the elements of the crime for which the petitioner was convicted; or

(g) the petitioner committed any of the following offenses while subject to force, fraud, or coercion, as defined in Section 76-5-308:

(i) Section 58-37-8, possession of a controlled substance;

(ii) Section 76-10-1304, aiding prostitution;

(iii) Section 76-6-206, criminal trespass;

(iv) Section 76-6-413, theft;

(v) Section 76-6-502, possession of forged writing or device for writing;

(vi) Sections 76-6-602 through 76-6-608, retail theft;

(vii) Subsection 76-6-1105(2)(a)(i)(A), unlawful possession of another's identification document;

(viii) Section 76-9-702, lewdness;

(ix) Section 76-10-1302, prostitution; or

(x) Section 76-10-1313, sexual solicitation.

(2) The court may not grant relief from a conviction or sentence unless in light of the facts proved in the postconviction proceeding, viewed with the evidence and facts introduced at trial or during sentencing:

(a) the petitioner establishes that there would be a reasonable likelihood of a more favorable outcome [~~in light of the facts proved in the post-conviction proceeding, viewed with the evidence and facts introduced at trial or during sentencing.~~]; or

(b) if the petitioner challenges the conviction or the sentence on grounds that the prosecutor knowingly failed to correct false testimony at trial or at sentencing, the petitioner establishes that the false testimony, in any reasonable likelihood, could have affected the judgment of the fact finder.

(3) (a) The court may not grant relief from a conviction based on a claim that the petitioner is innocent of the crime for which convicted except as provided in [~~Title 78B, Chapter 9,~~] Part 3, Postconviction Testing of DNA, or Part 4, Postconviction Determination of Factual Innocence.

(b) Claims under Part 3, Postconviction Testing of DNA, or Part 4, Postconviction Determination of Factual Innocence, of this chapter may not be filed as part of a petition under this part, but shall be filed separately and in conformity with the provisions of Part 3, Postconviction Testing of DNA, or Part 4, Postconviction Determination of Factual Innocence.

Section 2. Section 78B-9-106 is amended to read:

78B-9-106. Preclusion of relief -- Exception.

(1) A [~~person~~] petitioner is not eligible for relief under this chapter upon any ground that:

(a) may still be raised on direct appeal or by a post-trial motion;

(b) was raised or addressed in the trial court, at trial, or on appeal;

(c) could have been but was not raised in the trial court, at trial, or on appeal;

(d) was raised or addressed in any previous request for post-conviction relief or could have been, but was not, raised in a previous request for [~~post-conviction~~] postconviction relief; or

(e) is barred by the limitation period established in Section 78B-9-107.

(2) (a) The state may raise any of the procedural bars or time bar at any time, including during [~~the state's~~] an appeal from an order granting or denying [~~post-conviction~~] postconviction relief, unless the court determines that the state should have raised the time bar or procedural bar at an earlier time.

(b) Any court may raise a procedural bar or time bar on [~~its~~] the court's own motion, provided that [~~it~~] the court gives the parties notice and an opportunity to be heard.

(3) (a) Notwithstanding Subsection (1)(c), a [~~person~~] petitioner may be eligible for relief on a basis that the ground could have been but was not raised in the trial court, at trial, or on appeal, if the failure to raise that ground was due to ineffective assistance of counsel[~~; or~~].

(b) Notwithstanding Subsections (1)(c) and (1)(d), a [~~person~~] petitioner may be eligible for relief on a basis that the ground could have been but was not raised in the trial court, at trial, on appeal, or in a previous request for [~~post-conviction~~] postconviction relief, if the failure to raise that ground was due to force, fraud, or coercion as defined in Section 76-5-308.

(4) This section authorizes a merits review only to the extent required to address the exception set forth in Subsection (3).

(5) This section does not apply to a petition filed under Part 3, Postconviction Testing of DNA, or Part 4, Postconviction Determination of Factual Innocence.

Section 3. Section 78B-9-107 is amended to read:

78B-9-107. Statute of limitations for postconviction relief.

(1) A petitioner is entitled to relief only if the petition is filed within one year after the day on which the cause of action has accrued.

(2) For purposes of this section, the cause of action accrues on the [~~latest~~] later of the following dates:

(a) the last day for filing an appeal from the entry of the final judgment of conviction, if no appeal is taken;

(b) the entry of the decision of the appellate court [~~which~~] that has jurisdiction over the case, if an appeal is taken;

(c) the last day for filing a petition for writ of certiorari in the Utah Supreme Court or the United States Supreme Court, if no petition for writ of certiorari is filed;

(d) the entry of the denial of the petition for writ of certiorari or the entry of the decision on the petition for certiorari review, if a petition for writ of certiorari is filed;

(e) the date on which petitioner knew or should have known, in the exercise of reasonable diligence, of evidentiary facts on which the petition is based; or

(f) the date on which the new rule described in Subsection 78B-9-104(1)(f) is established.

(3) (a) The limitations period is tolled for any period during which the petitioner was prevented

from filing a petition due to state action in violation of the United States Constitution, due to physical or mental incapacity, or for claims arising under Subsection 78B-9-104(1)(g), due to force, fraud, or coercion as defined in Section 76-5-308.

(b) The petitioner has the burden of proving by a preponderance of the evidence that the petitioner is entitled to relief under this Subsection (3).

(4) The statute of limitations is tolled during the pendency of the outcome of a petition asserting:

(a) exoneration through DNA testing under Section 78B-9-303; or

(b) factual innocence under Section [~~78B-9-401~~] 78B-9-402.

(5) Sections 77-19-8, 78B-2-104, and 78B-2-111 do not extend the limitations period established in this section.

(6) This section does not apply to a petition filed under Part 3, Postconviction Testing of DNA, or Part 4, Postconviction Determination of Factual Innocence.

Section 4. Section 78B-9-109 is amended to read:

78B-9-109. Appointment of pro bono counsel.

(1) (a) If any portion of the petition is not summarily dismissed, the court may, upon the request of an indigent petitioner, appoint counsel on a pro bono basis to represent the petitioner in the [~~post-conviction~~] postconviction court or on [~~post-conviction~~] postconviction appeal.

(b) Counsel who represented the petitioner at trial or on the direct appeal may not be appointed to represent the petitioner under this section.

(2) In determining whether to appoint counsel, the court [~~shall consider the following factors~~] may consider:

[~~(a) whether the petition or the appeal contains factual allegations that will require an evidentiary hearing; and~~]

[~~(b) whether the petition involves complicated issues of law or fact that require the assistance of counsel for proper adjudication.~~]

(a) whether the petitioner is incarcerated;

(b) the likelihood that an evidentiary hearing will be necessary;

(c) the likelihood that an investigation will be necessary;

(d) the complexity of the factual and legal issues; and

(e) any other factor relevant to the particular case.

(3) An allegation that counsel appointed under this section was ineffective cannot be the basis for relief in any subsequent [~~post-conviction~~] postconviction petition.

Section 5. Section 78B-9-301 is amended to read:

78B-9-301. Postconviction testing of DNA -- Petition -- Sufficient allegations -- Notification of victim.

(1) As used in this part:

(a) "DNA" means deoxyribonucleic acid.

(b) "Factually innocent" means the same as that term is defined in Section [~~78B-9-402~~] 78B-9-401.5.

(2) [~~A person~~] An individual convicted of a felony offense may at any time file a petition for postconviction DNA testing in the trial court that entered the judgment of conviction if the [~~person~~] individual asserts factual innocence under oath and the petition alleges:

(a) evidence has been obtained regarding the [~~person's~~] individual's case that is still in existence and is in a condition that allows DNA testing to be conducted;

(b) the chain of custody is sufficient to establish that the evidence has not been altered in any material aspect;

(c) the [~~person~~] individual identifies the specific evidence to be tested and states a theory of defense, not inconsistent with theories previously asserted at trial, that the requested DNA testing would support;

(d) the evidence was not previously subjected to DNA testing, or if the evidence was tested previously, the evidence was not subjected to the testing that is now requested, and the new testing may resolve an issue not resolved by the prior testing;

(e) the proposed DNA testing is generally accepted as valid in the scientific field or is otherwise admissible under Utah law;

(f) the evidence that is the subject of the request for testing:

(i) has the potential to produce new, noncumulative evidence; and

(ii) there is a reasonable probability that the defendant would not have been convicted or would have received a lesser sentence if the evidence had been presented at the original trial; and

(g) the [~~person~~] individual is aware of the consequences of filing the petition, including:

(i) [~~those~~] the consequences specified in Sections 78B-9-302 and 78B-9-304; and

(ii) that the [~~person~~] individual is waiving any statute of limitations in all jurisdictions as to any felony offense the [~~person~~] individual has committed which is identified through DNA database comparison.

(3) The petition under Subsection (2) shall comply with [~~Rule 65C,~~] Utah Rules of Civil Procedure,

Rule 65C, including providing the underlying criminal case number.

(4) After a petition is filed under this section, prosecutors, law enforcement officers, and crime laboratory personnel have a duty to cooperate in preserving evidence and in determining the sufficiency of the chain of custody of the evidence which may be subject to DNA testing.

(5) (a) (i) [~~A person~~] An individual who files a petition under this section shall serve notice upon the office of the prosecutor who obtained the conviction, and upon the Utah attorney general.

(ii) The attorney general shall, within 30 days after receipt of service of a copy of the petition, or within any additional period of time the court allows, answer or otherwise respond to all proceedings initiated under this part.

(b) After the attorney general responds under Subsection (5)(a), the petitioner has the right to reply to the response of the attorney general.

(c) After the attorney general and the petitioner have filed a response and reply in compliance with Subsection (5)(b), the court shall order DNA testing if it finds by a preponderance of the evidence that all criteria of Subsection (2) have been met.

(6) (a) If the court grants the petition for testing, the DNA test shall be performed by the Utah State Crime Laboratory within the Criminal Investigations and Technical Services Division created in Section 53-10-103, unless the [~~person~~] individual establishes that the state crime laboratory has a conflict of interest or does not have the capability to perform the necessary testing.

(b) If the court orders that the testing be conducted by any laboratory other than the state crime laboratory, the court shall require that the testing be performed:

(i) under reasonable conditions designed to protect the state's interests in the integrity of the evidence; and

(ii) according to accepted scientific standards and procedures.

(7) (a) DNA testing under this section shall be paid for from funds appropriated to the Department of Public Safety under Subsection 53-10-407(4)(d)(ii) from the DNA Specimen Restricted Account created in Section 53-10-407 if:

(i) the court ordered the DNA testing under this section;

(ii) the Utah State Crime Laboratory within the Criminal Investigations and Technical Services Division has a conflict of interest or does not have the capability to perform the necessary testing; and

(iii) the petitioner who has filed for postconviction DNA testing under Section 78B-9-201 is serving a sentence of imprisonment and is indigent.

(b) Under this Subsection (7), costs of DNA testing include [~~those~~] costs that are necessary to transport the evidence, prepare samples for analysis, analyze the evidence, and prepare reports of findings.

(8) If the [~~person~~] individual is serving a sentence of imprisonment and is indigent, the state shall pay for the costs of the testing under this part, but if the result is not favorable to the [~~person~~] individual, the court may order the person to reimburse the state for the costs of the testing, [~~pursuant to~~] in accordance with Subsections 78B-9-302(4) and 78B-9-304(1)(b).

(9) Any victim of the crime regarding which the [~~person~~] individual petitions for DNA testing, who has elected to receive notice under Section 77-38-3 shall be notified by the state's attorney of any hearing regarding the petition and testing, even though the hearing is a civil proceeding.

Section 6. Section 78B-9-402 is amended to read:

78B-9-402. Petition for determination of factual innocence -- Sufficient allegations -- Notification of victim -- Payment to surviving spouse.

(1) A person who has been convicted of a felony offense may petition the district court in the county in which the person was convicted for a hearing to establish that the person is factually innocent of the crime or crimes of which the person was convicted.

(2) (a) The petition shall contain an assertion of factual innocence under oath by the petitioner and shall aver, with supporting affidavits or other credible documents, that:

(i) newly discovered material evidence exists that, if credible, establishes that the petitioner is factually innocent;

(ii) the specific evidence identified by the petitioner in the petition establishes innocence;

(iii) the material evidence is not merely cumulative of evidence that was known;

(iv) the material evidence is not merely impeachment evidence; and

(v) viewed with all the other evidence, the newly discovered evidence demonstrates that the petitioner is factually innocent.

(b) (i) The court shall review the petition in accordance with the procedures in Subsection (9)(b), and make a finding that the petition has satisfied the requirements of Subsection (2)(a).

(ii) If the court finds the petition does not meet all the requirements of Subsection (2)(a), [~~it~~] the court shall dismiss the petition without prejudice and send notice of the dismissal to the petitioner and the attorney general.

(3) (a) The petition shall also contain an averment that:

(i) neither the petitioner nor the petitioner's counsel knew of the evidence at the time of trial or sentencing or in time to include the evidence in any previously filed post-trial motion or postconviction motion, and the evidence could not have been

discovered by the petitioner or the petitioner's counsel through the exercise of reasonable diligence; or

(ii) a court has found ineffective assistance of counsel for failing to exercise reasonable diligence in uncovering the evidence.

(b) (i) Upon entry of a finding that the petition is sufficient under Subsection (2)(a), the court shall then review the petition to determine if Subsection (3)(a) has been satisfied.

(ii) If the court finds that the requirements of Subsection (3)(a) have not been satisfied, [~~it~~] the court may dismiss the petition without prejudice and give notice to the petitioner and the attorney general of the dismissal, or the court may waive the requirements of Subsection (3)(a) if the court finds the petition should proceed to hearing based upon the strength of the petition, and that there is other evidence that could have been discovered through the exercise of reasonable diligence by the petitioner or the petitioner's counsel at trial, and the other evidence:

[~~(i)~~] (A) was not discovered by the petitioner or the petitioner's counsel;

[~~(ii)~~] (B) is material upon the issue of factual innocence; and

[~~(iii)~~] (C) has never been presented to a court.

(4) (a) If the conviction for which the petitioner asserts factual innocence was based upon a plea of guilty, the petition shall contain the specific nature and content of the evidence that establishes factual innocence.

(b) The court shall review the evidence and may dismiss the petition at any time in the course of the proceedings, if the court finds that the evidence of factual innocence relies solely upon the recantation of testimony or prior statements made by a witness against the petitioner, and the recantation appears to the court to be equivocal or [~~selfserving~~] self serving.

(5) A person who has already obtained postconviction relief that vacated or reversed the person's conviction or sentence may also file a petition under this part in the same manner and form as described above, if no retrial or appeal regarding this offense is pending.

(6) If some or all of the evidence alleged to be exonerating is biological evidence subject to DNA testing, the petitioner shall seek DNA testing [~~pursuant to~~] in accordance with Section 78B-9-301.

(7) Except as provided in Subsection (9), the petition and all subsequent proceedings shall be in compliance with and governed by [~~Rule 65C,~~] Utah Rules of Civil Procedure, Rule 65C and shall include the underlying criminal case number.

(8) After a petition is filed under this section, prosecutors, law enforcement officers, and crime laboratory personnel shall cooperate in preserving evidence and in determining the sufficiency of the chain of custody of the evidence which is the subject of the petition.

(9) (a) A person who files a petition under this section shall serve notice of the petition and a copy of the petition upon the office of the prosecutor who obtained the conviction and upon the Utah attorney general.

(b) (i) The assigned judge shall conduct an initial review of the petition.

(ii) If it is apparent to the court that the petitioner is either merely relitigating facts, issues, or evidence presented in previous proceedings or presenting issues that appear frivolous or speculative on their face, the court shall dismiss the petition, state the basis for the dismissal, and serve notice of dismissal upon the petitioner and the attorney general.

(iii) If, upon completion of the initial review, the court does not dismiss the petition, [~~it~~] the court shall order the attorney general to file a response to the petition.

(iv) The attorney general shall, within 30 days after [~~receipt of~~] the day on which the attorney general receives the court's order, or within any additional period of time the court allows, answer or otherwise respond to all proceedings initiated under this part.

(c) (i) After the time for response by the attorney general under Subsection (9)(b) has passed, the court shall order a hearing if [~~it~~] the court finds the petition meets the requirements of Subsections (2) and (3) and finds there is a bona fide and compelling issue of factual innocence regarding the charges of which the petitioner was convicted.

(ii) No bona fide and compelling issue of factual innocence exists if the petitioner is merely relitigating facts, issues, or evidence presented in a previous proceeding or if the petitioner is unable to identify with sufficient specificity the nature and reliability of the newly discovered evidence that establishes the petitioner's factual innocence.

(d) (i) If the parties stipulate that the evidence establishes that the petitioner is factually innocent, the court may find the petitioner is factually innocent without holding a hearing.

(ii) If the state will not stipulate that the evidence establishes that the petitioner is factually innocent, no determination of factual innocence may be made by the court without first holding a hearing under this part.

(10) The court may not grant a petition for a hearing under this part during the period in which criminal proceedings in the matter are pending before any trial or appellate court, unless stipulated to by the parties.

(11) Any victim of a crime that is the subject of a petition under this part, and who has elected to receive notice under Section 77-38-3, shall be notified by the state's attorney of any hearing regarding the petition.

(12) (a) A petition to determine factual innocence under this part, or Part 3, Postconviction Testing of DNA, shall be filed separately from any petition for postconviction relief under Part 1, General Provisions.

(b) Separate petitions may be filed simultaneously in the same court.

(13) The procedures governing the filing and adjudication of a petition to determine factual innocence apply to all petitions currently filed or pending in the district court and any new petitions filed on or after June 1, 2012.

(14) (a) As used in this Subsection (14) and in Subsection (15):

(i) "Married" means the legal marital relationship established between [~~a man and a woman~~] two individuals and as recognized by the [~~laws of this state~~] law; and

(ii) "Spouse" means [~~a person~~] an individual married to the petitioner at the time the petitioner was found guilty of the offense regarding which a petition is filed and who has since then been continuously married to the petitioner until the petitioner's death.

(b) A claim for determination of factual innocence under this part is not extinguished upon the death of the petitioner.

(c) (i) If any payments are already being made to the petitioner under this part at the time of the death of the petitioner, or if the finding of factual innocence occurs after the death of the petitioner, the payments due under Section 78B-9-405 shall be paid according to the schedule under Section 78B-9-405 to the petitioner's surviving spouse.

(ii) Payments cease upon the death of the spouse.

(15) The spouse under Subsection (14) forfeits all rights to receive any payment under this part if the spouse is charged with a homicide established by a preponderance of the evidence that meets the elements of any felony homicide offense in Title 76, Chapter 5, Offenses Against the Person, except automobile homicide, applying the same principles of culpability and defenses as in Title 76, Utah Criminal Code, including Title 76, Chapter 2, Principles of Criminal Responsibility.
