

# Lead the way with legal AI tools

## Become a Lexis+ AI Insider and help shape the future of legal tech with generative AI.

Members of the Lexis+ AI™ Insider program will lead the advancement of artificial intelligence in legal technology and help revolutionize the way legal work gets done.

- **Exclusive Access:** interact with thought leaders and product teams through activities such as webinars, roundtables, and Q&A sessions where members provide feedback, ask questions and gain insights into the development of legal AI tools at LexisNexis.
- **Sneak Previews:** engage with an early view to cutting-edge legal AI tools.
- **Early Access:** be the first to experience cutting-edge AI features.

Being a Lexis+ AI Insider is not just another way to stay up to date on the latest trends. It's an opportunity to help improve the way we use artificial intelligence in the legal industry and to be a part of something truly transformative.
