73-5-15. Groundwater management plan.

(1) As used in this section:

(b) "Safe yield" means the amount of groundwater that can be withdrawn from a groundwater basin over a period of time without exceeding the long-term recharge of the basin or unreasonably affecting the basin's physical and chemical integrity.

(2) (a) The state engineer may regulate groundwater withdrawals within a specific groundwater basin by adopting a groundwater management plan in accordance with this section for any groundwater basin or aquifer or combination of hydrologically connected groundwater basins or aquifers.

(b) The objectives of a groundwater management plan are to:

(i) limit groundwater withdrawals to safe yield;

(ii) protect the physical integrity of the aquifer; and

(iii) protect water quality.

(c) The state engineer shall adopt a groundwater management plan for a groundwater basin if more than one-third of the water right owners in the groundwater basin request that the state engineer adopt a groundwater management plan.

(3) (a) In developing a groundwater management plan, the state engineer may consider:

(ii) the physical characteristics of the groundwater basin;

(iii) the relationship between surface water and groundwater, including whether the groundwater should be managed in conjunction with hydrologically connected surface waters;

(iv) the conjunctive management of water rights to facilitate and coordinate the lease, purchase, or voluntary use of water rights subject to the groundwater management plan;

(A) determine the groundwater basin's safe yield; and

(B) adopt a groundwater management plan for the groundwater basin.

(iii) If the state engineer determines that groundwater withdrawals in a groundwater basin exceed the safe yield, the state engineer shall regulate groundwater rights in that groundwater basin based on the priority date of the water rights under the groundwater management plan, unless a voluntary arrangement exists under Subsection (4)(c) that requires a different distribution.

(iv) A groundwater management plan shall include a list of each groundwater right in the proposed groundwater management area known to the state engineer identifying the water right holder, the land to which the groundwater right is appurtenant, and any identification number the state engineer uses in the administration of water rights.

(c) (i) In consultation with the state engineer, water users in a groundwater basin may agree to participate in a voluntary arrangement for managing withdrawals at any time, either before or after a determination that groundwater withdrawals exceed the groundwater basin's safe yield.

(ii) A voluntary arrangement under Subsection (4)(c)(i) shall be consistent with other law.

(iii) The adoption of a voluntary arrangement under this Subsection (4)(c) by less than all of the water users in a groundwater basin does not affect the rights of water users who do not agree to the voluntary arrangement.

(5) To adopt a groundwater management plan, the state engineer shall:

(a) give notice as specified in Subsection (7) at least 30 days before the first public meeting held in accordance with Subsection (5)(b):

(i) that the state engineer proposes to adopt a groundwater management plan;

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 30-3-10 is amended to read:

30-3-10. Custody of a child -- Custody factors.

(1) If a married couple having one or more minor children are separated, or the married couple's marriage is declared void or dissolved, the court shall enter, and has continuing jurisdiction to modify, an order of custody and parent-time.

(2) In determining any form of custody and parent-time under Subsection (1), the court shall consider the best interest of the child and may consider among other factors the court finds relevant, the following for each parent:

(a) evidence of domestic violence, neglect, physical abuse, sexual abuse, or emotional abuse, involving the child, the parent, or a household member of the parent;

(b) the parent's demonstrated understanding of, responsiveness to, and ability to meet the developmental needs of the child, including the child's:

(i) physical needs;

(ii) emotional needs;

(iii) educational needs;

(iv) medical needs; and

(v) any special needs;

(c) the parent's capacity and willingness to function as a parent, including:

(i) parenting skills;

(ii) co-parenting skills, including:

(A) ability to appropriately communicate with the other parent;

(B) ability to encourage the sharing of love and affection; and

(C) willingness to allow frequent and continuous contact between the child and the other parent, except that, if the court determines that the parent is acting to protect the child from domestic violence, neglect, or abuse, the parent's protective actions may be taken into consideration; and

(iii) ability to provide personal care rather than surrogate care;

(d) in accordance with Subsection (10), the past conduct and demonstrated moral character of the parent;

(e) the emotional stability of the parent;

(f) the parent's inability to function as a parent because of drug abuse, excessive drinking, or other causes;

(g) whether the parent has intentionally exposed the child to pornography or material harmful to minors, as "material" and "harmful to minors" are defined in Section 76-10-1201;

(h) the parent's reasons for having relinquished custody or parent-time in the past;

(i) duration and depth of desire for custody or parent-time;

(j) the parent's religious compatibility with the child;

(k) the parent's financial responsibility;

(l) the child's interaction and relationship with step-parents, extended family members of other individuals who may significantly affect the child's best interests;

(m) who has been the primary caretaker of the child;

(n) previous parenting arrangements in which the child has been happy and well-adjusted in the home, school, and community;

(o) the relative benefit of keeping siblings together;

(p) the stated wishes and concerns of the child, taking into consideration the child's cognitive ability and emotional maturity;

(q) the relative strength of the child's bond with the parent, meaning the depth, quality, and nature of the relationship between the parent and the child; and

(r) any other factor the court finds relevant.

(3) There is a rebuttable presumption that joint legal custody, as defined in Section 30-3-10.1, is in the best interest of the child, except in cases when there is:

(a) evidence of domestic violence, neglect, physical abuse, sexual abuse, or emotional abuse involving the child, a parent, or a household member of the parent;

(b) special physical or mental needs of a parent or child, making joint legal custody unreasonable;

(c) physical distance between the residences of the parents, making joint decision making impractical in certain circumstances; or

(d) any other factor the court considers relevant including those listed in this section and Section 30-3-10.2.

(4) (a) The person who desires joint legal custody shall file a proposed parenting plan in accordance with Sections 30-3-10.8 and 30-3-10.9.

(b) A presumption for joint legal custody may be rebutted by a showing by a preponderance of the evidence that it is not in the best interest of the child.

(5) (a) A child may not be required by either party to testify unless the trier of fact determines that extenuating circumstances exist that would necessitate the testimony of the child be heard and there is no other reasonable method to present the child's testimony.

(b) (i) The court may inquire of the child's and take into consideration the child's desires regarding future custody or parent-time schedules, but the expressed desires are not controlling and the court may determine the child's custody or parent-time otherwise.

(ii) The desires of a child 14 years [~~of age~~] old or older shall be given added weight, but is not the single controlling factor.

(c) (i) If an interview with a child is conducted by the court pursuant to Subsection (5)(b), the interview shall be conducted by the judge in camera.

(ii) The prior consent of the parties may be obtained but is not necessary if the court finds that an interview with a child is the only method to ascertain the child's desires regarding custody.

(6) (a) Except as provided in Subsection (6)(b), a court may not discriminate against a parent due to a disability, as defined in Section 57-21-2, in awarding custody or determining whether a substantial change has occurred for the purpose of modifying an award of custody.

(b) The court may not consider the disability of a parent as a factor in awarding custody or modifying an award of custody based on a determination of a substantial change in circumstances, unless the court makes specific findings that:

(i) the disability significantly or substantially inhibits the parent's ability to provide for the physical and emotional needs of the child at issue; and

(ii) the parent with a disability lacks sufficient human, monetary, or other resources available to supplement the parent's ability to provide for the physical and emotional needs of the child at issue.

(9) When an issue before the court involves custodial responsibility in the event of a deployment of one or both parents who are [~~servicemembers,~~] service members and the [~~servicemember~~] service member has not yet been notified of deployment, the court shall resolve the issue based on the standards in Sections 78B-20-306 through 78B-20-309.

(6) If an issue before the court involves custodial responsibility in the event of deployment of one or both parents who are [~~servicemembers~~] service members, and the [~~servicemember~~] service member has not yet been notified of deployment, the court shall resolve the issue based on the standards in Sections 78B-20-306 through 78B-20-309.

(a) the student obtained resident student status under false pretenses; or

(b) the facts existing at the time of the granting of resident student status have changed.

(6) Within the limits established in Title 53B, Chapter 8, Tuition Waiver and Scholarships, each institution within the state system of higher education may, regardless of its policy on obtaining resident student status, waive nonresident tuition either in whole or in part, but not other fees.

(b) All relevant evidence concerning the motivation for the move shall be considered, including:

(i) the person's employment and educational history;

(ii) the dates when the long-term health care responsibilities in Utah were first considered, offered, and accepted;

As used in this part, unless the context otherwise requires:

(1) "Airport" means any publicly used area of land or water [~~designed and set aside~~] that is used, or intended to be used, for the landing and [~~taking-off~~] take-off of aircraft and utilized or to be utilized in the interest of the public for these purposes.

[~~(2) "Airport hazard" means any structure or tree or use of land which obstructs the airspace required for the flight of aircraft in landing or taking-off at an airport or is otherwise hazardous to the landing or taking-off of aircraft.~~]

[~~(3) "Airport hazard area" means any area of land or water upon which an airport hazard might be established if not prevented as provided in this part.~~]

(2) "Airport hazard" means any structure, tree, object of natural growth, or use of land that potentially obstructs or otherwise impacts the safe and efficient utilization of the navigable airspace required for the flight of aircraft in landing or take-off at an airport.

(3) "Airport influence area" means land located within 5,000 feet of an airport runway.

(4) "Airport overlay zone" means a secondary zoning district designed to protect the public health, safety, and welfare near an airport that:

(a) applies land use regulation in addition to the primary zoning district land use regulation of property used as an airport and property within an airport influence area;

(b) may extend beyond the airport influence area;

(d) protects property owner land values near an airport through compatible land use regulations as recommended by the Federal Aviation Administration; and

(e) protects aircraft occupant safety through protection of navigable airspace.

(5) "Avigation easement" means an easement permitting unimpeded aircraft flights over property subject to the easement and includes the right:

72-10-402. Declaration with respect to airport hazards.

The Legislature finds that:

(1) an airport hazard endangers the lives and property of users of the airport and of occupants of land in its vicinity;

(2) an obstruction of the type that reduces the size of the area available for the landing, taking-off, and maneuvering of aircraft tends to destroy or impair the utility of the airport and the public investment in the airport;

(3) the creation or establishment of an airport hazard is a public nuisance and an injury to the community served by the airport in question;

(4) it is necessary in the interest of the public health, public safety, and general welfare that the creation or establishment of airport hazards be prevented;

(5) this should be accomplished, to the extent legally possible, by exercise of the police power, without compensation; [~~and~~]

(6) both the prevention of the creation or establishment of airport hazards and the elimination, removal, alteration, mitigation, or marking and lighting of existing airport hazards are public purposes for which political subdivisions may raise and expend public funds and acquire land or property interests in land[.]; and

(7) the establishment of an airport overlay zone best prevents the creation or establishment of an airport hazard, and promotes the public health, safety, and general welfare.

Section 5. Section 72-10-403 is amended to read:

72-10-403. Airport zoning regulations.

[~~(1) (a) In order to prevent the creation or establishment of airport hazards, every political subdivision having an airport hazard area within its territorial limits may adopt, administer, and enforce, under the police power and in the manner and upon the conditions prescribed in this part, airport zoning regulations for the airport hazard area.~~]

[~~(b) The regulations may divide the area into zones, and, within the zones, specify the land uses permitted and regulate and restrict the height to which structures and trees may be erected or allowed to grow.~~]

[~~(2) (a) If an airport is owned or controlled by a political subdivision and any airport hazard area appertaining to the airport is located outside the territorial limits of the political subdivision, the political subdivision owning or controlling the airport and the political subdivision within which the airport hazard area is located may, by ordinance or resolution duly adopted, create a joint airport zoning board.~~]

[~~(b) The board shall have the same power to adopt, administer, and enforce airport zoning regulations applicable to the airport hazard area in question as that vested by Subsection (1) in the political subdivision within which the area is located.~~]

[~~(c) Each joint board shall have as members two representatives appointed by each political subdivision participating in its creation and in addition a chair elected by a majority of the appointed members.~~]

(1) In order to prevent the creation or establishment of airport hazards, each political subdivision located within an airport influence area, shall adopt, administer, and enforce land use regulations for the airport influence area, including an airport overlay zone, under the police power and in the manner and upon the conditions prescribed:

(a) in this part;

(b) Title 10, Chapter 9a, Municipal Land Use, Development, and Management Act; and

(c) Title 17, Chapter 27a, County Land Use Development, and Management Act.

(2) (a) Each political subdivision located within an airport influence area shall notify a person building on or developing land in an airport influence area, in writing, of aircraft overflights and associated noise.

(B) require any proposed development within an airport influence area to conform with 14 C.F.R. Part 77; and

(ii) may, as a condition to granting a building permit, subdivision plat, or a requested zoning change within an airport influence area, require a person building or developing land to grant or sell to the airport owner, at appraised fair market value, an avigation easement.

(3) If a political subdivision located within an airport influence area fails to adopt an airport overlay zone by December 31, 2024, then the following requirements shall apply in an airport influence area:

(a) each political subdivision located within an airport influence area shall notify a person building on or developing land within an airport influence area, in writing, of aircraft overflights and associated noise;

(b) as a condition to granting a building permit, subdivision plat, or a requested zoning change within an airport influence area, require the person building or developing land to grant or sell to the airport owner, at appraised fair market value, an avigation easement; and

(c) require a person building or developing land within an airport influence area conform to the requirements of this chapter and 14 C.F.R. Part 77.

Section 6. Section 72-10-404 is amended to read:

72-10-404. Zoning ordinances -- Governing law in event of conflict.

[~~(1) In the event that a political subdivision has adopted or adopts a comprehensive zoning ordinance regulating the height of buildings, any airport zoning regulations applicable to the same area or a portion of the area may be incorporated in and made a part of comprehensive zoning regulations, and be administered and enforced in connection with the comprehensive zoning regulations. (2)~~] In the event of conflict between any airport [~~zoning~~] land use regulations adopted under this part and any other regulations applicable to the same area, whether the conflict be with respect to the height of structures or trees, the use of land, or any other matter, [~~and whether the other regulations were adopted by the political subdivision which adopted the airport zoning regulations or by some other political subdivision,~~

~~the more stringent limitation or requirement~~] the airport overlay zone requirement shall govern and prevail.

Section 7. Section 72-10-413 is amended to read:

72-10-413. Purchase or condemnation of air rights or navigation easements.

A political subdivision [~~within which the property or nonconforming use is located or the political subdivision~~] owning the airport [~~or~~], whether or not the airport is located within the territorial limits of the political subdivision, or a political subdivision that is served by [~~it~~] the airport may acquire, by purchase, grant, or condemnation in the manner provided by the law under which political subdivisions are authorized to acquire real property for public purposes, an air right, [~~navigation~~] an avigation easement, or other estate or interest in the property or nonconforming structure or use in question if:

(1) it is desired to remove, lower, or otherwise terminate a nonconforming structure or use;

(2) the approach protection necessary cannot, because of constitutional limitations, be provided by airport [~~zoning~~] land use regulations under this part; or

(b) The department may base the allocation of maintenance responsibilities, including costs, on ownership and control of the right-of-way, crossing materials, signals and devices, or other factors the department determines are appropriate to protect public safety.

(c) If a railroad entity or a highway authority disagrees with the department's allocation of maintenance responsibilities, including costs, for a specific highway-railroad grade crossing:

(4) (a) The department may require or authorize the construction of a new highway-railroad grade crossing or the improvement of an existing highway-railroad grade crossing if:

(i) the new or improved highway-railroad grade crossing is to be funded solely by non-federal funds; and

(ii) the department determines, after consultation with any affected railroad entities and highway authorities, that the new or improved highway-railroad grade crossing will improve the safety of the public in accordance with requirements established by the department to determine the need, design, and impacts of the new or improved highway-railroad grade crossing.

(b) The railroad entity affected by the new or improved highway-railroad grade crossing shall timely enter into a written agreement with the department regarding the design and installation of the new or improved highway-railroad grade crossing.

(c) If a railroad entity does not make reasonable efforts to participate in determining the need, design, and impacts of a new or improved crossing, does not timely enter into an agreement with the department, or fails to timely provide a design and install improvements as described in an agreement, the department may impose and the railroad shall pay a penalty consistent with Section 54-7-25.

(5) A railroad entity affected by a new or improved highway-railroad grade crossing may not require up-front payment of costs as a condition for the railroad entity's review, approval, or inspection of a new or improved highway-railroad grade crossing.

(6) If the department determines that public convenience and necessity demand the

establishment, creation, or construction of a crossing of a street or highway over, under, or upon the tracks or lines of any public utility, the department may by order, decision, rule, or decree require the establishment, construction, or creation of such crossing, and such crossing shall thereupon become a public highway and crossing.

(7) (a) The Public Service Commission retains exclusive jurisdiction for the resolution of any dispute upon petition by any person aggrieved by any action of the department pursuant to this section, except as provided under Subsection (7)(b).

(b) If a petition is filed by a person or entity engaged in a subject activity, as defined in Section 19-3-318, the Public Service Commission's decision under Subsection (7)(a) regarding resolution of a dispute requires the concurrence of the governor and the Legislature in order to take effect.

31A-22-305.3, as last amended by Laws of Utah 2022, Chapters 163, 198

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 31A-22-305 is amended to read:

31A-22-305. Uninsured motorist coverage.

(1) As used in this section, "covered persons" includes:

(a) the named insured;

(b) for a claim arising on or after May 13, 2014, the named insured's dependent minor children;

(c) persons related to the named insured by blood, marriage, adoption, or guardianship, who are residents of the named insured's household, including those who usually make their home in the same household but temporarily live elsewhere;

(d) any person occupying or using a motor vehicle:

(i) referred to in the policy; or

(ii) owned by a self-insured; and

(e) any person who is entitled to recover damages against the owner or operator of the uninsured or underinsured motor vehicle because of bodily injury to or death of persons under Subsection (1)(a), (b), (c), or (d).

(2) As used in this section, "uninsured motor vehicle" includes:

(a) (i) a motor vehicle, the operation, maintenance, or use of which is not covered under a liability policy at the time of an injury-causing occurrence; or

(ii) (A) a motor vehicle covered with lower liability limits than required by Section 31A-22-304; and

(B) the motor vehicle described in Subsection (2)(a)(ii)(A) is uninsured to the extent of the deficiency;

(b) an unidentified motor vehicle that left the scene of an accident proximately caused by the motor vehicle operator;

(c) a motor vehicle covered by a liability policy, but coverage for an accident is disputed by the liability insurer for more than 60 days or continues to be disputed for more than 60 days; or

(d) (i) an insured motor vehicle if, before or after the accident, the liability insurer of the motor vehicle is declared insolvent by a court of competent jurisdiction; and

(ii) the motor vehicle described in Subsection (2)(d)(i) is uninsured only to the extent that the claim against the insolvent insurer is not paid by a guaranty association or fund.

(3) Uninsured motorist coverage under Subsection 31A-22-302(1)(b) provides coverage for covered persons who are legally entitled to recover damages from owners or operators of uninsured motor vehicles because of bodily injury, sickness, disease, or death.

(4) (a) For new policies written on or after January 1, 2001, the limits of uninsured motorist coverage shall be equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy, unless a named insured rejects or purchases coverage in a lesser amount by signing an acknowledgment form that:

(i) is filed with the department;

(ii) is provided by the insurer;

(iii) waives the higher coverage;

(iv) need only state in this or similar language that uninsured motorist coverage provides benefits or protection to you and other covered persons for bodily injury resulting from an accident caused by the fault of another party where the other party has no liability insurance; and

(v) discloses the additional premiums required to purchase uninsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(b) Any selection or rejection under this Subsection (4) continues for that issuer of the liability coverage until the insured requests, in writing, a change of uninsured motorist coverage from that liability insurer.

(c) (i) Subsections (4)(a) and (b) apply retroactively to any claim arising on or after

January 1, 2001, for which, as of May 14, 2013, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsections (4)(a) and (b) clarifies legislative intent and does not enlarge, eliminate, or destroy vested rights.

(d) For purposes of this Subsection (4), "new policy" means:

(i) any policy that is issued which does not include a renewal or reinstatement of an existing policy; or

(ii) a change to an existing policy that results in:

(A) a named insured being added to or deleted from the policy; or

(B) a change in the limits of the named insured's motor vehicle liability coverage.

(e) (i) As used in this Subsection (4)(e), "additional motor vehicle" means a change that increases the total number of vehicles insured by the policy, and does not include replacement, substitute, or temporary vehicles.

(ii) The adding of an additional motor vehicle to an existing personal lines or commercial lines policy does not constitute a new policy for purposes of Subsection (4)(d).

(iii) If an additional motor vehicle is added to a personal lines policy where uninsured motorist coverage has been rejected, or where uninsured motorist limits are lower than the named insured's motor vehicle liability limits, the insurer shall provide a notice to a named insured within 30 days that:

(A) in the same manner as described in Subsection (4)(a)(iv), explains the purpose of uninsured motorist coverage; and

(B) encourages the named insured to contact the insurance company or insurance producer for quotes as to the additional premiums required to purchase uninsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(f) A change in policy number resulting from any policy change not identified under Subsection (4)(d)(ii) does not constitute a new policy.

(g) (i) Subsection (4)(d) applies retroactively to any claim arising on or after January 1, 2001, for which, as of May 1, 2012, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsection (4):

(A) does not enlarge, eliminate, or destroy vested rights; and

(B) clarifies legislative intent.

(h) A self-insured, including a governmental entity, may elect to provide uninsured motorist coverage in an amount that is less than its maximum self-insured retention under Subsections (4)(a) and (5)(a) by issuing a declaratory memorandum or policy statement from the chief financial officer or chief risk officer that declares the:

(i) self-insured entity's coverage level; and

(ii) process for filing an uninsured motorist claim.

(i) Uninsured motorist coverage may not be sold with limits that are less than the minimum bodily injury limits for motor vehicle liability policies under Section 31A-22-304.

(j) The acknowledgment under Subsection (4)(a) continues for that issuer of the uninsured motorist coverage until the named insured requests, in writing, different uninsured motorist coverage from the insurer.

(k) (i) In conjunction with the first two renewal notices sent after January 1, 2001, for policies existing on that date, the insurer shall disclose in the same medium as the premium renewal notice, an explanation of:

(A) the purpose of uninsured motorist coverage in the same manner as described in Subsection (4)(a)(iv); and

(B) a disclosure of the additional premiums required to purchase uninsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(ii) The disclosure required under Subsection (4)(k)(i) shall be sent to all named insureds that carry uninsured motorist coverage limits in an amount less than the named insured's motor vehicle liability policy limits or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(l) For purposes of this Subsection (4), a notice or disclosure sent to a named insured in a household constitutes notice or disclosure to all insureds within the household.

(5) (a) (i) Except as provided in Subsection (5)(b), the named insured may reject uninsured motorist coverage by an express writing to the insurer that provides liability coverage under Subsection 31A-22-302(1)(a).

(ii) This rejection shall be on a form provided by the insurer that includes a reasonable explanation of the purpose of uninsured motorist coverage.

(iii) This rejection continues for that issuer of the liability coverage until the insured in writing requests uninsured motorist coverage from that liability insurer.

(b) (i) All persons, including governmental entities, that are engaged in the business of, or that accept payment for, transporting natural persons by motor vehicle, and all school districts that provide transportation services for their students, shall provide coverage for all motor vehicles used for that purpose, by purchase of a policy of insurance or by self-insurance, uninsured motorist coverage of at least $25,000 per person and $500,000 per accident.

(ii) This coverage is secondary to any other insurance covering an injured covered person.

(c) Uninsured motorist coverage:

(i) does not cover any benefit paid or payable under Title 34A, Chapter 2, Workers' Compensation Act, except that the covered person is credited an amount described in Subsection 34A-2-106(5);

(ii) may not be subrogated by the workers' compensation insurance carrier, workers' compensation insurance, uninsured employer, the Uninsured Employers Fund created in Section 34A-2-704, or the Employers' Reinsurance Fund created in Section 34A-2-702;

(iii) may not be reduced by any benefits provided by workers' compensation insurance, uninsured employer, the Uninsured Employers Fund created in Section 34A-2-704, or the Employers' Reinsurance Fund created in Section 34A-2-702;

(iv) notwithstanding Subsection 31A-1-103(3)(f), may be reduced by health insurance subrogation only after the covered person has been made whole;

(v) may not be collected for bodily injury or death sustained by a person:

(A) while committing a violation of Section 41-1a-1314;

(B) who, as a passenger in a vehicle, has knowledge that the vehicle is being operated in violation of Section 41-1a-1314; or

(C) while committing a felony; and

(vi) notwithstanding Subsection (5)(c)(v), may be recovered:

(B) by a law enforcement officer as defined in Section 53-13-103, who is injured within the course and scope of the law enforcement officer's duties.

(d) As used in this Subsection (5), "motor vehicle" has the same meaning as under Section 41-1a-102.

(6) When a covered person alleges that an uninsured motor vehicle under Subsection (2)(b) proximately caused an accident without touching the covered person or the motor vehicle occupied by the covered person, the covered person shall show the existence of the uninsured motor vehicle by clear and convincing evidence consisting of more than the covered person's testimony.

(7) (a) The limit of liability for uninsured motorist coverage for two or more motor vehicles may not be added together, combined, or stacked to determine the limit of insurance coverage available to an injured person for any one accident.

(b) (i) Subsection (7)(a) applies to all persons except a covered person as defined under Subsection (8)(b).

(ii) A covered person as defined under Subsection (8)(b)(ii) is entitled to the highest limits of uninsured motorist coverage afforded for any one motor vehicle that the covered person is the named insured or an insured family member.

(iii) This coverage shall be in addition to the coverage on the motor vehicle the covered person is occupying.

(iv) Neither the primary nor the secondary coverage may be set off against the other.

(c) Coverage on a motor vehicle occupied at the time of an accident shall be primary coverage, and the coverage elected by a person described under Subsections (1)(a)[~~, (b), and~~] through (c) shall be secondary coverage.

(8) (a) Uninsured motorist coverage under this section applies to bodily injury, sickness, disease, or death of covered persons while occupying or using a motor vehicle only if the motor vehicle is described in the policy under which a claim is made, or if the motor vehicle is a newly acquired or replacement motor vehicle covered under the terms of the policy. Except as provided in Subsection (7) or this Subsection (8), a covered person injured in a motor vehicle described in a policy that includes uninsured motorist benefits may not elect to collect uninsured motorist coverage benefits from any other motor vehicle insurance policy under which the person is a covered person.

(b) Each of the following persons may also recover uninsured motorist benefits under any one other policy in which they are described as a "covered person" as defined in Subsection (1):

(i) a covered person injured as a pedestrian by an uninsured motor vehicle; and

(ii) except as provided in Subsection (8)(c), a covered person injured while occupying or using a motor vehicle that is not owned, leased, or furnished:

(A) to the covered person;

(B) to the covered person's spouse; or

(C) to the covered person's resident parent or resident sibling.

(c) (i) A covered person may recover benefits from no more than two additional policies, one additional policy from each parent's household if the covered person is:

(A) a dependent minor of parents who reside in separate households; and

(B) injured while occupying or using a motor vehicle that is not owned, leased, or furnished:

(I) to the covered person;

(II) to the covered person's resident parent; or

(III) to the covered person's resident sibling.

(ii) Each parent's policy under this Subsection (8)(c) is liable only for the percentage of the damages that the limit of liability of each parent's policy of uninsured motorist coverage bears to the total of both parents' uninsured coverage applicable to the accident.

(d) A covered person's recovery under any available policies may not exceed the full amount of damages.

(e) A covered person in Subsection (8)(b) is not barred against making subsequent elections if recovery is unavailable under previous elections.

(f) (i) As used in this section, "interpolicy stacking" means recovering benefits for a single incident of loss under more than one insurance policy.

(ii) Except to the extent permitted by Subsection (7) and this Subsection (8), interpolicy stacking is prohibited for uninsured motorist coverage.

(9) (a) When a claim is brought by a named insured or a person described in Subsection (1) and is asserted against the covered person's uninsured motorist carrier, the claimant may elect to resolve the claim:

(i) by submitting the claim to binding arbitration; or

(ii) through litigation.

(b) Unless otherwise provided in the policy under which uninsured benefits are claimed, the election provided in Subsection (9)(a) is available to the claimant only, except that if the policy under which insured benefits are claimed provides that either an insured or the insurer may elect arbitration, the insured or the insurer may elect arbitration and that election to arbitrate shall stay the litigation of the claim under Subsection (9)(a)(ii).

(c) Once the claimant has elected to commence litigation under Subsection (9)(a)(ii), the claimant may not elect to resolve the claim through binding arbitration under this section without the written consent of the uninsured motorist carrier.

(d) For purposes of the statute of limitations applicable to a claim described in Subsection (9)(a), if the claimant does not elect to resolve the claim through litigation, the claim is considered filed when the claimant submits the claim to binding arbitration in accordance with this Subsection (9).

(e) (i) Unless otherwise agreed to in writing by the parties, a claim that is submitted to binding arbitration under Subsection (9)(a)(i) shall be resolved by a single arbitrator.

(ii) All parties shall agree on the single arbitrator selected under Subsection (9)(e)(i).

(iii) If the parties are unable to agree on a single arbitrator as required under Subsection (9)(e)(ii), the parties shall select a panel of three arbitrators.

(f) If the parties select a panel of three arbitrators under Subsection (9)(e)(iii):

(i) each side shall select one arbitrator; and

(ii) the arbitrators appointed under Subsection (9)(f)(i) shall select one additional arbitrator to be included in the panel.

(g) Unless otherwise agreed to in writing:

(i) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (9)(e)(i); or

(ii) if an arbitration panel is selected under Subsection (9)(e)(iii):

(A) each party shall pay the fees and costs of the arbitrator selected by that party; and

(B) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (9)(f)(ii).

(h) Except as otherwise provided in this section or unless otherwise agreed to in writing by the parties, an arbitration proceeding conducted under this section shall be governed by Title 78B, Chapter 11, Utah Uniform Arbitration Act.

(i) (i) The arbitration shall be conducted in accordance with Rules 26(a)(4) through (f), 27 through 37, 54, and 68 of the Utah Rules of Civil Procedure, once the requirements of Subsections (10)(a) through (c) are satisfied.

(ii) The specified tier as defined by Rule 26(c)(3) of the Utah Rules of Civil Procedure shall be determined based on the claimant's specific monetary amount in the written demand for payment of uninsured motorist coverage benefits as required in Subsection (10)(a)(i)(A).

(iii) Rules 26.1 and 26.2 of the Utah Rules of Civil Procedure do not apply to arbitration claims under this part.

(j) All issues of discovery shall be resolved by the arbitrator or the arbitration panel.

(k) A written decision by a single arbitrator or by a majority of the arbitration panel shall constitute a final decision.

(l) (i) Except as provided in Subsection (10), the amount of an arbitration award may not exceed the uninsured motorist policy limits of all applicable uninsured motorist policies, including applicable uninsured motorist umbrella policies.

(ii) If the initial arbitration award exceeds the uninsured motorist policy limits of all applicable uninsured motorist policies, the arbitration award shall be reduced to an amount equal to the combined uninsured motorist policy limits of all applicable uninsured motorist policies.

(m) The arbitrator or arbitration panel may not decide the issues of coverage or extra-contractual damages, including:

(i) whether the claimant is a covered person;

(ii) whether the policy extends coverage to the loss; or

(iii) any allegations or claims asserting consequential damages or bad faith liability.

(n) The arbitrator or arbitration panel may not conduct arbitration on a class-wide or class-representative basis.

(o) If the arbitrator or arbitration panel finds that the action was not brought, pursued, or defended in good faith, the arbitrator or arbitration panel may award reasonable attorney fees and costs against the party that failed to bring, pursue, or defend the claim in good faith.

(p) An arbitration award issued under this section shall be the final resolution of all claims not excluded by Subsection (9)(m) between the parties unless:

(i) the award was procured by corruption, fraud, or other undue means;

(ii) either party, within 20 days after service of the arbitration award:

(A) files a complaint requesting a trial de novo in the district court; and

(B) serves the nonmoving party with a copy of the complaint requesting a trial de novo under Subsection (9)(p)(ii)(A).

(q) (i) Upon filing a complaint for a trial de novo under Subsection (9)(p), the claim shall proceed through litigation pursuant to the Utah Rules of Civil Procedure and Utah Rules of Evidence in the district court.

(ii) In accordance with Rule 38, Utah Rules of Civil Procedure, either party may request a jury trial with a complaint requesting a trial de novo under Subsection (9)(p)(ii)(A).

(r) (i) If the claimant, as the moving party in a trial de novo requested under Subsection (9)(p), does not obtain a verdict that is at least $5,000 and is at least 20% greater than the arbitration award, the claimant is responsible for all of the nonmoving party's costs.

(ii) If the uninsured motorist carrier, as the moving party in a trial de novo requested under Subsection (9)(p), does not obtain a verdict that is at least 20% less than the arbitration award, the uninsured motorist carrier is responsible for all of the nonmoving party's costs.

(iii) Except as provided in Subsection (9)(r)(iv), the costs under this Subsection (9)(r) shall include:

(A) any costs set forth in Rule 54(d), Utah Rules of Civil Procedure; and

(B) the costs of expert witnesses and depositions.

(iv) An award of costs under this Subsection (9)(r) may not exceed $2,500 unless Subsection (10)(h)(iii) applies.

(s) For purposes of determining whether a party's verdict is greater or less than the arbitration award under Subsection (9)(r), a court may not consider any recovery or other relief granted on a claim for damages if the claim for damages:

(i) was not fully disclosed in writing prior to the arbitration proceeding; or

(ii) was not disclosed in response to discovery contrary to the Utah Rules of Civil Procedure.

(t) If a district court determines, upon a motion of the nonmoving party, that the moving party's use of the trial de novo process was filed in bad faith in accordance with Section 78B-5-825, the district court may award reasonable attorney fees to the nonmoving party.

(u) Nothing in this section is intended to limit any claim under any other portion of an applicable insurance policy.

(v) If there are multiple uninsured motorist policies, as set forth in Subsection (8), the claimant may elect to arbitrate in one hearing the claims against all the uninsured motorist carriers.

(10) (a) Within 30 days after a covered person elects to submit a claim for uninsured motorist benefits to binding arbitration or files litigation, the covered person shall provide to the uninsured motorist carrier:

(i) a written demand for payment of uninsured motorist coverage benefits, setting forth:

(A) subject to Subsection [~~(10)(m),~~] (10)(l), the specific monetary amount of the demand, including a computation of the covered person's claimed past medical expenses, claimed past lost wages, and the other claimed past economic damages; and

(B) the factual and legal basis and any supporting documentation for the demand;

(ii) a written statement under oath disclosing:

(A) (I) the names and last known addresses of all health care providers who have rendered health care services to the covered person that are material to the claims for which uninsured motorist benefits are sought for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and

(II) the names and last known addresses of the health care providers who have rendered health care services to the covered person, which the covered person claims are immaterial to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised that have not been disclosed under Subsection (10)(a)(ii)(A)(I);

(B) (I) the names and last known addresses of all health insurers or other entities to whom the covered person has submitted claims for health care services or benefits material to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and

(II) the names and last known addresses of the health insurers or other entities to whom the covered person has submitted claims for health care services or benefits, which the covered person claims are immaterial to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation have not been disclosed;

(C) if lost wages, diminished earning capacity, or similar damages are claimed, all employers of the covered person for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised;

(D) other documents to reasonably support the claims being asserted; and

(E) all state and federal statutory lienholders including a statement as to whether the covered person is a recipient of Medicare or Medicaid benefits or Utah Children's Health Insurance Program benefits under Title 26, Chapter 40, Utah Children's Health Insurance Act, or if the claim is subject to any other state or federal statutory liens; and

(iii) signed authorizations to allow the uninsured motorist carrier to only obtain records and billings from the individuals or entities disclosed under Subsections (10)(a)(ii)(A)(I), (B)(I), and (C).

(b) (i) If the uninsured motorist carrier determines that the disclosure of undisclosed health care providers or health care insurers under Subsection (10)(a)(ii) is reasonably necessary, the uninsured motorist carrier may:

(A) make a request for the disclosure of the identity of the health care providers or health care insurers; and

(B) make a request for authorizations to allow the uninsured motorist carrier to only obtain records and billings from the individuals or entities not disclosed.

(ii) If the covered person does not provide the requested information within 10 days:

(A) the covered person shall disclose, in writing, the legal or factual basis for the failure to disclose the health care providers or health care insurers; and

(B) either the covered person or the uninsured motorist carrier may request the arbitrator or arbitration panel to resolve the issue of whether the identities or records are to be provided if the covered person has elected arbitration.

(iii) The time periods imposed by Subsection (10)(c)(i) are tolled pending resolution of the dispute concerning the disclosure and production of records of the health care providers or health care insurers.

(c) (i) An uninsured motorist carrier that receives an election for arbitration or a notice of filing litigation and the demand for payment of uninsured motorist benefits under Subsection (10)(a)(i) shall have a reasonable time, not to exceed 60 days from the date of the demand and receipt of the items specified in Subsections (10)(a)(i) through (iii), to:

(A) provide a written response to the written demand for payment provided for in Subsection (10)(a)(i);

(B) except as provided in Subsection (10)(c)(i)(C), tender the amount, if any, of the uninsured motorist carrier's determination of the amount owed to the covered person; and

(C) if the covered person is a recipient of Medicare or Medicaid benefits or Utah Children's Health Insurance Program benefits under Title 26, Chapter 40, Utah Children's Health Insurance Act, or if the claim is subject to any other state or federal statutory liens, tender the amount, if any, of the uninsured motorist carrier's determination of the amount owed to the covered person less:

(I) if the amount of the state or federal statutory lien is established, the amount of the lien; or

(II) if the amount of the state or federal statutory lien is not established, two times the amount of the medical expenses subject to the state or federal statutory lien until such time as the amount of the state or federal statutory lien is established.

(ii) If the amount tendered by the uninsured motorist carrier under Subsection (10)(c)(i) is the total amount of the uninsured motorist policy limits, the tendered amount shall be accepted by the covered person.

(d) A covered person who receives a written response from an uninsured motorist carrier as provided for in Subsection (10)(c)(i), may:

(i) elect to accept the amount tendered in Subsection (10)(c)(i) as payment in full of all uninsured motorist claims; or

(ii) elect to:

(A) accept the amount tendered in Subsection (10)(c)(i) as partial payment of all uninsured motorist claims; and

(B) continue to litigate or arbitrate the remaining claim in accordance with the election made under Subsections [~~(9)(a), (b), and~~] (9)(a) through (c).

(e) If a covered person elects to accept the amount tendered under Subsection (10)(c)(i) as partial payment of all uninsured motorist claims, the final award obtained through arbitration, litigation, or later settlement shall be reduced by any payment

made by the uninsured motorist carrier under Subsection (10)(c)(i).

(f) In an arbitration proceeding on the remaining uninsured claims:

(i) the parties may not disclose to the arbitrator or arbitration panel the amount paid under Subsection (10)(c)(i) until after the arbitration award has been rendered; and

(ii) the parties may not disclose the amount of the limits of uninsured motorist benefits provided by the policy.

(g) If the final award obtained through arbitration or litigation is greater than the average of the covered person's initial written demand for payment provided for in Subsection (10)(a)(i) and the uninsured motorist carrier's initial written response provided for in Subsection (10)(c)(i), the uninsured motorist carrier shall pay:

(i) the final award obtained through arbitration or litigation, except that if the award exceeds the policy limits of the subject uninsured motorist policy by more than $15,000, the amount shall be reduced to an amount equal to the policy limits plus $15,000; and

(ii) any of the following applicable costs:

(A) any costs as set forth in Rule 54(d), Utah Rules of Civil Procedure;

(B) the arbitrator or arbitration panel's fee; and

(C) the reasonable costs of expert witnesses and depositions used in the presentation of evidence during arbitration or litigation.

(h) (i) The covered person shall provide an affidavit of costs within five days of an arbitration award.

(ii) (A) Objection to the affidavit of costs shall specify with particularity the costs to which the uninsured motorist carrier objects.

(B) The objection shall be resolved by the arbitrator or arbitration panel.

(iii) The award of costs by the arbitrator or arbitration panel under Subsection (10)(g)(ii) may not exceed $5,000.

(i) (i) A covered person shall disclose all material information, other than rebuttal evidence, within 30 days after a covered person elects to submit a claim for uninsured motorist coverage benefits to binding arbitration or files litigation as specified in Subsection (10)(a).

(ii) If the information under Subsection (10)(i)(i) is not disclosed, the covered person may not recover costs or any amounts in excess of the policy under Subsection (10)(g).

(j) This Subsection (10) does not limit any other cause of action that arose or may arise against the uninsured motorist carrier from the same dispute.

(k) The provisions of this Subsection (10) only apply to motor vehicle accidents that occur on or after March 30, 2010.

(l) (i) (A) The written demand requirement in Subsection (10)(a)(i)(A) does not affect the covered person's requirement to provide a computation of any other economic damages claimed, and the one or more respondents shall have a reasonable time after the receipt of the computation of any other economic damages claimed to conduct fact and expert discovery as to any additional damages claimed.

(B) The changes made by Laws of Utah 2014, Chapter 290, Section 10, and Chapter 300, Section 10, to this Subsection (10)(l) and Subsection (10)(a)(i)(A) apply to a claim submitted to binding arbitration or through litigation on or after May 13, 2014.

(ii) The changes made by Laws of Utah 2014, Chapter 290, Section 10, and Chapter 300, Section 10, to Subsections (10)(a)(ii)(A)(II) and (B)(II) apply to any claim submitted to binding arbitration or through litigation on or after May 13, 2014.

(11) (a) Notwithstanding Section 31A-21-313, an action on a written policy or contract for uninsured motorist coverage shall be commenced within four years after the inception of loss.

(b) Subsection (11)(a) shall apply to all claims that have not been time barred by Subsection 31A-21-313(1)(a) as of May 14, 2019.

Section 2. Section 31A-22-305.3 is amended to read:

31A-22-305.3. Underinsured motorist coverage.

(1) As used in this section:

(a) "Covered person" has the same meaning as defined in Section 31A-22-305.

(b) (i) "Underinsured motor vehicle" includes a motor vehicle, the operation, maintenance, or use of which is covered under a liability policy at the time of an injury-causing occurrence, but which has insufficient liability coverage to compensate fully the injured party for all special and general damages.

(ii) The term "underinsured motor vehicle" does not include:

(A) a motor vehicle that is covered under the liability coverage of the same policy that also contains the underinsured motorist coverage;

(B) an uninsured motor vehicle as defined in Subsection 31A-22-305(2); or

(C) a motor vehicle owned or leased by:

(I) a named insured;

(II) a named insured's spouse; or

(III) a dependent of a named insured.

(2) (a) Underinsured motorist coverage under Subsection 31A-22-302(1)(c) provides coverage for a covered person who is legally entitled to recover

damages from an owner or operator of an underinsured motor vehicle because of bodily injury, sickness, disease, or death.

(b) A covered person occupying or using a motor vehicle owned, leased, or furnished to the covered person, the covered person's spouse, or covered person's resident relative may recover underinsured benefits only if the motor vehicle is:

(i) described in the policy under which a claim is made; or

(ii) a newly acquired or replacement motor vehicle covered under the terms of the policy.

(3) (a) For purposes of this Subsection (3), "new policy" means:

(i) any policy that is issued that does not include a renewal or reinstatement of an existing policy; or

(ii) a change to an existing policy that results in:

(A) a named insured being added to or deleted from the policy; or

(B) a change in the limits of the named insured's motor vehicle liability coverage.

(b) For new policies written on or after January 1, 2001, the limits of underinsured motorist coverage shall be equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy, unless a named insured rejects or purchases coverage in a lesser amount by signing an acknowledgment form that:

(i) is filed with the department;

(ii) is provided by the insurer;

(iii) waives the higher coverage;

(iv) need only state in this or similar language that "underinsured motorist coverage provides benefits or protection to you and other covered persons for bodily injury resulting from an accident caused by the fault of another party where the other party has insufficient liability insurance"; and

(v) discloses the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(c) Any selection or rejection under Subsection (3)(b) continues for that issuer of the liability coverage until the insured requests, in writing, a change of underinsured motorist coverage from that liability insurer.

(d) (i) Subsections (3)(b) and (c) apply retroactively to any claim arising on or after January 1, 2001, for which, as of May 14, 2013, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsections (3)(b) and (c) clarifies legislative intent and does not enlarge, eliminate, or destroy vested rights.

(e) (i) As used in this Subsection (3)(e), "additional motor vehicle" means a change that increases the total number of vehicles insured by the policy, and does not include replacement, substitute, or temporary vehicles.

(ii) The adding of an additional motor vehicle to an existing personal lines or commercial lines policy does not constitute a new policy for purposes of Subsection (3)(a).

(iii) If an additional motor vehicle is added to a personal lines policy where underinsured motorist coverage has been rejected, or where underinsured motorist limits are lower than the named insured's motor vehicle liability limits, the insurer shall provide a notice to a named insured within 30 days that:

(A) in the same manner described in Subsection (3)(b)(iv), explains the purpose of underinsured motorist coverage; and

(B) encourages the named insured to contact the insurance company or insurance producer for quotes as to the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(f) A change in policy number resulting from any policy change not identified under Subsection (3)(a)(ii) does not constitute a new policy.

(g) (i) Subsection (3)(a) applies retroactively to any claim arising on or after January 1, 2001 for which, as of May 1, 2012, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsection (3)(a):

(A) does not enlarge, eliminate, or destroy vested rights; and

(B) clarifies legislative intent.

(h) A self-insured, including a governmental entity, may elect to provide underinsured motorist coverage in an amount that is less than its maximum self-insured retention under Subsections (3)(b) and (l) by issuing a declaratory memorandum or policy statement from the chief financial officer or chief risk officer that declares the:

(i) self-insured entity's coverage level; and

(ii) process for filing an underinsured motorist claim.

(i) Underinsured motorist coverage may not be sold with limits that are less than:

(i) $10,000 for one person in any one accident; and

(ii) at least $20,000 for two or more persons in any one accident.

(j) An acknowledgment under Subsection (3)(b) continues for that issuer of the underinsured motorist coverage until the named insured, in writing, requests different underinsured motorist coverage from the insurer.

(k) (i) The named insured's underinsured motorist coverage, as described in Subsection (2), is secondary to the liability coverage of an owner or operator of an underinsured motor vehicle, as described in Subsection (1).

(ii) Underinsured motorist coverage may not be set off against the liability coverage of the owner or operator of an underinsured motor vehicle, but shall be added to, combined with, or stacked upon the liability coverage of the owner or operator of the underinsured motor vehicle to determine the limit of coverage available to the injured person.

(l) (i) In conjunction with the first two renewal notices sent after January 1, 2001, for policies existing on that date, the insurer shall disclose in the same medium as the premium renewal notice, an explanation of:

(A) the purpose of underinsured motorist coverage in the same manner as described in Subsection (3)(b)(iv); and

(B) a disclosure of the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(ii) The disclosure required under this Subsection (3)(l) shall be sent to all named insureds that carry underinsured motorist coverage limits in an amount less than the named insured's motor vehicle liability policy limits or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(m) For purposes of this Subsection (3), a notice or disclosure sent to a named insured in a household constitutes notice or disclosure to all insureds within the household.

(4) (a) (i) Except as provided in this Subsection (4), a covered person injured in a motor vehicle described in a policy that includes underinsured motorist benefits may not elect to collect underinsured motorist coverage benefits from another motor vehicle insurance policy.

(ii) The limit of liability for underinsured motorist coverage for two or more motor vehicles may not be added together, combined, or stacked to determine the limit of insurance coverage available to an injured person for any one accident.

(iii) Subsection (4)(a)(ii) applies to all persons except a covered person described under Subsections (4)(b)(i) and (ii).

(b) (i) A covered person injured as a pedestrian by an underinsured motor vehicle may recover underinsured motorist benefits under any one other policy in which they are described as a covered person.

(ii) Except as provided in Subsection (4)(b)(iii), a covered person injured while occupying, using, or maintaining a motor vehicle that is not owned, leased, or furnished to the covered person, the covered person's spouse, or the covered person's resident parent or resident sibling, may also recover benefits under any one other policy under which the covered person is also a covered person.

(iii) (A) A covered person may recover benefits from no more than two additional policies, one additional policy from each parent's household if the covered person is:

(I) a dependent minor of parents who reside in separate households; and

(II) injured while occupying or using a motor vehicle that is not owned, leased, or furnished to the covered person, the covered person's resident parent, or the covered person's resident sibling.

(B) Each parent's policy under this Subsection (4)(b)(iii) is liable only for the percentage of the damages that the limit of liability of each parent's policy of underinsured motorist coverage bears to the total of both parents' underinsured coverage applicable to the accident.

(iv) A covered person's recovery under any available policies may not exceed the full amount of damages.

(v) Underinsured coverage on a motor vehicle occupied at the time of an accident is primary coverage, and the coverage elected by a person described under Subsections 31A-22-305(1)(a), (b), and (c) is secondary coverage.

(vi) The primary and the secondary coverage may not be set off against the other.

(vii) A covered person as described under Subsection (4)(b)(i) or is entitled to the highest limits of underinsured motorist coverage under only one additional policy per household applicable to that covered person as a named insured, spouse, or relative.

(viii) A covered injured person is not barred against making subsequent elections if recovery is unavailable under previous elections.

(ix) (A) As used in this section, "interpolicy stacking" means recovering benefits for a single incident of loss under more than one insurance policy.

(B) Except to the extent permitted by this Subsection (4), interpolicy stacking is prohibited for underinsured motorist coverage.

(c) Underinsured motorist coverage:

(i) does not cover any benefit paid or payable under Title 34A, Chapter 2, Workers' Compensation Act, except that the covered person is credited an amount described in Subsection 34A-2-106(5);

(ii) may not be subrogated by a workers' compensation insurance carrier, workers' compensation insurance, uninsured employer, the Uninsured Employers Fund created in Section 34A-2-704, or the Employers' Reinsurance Fund created in Section 34A-2-702;

(iii) may not be reduced by benefits provided by workers' compensation insurance, uninsured employer, the Uninsured Employers Fund created in Section 34A-2-704, or the Employers' Reinsurance Fund created in Section 34A-2-702;

(iv) notwithstanding Subsection 31A-1-103(3)(f), may be reduced by health insurance subrogation only after the covered person is made whole;

(v) may not be collected for bodily injury or death sustained by a person:

(A) while committing a violation of Section 41-1a-1314;

(B) who, as a passenger in a vehicle, has knowledge that the vehicle is being operated in violation of Section 41-1a-1314; or

(C) while committing a felony; and

(vi) notwithstanding Subsection (4)(c)(v), may be recovered:

(A) for a person younger than 18 years old who is injured within the scope of Subsection (4)(c)(v), but is limited to medical and funeral expenses; or

(B) by a law enforcement officer as defined in Section 53-13-103, who is injured within the course and scope of the law enforcement officer's duties.

(5) (a) Notwithstanding Section 31A-21-313, an action on a written policy or contract for underinsured motorist coverage shall be commenced within four years after the inception of loss.

(b) The inception of the loss under Subsection 31A-21-313(1) for underinsured motorist claims occurs upon the date of the settlement check representing the last liability policy payment.

(6) An underinsured motorist insurer does not have a right of reimbursement against a person liable for the damages resulting from an injury-causing occurrence if the person's liability insurer has tendered the policy limit and the limits have been accepted by the claimant.

(7) Except as otherwise provided in this section, a covered person may seek, subject to the terms and conditions of the policy, additional coverage under any policy:

(a) that provides coverage for damages resulting from motor vehicle accidents; and

(b) that is not required to conform to Section 31A-22-302.

(8) (a) When a claim is brought by a named insured or a person described in Subsection 31A-22-305(1) and is asserted against the covered person's underinsured motorist carrier, the claimant may elect to resolve the claim:

(i) by submitting the claim to binding arbitration; or

(ii) through litigation.

(b) Unless otherwise provided in the policy under which underinsured benefits are claimed, the election provided in Subsection (8)(a) is available to the claimant only, except that if the policy under which insured benefits are claimed provides that either an insured or the insurer may elect arbitration, the insured or the insurer may elect arbitration and that election to arbitrate shall stay the litigation of the claim under Subsection (8)(a)(ii).

(c) Once a claimant elects to commence litigation under Subsection (8)(a)(ii), the claimant may not elect to resolve the claim through binding arbitration under this section without the written consent of the underinsured motorist coverage carrier.

(d) For purposes of the statute of limitations applicable to a claim described in Subsection (8)(a), if the claimant does not elect to resolve the claim through litigation, the claim is considered filed when the claimant submits the claim to binding arbitration in accordance with this Subsection (8).

(e) (i) Unless otherwise agreed to in writing by the parties, a claim that is submitted to binding arbitration under Subsection (8)(a)(i) shall be resolved by a single arbitrator.

(ii) All parties shall agree on the single arbitrator selected under Subsection (8)(e)(i).

(iii) If the parties are unable to agree on a single arbitrator as required under Subsection (8)(e)(ii), the parties shall select a panel of three arbitrators.

(f) If the parties select a panel of three arbitrators under Subsection (8)(e)(iii):

(i) each side shall select one arbitrator; and

(ii) the arbitrators appointed under Subsection (8)(f)(i) shall select one additional arbitrator to be included in the panel.

(g) Unless otherwise agreed to in writing:

(i) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (8)(e)(i); or

(i) (i) The arbitration shall be conducted in accordance with Rules 26(a)(4) through (f), 27 through 37, 54, and 68 of the Utah Rules of Civil Procedure, once the requirements of Subsections (9)(a) through (c) are satisfied.

(ii) The specified tier as defined by Rule 26(c)(3) of the Utah Rules of Civil Procedure shall be determined based on the claimant's specific monetary amount in the written demand for payment of uninsured motorist coverage benefits as required in Subsection (9)(a)(i)(A).

(iii) Rules 26.1 and 26.2 of the Utah Rules of Civil Procedure do not apply to arbitration claims under this part.

(j) An issue of discovery shall be resolved by the arbitrator or the arbitration panel.

(k) A written decision by a single arbitrator or by a majority of the arbitration panel constitutes a final decision.

(l) (i) Except as provided in Subsection (9), the amount of an arbitration award may not exceed the underinsured motorist policy limits of all applicable underinsured motorist policies, including applicable underinsured motorist umbrella policies.

(ii) If the initial arbitration award exceeds the underinsured motorist policy limits of all applicable underinsured motorist policies, the arbitration award shall be reduced to an amount equal to the combined underinsured motorist policy limits of all applicable underinsured motorist policies.

(m) The arbitrator or arbitration panel may not decide an issue of coverage or extra-contractual damages, including:

(i) whether the claimant is a covered person;

(ii) whether the policy extends coverage to the loss; or

(iii) an allegation or claim asserting consequential damages or bad faith liability.

(n) The arbitrator or arbitration panel may not conduct arbitration on a class-wide or class-representative basis.

(o) If the arbitrator or arbitration panel finds that the arbitration is not brought, pursued, or defended in good faith, the arbitrator or arbitration panel may award reasonable attorney fees and costs against the party that failed to bring, pursue, or defend the arbitration in good faith.

(p) An arbitration award issued under this section shall be the final resolution of all claims not excluded by Subsection (8)(m) between the parties unless:

(i) the award is procured by corruption, fraud, or other undue means; or

(ii) either party, within 20 days after service of the arbitration award:

(A) files a complaint requesting a trial de novo in the district court; and

(B) serves the nonmoving party with a copy of the complaint requesting a trial de novo under Subsection (8)(p)(ii)(A).

(q) (i) Upon filing a complaint for a trial de novo under Subsection (8)(p), a claim shall proceed through litigation pursuant to the Utah Rules of Civil Procedure and Utah Rules of Evidence in the district court.

(ii) In accordance with Rule 38, Utah Rules of Civil Procedure, either party may request a jury trial with a complaint requesting a trial de novo under Subsection (8)(p)(ii)(A).

(r) (i) If the claimant, as the moving party in a trial de novo requested under Subsection (8)(p), does not obtain a verdict that is at least $5,000 and is at least 20% greater than the arbitration award, the claimant is responsible for all of the nonmoving party's costs.

(ii) If the underinsured motorist carrier, as the moving party in a trial de novo requested under Subsection (8)(p), does not obtain a verdict that is at least 20% less than the arbitration award, the underinsured motorist carrier is responsible for all of the nonmoving party's costs.

(iii) Except as provided in Subsection (8)(r)(iv), the costs under this Subsection (8)(r) shall include:

(A) any costs set forth in Rule 54(d), Utah Rules of Civil Procedure; and

(B) the costs of expert witnesses and depositions.

(iv) An award of costs under this Subsection (8)(r) may not exceed $2,500 unless Subsection (9)(h)(iii) applies.

(s) For purposes of determining whether a party's verdict is greater or less than the arbitration award under Subsection (8)(r), a court may not consider any recovery or other relief granted on a claim for damages if the claim for damages:

(i) was not fully disclosed in writing prior to the arbitration proceeding; or

(ii) was not disclosed in response to discovery contrary to the Utah Rules of Civil Procedure.

(t) If a district court determines, upon a motion of the nonmoving party, that a moving party's use of the trial de novo process is filed in bad faith in accordance with Section 78B-5-825, the district court may award reasonable attorney fees to the nonmoving party.

(u) Nothing in this section is intended to limit a claim under another portion of an applicable insurance policy.

(v) If there are multiple underinsured motorist policies, as set forth in Subsection (4), the claimant may elect to arbitrate in one hearing the claims against all the underinsured motorist carriers.

(9) (a) Within 30 days after a covered person elects to submit a claim for underinsured motorist

benefits to binding arbitration or files litigation, the covered person shall provide to the underinsured motorist carrier:

(i) a written demand for payment of underinsured motorist coverage benefits, setting forth:

59-2-503. Qualifications for agricultural use assessment.

(1) For general property tax purposes, land may be assessed on the basis of the value that the land has for agricultural use if the land:

(b) any off-chain assets shall belong to the decentralized autonomous organization on the majority chain.

(2) (a) A decentralized autonomous organization may choose to maintain legal presence on a

minority chain if the decentralized autonomous organization expresses an intent to do so by public signal.

(b) If the decentralized autonomous organization expresses an intent by public signal to maintain legal presence on a minority chain, any off-chain assets shall belong to the decentralized autonomous organization on the selected minority chain.

(3) The decentralized autonomous organization may liquidate the decentralized autonomous organization's on-chain assets after a hard fork to move those assets to the chosen chain.

(4) The decentralized autonomous organization may split into multiple legal entities after a hard fork, each on a separate chain, after public signal of an intent to do so, provided there is a definitive distribution of off-chain assets between the majority and minority chain.
