In order to protect the public through verification of competency and ensure accountability for patient care related activities all states license emergency medical services (EMS) personnel, such as emergency medical technicians (EMTs), advanced EMTs and paramedics. 3. Encourage the cooperation of member states in the areas of EMS personnel licensure and regulation;

G. Nothing in this Compact shall override a member state's decision that participation in an alternative program may be used in lieu of adverse action and that such participation shall remain non–public if required by the member state's laws. 10. The Commission shall meet and take such actions as are consistent with the provisions of this Compact and the bylaws.

2. The Commission shall defend any member, officer, executive director, employee or representative of the Commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of Commission employment, duties, or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining his or her own counsel; and provided further, that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

3. D. Member states contributing information to the coordinated database may designate information that may not be shared with the public without the express permission of the contributing state.

E. Any information submitted to the coordinated database that is subsequently required to be expunged by the laws of the member state contributing the information shall be removed from the coordinated database.

SECTION 12. RULEMAKING

A. The Commission shall exercise its rulemaking powers pursuant to the criteria set forth in this Section and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

B. If a majority of the legislatures of the member states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the Compact, then such rule shall have no further force and effect in any member state.

C. Rules or amendments to the rules shall be adopted at a regular or special meeting of the Commission.

D. Prior to promulgation and adoption of a final rule or rules by the Commission, and at least sixty (60) days in advance of the meeting at which the rule will be considered and voted upon, the Commission shall file a Notice of Proposed Rulemaking:

1. On the website of the Commission; and

2. On the website of each member state EMS authority or the publication in which each state would otherwise publish proposed rules.

2. Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

3. No transcript of the hearing is required, unless a written request for a transcript is made, in which case the person requesting the transcript shall bear the cost of producing the transcript. A recording may be made in lieu of a transcript under the same terms and conditions as a transcript. This subsection shall not preclude the Commission from making a transcript or recording of the hearing if it so chooses.

4. Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the Commission at hearings required by this section.

I. Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the Commission shall consider all written and oral comments received.

L. Upon determination that an emergency exists, the Commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rulemaking procedures provided in the Compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety (90) days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:

1. Meet an imminent threat to public health, safety, or welfare;

2. Prevent a loss of Commission or member state funds;

3. Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or

4. Protect public health and safety.

M. The Commission or an authorized committee of the Commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing, and delivered to the chair of the Commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

SECTION 13. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

A. Oversight

1. The executive, legislative, and judicial branches of state government in each member state shall enforce this compact and take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

2. All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter of this compact which may affect the powers, responsibilities or actions of the Commission.

3. The Commission shall be entitled to receive service of process in any such proceeding, and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the Commission shall render a judgment or order void as to the Commission, this Compact, or promulgated rules.

B. Default, Technical Assistance, and Termination

1. If the Commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the Commission shall:

a. Provide written notice to the defaulting state and other member states of the nature of the default, the proposed means of curing the default and/or any other action to be taken by the Commission; and

b. Provide remedial training and specific technical assistance regarding the default.

2. If a state in default fails to cure the default, the defaulting state may be terminated from the Compact upon an affirmative vote of a majority of the member states, and all rights, privileges and benefits conferred by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

3. Termination of membership in the compact shall be imposed only after all other means of

securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.

4. A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

5. The Commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact, unless agreed upon in writing between the Commission and the defaulting state.

6. The defaulting state may appeal the action of the Commission by petitioning the U.S. District Court for the District of Columbia or the federal district where the Commission has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

C. Dispute Resolution

1. Upon request by a member state, the Commission shall attempt to resolve disputes related to the compact that arise among member states and between member and non-member states.

2. The Commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

D. Enforcement

1. The Commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

2. By majority vote, the Commission may initiate legal action in the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices against a member state in default to enforce compliance with the provisions of the compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

3. The remedies herein shall not be the exclusive remedies of the Commission. The Commission may pursue any other remedies available under federal or state law.

SECTION 14. DATE OF IMPLEMENTATION OF THE INTERSTATE

COMMISSION FOR EMS PERSONNEL PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

A. The compact shall come into effect on the date on which the compact statute is enacted into law in the tenth member state. The provisions, which become effective at that time, shall be limited to the powers granted to the Commission relating to assembly and the promulgation of rules. Thereafter, the Commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the compact.

B. Any state that joins the compact subsequent to the Commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the Commission shall have the full force and effect of law on the day the compact becomes law in that state.

C. Any member state may withdraw from this compact by enacting a statute repealing the same.

1. A member state's withdrawal shall not take effect until six (6) months after enactment of the repealing statute.

2. Withdrawal shall not affect the continuing requirement of the withdrawing state's EMS authority to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

D. Nothing contained in this compact shall be construed to invalidate or prevent any EMS personnel licensure agreement or other cooperative arrangement between a member state and a non-member state that does not conflict with the provisions of this compact.

E. This Compact may be amended by the member states. No amendment to this Compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

(A) the person may be sentenced to imprisonment for an indeterminate term as provided by law, and the court shall additionally sentence the person convicted for a term of one year to run consecutively and not concurrently; and

(b) A prior conviction used for a penalty enhancement under Subsection (2) shall be a conviction that is:

(i) from a separate criminal episode than the current charge; and

(8) (a) A penalty imposed for violation of this section is in addition to, and not in lieu of, a civil or

administrative penalty or sanction authorized by law.

(b) When a violation of this chapter violates a federal law or the law of another state, conviction or acquittal under federal law or the law of another state for the same act is a bar to prosecution in this state.

(9) In any prosecution for a violation of this chapter, evidence or proof that shows a person or persons produced, manufactured, possessed, distributed, or dispensed a controlled substance or substances, is prima facie evidence that the person or persons did so with knowledge of the character of the substance or substances.

(b) In a prosecution alleging violation of this section regarding peyote as defined in Section 58-37-4, it is an affirmative defense that the peyote was used, possessed, or transported by an Indian for bona fide traditional ceremonial purposes in connection with the practice of a traditional Indian religion.

(c) (i) The defendant shall provide written notice of intent to claim an affirmative defense under this Subsection (12) as soon as practicable, but not later than 10 days before trial.

(ii) The notice shall include the specific claims of the affirmative defense.

(iii) The court may waive the notice requirement in the interest of justice for good cause shown, if the prosecutor is not unfairly prejudiced by the lack of timely notice.

(d) The defendant shall establish the affirmative defense under this Subsection (12) by a preponderance of the evidence. If the defense is established, it is a complete defense to the charges.

(13) (a) It is an affirmative defense that the person produced, possessed, or administered a controlled substance listed in Section 58-37-4.2 if the person was:

(i) engaged in medical research; and

(ii) a holder of a valid license to possess controlled substances under Section 58-37-6.

(b) It is not a defense under Subsection (13)(a) that the person prescribed or dispensed a controlled substance listed in Section 58-37-4.2.

(14) It is an affirmative defense that the person possessed, in the person's body, a controlled substance listed in Section 58-37-4.2 if:

(a) the person was the subject of medical research conducted by a holder of a valid license to possess controlled substances under Section 58-37-6; and

(b) the substance was administered to the person by the medical researcher.

(15) The application of any increase in penalty under this section to a violation of Subsection (2)(a)(i) may not result in any greater penalty than a second degree felony. This Subsection (15) takes precedence over any conflicting provision of this section.

(16) (a) It is an affirmative defense to an allegation of the commission of an offense listed in Subsection (16)(b) that the person or bystander:

(i) reasonably believes that the person or another person is experiencing an overdose event due to the ingestion, injection, inhalation, or other introduction into the human body of a controlled substance or other substance;

(ii) reports, or assists a person who reports, in good faith the overdose event to a medical provider, an emergency medical service provider as defined in Section 26-8a-102, a law enforcement officer, a 911 emergency call system, or an emergency dispatch system, or the person is the subject of a report made under this Subsection (16);

(v) cooperates with the responding medical provider, emergency medical service provider, and

law enforcement officer, including providing information regarding the person experiencing the overdose event and any substances the person may have injected, inhaled, or otherwise introduced into the person's body; and

(c) As used in this Subsection (16) and in Section 76-3-203.11, "good faith" does not include seeking medical assistance under this section during the course of a law enforcement agency's execution of a search warrant, execution of an arrest warrant, or other lawful search.

(17) If any provision of this chapter, or the application of any provision to any person or circumstances, is held invalid, the remainder of this chapter shall be given effect without the invalid provision or application.

(18) A legislative body of a political subdivision may not enact an ordinance that is less restrictive than any provision of this chapter.

(19) If a minor who is under 18 years old is found by a court to have violated this section or Subsection 76-5-102.1(2)(b) or 76-5-207(2)(b), the court may order the minor to complete:

80-3-409, as last amended by Laws of Utah 2022, Chapters 287, 335

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 80-2a-201 is amended to read:

80-2a-201. Rights of parents -- Children's rights -- Interest and responsibility of state.

(1) (a) Under both the United States Constitution and the constitution of this state, a parent possesses a fundamental liberty interest in the care, custody, and management of the parent's children. A fundamentally fair process must be provided to parents if the state moves to challenge or interfere with parental rights. A governmental entity must support any actions or allegations made in opposition to the rights and desires of a parent regarding the parent's child by sufficient evidence to satisfy a parent's constitutional entitlement to heightened protection against government interference with the parent's fundamental rights and liberty interests and, concomitantly, the right of the child to be reared by the child's natural parent.

(b) The fundamental liberty interest of a parent concerning the care, custody, and management of the parent's child is recognized, protected, and does not cease to exist simply because a parent may fail to be a model parent or because the parent's child is placed in the temporary custody of the state. At all times, a parent retains a vital interest in preventing the irretrievable destruction of family life. Before an adjudication of unfitness, government action in relation to a parent and the parent's child may not exceed the least restrictive means or alternatives available to accomplish a compelling state interest. Until the state proves parental unfitness, and the child suffers, or is substantially likely to suffer, serious detriment as a result, the child and the child's parent share a vital interest in preventing erroneous termination of their natural relationship and the state cannot presume that a child and the child's parent are adversaries.

(c) It is in the best interest and welfare of a child to be raised under the care and supervision of the child's natural parents. A child's need for a normal family life in a permanent home, and for positive, nurturing family relationships is usually best met by the child's natural parents. Additionally, the integrity of the family unit and the right of a parent to conceive and raise the parent's child are constitutionally protected. The right of a fit, competent parent to raise the parent's child without undue government interference is a fundamental liberty interest that has long been protected by the laws and Constitution and is a fundamental public policy of this state.

(d) The state recognizes that:

(i) a parent has the right, obligation, responsibility, and authority to raise, manage, train, educate, provide and care for, and reasonably discipline the parent's child; and

(ii) the state's role is secondary and supportive to the primary role of a parent.

(e) It is the public policy of this state that:

(i) a parent retains the fundamental right and duty to exercise primary control over the care, supervision, upbringing, and education of the parent's child[.];

(ii) a parent retains the right to have contact with the parent's child when the child is placed outside of

the parent's home, and parent-time should be ordered by a court so long as the contact is not contrary to the best interest of the child; and

(iii) a child has the right to have contact with the child's sibling when the child is placed outside of the home and apart from the child's sibling, and sibling visits should be ordered by a court unless the contact would be contrary to the safety or well-being of the child.

(f) Subsections (2) through (7) shall be interpreted and applied consistent with this Subsection (1).

(2) It is also the public policy of this state that children have the right to protection from abuse and neglect, and that the state retains a compelling interest in investigating, prosecuting, and punishing abuse and neglect. Therefore, the state, as parens patriae, has an interest in and responsibility to protect a child whose parent abuses the child or does not adequately provide for the child's welfare. There may be circumstances where a parent's conduct or condition is a substantial departure from the norm and the parent is unable or unwilling to render safe and proper parental care and protection. Under those circumstances, the state may take action for the welfare and protection of the parent's child.

(3) When the division intervenes on behalf of an abused, neglected, or dependent child, the division shall take into account the child's need for protection from immediate harm and the extent to which the child's extended family may provide needed protection. Throughout the division's involvement, the division shall utilize the least intrusive and least restrictive means available to protect a child, in an effort to ensure that children are brought up in stable, permanent families, rather than in temporary foster placements under the supervision of the state.

(4) If circumstances within the family pose a threat to the child's immediate safety or welfare, the division may seek custody of the child for a planned, temporary period and place the child in a safe environment, subject to the requirements of this section and in accordance with Chapter 3, Abuse, Neglect, and Dependency Proceedings, and when safe and appropriate, return the child to the child's parent or as a last resort, pursue another permanency plan.

(5) In determining and making reasonable efforts with regard to a child, under Section 80-2a-302, both the division's and the juvenile court's paramount concern shall be the child's health, safety, and welfare. The desires of a parent for the parent's child, and the constitutionally protected rights of a parent, as described in this section, shall be given full and serious consideration by the division and the juvenile court.

(6) In accordance with Subsections 80-2a-302(4) and 80-3-301(12), in cases where sexual abuse, sexual exploitation, abandonment, severe abuse, or severe neglect are involved, the state has no duty to make reasonable efforts or to, in any other way, attempt to maintain a child in the child's home, provide reunification services, or rehabilitate the offending parent or parents. This Subsection (6) does not exempt the division from providing court-ordered services.

(7) (a) In accordance with Subsection (1), the division shall strive to achieve appropriate permanency for children who are abused, neglected, or dependent. The division shall provide in-home services, if appropriate and safe, in an effort to help a parent to correct the behavior that resulted in abuse, neglect, or dependency of the parent's child. The division may pursue a foster placement only if in-home services fail or are otherwise insufficient or inappropriate, kinship placement is not safe or appropriate, or in-home services and kinship placement fail and cannot be corrected. The division shall also seek qualified extended family support or a kinship placement to maintain a sense of security and stability for the child.

(b) If the use or continuation of reasonable efforts, as described in Subsections (5) and (6), is determined to be inconsistent with the permanency plan for a child, then measures shall be taken, in a timely manner, to place the child in accordance with the permanency plan, and to complete whatever steps are necessary to finalize the permanent placement of the child.

(c) Subject to the parental rights recognized and protected under this section, if, because of a parent's conduct or condition, the parent is determined to be unfit or incompetent based on the grounds for termination of parental rights described in Chapter 4, Termination and Restoration of Parental Rights, the continuing welfare and best interest of the child is of paramount importance, and shall be protected in determining whether that parent's rights should be terminated.

(8) The state's right to direct or intervene in the provision of medical or mental health care for a child is subject to Subsections 80-1-102(58)(b)(i) through (iii) and Sections 80-3-109 and 80-3-304.

Section 2. Section 80-3-307 is amended to read:

80-3-307. Child and family plan developed by division -- Parent-time and relative visitation.

(1) The division shall develop and finalize a child's child and family plan no more than 45 days after the day on which the child enters the temporary custody of the division.

(2) (a) The division may use an interdisciplinary team approach in developing a child and family plan.

(b) The interdisciplinary team described in Subsection (2)(a) may include representatives from the following fields:

(i) mental health;

(ii) education; or

(iii) if appropriate, law enforcement.

(ii) the child;

(iii) the child's foster parents; and

(iv) if appropriate, the child's stepparent.

(b) Subsection (3)(a) does not prohibit any other party not listed in Subsection (3)(a) or a party's counsel from being involved in the development of a child's child and family plan if the party or counsel's participation is otherwise permitted by law.

(c) In relation to all information considered by the division in developing a child and family plan, the division shall give additional weight and attention to the input of the child's natural and foster parents upon the involvement of the child's natural and foster parents under Subsections (3)(a)(i) and (iii).

(d) (i) The division shall make a substantial effort to develop a child and family plan with which the child's parents agree.

(d) include individualized expectations and contain specific time frames;

(e) except as provided in Subsection (6), address problems that:

(i) keep a child in the child's placement; and

(ii) keep a child from achieving permanence in the child's life;

(f) be designed to:

(i) minimize disruption to the normal activities of the child's family, including employment and school; and

(ii) as much as practicable, help the child's parent maintain or obtain employment; and

(g) set forth, with specificity, at least the following:

(i) the reason the child entered into protective custody or the division's temporary custody or custody;

(iii) the primary permanency plan for the child, as described in Section 80-3-406, and the reason for selection of the plan;

(iv) the concurrent permanency plan for the child, as described in Section 80-3-406, and the reason for the selection of the plan;

(v) if the plan is for the child to return to the child's family:

(A) specifically what the parents must do in order to enable the child to be returned home;

(B) specifically how the requirements described in Subsection (5)(g)(v)(A) may be accomplished; and

(C) how the requirements described in Subsection (5)(g)(v)(A) will be measured;

(vi) the specific services needed to reduce the problems that necessitated placing the child in protective custody or the division's temporary custody or custody;

(vii) the name of the individual who will provide for and be responsible for case management for the division;

(viii) subject to Subsection (10), a parent-time schedule between the natural parent and the child;

(ix) subject to Subsection (7), the health and mental health care to be provided to address any known or diagnosed mental health needs of the child;

(x) if residential treatment rather than a foster home is the proposed placement, a requirement for a specialized assessment of the child's health needs including an assessment of mental illness and behavior and conduct disorders;

(xi) social summaries that include case history information pertinent to case planning; and

(xii) subject to Subsection (12), a sibling visitation schedule.

(6) For purposes of Subsection (5)(e), a child and family plan may only include requirements that:

(7) (a) Subject to Subsection (7)(b), in addition to the information required under Subsection (5)(g)(ix), a child and family plan shall include a specialized assessment of the medical and mental health needs of a child, if the child:

[~~(b) Notwithstanding Subsection (9)(a), if~~]

(9) If the division documents to the court that there is a compelling reason that adoption, reunification, guardianship, and a placement described in Subsection 80-3-301(6)(e) are not in the child's best interest, the court may order another planned permanent living arrangement in accordance with federal law.

(10) (a) Except as provided in Subsection (10)(b), parent-time may only be denied by a court order issued in accordance with Subsection 80-3-406(9).

(b) Notwithstanding Subsection (10)(a), the person designated by the division or a court to supervise a parent-time session may deny parent-time for the session if the supervising person determines that, based on the parent's condition, it is necessary to deny parent-time to:

(i) protect the physical safety of the child;

(ii) protect the life of the child; or

(iii) consistent with Subsection (10)(c), prevent the child from being traumatized by contact with the parent.

(c) In determining whether the condition of the parent described in Subsection (10)(b) will traumatize a child, the person supervising the parent-time session shall consider the impact that the parent's condition will have on the child in light of:

(i) the child's fear of the parent; and

(ii) the nature of the alleged abuse or neglect.

(11) If a child is in the division's temporary custody or custody, the division shall consider visitation with the child's grandparent if:

(b) there are no safety concerns regarding the behavior or criminal background of the grandparent;

(c) allowing the grandparent visitation would not compete with or undermine the child's reunification plan;

(d) there is a substantial relationship between the grandparent and child; and

(e) the grandparent visitation will not unduly burden the foster parents.

(12) (a) The division shall incorporate into the child and family plan reasonable efforts to provide sibling visitation if:

(ii) the sibling visitation is in the best interest of the child for whom the child and family plan is developed; and

(iii) the division has consent for sibling visitation from the guardian of the sibling.

(b) The division shall obtain consent for sibling visitation from the sibling's guardian if the criteria of Subsections (12)(a)(i) and (ii) are met.

Section 3. Section 80-3-402 is amended to read:

80-3-402. Adjudication hearing -- Dispositional hearing time deadlines -- Scheduling of review and permanency hearing.

(1) If, at the adjudication hearing, the juvenile court finds, by clear and convincing evidence, that the allegations contained in the abuse, neglect, or dependency petition are true, the juvenile court shall conduct a dispositional hearing.

(2) (a) If, at the adjudication hearing, a child remains in an out-of-home placement, the juvenile court shall:

(i) make specific findings regarding the conditions of parent-time that are in the child's best interest; and

(ii) if parent-time is denied, state the facts that justify the denial.

(b) Parent-time shall be under the least restrictive conditions necessary to:

(i) protect the physical safety of the child; or

(ii) prevent the child from being traumatized by contact with the parent due to the child's fear of the parent in light of the nature of the alleged abuse or neglect.

(c) (i) The division or the person designated by the division or a court to supervise a parent-time session may deny parent-time for the session if the division or the supervising person determines that, based on the parent's condition, it is necessary to deny parent-time to:

(A) protect the physical safety of the child;

(B) protect the life of the child; or

(C) consistent with Subsection (2)(c)(ii), prevent the child from being traumatized by contact with the parent.

(ii) In determining whether the condition of the parent described in Subsection (2)(c)(i) will traumatize a child, the division or the person supervising the parent-time session shall consider the impact that the parent's condition will have on the child in light of:

(A) the child's fear of the parent; and

(B) the nature of the alleged abuse or neglect.

[~~(2)~~] (3) The dispositional hearing may be held on the same date as the adjudication hearing, but shall be held no later than 30 calendar days after the day on which the adjudication hearing is held.

[~~(3)~~] (4) At the adjudication hearing or the dispositional hearing, the juvenile court shall schedule dates and times for:

(a) the six-month periodic review; and

(b) the permanency hearing.

[~~(4)~~] (5) If an abuse, neglect, or dependency petition is filed under this chapter and a petition for termination of parental rights is filed under Section 80-4-201, before the day on which a dispositional hearing is held on the abuse, neglect, or dependency petition, a party may request a hearing on whether reunification services are appropriate in accordance with the factors described in Subsections 80-3-406(5) and (7).

Section 4. Section 80-3-405 is amended to read:

80-3-405. Dispositions after adjudication.

(1) (a) Upon adjudication under Subsection 80-3-402(1), the juvenile court may make the dispositions described in Subsection (2) at the dispositional hearing.

(2) (a) (i) The juvenile court may vest custody of an abused, neglected, or dependent minor in the division or any other appropriate person, with or without court-specified child welfare services, in accordance with the requirements and procedures of this chapter.

(ii) When placing a minor in the custody of the division or any other appropriate person, the juvenile court:

(A) shall give primary consideration to the welfare of the minor;

(B) shall give due consideration to the rights of the parent or parents concerning the minor; and

(C) when practicable, may take into consideration the religious preferences of the minor and of the minor's parents or guardian.

(b) (i) The juvenile court may appoint a guardian for the minor if it appears necessary in the interest of the minor.

(ii) A guardian appointed under Subsection (2)(b)(i) may be a public or private institution or agency, but not a nonsecure residential placement provider, in which legal custody of the minor is vested.

(iii) When placing a minor under the guardianship of an individual or of a private agency or institution, the juvenile court:

(A) shall give primary consideration to the welfare of the minor; and

(B) when practicable, may take into consideration the religious preferences of the minor and of the minor's parents or guardian.

(c) The juvenile court may order:

(i) protective supervision;

(ii) family preservation;

(iii) sibling visitation; or

(iv) other services.

(d) (i) If a minor has been placed with an individual or relative as a result of an adjudication under this chapter, the juvenile court may enter an order of permanent legal custody and guardianship with the individual or relative of the minor.

(ii) If a juvenile court enters an order of permanent custody and guardianship with an individual or relative of a minor under Subsection (2)(d)(i), the juvenile court may, in accordance with Section 78A-6-356, enter an order for child support on behalf of the minor against the natural parents of the minor.

(iii) An order under this Subsection (2)(d):

(A) shall remain in effect until the minor is 18 years old;

(B) is not subject to review under Section 78A-6-358; and

(C) may be modified by petition or motion as provided in Section 78A-6-357.

(e) The juvenile court may order a child be committed to the physical custody, as defined in Section 62A-15-701, of a local mental health authority, in accordance with the procedures and requirements of Title 62A, Chapter 15, Part 7, Commitment of Persons Under Age 18 to Division of Substance Abuse and Mental Health.

(f) (i) If the child has an intellectual disability, the juvenile court may make an order committing a minor to the Utah State Developmental Center in accordance with Title 62A, Chapter 5, Part 3, Admission to an Intermediate Care Facility for People with an Intellectual Disability.

(ii) The juvenile court shall follow the procedure applicable in the district court with respect to judicial commitments to the Utah State Developmental Center when ordering a commitment under Subsection (2)(f)(i).

(g) (i) Subject to Subsection 80-1-102(58)(b) and Section 80-3-304, the juvenile court may order that a minor:

(A) be examined or treated by a mental health therapist, as described in Section 80-3-109; or

(B) receive other special care.

(ii) For purposes of receiving the examination, treatment, or care described in Subsection (2)(g)(i), the juvenile court may place the minor in a hospital or other suitable facility that is not secure care or secure detention.

(iii) In determining whether to order the examination, treatment, or care described in Subsection (2)(g)(i), the juvenile court shall consider:

(A) the desires of the minor;

(B) the desires of the parent or guardian of the minor if the minor is younger than 18 years old; and

(C) whether the potential benefits of the examination, treatment, or care outweigh the potential risks and side-effects, including behavioral disturbances, suicidal ideation, brain function impairment, or emotional or physical harm resulting from the compulsory nature of the examination, treatment, or care.

(h) The juvenile court may make other reasonable orders for the best interest of the minor.

(3) (a) At the dispositional hearing described in Subsection 80-3-402(3), if a child remains in an out-of-home placement, the juvenile court shall:

(i) make specific findings regarding the conditions of parent-time that are in the child's best interest; and

(ii) if parent-time is denied, state the facts that justify the denial.

(b) Parent-time shall be under the least restrictive conditions necessary to:

(i) protect the physical safety of the child; or

(ii) prevent the child from being traumatized by contact with the parent due to the child's fear of the parent in light of the nature of the alleged abuse or neglect.

(c) (i) The division or the person designated by the division or a court to supervise a parent-time session may deny parent-time for the session if the division or the supervising person determines that, based on the parent's condition, it is necessary to deny parent-time to:

(A) protect the physical safety of the child;

(B) protect the life of the child; or

(C) consistent with Subsection (3)(c)(ii), prevent the child from being traumatized by contact with the parent.

(ii) In determining whether the condition of the parent described in Subsection (3)(c)(i) will traumatize a child, the division or the person supervising the parent-time session shall consider the impact that the parent's condition will have on the child in light of:

(A) the child's fear of the parent; and

(B) the nature of the alleged abuse or neglect.

[~~(3)~~] (4) Upon an adjudication under this chapter, the juvenile court may not:

(a) commit a minor solely on the ground of abuse, neglect, or dependency to the Division of Juvenile Justice Services;

(b) assume the function of developing foster home services; or

(c) vest legal custody of an abused, neglected, or dependent minor in the division to primarily address the minor's ungovernable or other behavior, mental health, or disability, unless the division:

(i) engages other relevant divisions within the department that are conducting an assessment of the minor and the minor's family's needs;

(ii) based on the assessment described in Subsection [~~(3)(c)(i)~~] (4)(c)(i), determines that vesting custody of the minor in the division is the least restrictive intervention for the minor that meets the minor's needs; and

(iii) consents to legal custody of the minor being vested in the division.

[~~(4)~~] (5) The juvenile court may combine the dispositions listed in Subsection (2) if combining the dispositions is permissible and the dispositions are compatible.

Section 5. Section 80-3-406 is amended to read:

80-3-406. Permanency plan -- Reunification services.

(1) If the juvenile court orders continued removal at the dispositional hearing under Section 80-3-402, and that the minor remain in the custody of the division, the juvenile court shall first:

(a) establish a primary permanency plan and a concurrent permanency plan for the minor in accordance with this section; and

(b) determine whether, in view of the primary permanency plan, reunification services are appropriate for the minor and the minor's family under Subsections (5) through (8).

(2) (a) The concurrent permanency plan shall include:

(i) a representative list of the conditions under which the primary permanency plan will be abandoned in favor of the concurrent permanency plan; and

(ii) an explanation of the effect of abandoning or modifying the primary permanency plan.

(b) In determining the primary permanency plan and concurrent permanency plan, the juvenile court shall consider:

(i) the preference for kinship placement over nonkinship placement, including the rebuttable presumption described in Subsection 80-3-302(7)(a);

(ii) the potential for a guardianship placement if parental rights are terminated and no appropriate adoption placement is available; and

(iii) the use of an individualized permanency plan, only as a last resort.

(3) (a) The juvenile court may amend a minor's primary permanency plan before the establishment of a final permanency plan under Section 80-3-409.

(b) The juvenile court is not limited to the terms of the concurrent permanency plan in the event that the primary permanency plan is abandoned.

(c) If, at any time, the juvenile court determines that reunification is no longer a minor's primary permanency plan, the juvenile court shall conduct a permanency hearing in accordance with Section 80-3-409 on or before the earlier of:

(i) 30 days after the day on which the juvenile court makes the determination described in this Subsection (3)(c); or

(ii) the day on which the provision of reunification services, described in Section 80-3-409, ends.

(4) (a) Because of the state's interest in and responsibility to protect and provide permanency for minors who are abused, neglected, or dependent, the Legislature finds that a parent's interest in receiving reunification services is limited.

(b) The juvenile court may determine that:

(i) efforts to reunify a minor with the minor's family are not reasonable or appropriate, based on the individual circumstances; and

(ii) reunification services should not be provided.

(c) In determining reasonable efforts to be made with respect to a minor, and in making reasonable efforts, the juvenile court and the division shall consider the minor's health, safety, and welfare as the paramount concern.

(5) There is a presumption that reunification services should not be provided to a parent if the juvenile court finds, by clear and convincing evidence, that any of the following circumstances exist:

(a) the whereabouts of the parents are unknown, based on a verified affidavit indicating that a reasonably diligent search has failed to locate the parent;

(b) subject to Subsection (6)(a), the parent is suffering from a mental illness of such magnitude that the mental illness renders the parent incapable of utilizing reunification services;

(c) the minor was previously adjudicated as an abused child due to physical abuse, sexual abuse, or sexual exploitation, and following the adjudication the child:

(i) was removed from the custody of the minor's parent;

(ii) was subsequently returned to the custody of the parent; and

(iii) is being removed due to additional physical abuse, sexual abuse, or sexual exploitation;

(d) the parent:

(i) caused the death of another minor through abuse or neglect;

(ii) committed, aided, abetted, attempted, conspired, or solicited to commit:

(A) murder or manslaughter of a minor; or

(B) child abuse homicide;

(iii) committed sexual abuse against the minor;

(iv) is a registered sex offender or required to register as a sex offender; or

(v) (A) intentionally, knowingly, or recklessly causes the death of another parent of the minor;

(B) is identified by a law enforcement agency as the primary suspect in an investigation for intentionally, knowingly, or recklessly causing the death of another parent of the minor; or

(C) is being prosecuted for or has been convicted of intentionally, knowingly, or recklessly causing the death of another parent of the minor;

(e) the minor suffered severe abuse by the parent or by any individual known by the parent if the parent knew or reasonably should have known that the individual was abusing the minor;

(f) the minor is adjudicated as an abused minor as a result of severe abuse by the parent, and the juvenile court finds that it would not benefit the minor to pursue reunification services with the offending parent;

(g) the parent's rights are terminated with regard to any other minor;

(h) the minor was removed from the minor's home on at least two previous occasions and reunification services were offered or provided to the family at those times;

(i) the parent has abandoned the minor for a period of six months or longer;

(j) the parent permitted the minor to reside, on a permanent or temporary basis, at a location where the parent knew or should have known that a clandestine laboratory operation was located;

(k) except as provided in Subsection (6)(b), with respect to a parent who is the minor's birth mother, the minor has fetal alcohol syndrome, fetal alcohol spectrum disorder, or was exposed to an illegal or prescription drug that was abused by the minor's mother while the minor was in utero, if the minor was taken into division custody for that reason, unless the mother agrees to enroll in, is currently enrolled in, or has recently and successfully completed a substance use disorder treatment program approved by the department; or

(l) any other circumstance that the juvenile court determines should preclude reunification efforts or services.

(6) (a) The juvenile court shall base the finding under Subsection (5)(b) on competent evidence from at least two medical or mental health professionals, who are not associates, establishing that, even with the provision of services, the parent is not likely to be capable of adequately caring for the minor within 12 months after the day on which the juvenile court finding is made.

(b) The juvenile court may disregard the provisions of Subsection (5)(k) if the juvenile court finds, under the circumstances of the case, that the substance use disorder treatment described in Subsection (5)(k) is not warranted.

(7) In determining whether reunification services are appropriate, the juvenile court shall take into consideration:

(a) failure of the parent to respond to previous services or comply with a previous child and family plan;

(b) the fact that the minor was abused while the parent was under the influence of drugs or alcohol;

(c) any history of violent behavior directed at the minor or an immediate family member;

(d) whether a parent continues to live with an individual who abused the minor;

(e) any patterns of the parent's behavior that have exposed the minor to repeated abuse;

(f) testimony by a competent professional that the parent's behavior is unlikely to be successful; and

(g) whether the parent has expressed an interest in reunification with the minor.

(8) If, under Subsections (5)(b) through (l), the juvenile court does not order reunification services, a permanency hearing shall be conducted within 30 days in accordance with Section 80-3-409.

(9) (a) Subject to Subsections (9)(b) [~~and (c)~~] through (e), if the juvenile court determines that reunification services are appropriate for the minor and the minor's family, the juvenile court shall provide for reasonable parent-time with the parent or parents from whose custody the minor was removed, unless parent-time is not in the best interest of the minor.

(b) Parent-time is in the best interests of a minor unless the juvenile court makes a finding that it is necessary to deny parent-time in order to:

(i) protect the physical safety of the minor;

(ii) protect the life of the minor; or

(iii) prevent the minor from being traumatized by contact with the parent due to the minor's fear of the parent in light of the nature of the alleged abuse or neglect.

(c) Notwithstanding Subsection (9)(a), a juvenile court may not deny parent-time based solely on a parent's failure to:

(i) prove that the parent has not used legal or illegal substances; or

(ii) comply with an aspect of the child and family plan that is ordered by the juvenile court.

(d) Parent-time shall be under the least restrictive conditions necessary to:

(i) protect the physical safety of the child; or

(ii) prevent the child from being traumatized by contact with the parent due to the minor's fear of the parent in light of the nature of the alleged abuse or neglect.

(e) (i) The division or the person designated by the division or a court to supervise a parent-time session may deny parent-time for the session if the division or the supervising person determines that, based on the parent's condition, it is necessary to deny parent-time to:

(A) protect the physical safety of the child;

(B) protect the life of the child; or

(C) consistent with Subsection (9)(e)(ii), prevent the child from being traumatized by contact with the parent.

(ii) In determining whether the condition of the parent described in Subsection (9)(e)(i) will traumatize a child, the division or the person supervising the parent-time session shall consider the impact that the parent's condition will have on the child in light of:

(A) the child's fear of the parent; and

(B) the nature of the alleged abuse or neglect.

(10) (a) If the juvenile court determines that reunification services are appropriate, the juvenile court shall order that the division make reasonable efforts to provide services to the minor and the minor's parent for the purpose of facilitating reunification of the family, for a specified period of time.

(b) In providing the services described in Subsection (10)(a), the juvenile court and the division shall consider the minor's health, safety, and welfare as the paramount concern.

(11) In cases where sexual abuse, sexual exploitation, abandonment, severe abuse, or severe neglect are involved:

(a) the juvenile court does not have any duty to order reunification services; and

(b) the division does not have a duty to make reasonable efforts to or in any other way attempt to provide reunification services or attempt to rehabilitate the offending parent or parents.

(12) (a) The juvenile court shall:

(i) determine whether the services offered or provided by the division under the child and family plan constitute reasonable efforts on the part of the division;

(ii) determine and define the responsibilities of the parent under the child and family plan in accordance with Subsection 80-3-307(5)(g)(iii); and

(iii) identify verbally on the record, or in a written document provided to the parties, the responsibilities described in Subsection (12)(a)(ii), for the purpose of assisting in any future determination regarding the provision of reasonable efforts, in accordance with state and federal law.

(b) If the parent is in a substance use disorder treatment program, other than a certified drug court program, the juvenile court may order the parent:

(i) to submit to supplementary drug or alcohol testing, in accordance with Subsection 80-3-110(6), in addition to the testing recommended by the parent's substance use disorder program based on a finding of reasonable suspicion that the parent is abusing drugs or alcohol; and

(ii) to provide the results of drug or alcohol testing recommended by the substance use disorder program to the juvenile court or division.

(13) (a) The time period for reunification services may not exceed 12 months from the day on which the minor was initially removed from the minor's home, unless the time period is extended under Subsection 80-3-409(7).

(b) This section does not entitle any parent to an entire 12 months of reunification services.

(14) (a) If reunification services are ordered, the juvenile court may terminate those services at any time.

(b) If, at any time, continuation of reasonable efforts to reunify a minor is determined to be inconsistent with the final permanency plan for the minor established under Section 80-3-409, then measures shall be taken, in a timely manner, to:

(i) place the minor in accordance with the final permanency plan; and

(ii) complete whatever steps are necessary to finalize the permanent placement of the minor.

(15) Any physical custody of the minor by the parent or a relative during the period described in Subsections (10) through (14) does not interrupt the running of the period.

(16) (a) If reunification services are ordered, the juvenile court shall conduct a permanency hearing in accordance with Section 80-3-409 before the day on which the time period for reunification services expires.

(b) The permanency hearing shall be held no later than 12 months after the original removal of the minor.

(c) If reunification services are not ordered, a permanency hearing shall be conducted within 30 days in accordance with Section 80-3-409.

(17) With regard to a minor in the custody of the division whose parent or parents are ordered to receive reunification services but who have abandoned that minor for a period of six months from the day on which reunification services are ordered:

(a) the juvenile court shall terminate reunification services; and

(b) the division shall petition the juvenile court for termination of parental rights.

(18) When a minor is under the custody of the division and has been separated from a sibling due to foster care or adoptive placement, a juvenile court may order sibling visitation, subject to the division obtaining consent from the sibling's guardian, according to the juvenile court's determination of the best interests of the minor for whom the hearing is held.

(19) (a) If reunification services are not ordered under this section, and the whereabouts of a parent becomes known within six months after the day on which the out-of-home placement of the minor is made, the juvenile court may order the division to provide reunification services.

(b) The time limits described in this section are not tolled by the parent's absence.

(20) (a) If a parent is incarcerated or institutionalized, the juvenile court shall order reasonable services unless the juvenile court determines that those services would be detrimental to the minor.

(b) In making the determination described in Subsection (20)(a), the juvenile court shall consider:

(i) the age of the minor;

(ii) the degree of parent-child bonding;

(iii) the length of the sentence;

(iv) the nature of the treatment;

(v) the nature of the crime or illness;

(vi) the degree of detriment to the minor if services are not offered;

(vii) for a minor who is 10 years old or older, the minor's attitude toward the implementation of family reunification services; and

(viii) any other appropriate factors.

(c) Reunification services for an incarcerated parent are subject to the time limitations imposed in this section.

(d) Reunification services for an institutionalized parent are subject to the time limitations imposed in this section, unless the juvenile court determines that continued reunification services would be in the minor's best interest.

Section 6. Section 80-3-407 is amended to read:

80-3-407. Six-month review hearing -- Findings regarding reasonable efforts by division -- Findings regarding child and family plan compliance.

(1) If reunification efforts have been ordered by the juvenile court under Section 80-3-406, the juvenile court shall hold a hearing no more than six months after the day on which the minor is initially removed from the minor's home, in order for the juvenile court to determine whether:

[~~(1)~~] (a) the division has provided and is providing reasonable efforts to reunify the family in accordance with the child and family plan;

[~~(2)~~] (b) the parent has fulfilled or is fulfilling identified duties and responsibilities in order to comply with the requirements of the child and family plan; and

[~~(3)~~] (c) the division considered the preferential consideration and rebuttable presumption described in Subsections 80-3-302(7)(a) and 80-3-303(2)(c).

(2) (a) At the hearing described in Subsection (1), if a child remains in an out-of-home placement, the juvenile court shall:

(i) make specific findings regarding the conditions of parent-time that are in the child's best interest; and

(ii) if parent-time is denied, state the facts that justify the denial.

(b) Parent-time shall be under the least restrictive conditions necessary to:

(i) protect the physical safety of the child; or

(ii) prevent the child from being traumatized by contact with the parent due to the child's fear of the parent in light of the nature of the alleged abuse or neglect.

(c) (i) The division or the person designated by the division or a court to supervise a parent-time session may deny parent-time for the session if the division or the supervising person determines that, based on the parent's condition, it is necessary to deny parent-time to:

(A) protect the physical safety of the child;

(B) protect the life of the child; or

(C) consistent with Subsection (2)(c)(ii), prevent the child from being traumatized by contact with the parent.

(ii) In determining whether the condition of the parent described in Subsection (2)(c)(i) will traumatize a child, the division or the person supervising the parent-time session shall consider the impact that the parent's condition will have on the child in light of:

(A) the child's fear of the parent; and

(B) the nature of the alleged abuse or neglect.

Section 7. Section 80-3-409 is amended to read:

80-3-409. Permanency hearing -- Final plan -- Petition for termination of parental rights filed -- Hearing on termination of parental rights.

(1) (a) If reunification services are ordered under Section 80-3-406, with regard to a minor who is in the custody of the division, the juvenile court shall hold a permanency hearing no later than 12 months after the day on which the minor is initially removed from the minor's home.

(b) If reunification services are not ordered at the dispositional hearing, the juvenile court shall hold a permanency hearing within 30 days after the day on which the dispositional hearing ends.

(2) (a) If reunification services are ordered in accordance with Section 80-3-406, the juvenile court shall, at the permanency hearing, determine, consistent with Subsection (3), whether the minor may safely be returned to the custody of the minor's parent.

(b) If the juvenile court finds, by a preponderance of the evidence, that return of the minor to the minor's parent would create a substantial risk of detriment to the minor's physical or emotional well-being, the minor may not be returned to the custody of the minor's parent.

(c) Prima facie evidence that return of the minor to a parent or guardian would create a substantial risk of detriment to the minor is established if:

(i) the parent or guardian fails to:

(A) participate in a court approved child and family plan;

(B) comply with a court approved child and family plan in whole or in part; or

(C) meet the goals of a court approved child and family plan; or

(ii) the minor's natural parent:

(A) intentionally, knowingly, or recklessly causes the death of another parent of the minor;

(B) is identified by a law enforcement agency as the primary suspect in an investigation for intentionally, knowingly, or recklessly causing the death of another parent of the minor; or

(C) is being prosecuted for or has been convicted of intentionally, knowingly, or recklessly causing the death of another parent of the minor.

(3) In making a determination under Subsection (2)(a), the juvenile court shall:

(a) review and consider:

(i) the report prepared by the division;

(ii) in accordance with the Utah Rules of Evidence, any admissible evidence offered by the minor's attorney guardian ad litem;

(iii) any report submitted by the division under Subsection 80-3-408(3)(a)(i);

(iv) any evidence regarding the efforts or progress demonstrated by the parent; and

(v) the extent to which the parent cooperated and used the services provided; and

(b) attempt to keep the minor's sibling group together if keeping the sibling group together is:

(i) practicable; and

(ii) in accordance with the best interest of the minor.

(4) With regard to a case where reunification services are ordered by the juvenile court, if a minor is not returned to the minor's parent or guardian at the permanency hearing, the juvenile court shall, unless the time for the provision of reunification services is extended under Subsection (7):

(a) order termination of reunification services to the parent;

(b) make a final determination regarding whether termination of parental rights, adoption, or permanent custody and guardianship is the most appropriate final plan for the minor, taking into account the minor's primary permanency plan established by the juvenile court under Section 80-3-406; and

(c) in accordance with Subsection 80-3-406(2), establish a concurrent permanency plan that identifies the second most appropriate final plan for the minor, if appropriate.

(5) The juvenile court may order another planned permanent living arrangement other than reunification for a minor who is 16 years old or older upon entering the following findings:

(a) the division has documented intensive, ongoing, and unsuccessful efforts to reunify the minor with the minor's parent or parents, or to secure a placement for the minor with a guardian, an adoptive parent, or an individual described in Subsection 80-3-301(6)(e);

(b) the division has demonstrated that the division has made efforts to normalize the life of the minor while in the division's custody, in accordance with Section 80-2-308;

(c) the minor prefers another planned permanent living arrangement; and

(d) there is a compelling reason why reunification or a placement described in Subsection (5)(a) is not in the minor's best interest.

(6) Except as provided in Subsection (7), the juvenile court may not extend reunification services beyond 12 months after the day on which the minor is initially removed from the minor's home, in accordance with the provisions of Section 80-3-406.

(7) (a) Subject to Subsection (7)(b), the juvenile court may extend reunification services for no more than 90 days if the juvenile court finds, beyond a preponderance of the evidence, that:

(i) there has been substantial compliance with the child and family plan;

(ii) reunification is probable within that 90-day period; and

(iii) the extension is in the best interest of the minor.

(b) (i) Except as provided in Subsection (7)(c), the juvenile court may not extend any reunification services beyond 15 months after the day on which the minor is initially removed from the minor's home.

(ii) Delay or failure of a parent to establish paternity or seek custody does not provide a basis for the juvenile court to extend services for the parent beyond the 12-month period described in Subsection (6).

(c) In accordance with Subsection (7)(d), the juvenile court may extend reunification services for one additional 90-day period, beyond the 90-day period described in Subsection (7)(a), if:

(i) the juvenile court finds, by clear and convincing evidence, that:

(A) the parent has substantially complied with the child and family plan;

(B) it is likely that reunification will occur within the additional 90-day period; and

(C) the extension is in the best interest of the minor;

(ii) the juvenile court specifies the facts upon which the findings described in Subsection (7)(c)(i) are based; and

(iii) the juvenile court specifies the time period in which it is likely that reunification will occur.

(d) A juvenile court may not extend the time period for reunification services without complying with the requirements of this Subsection (7) before the extension.

(e) In determining whether to extend reunification services for a minor, a juvenile court shall take into consideration the status of the minor siblings of the minor.

(8) (a) At the permanency hearing, if a child remains in an out-of-home placement, the juvenile court shall:

(i) make specific findings regarding the conditions of parent-time that are in the child's best interest; and

(ii) if parent-time is denied, state the facts that justify the denial.

(b) Parent-time shall be under the least restrictive conditions necessary to:

(i) protect the physical safety of the child; or

(ii) prevent the child from being traumatized by contact with the parent due to the child's fear of the parent in light of the nature of the alleged abuse or neglect.

(c) (i) The division or the person designated by the division or a court to supervise a parent-time session may deny parent-time for the session if the division or the supervising person determines that, based on the parent's condition, it is necessary to deny parent-time to:

(A) protect the physical safety of the child;

(B) protect the life of the child; or

(C) consistent with Subsection (8)(c)(ii), prevent the child from being traumatized by contact with the parent.

(ii) In determining whether the condition of the parent described in Subsection (8)(c)(i) will traumatize a child, the division or the person supervising the parent-time session shall consider the impact that the parent's condition will have on the child in light of:

(A) the child's fear of the parent; and

(B) the nature of the alleged abuse or neglect.

(9) The juvenile court may, in the juvenile court's discretion:

[~~(10)~~] (11) (a) Any party to an action may, at any time, petition the juvenile court for an expedited permanency hearing on the basis that continuation of reunification efforts are inconsistent with the permanency needs of the minor.

(b) If the juvenile court so determines, the juvenile court shall order, in accordance with federal law, that:

(i) the minor be placed in accordance with the permanency plan; and

(ii) whatever steps are necessary to finalize the permanent placement of the minor be completed as quickly as possible.

[~~(11)~~] (12) Nothing in this section may be construed to:

[~~(12)~~] (13) (a) Subject to Subsection [~~(12)(b)~~] (13)(b), if a petition for termination of parental rights is filed before the date scheduled for a permanency hearing, the juvenile court may consolidate the hearing on termination of parental rights with the permanency hearing.

(b) For purposes of Subsection [~~(12)(a)~~] (13)(a), if the juvenile court consolidates the hearing on termination of parental rights with the permanency hearing:

(i) the juvenile court shall first make a finding regarding whether reasonable efforts have been made by the division to finalize the permanency plan for the minor; and

(ii) any reunification services shall be terminated in accordance with the time lines described in Section 80-3-406.

(c) The juvenile court shall make a decision on a petition for termination of parental rights within 18 months after the day on which the minor is initially removed from the minor's home.

[~~(13)~~] (14) (a) If a juvenile court determines that a minor will not be returned to a parent of the minor, the juvenile court shall consider appropriate placement options inside and outside of the state.

(b) In considering appropriate placement options under Subsection [~~(13)(a)~~] (14)(a), the juvenile court shall provide preferential consideration to a relative's request for placement of the minor.

[~~(14)~~] (15) (a) In accordance with Section 80-3-108, if a minor 14 years old or older desires an opportunity to address the juvenile court or testify regarding permanency or placement, the juvenile court shall give the minor's wishes added weight, but may not treat the minor's wishes as the single controlling factor under this section.

(b) If the juvenile court's decision under this section differs from a minor's express wishes if the minor is of sufficient maturity to articulate the wishes in relation to permanency or the minor's placement, the juvenile court shall make findings explaining why the juvenile court's decision differs from the minor's wishes.

If one spouse's earning capacity has been greatly enhanced through the efforts of both spouses during the marriage, the court may make a compensating adjustment in dividing the marital property and awarding alimony.

(11) (a) The court has continuing jurisdiction to make substantive changes and new orders regarding alimony based on a substantial material change in circumstances not expressly stated in the divorce decree or in the findings that the court entered at the time of the divorce decree.

(b) A party's retirement is a substantial material change in circumstances that is subject to a petition to modify alimony, unless the divorce decree, or the findings that the court entered at the time of the divorce decree, expressly states otherwise.

(c) The court may not modify alimony or issue a new order for alimony to address needs of the recipient that did not exist at the time the decree was entered, unless the court finds extenuating circumstances that justify that action.

(e) (i) Except as provided in Subsection (11)(e)(iii), the court may not order alimony for a period of time longer than the length of the marriage.

(ii) If a party is ordered to pay temporary alimony during the pendency of the divorce action, the period of time that the party pays temporary alimony shall be counted towards the period of time for which the party is ordered to pay alimony.

(iii) At any time before the termination of alimony, the court may find extenuating circumstances or good cause that justify the payment of alimony for a longer period of time than the length of the marriage.

(12) (a) Except as provided in Subsection (12)(b), unless a decree of divorce specifically provides otherwise, any order of the court that a party pay alimony to a former spouse automatically terminates upon the remarriage or death of that former spouse.

(b) shall terminate any order that the party pay temporary alimony to the current spouse.

(14) (a) Subject to Subsection (14)(b), the court shall terminate an order that a party pay alimony to a former spouse if the party establishes that, after the order for alimony is issued, the former spouse cohabits with another individual even if the former spouse is not cohabiting with the individual when the party paying alimony files the motion to terminate alimony.

(b) A party paying alimony to a former spouse may not seek termination of alimony under Subsection (14)(a), later than one year from the day on which the party knew or should have known that the former spouse has cohabited with another individual.

(2) (a) A decree of divorce rendered in accordance with Section 30-3-5, an order for medical expenses rendered in accordance with Section 78B-12-212, and an administrative order under Section [~~62A-11-326~~] 26B-9-224 shall, in accordance with Subsection (2)(b)(ii), designate which parent's health, hospital, or dental insurance plan is primary coverage and which parent's health, hospital, or dental insurance plan is secondary coverage for a dependent child.

(b) The provisions of the court order required by Subsection (2)(a) shall:

(i) take effect if at any time a dependent child is covered by both parents' health, hospital, or dental insurance plans; and

(ii) include the following language:

If a parent remarries and his or her dependent child is not covered by that parent's health, hospital, or dental insurance plan but is covered by a step-parent's plan, the health, hospital, or dental insurance plan of the step-parent shall be treated as if it is the plan of the remarried parent and shall retain the same designation as the primary or secondary plan of the dependent child."

(c) A decree of divorce or related court order may not modify the language required by Subsection (2)(b)(ii).

(d) Notwithstanding Subsection (2)(c), a court may allocate the payment of medical expenses including co-payments, deductibles, and co-insurance not covered by health insurance between the parents in accordance with Subsections 30-3-5(3)(a) and 78B-12-212(7).

(3) In designating primary coverage pursuant to Subsection (2), a court may take into account:

(a) the birth dates of the parents;

(b) a requirement in a court order, if any, for one of the parents to maintain health insurance coverage for a dependent child;

(d) any other factor the court considers relevant.

30-3-10. Custody of a child -- Custody factors.

(1) If a married couple having one or more minor children are separated, or the married couple's marriage is declared void or dissolved, the court shall enter, and has continuing jurisdiction to modify, an order of custody and parent-time.

(2) In determining any form of custody and parent-time under Subsection (1), the court shall consider the best interest of the child and may

consider among other factors the court finds relevant, the following for each parent:

(a) evidence of domestic violence, neglect, physical abuse, sexual abuse, or emotional abuse, involving the child, the parent, or a household member of the parent;

(b) the parent's demonstrated understanding of, responsiveness to, and ability to meet the developmental needs of the child, including the child's:

(i) physical needs;

(ii) emotional needs;

(iii) educational needs;

(iv) medical needs; and

(v) any special needs;

(c) the parent's capacity and willingness to function as a parent, including:

(i) parenting skills;

(ii) co-parenting skills, including:

(A) ability to appropriately communicate with the other parent;

(B) ability to encourage the sharing of love and affection; and

(C) willingness to allow frequent and continuous contact between the child and the other parent, except that, if the court determines that the parent is acting to protect the child from domestic violence, neglect, or abuse, the parent's protective actions may be taken into consideration; and

(iii) ability to provide personal care rather than surrogate care;

(d) in accordance with Subsection (10), the past conduct and demonstrated moral character of the parent;

(e) the emotional stability of the parent;

(f) the parent's inability to function as a parent because of drug abuse, excessive drinking, or other causes;

(g) whether the parent has intentionally exposed the child to pornography or material harmful to minors, as "material" and "harmful to minors" are defined in Section 76-10-1201;

(h) the parent's reasons for having relinquished custody or parent-time in the past;

(i) duration and depth of desire for custody or parent-time;

(j) the parent's religious compatibility with the child;

(k) the parent's financial responsibility;

(l) the child's interaction and relationship with step-parents, extended family members of other individuals who may significantly affect the child's best interests;

(m) who has been the primary caretaker of the child;

(n) previous parenting arrangements in which the child has been happy and well-adjusted in the home, school, and community;

(o) the relative benefit of keeping siblings together;

(p) the stated wishes and concerns of the child, taking into consideration the child's cognitive ability and emotional maturity;

(q) the relative strength of the child's bond with the parent, meaning the depth, quality, and nature of the relationship between the parent and the child; and

(r) any other factor the court finds relevant.

(3) There is a rebuttable presumption that joint legal custody, as defined in Section 30-3-10.1, is in the best interest of the child, except in cases when there is:

(a) evidence of domestic violence, neglect, physical abuse, sexual abuse, or emotional abuse involving the child, a parent, or a household member of the parent;

(b) special physical or mental needs of a parent or child, making joint legal custody unreasonable;

(c) physical distance between the residences of the parents, making joint decision making impractical in certain circumstances; or

(d) any other factor the court considers relevant including those listed in this section and Section 30-3-10.2.

(4) (a) The person who desires joint legal custody shall file a proposed parenting plan in accordance with Sections 30-3-10.8 and 30-3-10.9.

(b) A presumption for joint legal custody may be rebutted by a showing by a preponderance of the evidence that it is not in the best interest of the child.

(5) (a) A child may not be required by either party to testify unless the trier of fact determines that extenuating circumstances exist that would necessitate the testimony of the child be heard and there is no other reasonable method to present the child's testimony.

(b) (i) The court may inquire of the child's and take into consideration the child's desires regarding future custody or parent-time schedules, but the expressed desires are not controlling and the court may determine the child's custody or parent-time otherwise.

(ii) The desires of a child 14 years [~~of age~~] old or older shall be given added weight, but is not the single controlling factor.

(c) (i) If an interview with a child is conducted by the court pursuant to Subsection (5)(b), the interview shall be conducted by the judge in camera.

(ii) The prior consent of the parties may be obtained but is not necessary if the court finds that

an interview with a child is the only method to ascertain the child's desires regarding custody.

(6) (a) Except as provided in Subsection (6)(b), a court may not discriminate against a parent due to a disability, as defined in Section 57-21-2, in awarding custody or determining whether a substantial change has occurred for the purpose of modifying an award of custody.

(b) The court may not consider the disability of a parent as a factor in awarding custody or modifying an award of custody based on a determination of a substantial change in circumstances, unless the court makes specific findings that:

(i) the disability significantly or substantially inhibits the parent's ability to provide for the physical and emotional needs of the child at issue; and

(ii) the parent with a disability lacks sufficient human, monetary, or other resources available to supplement the parent's ability to provide for the physical and emotional needs of the child at issue.

(c) Nothing in this section may be construed to apply to adoption proceedings under Title 78B, Chapter 6, Part 1, Utah Adoption Act.

(7) This section does not establish a preference for either parent solely because of the gender of the parent.

(8) This section establishes neither a preference nor a presumption for or against joint physical custody or sole physical custody, but allows the court and the family the widest discretion to choose a parenting plan that is in the best interest of the child.

(9) When an issue before the court involves custodial responsibility in the event of a deployment of one or both parents who are servicemembers, and the servicemember has not yet been notified of deployment, the court shall resolve the issue based on the standards in Sections 78B-20-306 through 78B-20-309.

(10) In considering the past conduct and demonstrated moral standards of each party under Subsection (2)(d) or any other factor a court finds relevant, the court may not:

(a) consider or treat a parent's lawful possession or use of cannabis in a medicinal dosage form, a cannabis product in a medicinal dosage form, or a medical cannabis device, in accordance with Title 4, Chapter 41a, Cannabis Production Establishments, [~~Title 26, Chapter 61a, Utah Medical Cannabis Act~~] Title 26B, Chapter 4, Part 2, Cannabinoid Research and Medical Cannabis, or Subsection 58-37-3.7(2) or (3) any differently than the court would consider or treat the lawful possession or use of any prescribed controlled substance; or

(3) For purposes other than those specified in Subsections (1) and (2), support shall be payable 1/2 by the 5th day of each month and 1/2 by the 20th day of that month, unless the order or decree provides for a different time for payment.

Section 96. Section 31A-22-305 is amended to read:

31A-22-305. Uninsured motorist coverage.

(1) As used in this section, "covered persons" includes:

(a) the named insured;

(b) for a claim arising on or after May 13, 2014, the named insured's dependent minor children;

(c) persons related to the named insured by blood, marriage, adoption, or guardianship, who are residents of the named insured's household, including those who usually make their home in the same household but temporarily live elsewhere;

(d) any person occupying or using a motor vehicle:

(i) referred to in the policy; or

(ii) owned by a self-insured; and

(e) any person who is entitled to recover damages against the owner or operator of the uninsured or underinsured motor vehicle because of bodily injury to or death of persons under Subsection (1)(a), (b), (c), or (d).

(2) As used in this section, "uninsured motor vehicle" includes:

(a) (i) a motor vehicle, the operation, maintenance, or use of which is not covered under a liability policy at the time of an injury-causing occurrence; or

(ii) (A) a motor vehicle covered with lower liability limits than required by Section 31A-22-304; and

(B) the motor vehicle described in Subsection (2)(a)(ii)(A) is uninsured to the extent of the deficiency;

(b) an unidentified motor vehicle that left the scene of an accident proximately caused by the motor vehicle operator;

(c) a motor vehicle covered by a liability policy, but coverage for an accident is disputed by the liability insurer for more than 60 days or continues to be disputed for more than 60 days; or

(d) (i) an insured motor vehicle if, before or after the accident, the liability insurer of the motor vehicle is declared insolvent by a court of competent jurisdiction; and

(ii) the motor vehicle described in Subsection (2)(d)(i) is uninsured only to the extent that the claim against the insolvent insurer is not paid by a guaranty association or fund.

(3) Uninsured motorist coverage under Subsection 31A-22-302(1)(b) provides coverage for covered persons who are legally entitled to recover damages from owners or operators of uninsured motor vehicles because of bodily injury, sickness, disease, or death.

(4) (a) For new policies written on or after January 1, 2001, the limits of uninsured motorist coverage shall be equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy, unless a named insured rejects or purchases coverage in a lesser amount by signing an acknowledgment form that:

(i) is filed with the department;

(ii) is provided by the insurer;

(iii) waives the higher coverage;

(iv) need only state in this or similar language that uninsured motorist coverage provides benefits or protection to you and other covered persons for bodily injury resulting from an accident caused by the fault of another party where the other party has no liability insurance; and

(v) discloses the additional premiums required to purchase uninsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(b) Any selection or rejection under this Subsection (4) continues for that issuer of the liability coverage until the insured requests, in writing, a change of uninsured motorist coverage from that liability insurer.

(c) (i) Subsections (4)(a) and (b) apply retroactively to any claim arising on or after January 1, 2001, for which, as of May 14, 2013, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsections (4)(a) and (b) clarifies legislative intent and does not enlarge, eliminate, or destroy vested rights.

(d) For purposes of this Subsection (4), "new policy" means:

(i) any policy that is issued which does not include a renewal or reinstatement of an existing policy; or

(ii) a change to an existing policy that results in:

(A) a named insured being added to or deleted from the policy; or

(B) a change in the limits of the named insured's motor vehicle liability coverage.

(e) (i) As used in this Subsection (4)(e), "additional motor vehicle" means a change that increases the total number of vehicles insured by the policy, and does not include replacement, substitute, or temporary vehicles.

(ii) The adding of an additional motor vehicle to an existing personal lines or commercial lines policy does not constitute a new policy for purposes of Subsection (4)(d).

(iii) If an additional motor vehicle is added to a personal lines policy where uninsured motorist coverage has been rejected, or where uninsured motorist limits are lower than the named insured's motor vehicle liability limits, the insurer shall provide a notice to a named insured within 30 days that:

(A) in the same manner as described in Subsection (4)(a)(iv), explains the purpose of uninsured motorist coverage; and

(B) encourages the named insured to contact the insurance company or insurance producer for quotes as to the additional premiums required to purchase uninsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(f) A change in policy number resulting from any policy change not identified under Subsection (4)(d)(ii) does not constitute a new policy.

(g) (i) Subsection (4)(d) applies retroactively to any claim arising on or after January 1, 2001, for which, as of May 1, 2012, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsection (4):

(A) does not enlarge, eliminate, or destroy vested rights; and

(B) clarifies legislative intent.

(h) A self-insured, including a governmental entity, may elect to provide uninsured motorist coverage in an amount that is less than its maximum self-insured retention under Subsections (4)(a) and (5)(a) by issuing a declaratory memorandum or policy statement from the chief financial officer or chief risk officer that declares the:

(i) self-insured entity's coverage level; and

(ii) process for filing an uninsured motorist claim.

(i) Uninsured motorist coverage may not be sold with limits that are less than the minimum bodily injury limits for motor vehicle liability policies under Section 31A-22-304.

(j) The acknowledgment under Subsection (4)(a) continues for that issuer of the uninsured motorist coverage until the named insured requests, in writing, different uninsured motorist coverage from the insurer.

(k) (i) In conjunction with the first two renewal notices sent after January 1, 2001, for policies existing on that date, the insurer shall disclose in the same medium as the premium renewal notice, an explanation of:

(A) the purpose of uninsured motorist coverage in the same manner as described in Subsection (4)(a)(iv); and

(B) a disclosure of the additional premiums required to purchase uninsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(ii) The disclosure required under Subsection (4)(k)(i) shall be sent to all named insureds that carry uninsured motorist coverage limits in an amount less than the named insured's motor vehicle liability policy limits or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(l) For purposes of this Subsection (4), a notice or disclosure sent to a named insured in a household constitutes notice or disclosure to all insureds within the household.

(5) (a) (i) Except as provided in Subsection (5)(b), the named insured may reject uninsured motorist coverage by an express writing to the insurer that provides liability coverage under Subsection 31A-22-302(1)(a).

(ii) This rejection shall be on a form provided by the insurer that includes a reasonable explanation of the purpose of uninsured motorist coverage.

(iii) This rejection continues for that issuer of the liability coverage until the insured in writing requests uninsured motorist coverage from that liability insurer.

(b) (i) All persons, including governmental entities, that are engaged in the business of, or that accept payment for, transporting natural persons by motor vehicle, and all school districts that provide transportation services for their students, shall provide coverage for all motor vehicles used for that purpose, by purchase of a policy of insurance or by self-insurance, uninsured motorist coverage of at least $25,000 per person and $500,000 per accident.

(ii) This coverage is secondary to any other insurance covering an injured covered person.

(c) Uninsured motorist coverage:

(i) does not cover any benefit paid or payable under Title 34A, Chapter 2, Workers' Compensation Act, except that the covered person is credited an amount described in Subsection 34A-2-106(5);

(ii) may not be subrogated by the workers' compensation insurance carrier, workers' compensation insurance, uninsured employer, the Uninsured Employers Fund created in Section 34A-2-704, or the Employers' Reinsurance Fund created in Section 34A-2-702;

(iii) may not be reduced by any benefits provided by workers' compensation insurance, uninsured employer, the Uninsured Employers Fund created in Section 34A-2-704, or the Employers' Reinsurance Fund created in Section 34A-2-702;

(iv) may be reduced by health insurance subrogation only after the covered person has been made whole;

(v) may not be collected for bodily injury or death sustained by a person:

(A) while committing a violation of Section 41-1a-1314;

(B) who, as a passenger in a vehicle, has knowledge that the vehicle is being operated in violation of Section 41-1a-1314; or

(C) while committing a felony; and

(vi) notwithstanding Subsection (5)(c)(v), may be recovered:

(A) for a person under 18 years old who is injured within the scope of Subsection (5)(c)(v) but limited to medical and funeral expenses; or

(B) by a law enforcement officer as defined in Section 53-13-103, who is injured within the course and scope of the law enforcement officer's duties.

(d) As used in this Subsection (5), "motor vehicle" has the same meaning as under Section 41-1a-102.

(6) When a covered person alleges that an uninsured motor vehicle under Subsection (2)(b) proximately caused an accident without touching the covered person or the motor vehicle occupied by the covered person, the covered person shall show the existence of the uninsured motor vehicle by clear and convincing evidence consisting of more than the covered person's testimony.

(7) (a) The limit of liability for uninsured motorist coverage for two or more motor vehicles may not be added together, combined, or stacked to determine the limit of insurance coverage available to an injured person for any one accident.

(b) (i) Subsection (7)(a) applies to all persons except a covered person as defined under Subsection (8)(b).

(ii) A covered person as defined under Subsection (8)(b)(ii) is entitled to the highest limits of uninsured motorist coverage afforded for any one motor vehicle that the covered person is the named insured or an insured family member.

(iii) This coverage shall be in addition to the coverage on the motor vehicle the covered person is occupying.

(iv) Neither the primary nor the secondary coverage may be set off against the other.

(c) Coverage on a motor vehicle occupied at the time of an accident shall be primary coverage, and the coverage elected by a person described under Subsections (1)(a), (b), and (c) shall be secondary coverage.

(8) (a) Uninsured motorist coverage under this section applies to bodily injury, sickness, disease, or death of covered persons while occupying or using a motor vehicle only if the motor vehicle is described in the policy under which a claim is made, or if the motor vehicle is a newly acquired or replacement motor vehicle covered under the terms of the policy. Except as provided in Subsection (7) or this Subsection (8), a covered person injured in a motor vehicle described in a policy that includes uninsured motorist benefits may not elect to collect uninsured motorist coverage benefits from any other motor vehicle insurance policy under which the person is a covered person.

(b) Each of the following persons may also recover uninsured motorist benefits under any one other policy in which they are described as a "covered person" as defined in Subsection (1):

(i) a covered person injured as a pedestrian by an uninsured motor vehicle; and

(ii) except as provided in Subsection (8)(c), a covered person injured while occupying or using a motor vehicle that is not owned, leased, or furnished:

(A) to the covered person;

(B) to the covered person's spouse; or

(C) to the covered person's resident parent or resident sibling.

(c) (i) A covered person may recover benefits from no more than two additional policies, one additional policy from each parent's household if the covered person is:

(A) a dependent minor of parents who reside in separate households; and

(B) injured while occupying or using a motor vehicle that is not owned, leased, or furnished:

(I) to the covered person;

(II) to the covered person's resident parent; or

(III) to the covered person's resident sibling.

(ii) Each parent's policy under this Subsection (8)(c) is liable only for the percentage of the damages that the limit of liability of each parent's policy of uninsured motorist coverage bears to the total of both parents' uninsured coverage applicable to the accident.

(d) A covered person's recovery under any available policies may not exceed the full amount of damages.

(e) A covered person in Subsection (8)(b) is not barred against making subsequent elections if recovery is unavailable under previous elections.

(f) (i) As used in this section, "interpolicy stacking" means recovering benefits for a single incident of loss under more than one insurance policy.

(ii) Except to the extent permitted by Subsection (7) and this Subsection (8), interpolicy stacking is prohibited for uninsured motorist coverage.

(9) (a) When a claim is brought by a named insured or a person described in Subsection (1) and is asserted against the covered person's uninsured motorist carrier, the claimant may elect to resolve the claim:

(i) by submitting the claim to binding arbitration; or

(ii) through litigation.

(b) Unless otherwise provided in the policy under which uninsured benefits are claimed, the election provided in Subsection (9)(a) is available to the claimant only, except that if the policy under which insured benefits are claimed provides that either an insured or the insurer may elect arbitration, the insured or the insurer may elect arbitration and that election to arbitrate shall stay the litigation of the claim under Subsection (9)(a)(ii).

(c) Once the claimant has elected to commence litigation under Subsection (9)(a)(ii), the claimant may not elect to resolve the claim through binding arbitration under this section without the written consent of the uninsured motorist carrier.

(d) For purposes of the statute of limitations applicable to a claim described in Subsection (9)(a), if the claimant does not elect to resolve the claim through litigation, the claim is considered filed when the claimant submits the claim to binding arbitration in accordance with this Subsection (9).

(e) (i) Unless otherwise agreed to in writing by the parties, a claim that is submitted to binding arbitration under Subsection (9)(a)(i) shall be resolved by a single arbitrator.

(ii) All parties shall agree on the single arbitrator selected under Subsection (9)(e)(i).

(iii) If the parties are unable to agree on a single arbitrator as required under Subsection (9)(e)(ii), the parties shall select a panel of three arbitrators.

(f) If the parties select a panel of three arbitrators under Subsection (9)(e)(iii):

(i) each side shall select one arbitrator; and

(ii) the arbitrators appointed under Subsection (9)(f)(i) shall select one additional arbitrator to be included in the panel.

(g) Unless otherwise agreed to in writing:

(i) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (9)(e)(i); or

(ii) if an arbitration panel is selected under Subsection (9)(e)(iii):

(A) each party shall pay the fees and costs of the arbitrator selected by that party; and

(B) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (9)(f)(ii).

(h) Except as otherwise provided in this section or unless otherwise agreed to in writing by the parties, an arbitration proceeding conducted under this section shall be governed by Title 78B, Chapter 11, Utah Uniform Arbitration Act.

(i) (i) The arbitration shall be conducted in accordance with Rules 26(a)(4) through (f), 27 through 37, 54, and 68 of the Utah Rules of Civil Procedure, once the requirements of Subsections (10)(a) through (c) are satisfied.

(ii) The specified tier as defined by Rule 26(c)(3) of the Utah Rules of Civil Procedure shall be determined based on the claimant's specific monetary amount in the written demand for payment of uninsured motorist coverage benefits as required in Subsection (10)(a)(i)(A).

(iii) Rules 26.1 and 26.2 of the Utah Rules of Civil Procedure do not apply to arbitration claims under this part.

(j) All issues of discovery shall be resolved by the arbitrator or the arbitration panel.

(k) A written decision by a single arbitrator or by a majority of the arbitration panel shall constitute a final decision.

(l) (i) Except as provided in Subsection (10), the amount of an arbitration award may not exceed the uninsured motorist policy limits of all applicable uninsured motorist policies, including applicable uninsured motorist umbrella policies.

(ii) If the initial arbitration award exceeds the uninsured motorist policy limits of all applicable uninsured motorist policies, the arbitration award shall be reduced to an amount equal to the combined uninsured motorist policy limits of all applicable uninsured motorist policies.

(m) The arbitrator or arbitration panel may not decide the issues of coverage or extra-contractual damages, including:

(i) whether the claimant is a covered person;

(ii) whether the policy extends coverage to the loss; or

(iii) any allegations or claims asserting consequential damages or bad faith liability.

(n) The arbitrator or arbitration panel may not conduct arbitration on a class-wide or class-representative basis.

(o) If the arbitrator or arbitration panel finds that the action was not brought, pursued, or defended in good faith, the arbitrator or arbitration panel may award reasonable attorney fees and costs against the party that failed to bring, pursue, or defend the claim in good faith.

(p) An arbitration award issued under this section shall be the final resolution of all claims not excluded by Subsection (9)(m) between the parties unless:

(i) the award was procured by corruption, fraud, or other undue means; or

(ii) either party, within 20 days after service of the arbitration award:

(A) files a complaint requesting a trial de novo in the district court; and

(B) serves the nonmoving party with a copy of the complaint requesting a trial de novo under Subsection (9)(p)(ii)(A).

(q) (i) Upon filing a complaint for a trial de novo under Subsection (9)(p), the claim shall proceed through litigation pursuant to the Utah Rules of Civil Procedure and Utah Rules of Evidence in the district court.

(ii) In accordance with Rule 38, Utah Rules of Civil Procedure, either party may request a jury trial with a complaint requesting a trial de novo under Subsection (9)(p)(ii)(A).

(r) (i) If the claimant, as the moving party in a trial de novo requested under Subsection (9)(p), does not obtain a verdict that is at least $5,000 and is at least 20% greater than the arbitration award, the claimant is responsible for all of the nonmoving party's costs.

(ii) If the uninsured motorist carrier, as the moving party in a trial de novo requested under Subsection (9)(p), does not obtain a verdict that is at least 20% less than the arbitration award, the uninsured motorist carrier is responsible for all of the nonmoving party's costs.

(iii) Except as provided in Subsection (9)(r)(iv), the costs under this Subsection (9)(r) shall include:

(A) any costs set forth in Rule 54(d), Utah Rules of Civil Procedure; and

(B) the costs of expert witnesses and depositions.

(iv) An award of costs under this Subsection (9)(r) may not exceed $2,500 unless Subsection (10)(h)(iii) applies.

(s) For purposes of determining whether a party's verdict is greater or less than the arbitration award under Subsection (9)(r), a court may not consider any recovery or other relief granted on a claim for damages if the claim for damages:

(i) was not fully disclosed in writing prior to the arbitration proceeding; or

(ii) was not disclosed in response to discovery contrary to the Utah Rules of Civil Procedure.

(t) If a district court determines, upon a motion of the nonmoving party, that the moving party's use of

the trial de novo process was filed in bad faith in accordance with Section 78B-5-825, the district court may award reasonable attorney fees to the nonmoving party.

(u) Nothing in this section is intended to limit any claim under any other portion of an applicable insurance policy.

(v) If there are multiple uninsured motorist policies, as set forth in Subsection (8), the claimant may elect to arbitrate in one hearing the claims against all the uninsured motorist carriers.

(10) (a) Within 30 days after a covered person elects to submit a claim for uninsured motorist benefits to binding arbitration or files litigation, the covered person shall provide to the uninsured motorist carrier:

(i) a written demand for payment of uninsured motorist coverage benefits, setting forth:

(A) subject to Subsection [~~(10)(m)~~] (10)(l), the specific monetary amount of the demand, including a computation of the covered person's claimed past medical expenses, claimed past lost wages, and the other claimed past economic damages; and

(B) the factual and legal basis and any supporting documentation for the demand;

(ii) a written statement under oath disclosing:

(A) (I) the names and last known addresses of all health care providers who have rendered health care services to the covered person that are material to the claims for which uninsured motorist benefits are sought for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and

(II) the names and last known addresses of the health care providers who have rendered health care services to the covered person, which the covered person claims are immaterial to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised that have not been disclosed under Subsection (10)(a)(ii)(A)(I);

(B) (I) the names and last known addresses of all health insurers or other entities to whom the covered person has submitted claims for health care services or benefits material to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and

(II) the names and last known addresses of the health insurers or other entities to whom the covered person has submitted claims for health care services or benefits, which the covered person claims are immaterial to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation have not been disclosed;

(C) if lost wages, diminished earning capacity, or similar damages are claimed, all employers of the covered person for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised;

(D) other documents to reasonably support the claims being asserted; and

(E) all state and federal statutory lienholders including a statement as to whether the covered person is a recipient of Medicare or Medicaid benefits or Utah Children's Health Insurance Program benefits under [~~Title 26, Chapter 40, Utah Children's Health Insurance Act~~] Title 26B, Chapter 3, Part 9, Utah Children's Health Insurance Program, or if the claim is subject to any other state or federal statutory liens; and

(iii) signed authorizations to allow the uninsured motorist carrier to only obtain records and billings from the individuals or entities disclosed under Subsections (10)(a)(ii)(A)(I), (B)(I), and (C).

(b) (i) If the uninsured motorist carrier determines that the disclosure of undisclosed health care providers or health care insurers under Subsection (10)(a)(ii) is reasonably necessary, the uninsured motorist carrier may:

(A) make a request for the disclosure of the identity of the health care providers or health care insurers; and

(B) make a request for authorizations to allow the uninsured motorist carrier to only obtain records and billings from the individuals or entities not disclosed.

(ii) If the covered person does not provide the requested information within 10 days:

(A) the covered person shall disclose, in writing, the legal or factual basis for the failure to disclose the health care providers or health care insurers; and

(B) either the covered person or the uninsured motorist carrier may request the arbitrator or arbitration panel to resolve the issue of whether the identities or records are to be provided if the covered person has elected arbitration.

(iii) The time periods imposed by Subsection (10)(c)(i) are tolled pending resolution of the dispute concerning the disclosure and production of records of the health care providers or health care insurers.

(c) (i) An uninsured motorist carrier that receives an election for arbitration or a notice of filing litigation and the demand for payment of uninsured motorist benefits under Subsection (10)(a)(i) shall have a reasonable time, not to exceed 60 days from the date of the demand and receipt of the items specified in Subsections (10)(a)(i) through (iii), to:

(A) provide a written response to the written demand for payment provided for in Subsection (10)(a)(i);

(B) except as provided in Subsection (10)(c)(i)(C), tender the amount, if any, of the uninsured motorist carrier's determination of the amount owed to the covered person; and

(I) if the amount of the state or federal statutory lien is established, the amount of the lien; or

(II) if the amount of the state or federal statutory lien is not established, two times the amount of the medical expenses subject to the state or federal statutory lien until such time as the amount of the state or federal statutory lien is established.

(ii) If the amount tendered by the uninsured motorist carrier under Subsection (10)(c)(i) is the total amount of the uninsured motorist policy limits, the tendered amount shall be accepted by the covered person.

(d) A covered person who receives a written response from an uninsured motorist carrier as provided for in Subsection (10)(c)(i), may:

(i) elect to accept the amount tendered in Subsection (10)(c)(i) as payment in full of all uninsured motorist claims; or

(ii) elect to:

(A) accept the amount tendered in Subsection (10)(c)(i) as partial payment of all uninsured motorist claims; and

(B) continue to litigate or arbitrate the remaining claim in accordance with the election made under Subsections (9)(a), (b), and (c).

(e) If a covered person elects to accept the amount tendered under Subsection (10)(c)(i) as partial payment of all uninsured motorist claims, the final award obtained through arbitration, litigation, or later settlement shall be reduced by any payment made by the uninsured motorist carrier under Subsection (10)(c)(i).

(f) In an arbitration proceeding on the remaining uninsured claims:

(i) the parties may not disclose to the arbitrator or arbitration panel the amount paid under Subsection (10)(c)(i) until after the arbitration award has been rendered; and

(ii) the parties may not disclose the amount of the limits of uninsured motorist benefits provided by the policy.

(g) If the final award obtained through arbitration or litigation is greater than the average of the covered person's initial written demand for payment provided for in Subsection (10)(a)(i) and the uninsured motorist carrier's initial written response provided for in Subsection (10)(c)(i), the uninsured motorist carrier shall pay:

(i) the final award obtained through arbitration or litigation, except that if the award exceeds the policy limits of the subject uninsured motorist policy by more than $15,000, the amount shall be reduced to an amount equal to the policy limits plus $15,000; and

(ii) any of the following applicable costs:

(A) any costs as set forth in Rule 54(d), Utah Rules of Civil Procedure;

(B) The objection shall be resolved by the arbitrator or arbitration panel.

(iii) The award of costs by the arbitrator or arbitration panel under Subsection (10)(g)(ii) may not exceed $5,000.

(i) (i) A covered person shall disclose all material information, other than rebuttal evidence, within 30 days after a covered person elects to submit a claim for uninsured motorist coverage benefits to binding arbitration or files litigation as specified in Subsection (10)(a).

(ii) If the information under Subsection (10)(i)(i) is not disclosed, the covered person may not recover costs or any amounts in excess of the policy under Subsection (10)(g).

(j) This Subsection (10) does not limit any other cause of action that arose or may arise against the uninsured motorist carrier from the same dispute.

(k) The provisions of this Subsection (10) only apply to motor vehicle accidents that occur on or after March 30, 2010.

(l) (i) The written demand requirement in Subsection (10)(a)(i)(A) does not affect the covered person's requirement to provide a computation of any other economic damages claimed, and the one or more respondents shall have a reasonable time after the receipt of the computation of any other economic damages claimed to conduct fact and expert discovery as to any additional damages claimed. The changes made by Laws of Utah 2014, Chapter 290, Section 10, and Chapter 300, Section 10, to this Subsection (10)(l) and Subsection (10)(a)(i)(A) apply to a claim submitted to binding

arbitration or through litigation on or after May 13, 2014.

(ii) The changes made by Laws of Utah 2014, Chapter 290, Section 10, and Chapter 300, Section 10, to Subsections (10)(a)(ii)(A)(II) and (B)(II) apply to any claim submitted to binding arbitration or through litigation on or after May 13, 2014.

(11) (a) Notwithstanding Section 31A-21-313, an action on a written policy or contract for uninsured motorist coverage shall be commenced within four years after the inception of loss.

(b) Subsection (11)(a) shall apply to all claims that have not been time barred by Subsection 31A-21-313(1)(a) as of May 14, 2019.

Section 97. Section 31A-22-305.3 is amended to read:

31A-22-305.3. Underinsured motorist coverage.

(1) As used in this section:

(a) "Covered person" has the same meaning as defined in Section 31A-22-305.

(b) (i) "Underinsured motor vehicle" includes a motor vehicle, the operation, maintenance, or use of which is covered under a liability policy at the time of an injury-causing occurrence, but which has insufficient liability coverage to compensate fully the injured party for all special and general damages.

(ii) The term "underinsured motor vehicle" does not include:

(A) a motor vehicle that is covered under the liability coverage of the same policy that also contains the underinsured motorist coverage;

(B) an uninsured motor vehicle as defined in Subsection 31A-22-305(2); or

(C) a motor vehicle owned or leased by:

(I) a named insured;

(II) a named insured's spouse; or

(III) a dependent of a named insured.

(2) (a) Underinsured motorist coverage under Subsection 31A-22-302(1)(c) provides coverage for a covered person who is legally entitled to recover damages from an owner or operator of an underinsured motor vehicle because of bodily injury, sickness, disease, or death.

(b) A covered person occupying or using a motor vehicle owned, leased, or furnished to the covered person, the covered person's spouse, or covered person's resident relative may recover underinsured benefits only if the motor vehicle is:

(i) described in the policy under which a claim is made; or

(ii) a newly acquired or replacement motor vehicle covered under the terms of the policy.

(3) (a) For purposes of this Subsection (3), "new policy" means:

(i) any policy that is issued that does not include a renewal or reinstatement of an existing policy; or

(ii) a change to an existing policy that results in:

(A) a named insured being added to or deleted from the policy; or

(B) a change in the limits of the named insured's motor vehicle liability coverage.

(b) For new policies written on or after January 1, 2001, the limits of underinsured motorist coverage shall be equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy, unless a named insured rejects or purchases coverage in a lesser amount by signing an acknowledgment form that:

(i) is filed with the department;

(ii) is provided by the insurer;

(iii) waives the higher coverage;

(iv) need only state in this or similar language that "underinsured motorist coverage provides benefits or protection to you and other covered persons for bodily injury resulting from an accident caused by the fault of another party where the other party has insufficient liability insurance"; and

(v) discloses the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(c) Any selection or rejection under Subsection (3)(b) continues for that issuer of the liability coverage until the insured requests, in writing, a change of underinsured motorist coverage from that liability insurer.

(d) (i) Subsections (3)(b) and (c) apply retroactively to any claim arising on or after January 1, 2001, for which, as of May 14, 2013, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsections (3)(b) and (c) clarifies legislative intent and does not enlarge, eliminate, or destroy vested rights.

(e) (i) As used in this Subsection (3)(e), "additional motor vehicle" means a change that increases the total number of vehicles insured by the policy, and does not include replacement, substitute, or temporary vehicles.

(ii) The adding of an additional motor vehicle to an existing personal lines or commercial lines policy does not constitute a new policy for purposes of Subsection (3)(a).

(iii) If an additional motor vehicle is added to a personal lines policy where underinsured motorist coverage has been rejected, or where underinsured

motorist limits are lower than the named insured's motor vehicle liability limits, the insurer shall provide a notice to a named insured within 30 days that:

(A) in the same manner described in Subsection (3)(b)(iv), explains the purpose of underinsured motorist coverage; and

(B) encourages the named insured to contact the insurance company or insurance producer for quotes as to the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(f) A change in policy number resulting from any policy change not identified under Subsection (3)(a)(ii) does not constitute a new policy.

(g) (i) Subsection (3)(a) applies retroactively to any claim arising on or after January 1, 2001 for which, as of May 1, 2012, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsection (3)(a):

(A) does not enlarge, eliminate, or destroy vested rights; and

(B) clarifies legislative intent.

(h) A self-insured, including a governmental entity, may elect to provide underinsured motorist coverage in an amount that is less than its maximum self-insured retention under Subsections (3)(b) and (l) by issuing a declaratory memorandum or policy statement from the chief financial officer or chief risk officer that declares the:

(i) self-insured entity's coverage level; and

(ii) process for filing an underinsured motorist claim.

(i) Underinsured motorist coverage may not be sold with limits that are less than:

(i) $10,000 for one person in any one accident; and

(ii) at least $20,000 for two or more persons in any one accident.

(j) An acknowledgment under Subsection (3)(b) continues for that issuer of the underinsured motorist coverage until the named insured, in writing, requests different underinsured motorist coverage from the insurer.

(k) (i) The named insured's underinsured motorist coverage, as described in Subsection (2), is secondary to the liability coverage of an owner or operator of an underinsured motor vehicle, as described in Subsection (1).

(ii) Underinsured motorist coverage may not be set off against the liability coverage of the owner or operator of an underinsured motor vehicle, but shall be added to, combined with, or stacked upon the liability coverage of the owner or operator of the underinsured motor vehicle to determine the limit of coverage available to the injured person.

(l) (i) In conjunction with the first two renewal notices sent after January 1, 2001, for policies existing on that date, the insurer shall disclose in the same medium as the premium renewal notice, an explanation of:

(A) the purpose of underinsured motorist coverage in the same manner as described in Subsection (3)(b)(iv); and

(B) a disclosure of the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(ii) The disclosure required under this Subsection (3)(l) shall be sent to all named insureds that carry underinsured motorist coverage limits in an amount less than the named insured's motor vehicle liability policy limits or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(m) For purposes of this Subsection (3), a notice or disclosure sent to a named insured in a household constitutes notice or disclosure to all insureds within the household.

(4) (a) (i) Except as provided in this Subsection (4), a covered person injured in a motor vehicle described in a policy that includes underinsured motorist benefits may not elect to collect underinsured motorist coverage benefits from another motor vehicle insurance policy.

(ii) The limit of liability for underinsured motorist coverage for two or more motor vehicles may not be added together, combined, or stacked to determine the limit of insurance coverage available to an injured person for any one accident.

(iii) Subsection (4)(a)(ii) applies to all persons except a covered person described under Subsections (4)(b)(i) and (ii).

(b) (i) A covered person injured as a pedestrian by an underinsured motor vehicle may recover underinsured motorist benefits under any one other policy in which they are described as a covered person.

(ii) Except as provided in Subsection (4)(b)(iii), a covered person injured while occupying, using, or maintaining a motor vehicle that is not owned, leased, or furnished to the covered person, the covered person's spouse, or the covered person's resident parent or resident sibling, may also recover benefits under any one other policy under which the covered person is also a covered person.

(iii) (A) A covered person may recover benefits from no more than two additional policies, one

additional policy from each parent's household if the covered person is:

(I) a dependent minor of parents who reside in separate households; and

(II) injured while occupying or using a motor vehicle that is not owned, leased, or furnished to the covered person, the covered person's resident parent, or the covered person's resident sibling.

(B) Each parent's policy under this Subsection (4)(b)(iii) is liable only for the percentage of the damages that the limit of liability of each parent's policy of underinsured motorist coverage bears to the total of both parents' underinsured coverage applicable to the accident.

(iv) A covered person's recovery under any available policies may not exceed the full amount of damages.

(v) Underinsured coverage on a motor vehicle occupied at the time of an accident is primary coverage, and the coverage elected by a person described under Subsections 31A-22-305(1)(a), (b), and (c) is secondary coverage.

(vi) The primary and the secondary coverage may not be set off against the other.

(vii) A covered person as described under Subsection (4)(b)(i) or is entitled to the highest limits of underinsured motorist coverage under only one additional policy per household applicable to that covered person as a named insured, spouse, or relative.

(viii) A covered injured person is not barred against making subsequent elections if recovery is unavailable under previous elections.

(ix) (A) As used in this section, "interpolicy stacking" means recovering benefits for a single incident of loss under more than one insurance policy.

(B) Except to the extent permitted by this Subsection (4), interpolicy stacking is prohibited for underinsured motorist coverage.

(c) Underinsured motorist coverage:

(i) does not cover any benefit paid or payable under Title 34A, Chapter 2, Workers' Compensation Act, except that the covered person is credited an amount described in Subsection 34A-2-106(5);

(ii) may not be subrogated by a workers' compensation insurance carrier, workers' compensation insurance, uninsured employer, the Uninsured Employers Fund created in Section 34A-2-704, or the Employers' Reinsurance Fund created in Section 34A-2-702;

(iii) may not be reduced by benefits provided by workers' compensation insurance, uninsured employer, the Uninsured Employers Fund created in Section 34A-2-704, or the Employers' Reinsurance Fund created in Section 34A-2-702;

(iv) may be reduced by health insurance subrogation only after the covered person is made whole;

(v) may not be collected for bodily injury or death sustained by a person:

(A) while committing a violation of Section 41-1a-1314;

(B) who, as a passenger in a vehicle, has knowledge that the vehicle is being operated in violation of Section 41-1a-1314; or

(C) while committing a felony; and

(vi) notwithstanding Subsection (4)(c)(v), may be recovered:

(A) for a person younger than 18 years old who is injured within the scope of Subsection (4)(c)(v), but is limited to medical and funeral expenses; or

(B) by a law enforcement officer as defined in Section 53-13-103, who is injured within the course and scope of the law enforcement officer's duties.

(5) The inception of the loss under Subsection 31A-21-313(1) for underinsured motorist claims occurs upon the date of the last liability policy payment.

(6) An underinsured motorist insurer does not have a right of reimbursement against a person liable for the damages resulting from an injury-causing occurrence if the person's liability insurer has tendered the policy limit and the limits have been accepted by the claimant.

(7) Except as otherwise provided in this section, a covered person may seek, subject to the terms and conditions of the policy, additional coverage under any policy:

(a) that provides coverage for damages resulting from motor vehicle accidents; and

(b) that is not required to conform to Section 31A-22-302.

(8) (a) When a claim is brought by a named insured or a person described in Subsection 31A-22-305(1) and is asserted against the covered person's underinsured motorist carrier, the claimant may elect to resolve the claim:

(i) by submitting the claim to binding arbitration; or

(ii) through litigation.

(b) Unless otherwise provided in the policy under which underinsured benefits are claimed, the election provided in Subsection (8)(a) is available to the claimant only, except that if the policy under which insured benefits are claimed provides that either an insured or the insurer may elect arbitration, the insured or the insurer may elect arbitration and that election to arbitrate shall stay the litigation of the claim under Subsection (8)(a)(ii).

(c) Once a claimant elects to commence litigation under Subsection (8)(a)(ii), the claimant may not elect to resolve the claim through binding

arbitration under this section without the written consent of the underinsured motorist coverage carrier.

(d) For purposes of the statute of limitations applicable to a claim described in Subsection (8)(a), if the claimant does not elect to resolve the claim through litigation, the claim is considered filed when the claimant submits the claim to binding arbitration in accordance with this Subsection (8).

(e) (i) Unless otherwise agreed to in writing by the parties, a claim that is submitted to binding arbitration under Subsection (8)(a)(i) shall be resolved by a single arbitrator.

(ii) All parties shall agree on the single arbitrator selected under Subsection (8)(e)(i).

(iii) If the parties are unable to agree on a single arbitrator as required under Subsection (8)(e)(ii), the parties shall select a panel of three arbitrators.

(f) If the parties select a panel of three arbitrators under Subsection (8)(e)(iii):

(i) each side shall select one arbitrator; and

(ii) the arbitrators appointed under Subsection (8)(f)(i) shall select one additional arbitrator to be included in the panel.

(g) Unless otherwise agreed to in writing:

(i) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (8)(e)(i); or

(ii) if an arbitration panel is selected under Subsection (8)(e)(iii):

(A) each party shall pay the fees and costs of the arbitrator selected by that party; and

(B) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (8)(f)(ii).

(h) Except as otherwise provided in this section or unless otherwise agreed to in writing by the parties, an arbitration proceeding conducted under this section is governed by Title 78B, Chapter 11, Utah Uniform Arbitration Act.

(i) (i) The arbitration shall be conducted in accordance with Rules 26(a)(4) through (f), 27 through 37, 54, and 68 of the Utah Rules of Civil Procedure, once the requirements of Subsections (9)(a) through (c) are satisfied.

(ii) The specified tier as defined by Rule 26(c)(3) of the Utah Rules of Civil Procedure shall be determined based on the claimant's specific monetary amount in the written demand for payment of uninsured motorist coverage benefits as required in Subsection (9)(a)(i)(A).

(iii) Rules 26.1 and 26.2 of the Utah Rules of Civil Procedure do not apply to arbitration claims under this part.

(j) An issue of discovery shall be resolved by the arbitrator or the arbitration panel.

(k) A written decision by a single arbitrator or by a majority of the arbitration panel constitutes a final decision.

(l) (i) Except as provided in Subsection (9), the amount of an arbitration award may not exceed the underinsured motorist policy limits of all applicable underinsured motorist policies, including applicable underinsured motorist umbrella policies.

(ii) If the initial arbitration award exceeds the underinsured motorist policy limits of all applicable underinsured motorist policies, the arbitration award shall be reduced to an amount equal to the combined underinsured motorist policy limits of all applicable underinsured motorist policies.

(m) The arbitrator or arbitration panel may not decide an issue of coverage or extra-contractual damages, including:

(i) whether the claimant is a covered person;

(ii) whether the policy extends coverage to the loss; or

(iii) an allegation or claim asserting consequential damages or bad faith liability.

(n) The arbitrator or arbitration panel may not conduct arbitration on a class-wide or class-representative basis.

(o) If the arbitrator or arbitration panel finds that the arbitration is not brought, pursued, or defended in good faith, the arbitrator or arbitration panel may award reasonable attorney fees and costs against the party that failed to bring, pursue, or defend the arbitration in good faith.

(p) An arbitration award issued under this section shall be the final resolution of all claims not excluded by Subsection (8)(m) between the parties unless:

(i) the award is procured by corruption, fraud, or other undue means; or

(ii) either party, within 20 days after service of the arbitration award:

(A) files a complaint requesting a trial de novo in the district court; and

(B) serves the nonmoving party with a copy of the complaint requesting a trial de novo under Subsection (8)(p)(ii)(A).

(q) (i) Upon filing a complaint for a trial de novo under Subsection (8)(p), a claim shall proceed through litigation pursuant to the Utah Rules of Civil Procedure and Utah Rules of Evidence in the district court.

(ii) In accordance with Rule 38, Utah Rules of Civil Procedure, either party may request a jury trial with a complaint requesting a trial de novo under Subsection (8)(p)(ii)(A).

(r) (i) If the claimant, as the moving party in a trial de novo requested under Subsection (8)(p), does not obtain a verdict that is at least $5,000 and is at least 20% greater than the arbitration award,

the claimant is responsible for all of the nonmoving party's costs.

(ii) If the underinsured motorist carrier, as the moving party in a trial de novo requested under Subsection (8)(p), does not obtain a verdict that is at least 20% less than the arbitration award, the underinsured motorist carrier is responsible for all of the nonmoving party's costs.

(iii) Except as provided in Subsection (8)(r)(iv), the costs under this Subsection (8)(r) shall include:

(A) any costs set forth in Rule 54(d), Utah Rules of Civil Procedure; and

(B) the costs of expert witnesses and depositions.

(iv) An award of costs under this Subsection (8)(r) may not exceed $2,500 unless Subsection (9)(h)(iii) applies.

(s) For purposes of determining whether a party's verdict is greater or less than the arbitration award under Subsection (8)(r), a court may not consider any recovery or other relief granted on a claim for damages if the claim for damages:

(i) was not fully disclosed in writing prior to the arbitration proceeding; or

(ii) was not disclosed in response to discovery contrary to the Utah Rules of Civil Procedure.

(t) If a district court determines, upon a motion of the nonmoving party, that a moving party's use of the trial de novo process is filed in bad faith in accordance with Section 78B-5-825, the district court may award reasonable attorney fees to the nonmoving party.

(u) Nothing in this section is intended to limit a claim under another portion of an applicable insurance policy.

(v) If there are multiple underinsured motorist policies, as set forth in Subsection (4), the claimant may elect to arbitrate in one hearing the claims against all the underinsured motorist carriers.

(9) (a) Within 30 days after a covered person elects to submit a claim for underinsured motorist benefits to binding arbitration or files litigation, the covered person shall provide to the underinsured motorist carrier:

(i) a written demand for payment of underinsured motorist coverage benefits, setting forth:

(A) subject to Subsection (9)(l), the specific monetary amount of the demand, including a computation of the covered person's claimed past medical expenses, claimed past lost wages, and all other claimed past economic damages; and

(B) the factual and legal basis and any supporting documentation for the demand;

(ii) a written statement under oath disclosing:

(ii) "Catastrophic mental health coverage" may include a restriction on cost sharing factors, such as deductibles, copayments, or coinsurance, before reaching a maximum out-of-pocket limit.

(iii) "Catastrophic mental health coverage" may include one maximum out-of-pocket limit for physical health conditions and another maximum out-of-pocket limit for mental health conditions, except that if separate out-of-pocket limits are established, the out-of-pocket limit for mental health conditions may not exceed the out-of-pocket limit for physical health conditions.

(b) (i) "50/50 mental health coverage" means coverage in a health benefit plan that pays for at least 50% of covered services for the diagnosis and treatment of mental health conditions.

(ii) "50/50 mental health coverage" may include a restriction on:

(A) episodic limits;

(b) In addition to complying with Subsection (2)(a), an insurer may offer to provide:

(i) catastrophic mental health coverage, 50/50 mental health coverage, or both at levels that exceed the minimum requirements of this section; or

(i) coverage offered under Subsection (2)(a)(i);

(ii) 50/50 mental health coverage; or

(iii) coverage offered under Subsection (2)(b).

(d) An insurer is exempt from the 30% index rating restriction in Section 31A-30-106.1 and, for the first year only that the employer chooses coverage that meets or exceeds catastrophic mental health coverage, the 15% annual adjustment restriction in Section 31A-30-106.1, for a small employer with 20 or less enrolled employees who chooses coverage that meets or exceeds catastrophic mental health coverage.

(3) (a) An insurer shall offer a large employer mental health and substance use disorder benefit in compliance with Section 2705 of the Public Health Service Act, 42 U.S.C. Sec. 300gg-26, and federal regulations adopted pursuant to that act.

(b) An insurer shall provide in an individual or small employer health benefit plan, mental health and substance use disorder benefits in compliance with Sections 2705 and 2711 of the Public Health Service Act, 42 U.S.C. Sec. 300gg-26, and federal regulations adopted pursuant to that act.

(4) (a) An insurer may provide catastrophic mental health coverage to a small employer through a managed care organization or system in a manner consistent with Chapter 8, Health Maintenance Organizations and Limited Health Plans, regardless of whether the insurance policy uses a managed care organization or system for the treatment of physical health conditions.

(b) (i) Notwithstanding any other provision of this title, an insurer may:

(A) establish a closed panel of providers for catastrophic mental health coverage; and

(B) refuse to provide a benefit to be paid for services rendered by a nonpanel provider unless:
