(2) (a) The governor shall state in an executive order declaring a temporary water shortage emergency the time period for which the temporary water shortage emergency is declared, except that the governor may not declare a temporary water shortage emergency for longer than 30 days after the date the executive order is issued.

(b) The governor may terminate an executive order declaring a temporary water shortage emergency before the expiration of the time period stated in the executive order.

(2) the person entitled to make a request is not described in Subsection (1)(a).

(b) damage to equipment; or

(c) damage to capital facilities or operational assets.

(iv) interest on the amounts described in Subsections (1)(a)(i), (ii), and (iii) in the amount of 8% per annum.

(i) the preferential user stops diverting water preferentially under this chapter; or

(ii) mediation or arbitration under Subsection (2) is complete.

(d) (i) Once an interrupted user informs the preferential user of the amount owed under Subsection (1)(a), the preferential user has the burden of proof to prove, by a preponderance of the evidence, that an amount different from that asserted by the interrupted user is owed under Subsection (1)(a).

(iv) Arbitration by the department is not necessary before bringing legal action to adjudicate a claim under this section. The lack of arbitration by the department does not constitute, and may not be

(ii) the final amount determined by the department as a result of arbitration described in Subsection (2).

(5) (a) In accordance with this Subsection (5), an interrupted user may apply for one or more 0% interest loans from the commission to compensate the interrupted user while the interrupted user is waiting to be compensated by the preferential user under this section.

(b) Before the commission may make a loan under this Subsection (5) to an interrupted user, the interrupted user shall apply for the loan by:

(ii) For agriculture commodities, the commission may determine unit prices and base adjustments by using:

(A) applicable United States Department of Agriculture crop pricing data sets;

(B) Utah State University Extension data sets; and

(iii) For agriculture commodities, the commission may consider documents filed under Subsection (5)(b) to establish historical production records provided by the interrupted user.

(iv) For nonagricultural products or services, the commission may determine the loan amount using information from:

(A) other state agencies;

(B) federal agencies; and

(C) industry leaders within the state associated with the goods or service forgone by the interrupted user.

(v) For nonagricultural products or services, the commission shall determine the quantity of units of

nonagricultural good and services during the temporary water shortage emergency by using:

(A) industry standards, if available; or

(B) recent product or service records.

(e) An interrupted user who receives a loan under this Subsection (5) shall repay the amount of the loan within 30 days of the day on which the interrupted user is paid in full by the preferential user.

(6) (a) If the department determines that the preferential user fails to comply with Subsection (1), the department may bring suit in a court of competent jurisdiction to require a preferential user to reimburse the fund for a loan issued under Subsection (5) that is based on the use of the water by the preferential user.

(7) The division shall provide for, or contract with a child-placing agency to provide for expeditious adoption of the newborn child.

(8) So long as the individual relinquishing a newborn child is the newborn child's parent or designee, and there is no abuse or neglect, safe relinquishment of a newborn child in substantial compliance with this part is an affirmative defense to any potential criminal liability for abandonment or neglect relating to the relinquishment.

[~~(7)~~] (8) (a) A forensic evaluator shall provide an initial report to the court and the prosecuting and defense attorneys within 30 days of the receipt of the court's order. The report shall inform the court of the examiner's opinion concerning the competency of the defendant to stand trial.

(b) (i) If the forensic evaluator is unable to complete the report in the time specified in Subsection [~~(7)(a)~~] (8)(a), the forensic evaluator shall give written notice to the court.

(ii) A forensic evaluator who provides the notice described in Subsection [~~(7)(b)(i)~~] (8)(b)(i) shall receive a 15-day extension, giving the forensic evaluator a total of 45 days after the day on which the forensic evaluator received the court's order to conduct a competency evaluation and file a report.

(iii) The court may further extend the deadline for completion of the evaluation and report if the court determines that there is good cause for the extension.

(iv) Upon receipt of an extension described in Subsection [~~(7)(b)(iii)~~] (8)(b)(iii), the forensic evaluator shall file the report as soon as reasonably possible.

[~~(8)~~] (9) Any written report submitted by a forensic evaluator shall:

(a) identify the case ordered for evaluation by the case number;

(b) describe the procedures, techniques, and tests used in the examination and the purpose or purposes for each, the time spent by the forensic evaluator with the defendant for purposes of the examination, and the compensation to be paid to the evaluator for the report;

(c) state the forensic evaluator's clinical observations, findings, and opinions on each [~~issue referred for examination by the court, and indicate specifically those issues, if any, on which the forensic evaluator could not give an opinion~~] factor described in Subsection (6); and

(d) identify the sources of information used by the forensic evaluator and present the basis for the forensic evaluator's clinical findings and opinions.

[~~(9)~~] (10) (a) Any statement made by the defendant in the course of any competency examination, whether the examination is with or without the consent of the defendant, any testimony by a forensic evaluator based upon the statement, and any other fruits of the statement may not be admitted in evidence against the defendant in any criminal proceeding except on an issue respecting mental condition on which the defendant has introduced evidence[~~. The evidence may be admitted, however, where~~], unless the evidence is relevant to a determination of the defendant's competency.

(b) Before examining the defendant, the forensic evaluator shall specifically advise the defendant of the limits of confidentiality as provided under Subsection [~~(9)(a)~~] (10)(a).

[~~(10)~~] (11) (a) Upon receipt of the forensic evaluators' reports, the court shall set a date for a competency hearing. The hearing shall be held not less than [~~5~~] five and not more than 15 days after the day on which the court received the forensic evaluators' reports, unless for good cause the court sets a later date.

(b) Any person directed by the department to conduct the competency evaluation may be subpoenaed to testify at the hearing.

(c) The court may call any forensic evaluator to testify at the hearing who is not called by the parties. If the court calls a forensic evaluator, counsel for the parties may cross-examine the forensic evaluator.

(d) (i) If the forensic evaluators are in conflict as to the competency of the defendant, all forensic evaluators should be called to testify at the hearing if reasonably available.

(ii) A conflict in the opinions of the forensic evaluators does not require the appointment of an additional forensic evaluator unless the court [~~determines the appointment to be necessary~~] finds good cause for the appointment.

[~~(11)~~] (12) (a) (i) A defendant shall be presumed competent to stand trial unless the court, by a preponderance of the evidence, finds the defendant incompetent to proceed.

(ii) The burden of proof is upon the proponent of incompetency at the hearing.

(b) An adjudication of incompetent to proceed does not operate as an adjudication of incompetency to give informed consent for medical treatment or for any other purpose, unless specifically set forth in the court order.

[~~(12)~~] (13) In determining the defendant's competency to stand trial, the court shall consider the totality of the circumstances, which may include the testimony of lay witnesses, [~~in addition to the forensic evaluator's report, testimony, and studies~~] the forensic evaluator's testimony and report, the materials on which the report is based, and any other relevant considerations.

[~~(13)~~] (14) If the court finds the defendant incompetent to proceed:

(a) the court shall issue the order described in Subsection 77-15-6(1), which shall:

(i) include findings addressing each of the factors in Subsection [~~(5)(a)~~] (6)(a);

(ii) include a transportation order, if necessary;

(iii) be accompanied by the forensic evaluators' reports, any psychiatric, psychological, or social work reports submitted to the court relative to the mental condition of the defendant, and any other documents made available to the court by either the defense or the prosecution, pertaining to the defendant's current or past mental condition; and

(iv) be sent by the court to the department; and

(b) the prosecuting attorney shall provide to the department:

(i) the charging document and probable cause statement, if any;

(ii) arrest or incident reports prepared by law enforcement and pertaining to the charged offense; and

(iii) additional supporting documents.

[~~(14)~~] (15) The court may make any reasonable order to ensure compliance with this section.

[~~(15)~~] (16) Failure to comply with this section does not result in the dismissal of criminal charges.

Section 4. Section 77-15-6 is amended to read:

77-15-6. Commitment on finding of incompetency to stand trial -- Subsequent hearings -- Notice to prosecuting attorneys.

(1) (a) Except as provided in Subsection (5), if after a hearing a court finds a defendant to be incompetent to proceed, the court shall order the defendant committed to the department for restoration treatment.

(b) (i) [~~The~~] Except as provided in Subsection (1)(b)(ii), the court may recommend but may not order placement of [~~the~~] a defendant who is found incompetent to proceed.

(ii) The court may[~~, however,~~] order that the defendant be placed in a secure setting rather than a nonsecure setting.

(c) Following restoration screening, the department's designee shall designate and inform the court of the specific placement and restoration treatment program for the defendant.

[~~(c)~~] (d) Restoration treatment shall be of sufficient scope and duration to:

(i) restore the [~~individual~~] defendant to competency; or

(ii) determine whether the [~~individual~~] defendant can be restored to competency in the foreseeable future.

[~~(d)~~] (e) A defendant [~~whom~~] who a court determines is incompetent to proceed may not be held for restoration treatment longer than:

(i) the time reasonably necessary to determine [~~whether there is a substantial probability that the defendant will become competent to stand trial in the foreseeable future, or~~] that the defendant cannot become competent to stand trial in the foreseeable future; and

(ii) the maximum period of incarceration that the defendant could receive if the defendant were convicted of the most severe offense of the offenses charged.

(2) (a) A defendant who is receiving restoration treatment shall receive a progress toward competency evaluation, by:

(i) a forensic evaluator, designated by the department; and

(ii) an additional forensic evaluator, if requested by a party and paid for by the requesting party.

(b) A forensic evaluator shall complete a progress toward competency evaluation and submit a report within 90 days after the day on which the forensic evaluator receives the commitment order from the department. [~~If the forensic evaluator is unable to complete the report within 90 days, the forensic evaluator shall provide to the court and counsel a summary progress statement that informs the court that additional time is necessary to complete the report, in which case the examiner shall have up to an additional 45 days to provide the full report.~~]

(c) The report shall:

(i) assess whether the defendant is exhibiting false or exaggerated physical or psychological symptoms;

(ii) describe any diagnostic instruments, methods, and observations used by the [~~examiner~~] evaluator to make the determination;

(iii) describe the defendant's current mental illness or intellectual disability, if any;

[~~(iii)~~] (iv) state the forensic evaluator's opinion as to the effect of any false or exaggerated symptoms on the defendant's competency to stand trial;

[~~(iv)~~] (v) assess the facility's or program's capacity to provide appropriate restoration treatment for the defendant;

[~~(v)~~] (vi) assess the nature of restoration treatment provided to the defendant;

[~~(vi)~~] (vii) assess what progress the defendant has made toward competency restoration, with respect to the factors identified by the court in its initial order;

(viii) assess whether the defendant can reasonably be restored to competency in the foreseeable future given the restoration treatment currently being provided and the facility's or program's capacity to provide appropriate restoration treatment for the defendant; and

[~~(vii) describe the defendant's current level of intellectual or developmental disability and need for treatment, if any; and~~]

[~~(viii)~~] (ix) assess the likelihood of restoration to competency, the amount of time estimated to achieve competency, or the amount of time estimated to determine whether restoration to competency may be achieved.

(3) (a) The court on its own motion or upon motion by either party or the department may appoint an additional forensic evaluator to conduct a progress toward competency evaluation.

(b) If the court appoints an additional forensic evaluator upon motion of a party, that party shall pay the costs of the additional forensic evaluator.

(4) (a) Within 15 days after the day on which the court receives the forensic evaluator's report of the progress toward competency evaluation, the court shall hold a hearing to review the defendant's competency.

(b) At the hearing, the burden of proving that the defendant is competent to stand trial is on the proponent of competency.

(c) Following the hearing, the court shall determine by a preponderance of evidence whether the defendant is:

[~~(a)~~] (i) competent to stand trial;

[~~(b)~~] (ii) incompetent to proceed, with a substantial probability that the defendant may become competent in the foreseeable future; or

[~~(c)~~] (iii) incompetent to proceed, without a substantial probability that the defendant may become competent in the foreseeable future.

(5) (a) If at any time the court determines that the defendant is competent to stand trial, the court shall:

(i) proceed with the trial or other procedures as may be necessary to adjudicate the charges; and

(ii) order that the defendant be returned to the placement and status that the defendant was in at the time when the petition for the adjudication of competency was filed or raised by the court, unless the court determines that [~~a different~~] placement of the defendant in a less restrictive environment is more appropriate.

(b) If the court determines that the defendant is [~~not competent~~] incompetent to proceed [~~but that there is~~] with a substantial probability that the defendant may become competent in the foreseeable future, the court may order that the defendant remain committed to the department or the department's designee for the purpose of restoration treatment.

(c) (i) If the court determines that the defendant is incompetent to proceed [~~and that there is not~~] without a substantial probability that the defendant may become competent in the foreseeable future, the court shall order the defendant released from commitment to the department, unless the prosecutor or another individual informs the court that civil commitment proceedings pursuant to Title 62A, Chapter 5, Services for People with Disabilities, or Title 62A, Chapter 15, Substance Abuse and Mental Health Act, will be initiated.

(ii) [~~These~~] The commitment proceedings must be initiated by a petition filed within seven days after the day on which the court makes the determination described in Subsection [~~(4)(c)~~] (4)(c)(iii), unless the court finds that there is good cause to delay the initiation of the civil commitment proceedings.

(iii) The court may order the defendant to remain [~~in the commitment of~~] committed to the department until the civil commitment proceedings conclude.

(iv) If the defendant is civilly committed and admitted to a secure setting, the department shall [~~notify~~] provide notice to the court that adjudicated the defendant incompetent to proceed and to the prosecution agency that prosecuted the case at least [~~10~~] 60 days before any proposed release of the committed individual from the secure setting.

(6) If a court, under Subsection (5)(b), extends a defendant's commitment, the court shall schedule a competency review hearing for the earlier of:

(a) the department's best estimate of when the defendant may be restored to competency; or

(b) three months after the day on which the court determined under Subsection (5)(b) to extend the defendant's commitment.

(7) [~~If~~] Unless the defendant is charged with a crime listed in Subsection (8), if a defendant is [~~not competent~~] incompetent to proceed by the day of the competency review hearing that follows the extension of a defendant's commitment, [~~a~~] the court shall:

(a) [~~except for a defendant charged with crimes listed in Subsection (8), order a defendant~~] order the defendant be:

(i) released[~~; or (ii)~~] or temporarily detained pending civil commitment proceedings [~~under the same terms~~] as described in Subsection (5)(c); and

[~~(b)~~] (ii) terminate the defendant's commitment to the department for restoration treatment[~~.~~]; or

(b) if the forensic evaluator reports to the court that there is a substantial probability that restoration treatment will bring the defendant to competency to stand trial in the foreseeable future, extend the defendant's commitment for restoration treatment up to 45 additional days.

(8) If the defendant [~~has been~~] is charged with aggravated murder, murder, attempted murder, manslaughter, or a first degree felony and the court determines that the defendant is making reasonable progress towards restoration of competency at the time of the hearing held pursuant to Subsection (6), the court may extend the commitment for a period not to exceed [~~9~~] nine months for the purpose of restoration treatment, with a mandatory review hearing at the end of the [~~9-month~~] nine-month period.

(9) [~~If at the 9-month~~] Unless the defendant is charged with aggravated murder or murder, if, at the nine-month review hearing described in Subsection (8), the court determines that the defendant is [~~not competent~~] incompetent to proceed, the court shall:

(a) (i) order the defendant[~~, except for a defendant charged with aggravated murder or murder, to be:(i) released; or(ii)~~] be released or temporarily detained pending civil commitment proceedings [~~under the same terms~~] as provided in Subsection (5)(c); and

[~~(b)~~] (ii) terminate the defendant's commitment to the department for restoration treatment[~~.~~]; or

(b) if the forensic evaluator reports to the court that there is a substantial probability that restoration treatment will bring the defendant to competency to stand trial in the foreseeable future, extend the defendant's commitment for restoration treatment for up to 135 additional days.

(10) If the defendant [~~has been~~] is charged with aggravated murder or murder and the court determines that the defendant is making reasonable progress towards restoration of competency at the time of the [~~9-month~~] nine-month review hearing described in Subsection (8), the court may extend the commitment for a period not to exceed 24 months for the purpose of restoration treatment.

(11) If the court extends the defendant's commitment term under Subsection (10), the court shall hold a hearing no less frequently than at 12-month intervals following the extension for the purpose of determining the defendant's competency status.

(12) If, at the end of the 24-month commitment period described in Subsection (10), the court determines that the defendant is [~~not competent~~] incompetent to proceed, the court shall:

(a) (i) order the defendant [~~to be:(i) released; or (ii)~~] be released or temporarily detained pending civil commitment proceedings [~~under the same terms~~] as provided in Subsection (5)(c); and

[~~(b)~~] (ii) terminate the defendant's commitment to the department for restoration treatment[~~.~~]; or

(b) if the forensic evaluator reports to the court that there is a substantial probability that restoration treatment will bring the defendant to competency to stand trial in the foreseeable future, extend the defendant's commitment for restoration treatment for up to 12 additional months.

(13) (a) Neither release from a pretrial incompetency commitment under the provisions of this section nor civil commitment requires dismissal of criminal charges.

(b) The court may retain jurisdiction over the criminal case and may order periodic reviews.

(14) A defendant who is civilly committed pursuant to Title 62A, Chapter 5, Services for People with Disabilities, or Title 62A, Chapter 15, Substance Abuse and Mental Health Act, may still be adjudicated competent to stand trial under this chapter.

(15) (a) The remedy for a violation of the time periods specified in this section, other than those specified in Subsection (5)(c), (7), (9), or (12), shall be a motion to compel the hearing, or mandamus, but not release from detention or dismissal of the criminal charges.

(b) The remedy for a violation of the time periods specified in Subsection (5)(c), (7), (9), or (12), or is not dismissal of the criminal charges.

(16) In cases in which the treatment of the defendant is precluded by court order for a period of time, that time period may not be considered in computing time limitations under this section.

(17) (a) [~~At any time that~~] If, at any time, the defendant becomes competent to stand trial while the defendant is committed to the department, the clinical director of the [~~hospital~~] Utah State Hospital, the department, or the department's designee shall certify that fact to the court.

(b) The court shall conduct a competency review hearing:

(i) within 15 working days after the day on which the court receives the certification described in Subsection (17)(a); or

(ii) within 30 working days after the day on which the court receives the certification described in

Subsection (17)(a), if the court determines that more than 15 working days are necessary for good cause related to the defendant's competency.

(18) The court may order a hearing [~~or rehearing~~] at any time on [~~its~~] the court's own motion or upon recommendations of the clinical director of the [~~hospital~~] Utah State Hospital or other facility or the department.

(19) Notice of a hearing on competency to stand trial shall be given to the prosecuting attorney and all counsel of record. [~~If the hearing is held in the county where the defendant is confined, notice shall also be given to the prosecuting attorney for that county.~~]

(a) was under 18 years old at the time of the offense; and

(b) could have been adjudicated in the juvenile court but for the delayed reporting or delayed filing of the information.

Section 9. Section 76-5-205.5 is amended to read:

(I) a condition resulting from [~~mental illness~~] a mental condition; or

(II) distress that is substantially caused by the defendant's own conduct.

(a) (i) under circumstances that are not legally justified, but the defendant acts under a delusion attributable to a mental [~~illness~~] condition;

(ii) the nature of the delusion is such that, if the facts existed as the defendant believed them to be in the delusional state, those facts would provide a legal justification for the defendant's conduct; and

(iii) the defendant's actions, in light of the delusion, are reasonable from the objective viewpoint of a reasonable person; or

(b) except as provided in Subsection (4), under the influence of extreme emotional distress that is predominantly caused by the victim's highly provoking act immediately preceding the defendant's actions.

(3) A defendant who is under the influence of voluntarily consumed, injected, or ingested alcohol, controlled substances, or volatile substances at the time of the alleged offense may not claim mitigation of the offense under Subsection (2)(a) on the basis of a mental [~~illness~~] condition if the alcohol or substance causes, triggers, or substantially contributes to the defendant's mental [~~illness~~] condition.

(4) A defendant may not claim special mitigation under Subsection (2)(b) if:

(a) the time period after the victim's highly provoking act and before the defendant's actions was long enough for an objectively reasonable person to have recovered from the extreme emotional distress;

(b) the defendant responded to the victim's highly provoking act by inflicting serious or substantial bodily injury on the victim over a prolonged period, or by inflicting torture on the victim, regardless of whether the victim was conscious during the infliction of serious or substantial bodily injury or torture; or

(c) the victim's highly provoking act, described in Subsection (2)(b), is comprised of words alone.

(5) If the trier of fact finds that the elements of aggravated murder, attempted aggravated murder, murder, or attempted murder are proven beyond a reasonable doubt, and also finds that the existence of special mitigation under this section is established by a preponderance of the evidence, the court shall enter a judgment of conviction in accordance with Subsection 76-5-202(3)(f)(i), 76-5-202(3)(f)(ii), 76-5-203(3)(b)(i), or 76-5-203(3)(b)(ii), respectively.

(6) If the issue of special mitigation is submitted to the trier of fact, the trier of fact shall return a special verdict at the same time as the general verdict, indicating whether it finds special mitigation.

(7) (a) If a jury is the trier of fact, a unanimous vote of the jury is required to find special mitigation under this section.

(b) If the jury unanimously finds that the elements of an offense described in Subsection (5) are proven beyond a reasonable doubt, and finds special mitigation by a unanimous vote, the jury shall return a general verdict finding the defendant guilty of the charged crime and a special verdict indicating special mitigation.

(c) If the jury unanimously finds that the elements of an offense described in Subsection (5) are proven beyond a reasonable doubt but finds by a unanimous vote that special mitigation is not established, or if the jury is unable to unanimously agree that special mitigation is established, the jury shall convict the defendant of the greater offense for which the prosecution proves all the elements beyond a reasonable doubt.

(A) does not enlarge, eliminate, or destroy vested rights; and

(B) clarifies legislative intent.

(h) A self-insured, including a governmental entity, may elect to provide uninsured motorist

coverage in an amount that is less than its maximum self-insured retention under Subsections (4)(a) and (5)(a) by issuing a declaratory memorandum or policy statement from the chief financial officer or chief risk officer that declares the:

(i) Uninsured motorist coverage may not be sold with limits that are less than the minimum bodily injury limits for motor vehicle liability policies under Section 31A-22-304.

(j) The acknowledgment under Subsection (4)(a) continues for that issuer of the uninsured motorist coverage until the named insured requests, in writing, different uninsured motorist coverage from the insurer.

(k) (i) In conjunction with the first two renewal notices sent after January 1, 2001, for policies existing on that date, the insurer shall disclose in the same medium as the premium renewal notice, an explanation of:

(A) the purpose of uninsured motorist coverage in the same manner as described in Subsection (4)(a)(iv); and

(B) a disclosure of the additional premiums required to purchase uninsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(ii) The disclosure required under Subsection (4)(k)(i) shall be sent to all named insureds that carry uninsured motorist coverage limits in an amount less than the named insured's motor vehicle liability policy limits or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(l) For purposes of this Subsection (4), a notice or disclosure sent to a named insured in a household constitutes notice or disclosure to all insureds within the household.

(5) (a) (i) Except as provided in Subsection (5)(b), the named insured may reject uninsured motorist coverage by an express writing to the insurer that provides liability coverage under Subsection 31A-22-302(1)(a).

(ii) This rejection shall be on a form provided by the insurer that includes a reasonable explanation of the purpose of uninsured motorist coverage.

(iii) This rejection continues for that issuer of the liability coverage until the insured in writing requests uninsured motorist coverage from that liability insurer.

(b) (i) All persons, including governmental entities, that are engaged in the business of, or that accept payment for, transporting natural persons by motor vehicle, and all school districts that provide transportation services for their students, shall provide coverage for all motor vehicles used for that purpose, by purchase of a policy of insurance or by self-insurance, uninsured motorist coverage of at least $25,000 per person and $500,000 per accident.

(ii) This coverage is secondary to any other insurance covering an injured covered person.

(c) Uninsured motorist coverage:

(i) does not cover any benefit paid or payable under Title 34A, Chapter 2, Workers' Compensation Act, except that the covered person is credited an amount described in Subsection 34A-2-106(5);

(ii) may not be subrogated by the workers' compensation insurance carrier, workers' compensation insurance, uninsured employer, the Uninsured Employers Fund created in Section 34A-2-704, or the Employers' Reinsurance Fund created in Section 34A-2-702;

(iii) may not be reduced by any benefits provided by workers' compensation insurance, uninsured employer, the Uninsured Employers Fund created in Section 34A-2-704, or the Employers' Reinsurance Fund created in Section 34A-2-702;

(iv) may be reduced by health insurance subrogation only after the covered person has been made whole;

(v) may not be collected for bodily injury or death sustained by a person:

(A) while committing a violation of Section 41-1a-1314;

(B) who, as a passenger in a vehicle, has knowledge that the vehicle is being operated in violation of Section 41-1a-1314; or

(C) while committing a felony; and

(vi) notwithstanding Subsection (5)(c)(v), may be recovered:

(A) for a person under 18 years old who is injured within the scope of Subsection (5)(c)(v) but limited to medical and funeral expenses; or

(B) by a law enforcement officer as defined in Section 53-13-103, who is injured within the course and scope of the law enforcement officer's duties.

(d) As used in this Subsection (5), "motor vehicle" has the same meaning as under Section 41-1a-102.

(6) When a covered person alleges that an uninsured motor vehicle under Subsection (2)(b) proximately caused an accident without touching the covered person or the motor vehicle occupied by the covered person, the covered person shall show the existence of the uninsured motor vehicle by clear and convincing evidence consisting of more than the covered person's testimony.

(7) (a) The limit of liability for uninsured motorist coverage for two or more motor vehicles may not be added together, combined, or stacked to determine

the limit of insurance coverage available to an injured person for any one accident.

(b) (i) Subsection (7)(a) applies to all persons except a covered person as defined under Subsection (8)(b).

(ii) A covered person as defined under Subsection (8)(b)(ii) is entitled to the highest limits of uninsured motorist coverage afforded for any one motor vehicle that the covered person is the named insured or an insured family member.

(iii) This coverage shall be in addition to the coverage on the motor vehicle the covered person is occupying.

(iv) Neither the primary nor the secondary coverage may be set off against the other.

(c) Coverage on a motor vehicle occupied at the time of an accident shall be primary coverage, and the coverage elected by a person described under Subsections (1)(a), (b), and (c) shall be secondary coverage.

(8) (a) Uninsured motorist coverage under this section applies to bodily injury, sickness, disease, or death of covered persons while occupying or using a motor vehicle only if the motor vehicle is described in the policy under which a claim is made, or if the motor vehicle is a newly acquired or replacement motor vehicle covered under the terms of the policy. Except as provided in Subsection (7) or this Subsection (8), a covered person injured in a motor vehicle described in a policy that includes uninsured motorist benefits may not elect to collect uninsured motorist coverage benefits from any other motor vehicle insurance policy under which the person is a covered person.

(b) Each of the following persons may also recover uninsured motorist benefits under any one other policy in which they are described as a "covered person" as defined in Subsection (1):

(i) a covered person injured as a pedestrian by an uninsured motor vehicle; and

(ii) except as provided in Subsection (8)(c), a covered person injured while occupying or using a motor vehicle that is not owned, leased, or furnished:

(A) to the covered person;

(B) to the covered person's spouse; or

(C) to the covered person's resident parent or resident sibling.

(c) (i) A covered person may recover benefits from no more than two additional policies, one additional policy from each parent's household if the covered person is:

(A) a dependent minor of parents who reside in separate households; and

(B) injured while occupying or using a motor vehicle that is not owned, leased, or furnished:

(I) to the covered person;

(II) to the covered person's resident parent; or

(III) to the covered person's resident sibling.

(ii) Each parent's policy under this Subsection (8)(c) is liable only for the percentage of the damages that the limit of liability of each parent's policy of uninsured motorist coverage bears to the total of both parents' uninsured coverage applicable to the accident.

(d) A covered person's recovery under any available policies may not exceed the full amount of damages.

(e) A covered person in Subsection (8)(b) is not barred against making subsequent elections if recovery is unavailable under previous elections.

(f) (i) As used in this section, "interpolicy stacking" means recovering benefits for a single incident of loss under more than one insurance policy.

(ii) Except to the extent permitted by Subsection (7) and this Subsection (8), interpolicy stacking is prohibited for uninsured motorist coverage.

(9) (a) When a claim is brought by a named insured or a person described in Subsection (1) and is asserted against the covered person's uninsured motorist carrier, the claimant may elect to resolve the claim:

(i) by submitting the claim to binding arbitration; or

(ii) through litigation.

(b) Unless otherwise provided in the policy under which uninsured benefits are claimed, the election provided in Subsection (9)(a) is available to the claimant only, except that if the policy under which insured benefits are claimed provides that either an insured or the insurer may elect arbitration, the insured or the insurer may elect arbitration and that election to arbitrate shall stay the litigation of the claim under Subsection (9)(a)(ii).

(c) Once the claimant has elected to commence litigation under Subsection (9)(a)(ii), the claimant may not elect to resolve the claim through binding arbitration under this section without the written consent of the uninsured motorist carrier.

(d) For purposes of the statute of limitations applicable to a claim described in Subsection (9)(a), if the claimant does not elect to resolve the claim through litigation, the claim is considered filed when the claimant submits the claim to binding arbitration in accordance with this Subsection (9).

(e) (i) Unless otherwise agreed to in writing by the parties, a claim that is submitted to binding arbitration under Subsection (9)(a)(i) shall be resolved by a single arbitrator.

(ii) All parties shall agree on the single arbitrator selected under Subsection (9)(e)(i).

(iii) If the parties are unable to agree on a single arbitrator as required under Subsection (9)(e)(ii), the parties shall select a panel of three arbitrators.

(f) If the parties select a panel of three arbitrators under Subsection (9)(e)(iii):

(i) each side shall select one arbitrator; and

(ii) the arbitrators appointed under Subsection (9)(f)(i) shall select one additional arbitrator to be included in the panel.

(g) Unless otherwise agreed to in writing:

(i) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (9)(e)(i); or

(ii) if an arbitration panel is selected under Subsection (9)(e)(iii):

(A) each party shall pay the fees and costs of the arbitrator selected by that party; and

(B) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (9)(f)(ii).

(h) Except as otherwise provided in this section or unless otherwise agreed to in writing by the parties, an arbitration proceeding conducted under this section shall be governed by Title 78B, Chapter 11, Utah Uniform Arbitration Act.

(i) (i) The arbitration shall be conducted in accordance with Rules 26(a)(4) through (f), 27 through 37, 54, and 68 of the Utah Rules of Civil Procedure, once the requirements of Subsections (10)(a) through (c) are satisfied.

(ii) The specified tier as defined by Rule 26(c)(3) of the Utah Rules of Civil Procedure shall be determined based on the claimant's specific monetary amount in the written demand for payment of uninsured motorist coverage benefits as required in Subsection (10)(a)(i)(A).

(iii) Rules 26.1 and 26.2 of the Utah Rules of Civil Procedure do not apply to arbitration claims under this part.

(j) All issues of discovery shall be resolved by the arbitrator or the arbitration panel.

(k) A written decision by a single arbitrator or by a majority of the arbitration panel shall constitute a final decision.

(l) (i) Except as provided in Subsection (10), the amount of an arbitration award may not exceed the uninsured motorist policy limits of all applicable uninsured motorist policies, including applicable uninsured motorist umbrella policies.

(ii) If the initial arbitration award exceeds the uninsured motorist policy limits of all applicable uninsured motorist policies, the arbitration award shall be reduced to an amount equal to the combined uninsured motorist policy limits of all applicable uninsured motorist policies.

(m) The arbitrator or arbitration panel may not decide the issues of coverage or extra-contractual damages, including:

(i) whether the claimant is a covered person;

(ii) whether the policy extends coverage to the loss; or

(iii) any allegations or claims asserting consequential damages or bad faith liability.

(n) The arbitrator or arbitration panel may not conduct arbitration on a class-wide or class-representative basis.

(o) If the arbitrator or arbitration panel finds that the action was not brought, pursued, or defended in good faith, the arbitrator or arbitration panel may award reasonable attorney fees and costs against the party that failed to bring, pursue, or defend the claim in good faith.

(p) An arbitration award issued under this section shall be the final resolution of all claims not excluded by Subsection (9)(m) between the parties unless:

(i) the award was procured by corruption, fraud, or other undue means;

(ii) either party, within 20 days after service of the arbitration award:

(A) files a complaint requesting a trial de novo in the district court; and

(B) serves the nonmoving party with a copy of the complaint requesting a trial de novo under Subsection (9)(p)(ii)(A).

(q) (i) Upon filing a complaint for a trial de novo under Subsection (9)(p), the claim shall proceed through litigation pursuant to the Utah Rules of Civil Procedure and Utah Rules of Evidence in the district court.

(ii) In accordance with Rule 38, Utah Rules of Civil Procedure, either party may request a jury trial with a complaint requesting a trial de novo under Subsection (9)(p)(ii)(A).

(r) (i) If the claimant, as the moving party in a trial de novo requested under Subsection (9)(p), does not obtain a verdict that is at least $5,000 and is at least 20% greater than the arbitration award, the claimant is responsible for all of the nonmoving party's costs.

(ii) If the uninsured motorist carrier, as the moving party in a trial de novo requested under Subsection (9)(p), does not obtain a verdict that is at least 20% less than the arbitration award, the uninsured motorist carrier is responsible for all of the nonmoving party's costs.

(iii) Except as provided in Subsection (9)(r)(iv), the costs under this Subsection (9)(r) shall include:

(A) any costs set forth in Rule 54(d), Utah Rules of Civil Procedure; and

(B) the costs of expert witnesses and depositions.

(iv) An award of costs under this Subsection (9)(r) may not exceed $2,500 unless Subsection (10)(h)(iii) applies.

(s) For purposes of determining whether a party's verdict is greater or less than the arbitration award under Subsection (9)(r), a court may not consider any recovery or other relief granted on a claim for damages if the claim for damages:

(i) was not fully disclosed in writing prior to the arbitration proceeding; or

(ii) was not disclosed in response to discovery contrary to the Utah Rules of Civil Procedure.

(t) If a district court determines, upon a motion of the nonmoving party, that the moving party's use of the trial de novo process was filed in bad faith in accordance with Section 78B-5-825, the district court may award reasonable attorney fees to the nonmoving party.

(u) Nothing in this section is intended to limit any claim under any other portion of an applicable insurance policy.

(v) If there are multiple uninsured motorist policies, as set forth in Subsection (8), the claimant may elect to arbitrate in one hearing the claims against all the uninsured motorist carriers.

(10) (a) Within 30 days after a covered person elects to submit a claim for uninsured motorist benefits to binding arbitration or files litigation, the covered person shall provide to the uninsured motorist carrier:

(i) a written demand for payment of uninsured motorist coverage benefits, setting forth:

(A) subject to Subsection (10)(m), the specific monetary amount of the demand, including a computation of the covered person's claimed past medical expenses, claimed past lost wages, and the other claimed past economic damages; and

(B) the factual and legal basis and any supporting documentation for the demand;

(ii) a written statement under oath disclosing:

(A) (I) the names and last known addresses of all health care providers who have rendered health care services to the covered person that are material to the claims for which uninsured motorist benefits are sought for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and

(II) the names and last known addresses of the health care providers who have rendered health care services to the covered person, which the covered person claims are immaterial to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised that have not been disclosed under Subsection (10)(a)(ii)(A)(I);

(B) (I) the names and last known addresses of all health insurers or other entities to whom the covered person has submitted claims for health care services or benefits material to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and

(II) the names and last known addresses of the health insurers or other entities to whom the covered person has submitted claims for health care services or benefits, which the covered person claims are immaterial to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation have not been disclosed;

(C) if lost wages, diminished earning capacity, or similar damages are claimed, all employers of the covered person for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised;

(D) other documents to reasonably support the claims being asserted; and

(E) all state and federal statutory lienholders including a statement as to whether the covered person is a recipient of Medicare or Medicaid benefits or Utah Children's Health Insurance Program benefits under Title 26, Chapter 40, Utah Children's Health Insurance Act, or if the claim is subject to any other state or federal statutory liens; and

(iii) signed authorizations to allow the uninsured motorist carrier to only obtain records and billings from the individuals or entities disclosed under Subsections (10)(a)(ii)(A)(I), (B)(I), and (C).

(b) (i) If the uninsured motorist carrier determines that the disclosure of undisclosed health care providers or health care insurers under Subsection (10)(a)(ii) is reasonably necessary, the uninsured motorist carrier may:

(A) make a request for the disclosure of the identity of the health care providers or health care insurers; and

(B) make a request for authorizations to allow the uninsured motorist carrier to only obtain records and billings from the individuals or entities not disclosed.

(ii) If the covered person does not provide the requested information within 10 days:

(A) the covered person shall disclose, in writing, the legal or factual basis for the failure to disclose the health care providers or health care insurers; and

(B) either the covered person or the uninsured motorist carrier may request the arbitrator or arbitration panel to resolve the issue of whether the identities or records are to be provided if the covered person has elected arbitration.

(iii) The time periods imposed by Subsection (10)(c)(i) are tolled pending resolution of the dispute concerning the disclosure and production of records of the health care providers or health care insurers.

(c) (i) An uninsured motorist carrier that receives an election for arbitration or a notice of filing litigation and the demand for payment of uninsured

motorist benefits under Subsection (10)(a)(i) shall have a reasonable time, not to exceed 60 days from the date of the demand and receipt of the items specified in Subsections (10)(a)(i) through (iii), to:

(A) provide a written response to the written demand for payment provided for in Subsection (10)(a)(i);

(B) except as provided in Subsection (10)(c)(i)(C), tender the amount, if any, of the uninsured motorist carrier's determination of the amount owed to the covered person; and

(C) if the covered person is a recipient of Medicare or Medicaid benefits or Utah Children's Health Insurance Program benefits under Title 26, Chapter 40, Utah Children's Health Insurance Act, or if the claim is subject to any other state or federal statutory liens, tender the amount, if any, of the uninsured motorist carrier's determination of the amount owed to the covered person less:

(I) if the amount of the state or federal statutory lien is established, the amount of the lien; or

(II) if the amount of the state or federal statutory lien is not established, two times the amount of the medical expenses subject to the state or federal statutory lien until such time as the amount of the state or federal statutory lien is established.

(ii) If the amount tendered by the uninsured motorist carrier under Subsection (10)(c)(i) is the total amount of the uninsured motorist policy limits, the tendered amount shall be accepted by the covered person.

(d) A covered person who receives a written response from an uninsured motorist carrier as provided for in Subsection (10)(c)(i), may:

(i) elect to accept the amount tendered in Subsection (10)(c)(i) as payment in full of all uninsured motorist claims; or

(ii) elect to:

(A) accept the amount tendered in Subsection (10)(c)(i) as partial payment of all uninsured motorist claims; and

(B) continue to litigate or arbitrate the remaining claim in accordance with the election made under Subsections (9)(a), (b), and (c).

(e) If a covered person elects to accept the amount tendered under Subsection (10)(c)(i) as partial payment of all uninsured motorist claims, the final award obtained through arbitration, litigation, or later settlement shall be reduced by any payment made by the uninsured motorist carrier under Subsection (10)(c)(i).

(f) In an arbitration proceeding on the remaining uninsured claims:

(i) the parties may not disclose to the arbitrator or arbitration panel the amount paid under Subsection (10)(c)(i) until after the arbitration award has been rendered; and

(ii) the parties may not disclose the amount of the limits of uninsured motorist benefits provided by the policy.

(g) If the final award obtained through arbitration or litigation is greater than the average of the covered person's initial written demand for payment provided for in Subsection (10)(a)(i) and the uninsured motorist carrier's initial written response provided for in Subsection (10)(c)(i), the uninsured motorist carrier shall pay:

(i) the final award obtained through arbitration or litigation, except that if the award exceeds the policy limits of the subject uninsured motorist policy by more than $15,000, the amount shall be reduced to an amount equal to the policy limits plus $15,000; and

(ii) any of the following applicable costs:

(A) any costs as set forth in Rule 54(d), Utah Rules of Civil Procedure;

(B) The objection shall be resolved by the arbitrator or arbitration panel.

(iii) The award of costs by the arbitrator or arbitration panel under Subsection (10)(g)(ii) may not exceed $5,000.

(i) (i) A covered person shall disclose all material information, other than rebuttal evidence, within 30 days after a covered person elects to submit a claim for uninsured motorist coverage benefits to binding arbitration or files litigation as specified in Subsection (10)(a).

(ii) If the information under Subsection (10)(i)(i) is not disclosed, the covered person may not recover costs or any amounts in excess of the policy under Subsection (10)(g).

(j) This Subsection (10) does not limit any other cause of action that arose or may arise against the uninsured motorist carrier from the same dispute.

(k) The provisions of this Subsection (10) only apply to motor vehicle accidents that occur on or after March 30, 2010.

(l) (i) The written demand requirement in Subsection (10)(a)(i)(A) does not affect the covered person's requirement to provide a computation of any other economic damages claimed, and the one or more respondents shall have a reasonable time after the receipt of the computation of any other economic damages claimed to conduct fact and expert discovery as to any additional damages claimed. The changes made by Laws of Utah 2014,

Chapter 290, Section 10, and Chapter 300, Section 10, to this Subsection (10)(l) and Subsection (10)(a)(i)(A) apply to a claim submitted to binding arbitration or through litigation on or after May 13, 2014.

(ii) a special damage allowance not exceeding $20 per day for a maximum of 365 days, for services actually rendered or expenses reasonably incurred for services that, but for the injury, the injured person would have performed for the injured person's household, except that this benefit need not be paid for the first three days after the date of injury unless the person's inability to perform these services continues for more than two consecutive weeks;

(B) The risk assessment may involve an actuarial review, including an independent analysis of reserves and cash flows, and shall consider all material risk factors, including, when applicable, the lines of business involved, the stability of the incurred loss estimates, and the effect of the surplus requirements on the assuming insurer's liquidity or solvency.

(ii) defer to the rating assigned by that jurisdiction; and

(iii) consider such reinsurer to be a certified reinsurer in this state.

(h) (i) A certified reinsurer that ceases to assume new business in this state may request to maintain the certified reinsurer's certification in inactive status in order to continue to qualify for a reduction in security for its in-force business.

(ii) An inactive certified reinsurer shall continue to comply with all applicable requirements of this Subsection (7).

(iii) The commissioner shall assign a rating to a reinsurer that qualifies under this Subsection (7)(h), that takes into account, if relevant, the reasons why the reinsurer is not assuming new business.

(8) (a) As used in this Subsection (8):

(i) "Covered agreement" means an agreement entered into pursuant to Dodd-Frank Wall Street Reform and Consumer Protection Act, 31 U.S.C. Sections 313 and 314, that:

(A) is currently in effect or in a period of provisional application; and

(ii) "Reciprocal jurisdiction" means a jurisdiction that is:

(A) a non-United States jurisdiction that is subject to an in-force covered agreement with the United States, each within its legal authority, or, in the case of a covered agreement between the United States and European Union, is a member state of the European Union;

(B) a United States jurisdiction that meets the requirements for accreditation under the National Association of Insurance Commissioners' financial standards and accreditation program; or

(iii) (A) The assuming insurer shall have and maintain, on an ongoing basis, minimum capital and surplus, or its equivalent, calculated according to the methodology of the assuming insurer's domiciliary jurisdiction, in an amount to be set forth in regulation.

(B) If the assuming insurer is an association, including incorporated and individual unincorporated underwriters, the assuming insurer must have and maintain, on an ongoing basis, a minimum solvency or capital ratio in the reciprocal jurisdiction where the assuming insurer has the assuming insurer's head office or is domiciled, as applicable, and is also licensed.

(v) The assuming insurer must agree and provide adequate assurance to the commissioner, in a form specified by the commissioner by rule made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, as follows:

(A) the assuming insurer must provide prompt written notice and explanation to the commissioner if the assuming insurer falls below the minimum requirements set forth in Subsection (8)(c) or (d), or if any regulatory action is taken against the assuming insurer for serious noncompliance with applicable law;

(B) the assuming insurer must consent in writing to the jurisdiction of the courts of this state and to the appointment of the commissioner as agent for service of process, however the commissioner may require that consent for service of process be provided to the commissioner and included in each reinsurance agreement and nothing in this provision shall limit, or in any way alter, the capacity of parties to a reinsurance agreement to agree to alternative dispute resolution mechanisms, except to the extent such agreements are unenforceable under applicable insolvency or delinquency laws;

(C) the assuming insurer must consent in writing to pay all final judgments, wherever enforcement is sought, obtained by a ceding insurer or the ceding insurer's legal successor, that have been declared enforceable in the jurisdiction where the judgment was obtained;

(D) each reinsurance agreement must include a provision requiring the assuming insurer to provide security in an amount equal to 100% of the assuming insurer's liabilities attributable to reinsurance ceded pursuant to that agreement if the assuming insurer resists enforcement of a final judgment that is enforceable under the law of the jurisdiction in which the final judgement was obtained or a properly enforceable arbitration award, whether obtained by the ceding insurer or by the ceding insurer's legal successor on behalf of the ceding insurer's resolution estate; and

(E) the assuming insurer must confirm that the assuming insurer is not presently participating in any solvent scheme of arrangement which involved this state's ceding insurers, and agree to notify the ceding insurer and the commissioner and to provide security:

(I) in an amount equal to 100% of the assuming insurer's liabilities to the ceding insurer, should the assuming insurer enter into such a solvent scheme of arrangement; and

(II) in a form consistent with the provisions of Subsections (7) and (10) and as specified by the commissioner in regulation.

(vi) The assuming insurer or the assuming insurer's legal successor must provide, if requested by the commissioner, on behalf of the assuming insurer and any legal predecessors, certain documentation to the commissioner, as specified by the commissioner by rule made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

(vii) The assuming insurer must maintain a practice of prompt payment of claims under reinsurance agreements, pursuant to criteria set forth in rule made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

(viii) The assuming insurer's supervisory authority must confirm to the commissioner on an annual basis, as of the preceding December 31 or at the annual date otherwise statutorily reported to the reciprocal jurisdiction, that the assuming insurer complies with the requirements set forth in Subsections (8)(c) and (d).

(ix) Nothing in this provision precludes an assuming insurer from providing the commissioner with information on a voluntary basis.

(c) (i) The commissioner shall timely create and publish a list of reciprocal jurisdictions.

(ii) (A) A list of reciprocal jurisdictions is published through the National Association of Insurance Commissioners' Committee Process.

(B) The commissioner's list of reciprocal jurisdictions shall include any reciprocal jurisdiction as defined in this Subsection (8), and shall consider any other reciprocal jurisdictions in accordance with the criteria developed under rule made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

(iii) (A) The commissioner may remove a jurisdiction from the list of reciprocal jurisdictions upon a determination that the jurisdiction no longer meets the requirements of a reciprocal jurisdiction, in accordance with a process set forth in rule made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, except that the commissioner may not remove from the list a reciprocal jurisdiction.

(B) Upon removal of a reciprocal jurisdiction from this list, credit for reinsurance ceded to an assuming insurer whose home office or domicile is in that jurisdiction is allowed, if otherwise allowed under this chapter.

(ii) The commissioner may add an assuming insurer to such list if a National Association of Insurance Commissioners accredited jurisdiction has added such assuming insurer to a list of such assuming insurers or if, upon initial eligibility, the assuming insurer submits the information to the commissioner as required under this Subsection (8) and complies with any additional requirements that the commissioner may impose by rule made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, except to the extent that they conflict with an applicable covered agreement.

(e) (i) If the commissioner determines that an assuming insurer no longer meets one or more of the requirements under this Subsection (8), the commissioner may revoke or suspend the eligibility of the assuming insurer for recognition under this Subsection (8) in accordance with procedures established in rule made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

(iii) Nothing in this Subsection (8) authorizes an assuming insurer to withdraw or reduce the security provided under any reinsurance agreement except as permitted by the terms of the agreement.

(iv) Nothing in this Subsection (8) limits, or in any way alters, the capacity of parties to any reinsurance agreement to renegotiate the agreement.

(9) If reinsurance is ceded to an assuming insurer not meeting the requirements of Subsection (3), (4), (5), (6), (7), or (8), a domestic ceding insurer is allowed credit only as to the insurance of a risk located in a jurisdiction where the reinsurance is required by applicable law or regulation of that jurisdiction.

(13) (a) If an assuming insurer does not meet the requirements of Subsection (3), (4), (5), or (8), the credit permitted by Subsection (6) or (7) may not be allowed unless the assuming insurer agrees in the trust instrument to the conditions described in Subsections (13)(b) through (e).
