Be it enacted by the Legislature of the state of Utah:

Section 1. Section 11-13-302 is amended to read:

11-13-302. Payment of fee in lieu of ad valorem property tax by certain energy suppliers -- Method of calculating -- Collection -- Extent of tax lien.

(1) (a) Each project entity created under this chapter that owns a project and that sells any capacity, service, or other benefit from it to an

energy supplier or suppliers whose tangible property is not exempted by Utah Constitution Article XIII, Section 3, from the payment of ad valorem property tax, shall pay an annual fee in lieu of ad valorem property tax as provided in this section to each taxing jurisdiction within which the project or any part of it is located.

(b) For purposes of this section, "annual fee" means the annual fee described in Subsection (1)(a) that is in lieu of ad valorem property tax.

(c) The requirement to pay an annual fee shall commence:

(i) with respect to each taxing jurisdiction that is a candidate receiving the benefit of impact alleviation payments under contracts or determination orders provided for in Sections 11-13-305 and 11-13-306, with the fiscal year of the candidate following the fiscal year of the candidate in which the date of commercial operation of the last generating unit, other than any generating unit providing additional project capacity, of the project occurs, or, in the case of any facilities providing additional project capacity, with the fiscal year of the candidate following the fiscal year of the candidate in which the date of commercial operation of the generating unit providing the additional project capacity occurs; and

(ii) with respect to any taxing jurisdiction other than a taxing jurisdiction described in Subsection (1)(c)(i), with the fiscal year of the taxing jurisdiction in which construction of the project commences, or, in the case of facilities providing additional project capacity, with the fiscal year of the taxing jurisdiction in which construction of those facilities commences.

(d) The requirement to pay an annual fee shall continue for the period of the useful life of the project or facilities.

(2) (a) The annual fees due a school district shall be as provided in Subsection (2)(b) because the ad valorem property tax imposed by a school district and authorized by the Legislature represents both:

(i) a levy mandated by the state for the state minimum school program under Section 53F-2-301 [~~or 53F-2-301.5, as applicable~~]; and

(ii) local levies for capital outlay and other purposes under Sections 53F-8-303, 53F-8-301, and 53F-8-302.

(b) The annual fees due a school district shall be as follows:

(i) the project entity shall pay to the school district an annual fee for the state minimum school program at the rate imposed by the school district and authorized by the Legislature under Section 53F-2-301 [~~or 53F-2-301.5, as applicable~~]; and

(ii) for all other local property tax levies authorized to be imposed by a school district, the project entity shall pay to the school district either:

(A) an annual fee; or

(B) impact alleviation payments under contracts or determination orders provided for in Sections 11-13-305 and 11-13-306.

(3) (a) An annual fee due a taxing jurisdiction for a particular year shall be calculated by multiplying the tax rate or rates of the jurisdiction for that year by the product obtained by multiplying the fee base or value determined in accordance with Subsection (4) for that year of the portion of the project located within the jurisdiction by the percentage of the project which is used to produce the capacity, service, or other benefit sold to the energy supplier or suppliers.

(b) As used in this section, "tax rate," when applied in respect to a school district, includes any assessment to be made by the school district under Subsection (2) or Section 63M-5-302.

(c) There is to be credited against the annual fee due a taxing jurisdiction for each year, an amount equal to the debt service, if any, payable in that year by the project entity on bonds, the proceeds of which were used to provide public facilities and services for impact alleviation in the taxing jurisdiction in accordance with Sections 11-13-305 and 11-13-306.

(d) The tax rate for the taxing jurisdiction for that year shall be computed so as to:

(i) take into account the fee base or value of the percentage of the project located within the taxing jurisdiction determined in accordance with Subsection (4) used to produce the capacity, service, or other benefit sold to the supplier or suppliers; and

(ii) reflect any credit to be given in that year.

(4) (a) Except as otherwise provided in this section, the annual fees required by this section shall be paid, collected, and distributed to the taxing jurisdiction as if:

(i) the annual fees were ad valorem property taxes; and

(ii) the project were assessed at the same rate and upon the same measure of value as taxable property in the state.

(b) (i) Notwithstanding Subsection (4)(a), for purposes of an annual fee required by this section, the fee base of a project may be determined in accordance with an agreement among:

(A) the project entity; and

(B) any county that:

(I) is due an annual fee from the project entity; and

(II) agrees to have the fee base of the project determined in accordance with the agreement described in this Subsection (4).

(ii) The agreement described in Subsection (4)(b)(i):

(A) shall specify each year for which the fee base determined by the agreement shall be used for purposes of an annual fee; and

(B) may not modify any provision of this chapter except the method by which the fee base of a project is determined for purposes of an annual fee.

(iii) For purposes of an annual fee imposed by a taxing jurisdiction within a county described in Subsection (4)(b)(i)(B), the fee base determined by the agreement described in Subsection (4)(b)(i) shall be used for purposes of an annual fee imposed by that taxing jurisdiction.

(iv) (A) If there is not agreement as to the fee base of a portion of a project for any year, for purposes of an annual fee, the State Tax Commission shall determine the value of that portion of the project for which there is not an agreement:

(I) for that year; and

(II) using the same measure of value as is used for taxable property in the state.

(B) The valuation required by Subsection (4)(b)(iv)(A) shall be made by the State Tax Commission in accordance with rules made by the State Tax Commission.

(c) Payments of the annual fees shall be made from:

(i) the proceeds of bonds issued for the project; and

(ii) revenues derived by the project entity from the project.

(d) (i) The contracts of the project entity with the purchasers of the capacity, service, or other benefits of the project whose tangible property is not exempted by Utah Constitution Article XIII, Section 3, from the payment of ad valorem property tax shall require each purchaser, whether or not located in the state, to pay, to the extent not otherwise provided for, its share, determined in accordance with the terms of the contract, of these fees.

(ii) It is the responsibility of the project entity to enforce the obligations of the purchasers.

(5) (a) The responsibility of the project entity to make payment of the annual fees is limited to the extent that there is legally available to the project entity, from bond proceeds or revenues, money to make these payments, and the obligation to make payments of the annual fees is not otherwise a general obligation or liability of the project entity.

(b) No tax lien may attach upon any property or money of the project entity by virtue of any failure to pay all or any part of an annual fee.

(c) The project entity or any purchaser may contest the validity of an annual fee to the same extent as if the payment was a payment of the ad valorem property tax itself.

(d) The payments of an annual fee shall be reduced to the extent that any contest is successful.

(6) (a) The annual fee described in Subsection (1):

(i) shall be paid by a public agency that:

(A) is not a project entity; and

(B) owns an interest in a facility providing additional project capacity if the interest is otherwise exempt from taxation pursuant to Utah Constitution, Article XIII, Section 3; and

(ii) for a public agency described in Subsection (6)(a)(i), shall be calculated in accordance with Subsection (6)(b).

(b) The annual fee required under Subsection (6)(a) shall be an amount equal to the tax rate or rates of the applicable taxing jurisdiction multiplied by the product of the following:

(i) the fee base or value of the facility providing additional project capacity located within the jurisdiction;

(ii) the percentage of the ownership interest of the public agency in the facility; and

(iii) the portion, expressed as a percentage, of the public agency's ownership interest that is attributable to the capacity, service, or other benefit from the facility that is sold, including any subsequent sale, resale, or layoff, by the public agency to an energy supplier or suppliers whose tangible property is not exempted by Utah Constitution, Article XIII, Section 3, from the payment of ad valorem property tax.

(c) A public agency paying the annual fee pursuant to Subsection (6)(a) shall have the obligations, credits, rights, and protections set forth in Subsections (1) through (5) with respect to its ownership interest as though it were a project entity.

(d) On or before March 1 of each year, a project entity that owns a project and that provides any capacity, service, or other benefit to an energy supplier or a public agency shall file an electronic report with the State Tax Commission that identifies:

(i) each energy supplier and public agency to which the project entity delivers capacity, service, or other benefit; and

(ii) the amount of capacity, service, or other benefit delivered to each energy supplier and public agency.

Section 2. Section 11-13-310 is amended to read:

11-13-310. Termination of impact alleviation contract.

(1) If the project or any part of it or the facilities providing additional project capacity or any part of them, or the output from the project or facilities providing additional project capacity become subject, in addition to the requirements of Section 11-13-302, to ad valorem property taxation or other payments in lieu of ad valorem property taxation, or other form of tax equivalent payments to any candidate which is a party to an impact alleviation contract with respect to the project or facilities providing additional project capacity or is receiving impact alleviation payments or means with respect to the project or facilities providing additional project capacity pursuant to a determination by the board, then the impact alleviation contract or the requirement to make impact alleviation payments or provide means therefor pursuant to the determination, as the case may be, shall, at the election of the candidate, terminate.

(2) In any event, each impact alleviation contract or determination order shall terminate upon the project, or, in the case of facilities providing additional project capacity, those facilities becoming subject to the provisions of Section 11-13-302, except that no impact alleviation contract or agreement entered by a school district shall terminate because of in lieu ad valorem property tax fees levied under Subsection 11-13-302(2)(b)(i) or because of ad valorem property taxes levied under Section 53F-2-301 [~~or 53F-2-301.5, as applicable,~~] for the state minimum school program.

(3) In addition, if the construction of the project, or, in the case of facilities providing additional project capacity, of those facilities, is permanently terminated for any reason, each impact alleviation contract and determination order, and the payments and means required thereunder, shall terminate.

(4) No termination of an impact alleviation contract or determination order may terminate or reduce any liability previously incurred pursuant to

the contract or determination order by the candidate beneficiary under it.

(5) If the provisions of Section 11-13-302, or its successor, are held invalid by a court of competent jurisdiction, and no ad valorem taxes or other form of tax equivalent payments are payable, the remaining provisions of this chapter shall continue in operation without regard to the commencement of commercial operation of the last generating unit of that project or of facilities providing additional project capacity.

(4) (a) Except as otherwise provided by statute, the number of members of each board of trustees of a [~~local~~] special district that has nine or fewer members shall have an odd number of members that is no fewer than three.

(i) the entire area proposed to be annexed consists of more than that applicable area;

(ii) sufficient protests under Section 17B-1-412 are filed with respect to that applicable area that an

(ii) the proposed annexing [~~local~~] special district is one that receives sales and use tax funds from the counties, cities, and towns within the [~~local~~] special district that impose a sales and use tax under Section 59-12-2213.

(b) (i) At each election held under Subsection (3)(a)(ii), the ballot question shall be phrased to indicate that a voter's casting a vote for or against the annexation includes also a vote for or against the imposition of the sales and use tax as provided in Section 59-12-2213.

(ii) Except as otherwise provided in this part, each election under Subsection (3)(a) shall be governed by Title 20A, Election Code.

(c) If a majority of registered voters residing within the area proposed to be annexed and voting on the proposal vote:

(i) in favor of annexation, the board of trustees shall, subject to Subsections 17B-1-414(1)(b), (2), and (3), complete the annexation by adopting a resolution approving annexation of the area; or

(ii) against annexation, the annexation process is terminated, the board may not adopt a resolution approving annexation of the area, and the area proposed to be annexed may not for two years be the subject of an effort under this part to annex to the same [~~local~~] special district.

(4) If sufficient protests are filed under this section to require an election for a proposed annexation to which the protest provisions of this section are applicable, a board of trustees may, notwithstanding Subsection (3), adopt a resolution rejecting the annexation and terminating the annexation process without holding an election.

(2) (a) An area within the boundaries of a [~~local~~] special district is automatically withdrawn from the [~~local~~] special district by the annexation of the area to a municipality or the adding of the area to a municipality by boundary adjustment under Title 10, Chapter 2, Part 4, Annexation, if:

Section 83. Section 17B-1-503 is amended to read:

17B-1-503. Withdrawal or boundary adjustment with municipal approval.

(1) A municipality and a [~~local~~] special district whose boundaries adjoin or overlap may adjust the boundary of the [~~local~~] special district to include more or less of the municipality, including the expansion area identified in the annexation policy plan adopted by the municipality under Section 10-2-401.5, in the [~~local~~] special district by following the same procedural requirements as set forth in Section 17B-1-417 for boundary adjustments between adjoining [~~local~~] special districts.

(2) (a) Notwithstanding any other provision of this title, a municipality annexing all or part of an unincorporated island or peninsula under Title 10, Chapter 2, Classification, Boundaries, Consolidation, and Dissolution of Municipalities, that overlaps a municipal services district organized under Chapter 2a, Part 11, Municipal Services District Act, may petition to withdraw the area from the municipal services district in accordance with this Subsection (2).

(b) For a valid withdrawal described in Subsection (2)(a):

(d) The board of trustees of the municipal services district:

(i) may hold a public hearing in accordance with the notice and public hearing provisions of Section 17B-1-508;

(ii) shall consider information that includes any factual data presented by the municipality and any owner of private real property who signed a petition or other form of consent described in Subsection (2)(b)(i); and

(iii) identify in writing the information upon which the board of trustees relies in approving or rejecting the withdrawal.

(e) The board of trustees of the municipal services district shall approve the withdrawal, effective upon the annexation of the area into the municipality or, if the municipality has already annexed the area, as soon as possible in the reasonable course of events, if the board of trustees makes a finding that:

(i) (A) the loss of revenue to the municipal services district due to a withdrawal of the area will be offset by savings associated with no longer providing municipal-type services to the area; or

(B) if the loss of revenue will not be offset by savings resulting from no longer providing municipal-type services to the area, the municipality agreeing to terms and conditions, which may include terms and conditions described in Subsection 17B-1-510(5), can mitigate or eliminate the loss of revenue;

(ii) the annexation petition under Section 10-2-403, or a separate petition meeting the same signature requirements, states that the signers request the area to be withdrawn from the municipal services district; or

(g) (i) If a municipality annexes an island or a part of an island before May 14, 2019, the legislative body of the municipality may initiate the withdrawal of the area from the municipal services district by adopting a resolution that:

(A) requests that the area be withdrawn from the municipal services district; and

(B) a final local entity plat accompanies, identifying the area proposed to be withdrawn from the municipal services district.

(ii) (A) Upon receipt of the resolution and except as provided in Subsection (2)(g)(ii)(B), the board of trustees of the municipal services district shall approve the withdrawal.

(B) The board of trustees of the municipal services district may reject the withdrawal if the rejection is based upon a good faith finding that lost revenues due to the withdrawal will exceed expected cost savings resulting from no longer serving the area.

(h) (i) Based upon a finding described in Subsection (e) or (f):

(A) the board of trustees of the municipal services district shall adopt a resolution approving the withdrawal; and

(B) the chair of the board shall sign a notice of impending boundary action, as defined in Section 67-1a-6.5, that meets the requirements of Subsection 67-1a-6.5(3).

(ii) The annexing municipality shall deliver the following to the lieutenant governor:

(j) The annexing municipality and the municipal services district may enter into an interlocal agreement under Title 11, Chapter 13, Interlocal Cooperation Act, stating:

(i) the municipality's and the district's duties and responsibilities in conducting a withdrawal under this Subsection (2); and

(ii) any other matter respecting an unincorporated island that the municipality surrounds on all sides.

(3) After a boundary adjustment under Subsection (1) or a withdrawal under Subsection (2) is complete:

(a) the [~~local~~] special district shall, without interruption, provide the same service to any area added to the [~~local~~] special district as provided to other areas within the [~~local~~] special district; and

(b) the municipality shall, without interruption, provide the same service that the [~~local~~] special district previously provided to any area withdrawn from the [~~local~~] special district.

(4) No area within a municipality may be added to the area of a [~~local~~] special district under this section if the area is part of a [~~local~~] special district that provides the same wholesale or retail service as the first [~~local~~] special district.

(B) is accompanied by a general description of the area proposed to be withdrawn; or

(iv) by a resolution to file a petition with the [~~local~~] special district to withdraw from the [~~local~~] special district all or a specified portion of the area within a municipality or county, adopted by the governing body of a municipality that has within its boundaries an area located within the boundaries of a [~~local~~] special district, or by the governing body of a county that has within its boundaries an area located within the boundaries of a [~~local~~] special district that is located in more than one county, which petition of the governing body shall be filed with the board of trustees only if a written request to petition the board of trustees to withdraw an area from the [~~local~~] special district has been filed with the governing body of the municipality, or county, and the request has been signed by registered voters residing within the boundaries of the area proposed for withdrawal equal in number to at least 51% of the number of votes cast in the same area for the office of governor at the last regular general election before the filing of the petition;

(h) the physical and other assets that will be required by the withdrawing municipality to provide, without interruption or diminution of service, the same service that is being provided by the first responder district;

(i) the physical and other assets that will no longer be required by the first responder district to continue to provide the current level of service to the remainder of the first responder district, excluding the withdrawing municipality, and could be transferred to the withdrawing municipality;

the withdrawing municipality at the time of the feasibility study;

(ii) in determining the present value cost of a service that the first responder district provides, the feasibility consultant shall consider:

(A) the cost to the withdrawing municipality of providing the service for the first five years after the withdrawal; and

(B) the first responder district's present and five-year projected cost of providing the same service within the withdrawing municipality; and

(iii) the feasibility consultant shall consider inflation and anticipated growth in calculating the cost of providing service.

(b) The feasibility consultant may not consider an allocation of first responder district assets or a transfer of first responder district employees to the extent that the allocation or transfer would impair the first responder district's ability to continue to provide the current level of service to the remainder of the first responder district without the withdrawing municipality, unless the first responder district consents to the allocation or transfer.

(7) A feasibility consultant may retain an architect, engineer, or other professional, as the feasibility consultant considers prudent and as provided in the agreement with the withdrawing municipality and first responder district, to assist the feasibility consultant to conduct a feasibility study.

(8) The withdrawing municipality and first responder district shall require the feasibility consultant to:

(B) A first responder district that submits a written objection under Subsection (11)(b)(i) shall simultaneously deliver a copy of the objection to the withdrawing municipality.

(iii) A withdrawing municipality or first responder district may, within 10 business days after receiving an objection under Subsection (11)(b)(ii), submit to the feasibility consultant a written response to the objection.

(iv) (A) A withdrawing municipality that submits a response under Subsection (11)(b)(iii) shall simultaneously deliver a copy of the response to the first responder district.

(B) A first responder district that submits a response under Subsection (11)(b)(iii) shall simultaneously deliver a copy of the response to the withdrawing municipality.

(v) If an objection is filed under Subsection (11)(b)(i), the feasibility consultant shall, within 20 business days after the expiration of the deadline under Subsection (11)(b)(iii) for submitting a response to an objection:

(A) modify the feasibility study report or explain in writing why the feasibility consultant is not modifying the feasibility study report; and

(B) deliver the modified feasibility study report or written explanation to the withdrawing municipality and first responder [~~local~~] special district.

(12) Within seven days after the expiration of the deadline under Subsection (11)(b)(i) for submitting an objection or, if an objection is submitted, within seven days after receiving a modified feasibility study report or written explanation under Subsection (11)(b)(v), but at least 30 days before a

public hearing under Subsection (14), the withdrawing municipality shall:

(a) make a copy of the report available to the public at the primary office of the withdrawing municipality; and

(b) if the withdrawing municipality has a website, post a copy of the report on the municipality's website.

(13) A feasibility study report or, if a feasibility study report is modified under Subsection (11), a modified feasibility study report may not be challenged unless the basis of the challenge is that the report results from collusion or fraud.

(14) (a) Following the expiration of the deadline under Subsection (11)(b)(i) for submitting an objection, or, if an objection is submitted under Subsection (11)(b)(i), following the withdrawing municipality's receipt of the modified feasibility study report or written explanation under Subsection (11)(b)(v), the legislative body of the withdrawing municipality shall, at the legislative body's next regular meeting, schedule at least one public hearing to be held:

(i) within the following 60 days; and

(ii) for the purpose of allowing:

(A) the feasibility consultant to present the results of the feasibility study; and

(B) the public to become informed about the feasibility study results, to ask the feasibility consultant questions about the feasibility study, and to express the public's views about the proposed withdrawal.

(b) At a public hearing under Subsection (14)(a), the legislative body of the withdrawing municipality shall:

(i) provide a copy of the feasibility study for public review; and

(ii) allow the public to:

(A) ask the feasibility consultant questions about the feasibility study; and

(B) express the public's views about the withdrawing municipality's proposed withdrawal from the first responder district.

(15) (a) The clerk or recorder of the withdrawing municipality shall publish notice of a hearing under Subsection (14) on the Utah Public Notice Website created in Section 63A-16-601, for three consecutive weeks immediately before the public hearing.

(b) A notice under Subsection (15)(a) shall state:

(i) the date, time, and location of the public hearing; and

(ii) that a copy of the feasibility study report may be obtained, free of charge, at the office of the withdrawing municipality or on the withdrawing municipality's website.

(16) Unless the withdrawing municipality and first responder district agree otherwise, conditions that a feasibility study report indicates are necessary to be met for a withdrawal to be functionally and financially feasible for the withdrawing municipality and first responder district are binding on the withdrawing municipality and first responder district if the withdrawal occurs.

Section 87. Section 17B-1-506 is amended to read:

17B-1-506. Withdrawal petition requirements.

(1) Each petition under Section 17B-1-504 shall:

(a) indicate the typed or printed name and current address of each owner of acre-feet of water, property owner, registered voter, or authorized representative of the governing body signing the petition;

(b) separately group signatures by municipality and, in the case of unincorporated areas, by county;

(c) if it is a petition signed by the owners of land, the assessment of which is based on acre-feet of water, indicate the address of the property and the property tax identification parcel number of the property as to which the owner is signing the request;

(d) designate up to three signers of the petition as sponsors, or in the case of a petition filed under Subsection 17B-1-504(1)(a)(iv), designate a governmental representative as a sponsor, and in each case, designate one sponsor as the contact sponsor with the mailing address and telephone number of each;

(e) state the reasons for withdrawal; and

(f) when the petition is filed with the [~~local~~] special district board of trustees, be accompanied by a map generally depicting the boundaries of the area proposed to be withdrawn and a legal description of the area proposed to be withdrawn.

(2) (a) The [~~local~~] special district may prepare an itemized list of expenses, other than attorney expenses, that will necessarily be incurred by the [~~local~~] special district in the withdrawal proceeding. The itemized list of expenses may be submitted to the contact sponsor. If the list of expenses is submitted to the contact sponsor within 21 days after receipt of the petition, the contact sponsor on behalf of the petitioners shall be required to pay the expenses to the [~~local~~] special district within 90 days of receipt. Until funds to cover the expenses are delivered to the [~~local~~] special district, the district will have no obligation to proceed with the withdrawal and the time limits on the district stated in this part will be tolled. If the expenses are not paid within the 90 days, or within 90 days from the conclusion of any arbitration under Subsection (2)(b), the petition requesting the withdrawal shall be considered to have been withdrawn.

(b) If there is no agreement between the board of trustees of the [~~local~~] special district and the contact sponsor on the amount of expenses that will

necessarily be incurred by the [~~local~~] special district in the withdrawal proceeding, either the board of trustees or the contact sponsor may submit the matter to binding arbitration in accordance with Title 78B, Chapter 6, Part 2, Alternative Dispute Resolution Act; provided that, if the parties cannot agree upon an arbitrator and the rules and procedures that will control the arbitration, either party may pursue arbitration under Title 78B, Chapter 11, Utah Uniform Arbitration Act.

(3) A signer of a petition may withdraw or, once withdrawn, reinstate the signer's signature at any time before the public hearing under Section 17B-1-508 by submitting a written withdrawal or reinstatement with the board of trustees of the [~~local~~] special district in which the area proposed to be withdrawn is located.

(4) If it reasonably appears that, if the withdrawal which is the subject of a petition filed under Subsection 17B-1-504(1)(a)(i) or (ii) is granted, it will be necessary for a municipality to provide to the withdrawn area the service previously supplied by the [~~local~~] special district, the board of trustees of the [~~local~~] special district may, within 21 days after receiving the petition, notify the contact sponsor in writing that, before it will be considered by the board of trustees, the petition shall be presented to and approved by the governing body of the municipality as provided in Subsection 17B-1-504(1)(a)(iv) before it will be considered by the [~~local~~] special district board of trustees. If the notice is timely given to the contact sponsor, the petition shall be considered to have been withdrawn until the municipality files a petition with the [~~local~~] special district under Subsection 17B-1-504(1)(a)(iv).

(5) (a) After receiving the notice required by Subsection 17B-1-504(2), unless specifically allowed by law, a public entity may not make expenditures from public funds to support or oppose the gathering of signatures on a petition for withdrawal.

(b) Nothing in this section prohibits a public entity from providing factual information and analysis regarding a withdrawal petition to the public, so long as the information grants equal access to both the opponents and proponents of the petition for withdrawal.

(c) Nothing in this section prohibits a public official from speaking, campaigning, contributing personal money, or otherwise exercising the public official's constitutional rights.

Section 88. Section 17B-1-507 is amended to read:

17B-1-507. Withdrawal petition certification -- Amended petition.

(1) Within 30 days after the filing of a petition under Sections 17B-1-504 and 17B-1-506, the board of trustees of the [~~local~~] special district in which the area proposed to be withdrawn is located shall:

(a) with the assistance of officers of the county in which the area proposed to be withdrawn is located, determine whether the petition meets the requirements of Sections 17B-1-504 and 17B-1-506; and

(b) (i) if the petition complies with the requirements set forth in Sections 17B-1-504 and 17B-1-506, certify the petition and mail or deliver written notification of the certification to the contact sponsor; or

(ii) if the petition fails to comply with any of the requirements set forth in Sections 17B-1-504 and 17B-1-506, reject the petition as insufficient and mail or deliver written notification of the rejection and the reasons for the rejection to the contact sponsor.

(2) (a) If the board rejects the petition under Subsection (1)(b)(ii), the petition may be amended to correct the deficiencies for which it was rejected and then refiled within 60 days after notice of the rejection.

(b) A valid signature on a petition that was rejected under Subsection (1)(b)(ii) may be used toward fulfilling the applicable signature requirement for an amended petition refiled under Subsection (2)(a).

(3) The board of trustees shall process an amended petition refiled under Subsection (2)(a) in the same manner as an original petition under Subsection (1). If an amended petition is rejected for failure to comply with the requirements of Sections 17B-1-504 and 17B-1-506, the board of trustees shall issue a final rejection of the petition for insufficiency and mail or deliver written notice of the final rejection to the contact sponsor.

(4) (a) A signer of a petition for which there has been a final rejection under Subsection (3) for insufficiency may seek judicial review of the board of trustees' final decision to reject the petition as insufficient.

(b) Judicial review under Subsection (4)(a) shall be initiated by filing an action in state district court in the county in which a majority of the area proposed to be withdrawn is located.

(c) The court in which an action is filed under this Subsection (4) may not overturn the board of trustees' decision to reject the petition unless the court finds that:

(i) the board of trustees' decision was arbitrary or capricious; or

(ii) the petition materially complies with the requirements set forth in Sections 17B-1-504 and 17B-1-506.

(d) The court may award costs and expenses of an action under this section, including reasonable attorney fees, to the prevailing party.

Section 89. Section 17B-1-508 is amended to read:

17B-1-508. Public hearing -- Quorum of board required to be present.

(1) A public hearing on the proposed withdrawal shall be held by the board of trustees of a [~~local~~] special district that:

(a) certifies a petition under Subsection 17B-1-507(1)(b)(i) unless the petition was signed by all of the owners of private land within the area proposed to be withdrawn or all of the registered voters residing within the area proposed to be withdrawn; or

(b) adopts a resolution under Subsection 17B-1-504(1)(a)(iii) unless another [~~local~~] special district provides to the area proposed to be withdrawn the same retail or wholesale service as provided by the [~~local~~] special district that adopted the resolution.

(2) The public hearing required by Subsection (1) for a petition certified by the board of trustees of a [~~local~~] special district under Subsection 17B-1-507(1)(b)(i), other than a petition filed in accordance with Subsection 17B-1-504(1)(a)(iv), may be held as an agenda item of a meeting of the board of trustees of the [~~local~~] special district without complying with the requirements of Subsection (3)(b), (3)(c), or Section 17B-1-509.

(3) Except as provided in Subsection (2), the public hearing required by Subsection (1) shall be held:

(a) no later than 90 days after:

(i) certification of the petition under Subsection 17B-1-507(1)(b)(i); or

(ii) adoption of a resolution under Subsection 17B-1-504(1)(a)(iii);

(b) (i) for a [~~local~~] special district located entirely within a single county:

(A) within or as close as practicable to the area proposed to be withdrawn; or

(B) at the [~~local~~] special district office; or

(ii) for a [~~local~~] special district located in more than one county:

(A) (I) within the county in which the area proposed to be withdrawn is located; and

(II) within or as close as practicable to the area proposed to be withdrawn; or

(B) if the [~~local~~] special district office is reasonably accessible to all residents within the area proposed to be annexed, at the [~~local~~] special district office;

(c) on a weekday evening other than a holiday beginning no earlier than 6:00 p.m.; and

(d) for the purpose of allowing:

(i) the public to ask questions and obtain further information about the proposed withdrawal and issues raised by it; and

(ii) any interested person to address the board of trustees concerning the proposed withdrawal.

(4) A quorum of the board of trustees of the [~~local~~] special district shall be present throughout the public hearing provided for under this section.

(5) A public hearing under this section may be postponed or continued to a new time, date, and place without further notice by a resolution of the board of trustees adopted at the public hearing held at the time, date, and place specified in the published notice; provided, however, that the public hearing may not be postponed or continued to a date later than 15 days after the 90-day period under Subsection (3).

Section 90. Section 17B-1-509 is amended to read:

17B-1-509. Notice of hearing and withdrawal.

(1) Unless it is held as an agenda item of a meeting of the board of trustees of a [~~local~~] special district as allowed by Subsection 17B-1-508(2), before holding a public hearing under Section 17B-1-508, the board of trustees of the [~~local~~] special district shall:

(a) mail notice of the public hearing and of the proposed withdrawal to:

(i) if the [~~local~~] special district is funded predominantly by revenues from a property tax, each owner of private real property located within the area proposed to be withdrawn, as shown upon the county assessment roll last equalized as of the previous December 31;

(ii) if the [~~local~~] special district is funded by fees based upon an allotment of acre-feet of water, each owner of private real property with an allotment of water located within the area proposed to be withdrawn, as shown upon the district's records; or

(iii) if the [~~local~~] special district is not funded predominantly by revenues from a property tax or fees based upon an allotment of acre-feet of water, each registered voter residing within the area proposed to be withdrawn, as determined by the voter registration list maintained by the county clerk as of a date selected by the board of trustees that is at least 20 but not more than 60 days before the public hearing; and

(b) post notice of the public hearing and of the proposed withdrawal in at least four conspicuous places within the area proposed to be withdrawn, no less than five nor more than 30 days before the public hearing.

(2) Each notice required under Subsection (1) shall:

(a) describe the area proposed to be withdrawn;

(b) identify the [~~local~~] special district in which the area proposed to be withdrawn is located;

(c) state the date, time, and location of the public hearing;

(d) state that the petition or resolution may be examined during specified times and at a specified place in the [~~local~~] special district; and

(e) state that any person interested in presenting comments or other information for or against the petition or resolution may:

(i) prior to the hearing, submit relevant comments and other information in writing to the board of trustees at a specified address in the [~~local~~] special district; or

(ii) at the hearing, present relevant comments and other information in writing and may also present comments and information orally.

Section 91. Section 17B-1-510 is amended to read:

17B-1-510. Resolution approving or rejecting withdrawal -- Criteria for approval or rejection -- Terms and conditions.

(1) (a) No later than 90 days after the public hearing under Section 17B-1-508, or, if no hearing is held, within 90 days after the filing of a petition under Section 17B-1-504, the board of trustees of the [~~local~~] special district in which the area proposed to be withdrawn is located shall adopt a resolution:

(i) approving the withdrawal of some or all of the area from the [~~local~~] special district; or

(ii) rejecting the withdrawal.

(b) Each resolution approving a withdrawal shall:

(i) include a legal description of the area proposed to be withdrawn;

(ii) state the effective date of the withdrawal; and

(iii) set forth the terms and conditions under Subsection (5), if any, of the withdrawal.

(c) Each resolution rejecting a withdrawal shall include a detailed explanation of the board of trustees' reasons for the rejection.

(2) Unless denial of the petition is required under Subsection (3), the board of trustees shall adopt a resolution approving the withdrawal of some or all of the area from the [~~local~~] special district if the board of trustees determines that:

(a) the area to be withdrawn does not and will not require the service that the [~~local~~] special district provides;

(b) the [~~local~~] special district will not be able to provide service to the area to be withdrawn for the reasonably foreseeable future; or

(c) the area to be withdrawn has obtained the same service that is provided by the [~~local~~] special district or a commitment to provide the same service that is provided by the [~~local~~] special district from another source.

(3) The board of trustees shall adopt a resolution denying the withdrawal if it determines that the proposed withdrawal would:

(a) result in a breach or default by the [~~local~~] special district under:

(i) any of its notes, bonds, or other debt or revenue obligations;

(ii) any of its agreements with entities which have insured, guaranteed, or otherwise credit-enhanced any debt or revenue obligations of the [~~local~~] special district; or

(iii) any of its agreements with the United States or any agency of the United States; provided, however, that, if the [~~local~~] special district has entered into an agreement with the United States that requires the consent of the United States for a withdrawal of territory from the district, a withdrawal under this part may occur if the written consent of the United States is obtained and filed with the board of trustees;

(b) adversely affect the ability of the [~~local~~] special district to make any payments or perform any other material obligations under:

(i) any of its agreements with the United States or any agency of the United States;

(ii) any of its notes, bonds, or other debt or revenue obligations; or

(iii) any of its agreements with entities which have insured, guaranteed, or otherwise credit-enhanced any debt or revenue obligations of the [~~local~~] special district;

(c) result in the reduction or withdrawal of any rating on an outstanding note, bond, or other debt or revenue obligation of the [~~local~~] special district;

(d) create an island or peninsula of nondistrict territory within the [~~local~~] special district or of district territory within nondistrict territory that has a material adverse affect on the [~~local~~] special district's ability to provide service or materially increases the cost of providing service to the remainder of the [~~local~~] special district;

(e) materially impair the operations of the remaining [~~local~~] special district; or

(f) require the [~~local~~] special district to materially increase the fees it charges or property taxes or other taxes it levies in order to provide to the remainder of the district the same level and quality of service that was provided before the withdrawal.

(4) In determining whether the withdrawal would have any of the results described in Subsection (3), the board of trustees may consider the cumulative impact that multiple withdrawals over a specified period of time would have on the [~~local~~] special district.

(5) (a) Despite the presence of one or more of the conditions listed in Subsection (3), the board of trustees may approve a resolution withdrawing an area from the [~~local~~] special district imposing terms or conditions that mitigate or eliminate the conditions listed in Subsection (3), including:

(i) a requirement that the owners of property located within the area proposed to be withdrawn or residents within that area pay their proportionate share of any outstanding district bond or other obligation as determined pursuant to Subsection (5)(b);

(ii) a requirement that the owners of property located within the area proposed to be withdrawn or residents within that area make one or more payments in lieu of taxes, fees, or assessments;

(iii) a requirement that the board of trustees and the receiving entity agree to reasonable payment and other terms in accordance with Subsections (5)(f) through (g) regarding the transfer to the receiving entity of district assets that the district used before withdrawal to provide service to the withdrawn area but no longer needs because of the withdrawal; provided that, if those district assets are allocated in accordance with Subsections (5)(f) through (g), the district shall immediately transfer to the receiving entity on the effective date of the withdrawal, all title to and possession of district assets allocated to the receiving entity; or

(iv) any other reasonable requirement considered to be necessary by the board of trustees.

(b) Other than as provided for in Subsection 17B-1-511(2), and except as provided in Subsection (5)(e), in determining the proportionate share of outstanding bonded indebtedness or other obligations under Subsection (5)(a)(i) and for purposes of determining the allocation and transfer of district assets under Subsection (5)(a)(iii), the board of trustees and the receiving entity, or in cases where there is no receiving entity, the board and the sponsors of the petition shall:

(i) engage engineering and accounting consultants chosen by the procedure provided in Subsection (5)(d); provided however, that if the withdrawn area is not receiving service, an engineering consultant need not be engaged; and

(ii) require the engineering and accounting consultants engaged under Subsection (5)(b)(i) to communicate in writing to the board of trustees and the receiving entity, or in cases where there is no receiving entity, the board and the sponsors of the petition the information required by Subsections (5)(f) through (h).

(c) For purposes of this Subsection (5):

(i) "accounting consultant" means a certified public accountant or a firm of certified public accountants with the expertise necessary to make the determinations required under Subsection (5)(h); and

(ii) "engineering consultant" means a person or firm that has the expertise in the engineering aspects of the type of system by which the withdrawn area is receiving service that is necessary to make the determination required under Subsections (5)(f) and (g).

(d) (i) Unless the board of trustees and the receiving entity, or in cases where there is no receiving entity, the board and the sponsors of the petition agree on an engineering consultant and an accounting consultant, each consultant shall be chosen from a list of consultants provided by the Consulting Engineers Council of Utah and the Utah Association of Certified Public Accountants, respectively, as provided in this Subsection (5)(d).

(ii) A list under Subsection (5)(d)(i) may not include a consultant who has had a contract for services with the district or the receiving entity during the two-year period immediately before the list is provided to the [~~local~~] special district.

(iii) Within 20 days of receiving the lists described in Subsection (5)(d)(i), the board of trustees shall eliminate the name of one engineering consultant from the list of engineering consultants and the name of one accounting consultant from the list of accounting consultants and shall notify the receiving entity, or in cases where there is no receiving entity, the sponsors of the petition in writing of the eliminations.

(iv) Within three days of receiving notification under Subsection (5)(d), the receiving entity, or in cases where there is no receiving entity, the sponsors of the petition shall eliminate another name of an engineering consultant from the list of engineering consultants and another name of an accounting consultant from the list of accounting consultants and shall notify the board of trustees in writing of the eliminations.

(v) The board of trustees and the receiving entity, or in cases where there is no receiving entity, the board and the sponsors of the petition shall continue to alternate between them, each eliminating the name of one engineering consultant from the list of engineering consultants and the name of one accounting consultant from the list of accounting consultants and providing written notification of the eliminations within three days of receiving notification of the previous notification, until the name of only one engineering consultant remains on the list of engineering consultants and the name of only one accounting consultant remains on the list of accounting consultants.

(e) The requirement under Subsection (5)(b) to engage engineering and accounting consultants does not apply if the board of trustees and the receiving entity, or in cases where there is no receiving entity, the board and the sponsors of the petition agree on the allocations that are the engineering consultant's responsibility under Subsection (5)(f) or the determinations that are the accounting consultant's responsibility under Subsection (5)(h); provided however, that if engineering and accounting consultants are engaged, the district and the receiving entity, or in cases where there is no receiving entity, the district and the sponsors of the petition shall equally share the cost of the engineering and accounting consultants.

(f) (i) The engineering consultant shall allocate the district assets between the district and the receiving entity as provided in this Subsection (5)(f).

(ii) The engineering consultant shall allocate:

(A) to the district those assets reasonably needed by the district to provide to the area of the district remaining after withdrawal the kind, level, and quality of service that was provided before withdrawal; and

(B) to the receiving entity those assets reasonably needed by the receiving entity to provide to the

withdrawn area the kind and quality of service that was provided before withdrawal.

(iii) If the engineering consultant determines that both the [~~local~~] special district and the receiving entity reasonably need a district asset to provide to their respective areas the kind and quality of service provided before withdrawal, the engineering consultant shall:

(A) allocate the asset between the [~~local~~] special district and the receiving entity according to their relative needs, if the asset is reasonably susceptible of division; or

(B) allocate the asset to the [~~local~~] special district, if the asset is not reasonably susceptible of division.

(g) All district assets remaining after application of Subsection (5)(f) shall be allocated to the [~~local~~] special district.

(h) (i) The accounting consultant shall determine the withdrawn area's proportionate share of any redemption premium and the principal of and interest on:

(A) the [~~local~~] special district's revenue bonds that were outstanding at the time the petition was filed;

(B) the [~~local~~] special district's general obligation bonds that were outstanding at the time the petition was filed; and

(C) the [~~local~~] special district's general obligation bonds that:

(I) were outstanding at the time the petition was filed; and

(II) are treated as revenue bonds under Subsection (5)(i); and

(D) the district's bonds that were issued prior to the date the petition was filed to refund the district's revenue bonds, general obligation bonds, or general obligation bonds treated as revenue bonds.

(ii) For purposes of Subsection (5)(h)(i), the withdrawn area's proportionate share of redemption premium, principal, and interest shall be the amount that bears the same relationship to the total redemption premium, principal, and interest for the entire district that the average annual gross revenues from the withdrawn area during the three most recent complete fiscal years before the filing of the petition bears to the average annual gross revenues from the entire district for the same period.

(i) For purposes of Subsection (5)(h)(i), a district general obligation bond shall be treated as a revenue bond if:

(i) the bond is outstanding on the date the petition was filed; and

(ii) the principal of and interest on the bond, as of the date the petition was filed, had been paid entirely from [~~local~~] special district revenues and not from a levy of ad valorem tax.

(j) (i) Before the board of trustees of the [~~local~~] special district files a resolution approving a withdrawal, the receiving entity, or in cases where there is no receiving entity, the sponsors of the petition shall irrevocably deposit government obligations, as defined in Subsection 11-27-2(6), into an escrow trust fund the principal of and interest on which are sufficient to provide for the timely payment of the amount determined by the accounting consultant under Subsection (5)(h) or in an amount mutually agreeable to the board of trustees of the [~~local~~] special district and the receiving entity, or in cases where there is no receiving entity, the board and the sponsors of the petition. Notwithstanding Subsection 17B-1-512(1), the board of trustees may not be required to file a resolution approving a withdrawal until the requirements for establishing and funding an escrow trust fund in this Subsection (5)(j)(i) have been met; provided that, if the escrow trust fund has not been established and funded within 180 days after the board of trustees passes a resolution approving a withdrawal, the resolution approving the withdrawal shall be void.

(ii) Concurrently with the creation of the escrow, the receiving entity, or in cases where there is no receiving entity, the sponsors of the petition shall provide to the board of trustees of the [~~local~~] special district:

(A) a written opinion of an attorney experienced in the tax-exempt status of municipal bonds stating that the establishment and use of the escrow to pay the proportionate share of the district's outstanding revenue bonds and general obligation bonds that are treated as revenue bonds will not adversely affect the tax-exempt status of the bonds; and

(B) a written opinion of an independent certified public accountant verifying that the principal of and interest on the deposited government obligations are sufficient to provide for the payment of the withdrawn area's proportionate share of the bonds as provided in Subsection (5)(h).

(iii) The receiving entity, or in cases where there is no receiving entity, the sponsors of the petition shall bear all expenses of the escrow and the redemption of the bonds.

(iv) The receiving entity may issue bonds under Title 11, Chapter 14, Local Government Bonding Act, and Title 11, Chapter 27, Utah Refunding Bond Act, to fund the escrow.

(6) A requirement imposed by the board of trustees as a condition to withdrawal under Subsection (5) shall, in addition to being expressed in the resolution, be reduced to a duly authorized and executed written agreement between the parties to the withdrawal.

(7) An area that is the subject of a withdrawal petition under Section 17B-1-504 that results in a board of trustees resolution denying the proposed withdrawal may not be the subject of another withdrawal petition under Section 17B-1-504 for two years after the date of the board of trustees resolution denying the withdrawal.

Section 92. Section 17B-1-511 is amended to read:

17B-1-511. Continuation of tax levy after withdrawal to pay for proportionate share of district bonds.

(1) Other than as provided in Subsection (2), and unless an escrow trust fund is established and funded pursuant to Subsection 17B-1-510(5)(j), property within the withdrawn area shall continue after withdrawal to be taxable by the [~~local~~] special district:

(a) for the purpose of paying the withdrawn area's just proportion of the [~~local~~] special district's general obligation bonds or lease obligations payable from property taxes with respect to lease revenue bonds issued by a local building authority on behalf of the [~~local~~] special district, other than those bonds treated as revenue bonds under Subsection 17B-1-510(5)(i), until the bonded indebtedness has been satisfied; and

(b) to the extent and for the years necessary to generate sufficient revenue that, when combined with the revenues from the district remaining after withdrawal, is sufficient to provide for the payment of principal and interest on the district's general obligation bonds that are treated as revenue bonds under Subsection 17B-1-510(5)(i).

(2) For a [~~local~~] special district funded predominately by revenues other than property taxes, service charges, or assessments based upon an allotment of acre-feet of water, property within the withdrawn area shall continue to be taxable by the [~~local~~] special district for purposes of paying the withdrawn area's proportionate share of bonded indebtedness or judgments against the [~~local~~] special district incurred prior to the date the petition was filed.

(3) Except as provided in Subsections (1) and (2), upon withdrawal, the withdrawing area is relieved of all other taxes, assessments, and charges levied by the district, including taxes and charges for the payment of revenue bonds and maintenance and operation cost of the [~~local~~] special district.

Section 93. Section 17B-1-512 is amended to read:

17B-1-512. Filing of notice and plat -- Recording requirements -- Contest period -- Judicial review.

(1) (a) Within the time specified in Subsection (1)(b), the board of trustees shall file with the lieutenant governor:

(i) a copy of a notice of an impending boundary action, as defined in Section 67-1a-6.5, that meets the requirements of Subsection 67-1a-6.5(3); and

(ii) a copy of an approved final local entity plat, as defined in Section 67-1a-6.5.

(b) The board of trustees shall file the documents listed in Subsection (1)(a):
