(8) If a defendant is acquitted of the offense subjecting the property to forfeiture under this section on the merits:

(a) (i) the property for which forfeiture is sought shall be returned to the claimant; or

(ii) the open market value of the property for the property for which forfeiture is sought shall be awarded to the claimant if the property has been disposed of under Section [~~24-4-103.3~~] 77-11b-202; and

(11) To facilitate the identification or location of property forfeited under this section, and to facilitate the disposition of a petition for remission or mitigation of forfeiture after the entry of an order declaring property forfeited to the agency, the court may, upon application of the prosecuting attorney, order:

(a) the testimony of any witness relating to the forfeited property be taken by deposition; and

(g) A trial or hearing shall be conducted in accordance with the Utah Rules of Evidence.

(16) The court shall amend the order of forfeiture in accordance with the court's determination, if after the trial or hearing under Subsection (15), the court or jury determines that the claimant has established, by a preponderance of the evidence, that:

(a) (i) the claimant has a legal right, title, or interest in the property; and

(ii) the claimant's right, title, or interest renders the order of forfeiture invalid in whole or in part because the right, title, or interest was vested in the claimant rather than the defendant, or was superior to any right, title, or interest of the defendant at the time of the commission of the offense subjecting the property to forfeiture under Subsection [~~24-4-102(1)~~] 77-11b-102(1); or

(b) the claimant acquired the right, title, or interest in the property in a bona fide transaction for value, and, at the time of acquisition, the claimant did not know that the property could be forfeited under this chapter.

Section 72. Section 78B-9-104 is amended to read:

78B-9-104. Grounds for relief -- Retroactivity of rule.

(1) Unless precluded by Section 78B-9-106 or 78B-9-107, an individual who has been convicted and sentenced for a criminal offense may file an action in the district court of original jurisdiction for postconviction relief to vacate or modify the conviction or sentence upon the following grounds:

(a) the conviction was obtained or the sentence was imposed in violation of the United States Constitution or Utah Constitution;

(b) the conviction was obtained or the sentence was imposed under a statute that is in violation of the United States Constitution or Utah Constitution, or the conduct for which the petitioner was prosecuted is constitutionally protected;

(c) the sentence was imposed or probation was revoked in violation of the controlling statutory provisions;

(d) the petitioner had ineffective assistance of counsel in violation of the United States Constitution or Utah Constitution;

(e) newly discovered material evidence exists that requires the court to vacate the conviction or sentence, because:

(i) neither the petitioner nor petitioner's counsel knew of the evidence at the time of trial or sentencing or in time to include the evidence in any previously filed post-trial motion or postconviction proceeding, and the evidence could not have been discovered through the exercise of reasonable diligence;

(ii) the material evidence is not merely cumulative of evidence that was known;

(iii) the material evidence is not merely impeachment evidence; and

(iv) viewed with all the other evidence, the newly discovered material evidence demonstrates that no reasonable trier of fact could have found the petitioner guilty of the offense or subject to the sentence received;

(f) the petitioner can prove that:

(i) biological evidence, as that term is defined in Section [~~53-20-101~~] 77-11c-101, relevant to the petitioner's conviction was not preserved in accordance with [~~Title 53, Chapter 20, Forensic Biological Evidence Preservation~~] Title 77, Chapter 11c, Part 4, Preservation of Biological Evidence for Violent Felony Offenses;

(ii) (A) the biological evidence described in Subsection (1)(f)(i) was not tested previously; or

(B) if the biological evidence described in Subsection (1)(f)(i) was tested previously, there is a material change in circumstance, including a scientific or technological advance, that would make it plausible that a test of the biological evidence described in Subsection (1)(f)(i) would produce a favorable test result for the petitioner; and

(iii) a favorable result described in Subsection (1)(f)(ii), which is presumed for purposes of the petitioner's action under this section, when viewed with all the other evidence, demonstrates a reasonable probability of a more favorable outcome at trial for the petitioner;

(g) the petitioner can prove entitlement to relief under a rule announced by the United States Supreme Court, the Utah Supreme Court, or the Utah Court of Appeals after conviction and sentence became final on direct appeal, and that:

(i) the rule was dictated by precedent existing at the time the petitioner's conviction or sentence became final; or

(ii) the rule decriminalizes the conduct that comprises the elements of the crime for which the petitioner was convicted; or

(h) the petitioner committed any of the following offenses while subject to force, fraud, or coercion, as defined in Section 76-5-308:

(i) Section 58-37-8, possession of a controlled substance;

(ii) Section 76-10-1304, aiding prostitution;

(iii) Section 76-6-206, criminal trespass;

(iv) Section 76-6-413, theft;

(v) Section 76-6-502, possession of forged writing or device for writing;

(vi) Sections 76-6-602 through 76-6-608, retail theft;

(vii) Subsection 76-6-1105(2)(a)(i)(A), unlawful possession of another's identification document;

(viii) Section 76-9-702, lewdness;

(ix) Section 76-10-1302, prostitution; or

(x) Section 76-10-1313, sexual solicitation.

(2) The court may not grant relief from a conviction or sentence unless in light of the facts proved in the postconviction proceeding, viewed with the evidence and facts introduced at trial or during sentencing:

(a) the petitioner establishes that there would be a reasonable likelihood of a more favorable outcome; or

(b) if the petitioner challenges the conviction or the sentence on grounds that the prosecutor knowingly failed to correct false testimony at trial or at sentencing, the petitioner establishes that the false testimony, in any reasonable likelihood, could have affected the judgment of the fact finder.

(3) (a) The court may not grant relief from a conviction based on a claim that the petitioner is innocent of the crime for which convicted except as provided in Part 3, Postconviction Testing of DNA, or Part 4, Postconviction Determination of Factual Innocence.

[~~(7)~~] (6) (a) The state shall contribute to each school district toward the cost of the basic school program in the school district an amount of money that is the difference between the cost of the school district's basic school program and the sum of revenue generated by the school district by the following:

Section 4. Section 53F-2-302 is amended to read:

53F-2-302. Determination of weighted pupil units.

(1) The number of weighted pupil units in the Minimum School Program for each year is the total of the units for each school district and, subject to Subsection [~~(4)~~] (5), charter school, determined [~~as follows:~~] in accordance with this section.

[~~(1)~~] (2) The number of weighted pupil units is computed by adding the average daily membership of all pupils of the school district or charter school attending schools, other than [~~kindergarten and~~] self-contained classes for children with a disability.

[~~(2)~~] (3) (a) Except as provided in Subsection (3)(b), for a fiscal year beginning on or after July 1, 2023, the number of weighted pupil units for kindergarten students shall be computed by adding the average daily membership of all pupils of the school district or charter school enrolled in kindergarten.

(b) The number of weighted pupil units is computed by [~~adding~~] multiplying the average daily membership [~~of all pupils of the school district or charter school enrolled in kindergarten and multiplying the total~~] for the number of students who are enrolled in kindergarten for less than the equivalent length of the schedule for grades 1 through 3, based on the October 1 data described in Section 53F-2-302, by .55.

[~~(a) In those school districts or charter schools that do not hold kindergarten for a full nine-month term, the local school board or charter school governing board may approve a shorter term of nine weeks' duration.~~]

[~~(b) Upon LEA governing board approval, the number of pupils in average daily membership at the short-term kindergarten shall be counted for the purpose of determining the number of units allowed in the same ratio as the number of days the short-term kindergarten is held, not exceeding nine weeks, compared to the total number of days schools are held in that school district or charter school in the regular school year.~~]

[~~(3)~~] (4) (a) The state board shall use prior year plus growth to determine average daily membership in distributing money under the Minimum School Program where the distribution is based on kindergarten through grade 12 ADMs or weighted pupil units.

(b) Under prior year plus growth, kindergarten through grade 12 average daily membership for the current year is based on the actual kindergarten through grade 12 average daily membership for the previous year plus an estimated percentage growth factor.

(c) The growth factor is the percentage increase in total average daily membership on the first school day of October in the current year as compared to

the total average daily membership on the first school day of October of the previous year.

[~~(4)~~] (5) In distributing funds to charter schools under this section, charter school pupils shall be weighted, where applicable, as follows:

[~~(a) .55 for kindergarten pupils;~~]

[~~(b)~~] (a) except as provided in Subsection (3)(b), .9 for pupils in [~~grades 1~~] kindergarten through grade 6;

[~~(c)~~] (b) .99 for pupils in grades 7 through 8; and

[~~(d)~~] (c) 1.2 for pupils in grades 9 through 12.

[~~(5) Notwithstanding Subsection (3)(c):~~]

[~~(a) for the 2020-2021 school year the state board may use a count of average daily membership on any day or days of the current school year in 2020 to calculate a growth factor for the 2020-2021 school year; and~~]

[~~(b) when calculating the growth factor as described in Subsection (5)(a), the state board shall comply with all applicable federal requirements.~~]

Section 5. Section 53F-2-302.1 is amended to read:

(2) There is created the Enrollment Growth Contingency Program to mitigate funding impacts on an LEA resulting from student enrollment irregularities [~~during fiscal years 2021, 2022, and 2023~~] regarding kindergarten.

(3) Subject to legislative appropriations, the state board, in consultation with the Office of the Legislative Fiscal Analyst and the Governor's Office of Planning and Budget, shall use program funds to[~~:~~] fund additional WPUs if the student enrollment count for kindergarten exceeds the amount of legislative appropriations for kindergarten.

[~~(a) for fiscal years 2021, 2022, and 2023 and for an LEA that has declining enrollment, pay costs associated with Subsection 53F-2-302(3) to hold LEA funding distributions at the prior year's average daily membership;~~]

[~~(b) for fiscal year 2022, fund ongoing impacts of student enrollment changes in the 2021-2022 academic year, including:~~]

[~~(i) assigning additional weighted pupil units to an LEA experiencing a net growth in weighted pupil units over the fiscal year 2022 base allocations associated with student enrollment increases following the student enrollment count; and~~]

[~~(ii) at the request of an LEA that experienced a significant decline in student enrollment during the 2020-2021 academic year, pre-fund significantly higher anticipated student enrollment growth before the student enrollment count; and~~]

[~~(c) for fiscal years 2022 and 2023, with any remaining weighted pupil units, pay other weighted pupil unit related costs in accordance with Section 53F-2-205.~~]

[~~(4) If the state board pre-funds anticipated student enrollment growth under Subsection (3)(b)(ii), the state board shall:~~]

[~~(a) verify the LEA's enrollment after the student enrollment count; and~~]

[~~(b) balance funds as necessary based on the actual increase in student enrollment.~~]

Section 6. Section 53F-2-421 is enacted to read:

53F-2-421. Flexible allocation.

Subject to appropriations, the state board shall distribute funds in the MSP flexible allocation on a WPU basis resulting in LEAs receiving funding proportional to the number of WPUs the LEA generates under the Basic School Program.

Section 7. Section 53F-2-601 is amended to read:

53F-2-601. State guaranteed local levy increments -- Appropriation to increase number of guaranteed local levy increments -- No effect of change of minimum basic tax rate -- Voted and board local levy funding balance -- Use of guaranteed local levy increment funds.

(1) As used in this section:

(a) "Board local levy" means a local levy described in Section 53F-8-302.

(b) "Guaranteed local levy increment" means a local levy increment guaranteed by the state:

(i) for the board local levy, described in Subsections (2)(a)(ii)(A) and (2)(b)(ii)(B); or

(ii) for the voted local levy, described in Subsections (2)(a)(ii)(B) and (2)(b)(ii)(A).

(c) "Local levy increment" means .0001 per dollar of taxable value.

(d) (i) "Voted and board local levy funding balance" means the difference between:

(A) the amount appropriated for the guaranteed local levy increments in a fiscal year; and

(B) the amount necessary to fund in the same fiscal year the guaranteed local levy increments as determined under this section.

(ii) "Voted and board local levy funding balance" does not include appropriations described in Subsection (2)(b)(i).

(e) "Voted local levy" means a local levy described in Section 53F-8-301.

(2) (a) (i) In addition to the revenue collected from the imposition of a voted local levy or a board local levy, the state shall guarantee that a school district receives, subject to Subsections (2)(b)(ii)(C) and (3)(a), for each guaranteed local levy increment, an amount sufficient to guarantee for a fiscal year that begins on July 1, 2018, $43.10 per weighted pupil unit.

(ii) Except as provided in Subsection (2)(b)(ii), the number of local levy increments that are subject to the guarantee amount described in Subsection (2)(a)(i) are:

(A) for a board local levy, the first four local levy increments a local school board imposes under the board local levy; and

(B) for a voted local levy, the first 16 local levy increments a local school board imposes under the voted local levy.

(b) (i) Subject to future budget constraints and Subsection (2)(c), the Legislature shall annually appropriate money from the Local Levy Growth Account established in Section 53F-9-305 for purposes described in Subsection (2)(b)(ii).

(B) by up to 16 increments the number of board local levy guaranteed local levy increments above four; and

(C) the guaranteed amount described in Subsection (2)(a)(i).

(c) The number of guaranteed local levy increments under this Subsection (2) for a school district may not exceed 20 guaranteed local levy increments, regardless of whether the guaranteed local levy increments are from the imposition of a voted local levy, a board local levy, or a combination of the two.

(3) (a) The guarantee described in Subsection (2)(a)(i) is indexed each year to the value of the weighted pupil unit by making the value of the guarantee equal to .011962 times the value of the prior year's weighted pupil unit.

(b) The guarantee shall increase by .0005 times the value of the prior year's weighted pupil unit for each year subject to the Legislature appropriating funds for an increase in the guarantee.

(c) If the indexing and growth described in Subsections (3)(a) and (b) result in a cost to the state in a given fiscal year that is less than the amount the Legislature appropriated, the state board shall dedicate the difference to the allocation described in Subsection (2)(b)(ii).

(4) (a) The amount of state guarantee money that a school district would otherwise be entitled to receive under this section may not be reduced for the sole reason that the school district's board local levy or voted local levy is reduced as a consequence of changes in the certified tax rate under Section 59-2-924 pursuant to changes in property valuation.

(b) Subsection (4)(a) applies for a period of five years following a change in the certified tax rate as described in Subsection (4)(a).

(5) The guarantee provided under this section does not apply to the portion of a voted local levy rate that exceeds the voted local levy rate that was in effect for the previous fiscal year, unless an increase in the voted local levy rate was authorized in an election conducted on or after July 1 of the previous fiscal year and before December 2 of the previous fiscal year.

(6) (a) If a voted and board local levy funding balance exists for the prior fiscal year, the state board shall[~~: (i) use~~] distribute the voted and board local levy funding balance [~~to increase the value of the state guarantee per weighted pupil unit described in Subsection (3)(a) in the current fiscal year; and~~], using the calculations for distribution of program balances for the fiscal year in which the balance occurs, to qualifying school districts in a one-time payment during the first quarter of the current fiscal year.

[~~(ii) distribute guaranteed local levy increment funds to school districts based on the increased value of the state guarantee per weighted pupil unit described in Subsection (6)(a)(i).~~]

(b) The state board shall report action taken under Subsection (6)(a) to the Office of the Legislative Fiscal Analyst and the Governor's Office of Planning and Budget.

(7) A local school board of a school district that receives funds described in this section shall budget and expend the funds for public education purposes.

(2) A charter school's eligibility for small charter school base funding is determined by the charter school's student enrollment on October 1 of a given year.

(3) Notwithstanding this section and subject to legislative appropriations, the state board may distribute to charter schools, regardless of size, one-time funding that the Legislature appropriates to mitigate funding losses as described in legislative appropriations.

Section 9. Section 53F-7-202 is amended to read:

(a) for charter schools:

(i) distributing an amount that is equal to the product of:

(c) The rules the commission makes in accordance with Subsection (3)(a) may establish a method for taking into account items of income, gain, loss, deduction, or credit of a pass-through entity if:

(i) for a pass-through entity except for a pass-through entity that is an S corporation, the pass-through entity does not analyze the items of income, gain, loss, deduction, or credit on the schedule for reporting partners' distributive share items as part of the federal income tax return for the pass-through entity; or

(ii) for a pass-through entity that is an S corporation, the pass-through entity does not reconcile the items of income, gain, loss, deduction, or credit on the schedule for reporting shareholders' pro rata share items as part of the federal income tax return for the pass-through entity.

(d) Except as provided in Subsection (1)(b), a pass-through entity that files an amended return

under this part shall pay or withhold tax on any increase in the income described in Subsection (1)(a)(i) on behalf of the pass-through entity taxpayer and remit that tax to the commission.

(5) A pass-through entity shall provide a statement to a pass-through entity taxpayer on behalf of whom the pass-through entity pays or withholds a tax under this section showing the amount of tax the pass-through entity pays or withholds under this section for the taxable year on behalf of the pass-through entity taxpayer.

(6) Notwithstanding Section 59-1-401 or 59-1-402, the commission may not collect an amount under this section for a taxable year from a pass-through entity and shall waive any penalty and interest on that amount if:

(b) the pass-through entity taxpayer:

(c) the pass-through entity applies to the commission.

(7) Notwithstanding Section 59-1-401 or 59-1-402, the commission may not collect an amount under this section for a taxable year from a pass-through entity that is a trust and shall waive any penalty and interest on that amount if:

(B) the trustee of the trust retains a statement of dependent beneficiary income on behalf of the dependent beneficiary.

(8) If a pass-through entity would have otherwise qualified for a waiver of a penalty and interest under Subsection (7), except that the trustee of a trust has not applied to the commission as required by Subsection (7)(b) or retained the statement of dependent beneficiary income required by Subsection (7)(c)(ii)(B), it is a rebuttable presumption in an audit that the pass-through entity would have otherwise qualified for the waiver of the penalty and interest under Subsection (7).

Section 8. Retrospective operation.

(1) The following sections have retrospective operation for a taxable year beginning on or after January 1, 2022:

(a) Section 59-10-1403; and

(3) (a) Except as provided in Subsection (4) [~~or~~], (5), or (7), a veteran claimant shall file, on or before September 1 of the calendar year for which the veteran claimant is applying for the exemption, [~~file~~] an application for an exemption described in Section 59-2-1903 with the county in which the veteran claimant resides on September 1 of that calendar year.

(b) An application described in Subsection (3)(a) shall include:

(i) a copy of the veteran's certificate of discharge from military service or other satisfactory evidence of eligible military service; and

(ii) for an application submitted under the circumstances described in Subsection (5)(a), a statement, issued by a military entity, that gives the date on which the written decision described in Subsection (5)(a) takes effect.

(c) A veteran claimant who is claiming an exemption for a veteran with a disability or a deceased veteran with a disability, shall ensure that as part of the application described in this Subsection (3), the county has on file, for the veteran related to the exemption, a statement of disability:

(i) issued by a military entity; and

(ii) that lists the percentage of disability for the veteran with a disability or deceased veteran with a disability.

(d) If a veteran claimant is in compliance with Subsection (3)(c), a county may not require the veteran claimant to file another statement of disability, except under the following circumstances:

(4) A county may extend the default application deadline for an initial or amended application until December 31 of the year for which the veteran claimant is applying for the exemption if the county finds that good cause exists to extend the default application deadline.

(5) A county shall extend the default application deadline by one additional year if, on or after January 4, 2004:

(a) a military entity issues a written decision that:

(i) (A) for a potential claimant who is a living veteran, determines the veteran is a veteran with a disability; or

(f) for an exemption relating to a deceased veteran with a disability or a veteran who was killed in action or died in the line of duty, the veteran claimant is not the same individual who filed an application for the exemption for the calendar year immediately preceding the current calendar year.

[~~(8)~~] (9) If a veteran claimant is the grantor of a trust holding title to real or tangible personal property for which an exemption described in Section 59-2-1903 is claimed, a county may allow the veteran claimant to claim a portion of the exemption and be treated as the owner of that portion of the property held in trust, if the veteran claimant proves to the satisfaction of the county that:

(i) the veteran claimant as grantor of the trust;

(ii) a nonadverse party; or

(iii) both the veteran claimant and a nonadverse party;

(b) title will revest as described in Subsection [~~(8)(a)~~] (9)(a), regardless of whether the power described in Subsection [~~(8)(a)~~] (9)(a) is a power to revoke, terminate, alter, amend, or appoint; and

[~~(9)~~] (10) A county may verify that real property for which a veteran claimant applies for an exemption is the veteran claimant's primary residence.

[~~(10)~~] (11) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the commission may, by rule:

(a) establish procedures and requirements for amending an application described in Subsection (3)(a);
