ACTIVITIES  
REPORT  
2021-2022

NORCECA continues to support and assist the Central American Volleyball Association (**AFECAVOL**), the Caribbean Zonal Volleyball Association (**CAZOVA**), the Eastern Caribbean Zonal Volleyball Association (**ECVA**) and the (**NCVA**) in the development of volleyball and beach volleyball, organization of events and hosting of General Assemblies.

The regions have received the necessary support from NORCECA's Development Plan funds since its implementation in 2008 providing volleyball Sport Court surface, volleyball equipment distribution, financial assistance for the organization of youth, junior and Under-Age tournaments, as well as important seminars and courses to further enhance the technical capability of each member National Federation. Also, Norceca Instructors have been assigned to each zone. Today several High Performance Volleyball and Beach Volleyball Instructors are providing technical support to our Member National Federations.

## Dominican Republic Qualify to Paris 2024 with dramatic five-set win over the Netherlands

NINGBO, China, September 24, 2023 - The Dominican Republic clinched their direct ticket to the Paris 2024 Olympic Games on Sunday after defeating the Netherlands in a thrilling five-set match (25-20, 20-25, 25-19, 23-25, 15-12) at the FIVB Road to Paris Qualifier in Ningbo, China.

This marks the fourth time that the Dominican Republic has participated in the Olympics, their second consecutive one (Athens 2004, London 2012, Tokyo 2021).

The Dominican Republic started the Olympic qualifier ranked number 10 in the world, now holds position 8, surpassing Japan, the Netherlands, Canada, and Germany.

The top positions are Türkiye, Serbia, United States, Brazil, Italy, China, and Poland, in that same order.

The Caribbean Queens goal was to win two sets over the Netherlands to secure their Olympic qualification, achieving it when Brayelin Martínez managed to close the third set with a touch (25-19) in favor of the Dominicans. The Dominican Republic had won the first set.

With their sixth consecutive victory, the Dominican Republic closed the event with a 6-1 record, winning Pool A. The Dominicans triumphed over Canada, Ukraine, Mexico, Serbia, China, and the Netherlands, only falling in their opening match against the Czech Republic.

The Dominican Republic's offensive attack was led by Brayelin Martínez with 23 points, all from attacks, followed by Yorkaira Peña with 17 (16 attacks, one block), Galla González with 16 (15 attacks, one service ace), and Jineiry Martínez with 10 (7 attacks, 3 blocks).

The top scorers for the Netherlands were Nika Daalderop with 23 points, Celeste Plak with 18, and Jasper Marriet with 14.

Also in Pool A, Canada defeated the Czech Republic 3-0 (25-20, 25-19, 25-21), securing third place with a 5-2 record.

Canadian Kiera Van Ryk was the top scorer of the match with 17 points. Also contributing to the win were Emily Maglio with 13 points and team captain Alexa Gray added 10 points.

## Canada earns a berth to the Paris 2024 Olympics!

XI'AN, China, October 8, 2023 - Canada's men's team defeated Mexico 3-0 (25-20, 25-21, 25-15) on Sunday at the Olympic Qualification Tournament (OQT) Pool C in Xi'an, China, earning a berth to the Paris 2024 Olympic Games.

Canada led in attack (39-33), dominated in both blocking (13-5) and aces (8-1), but did concede more error points to Mexico (17-15).

Eric Loeppky of Canada led scoring with 16 points; followed by Stephen Maar with 12 (including two aces). Josué López Ríos led Mexico with 11 points.

This decisive win, along with Belgium falling to Bulgaria earlier today, put Canada into second place in the pool and booked the team's ticket to Paris 2024.

It was a dramatic turn of events for Canada as yesterday the team had the opportunity to close the deal against Belgium, but lost 1-3, leaving the second spot in Pool C undecided until today. Then Belgium, in a high-pressure position, struggled in a 2-3 loss to Bulgaria earlier on Sunday. Poland had already secured the top spot in the pool based on its record (undefeated with one match to go today vs. China.)

"It was an important game after yesterday," said Team Captain Nicholas Hoag, a two-time Olympian. "It was disappointing and scary to be in that position, but we got another opportunity today and we took it. We stepped up and we had also beat the teams we needed to earlier in the tournament. I'm really happy with the way the guys performed; we got the job done. The celebration starts and we will have the year to prepare for Paris!"

Canada ended with a 5-2 record; its losses coming from a five-set match with number-one ranked Poland and the loss to Belgium yesterday. Argentina, who finished third and outside qualification, also had a 5-2 record but fewer points than Canada.

"It's unbelievable," said head coach Tuomas Sammelvuo. "I'm just so happy for volleyball in Canada, and the history of what people have done for many years with this program to now consistently be in the Olympics (third consecutive appearance). I would like to thank the players, not only the ones here in China, but also those that give so much effort to this program during the summer, as well as the coaching staff that have been part of the program. It's an unbelievable moment and being in the Olympics is huge, as it represents the country."

## United States Claim Ticket to Paris 2024

ŁÓDŹ, Poland, September 24, 2024 - Reigning Olympic champions the United States qualified for the Paris 2024 Olympic Games on Sunday when it defeated Germany 3-1 (24-26, 25-21, 25-9, 25-16) at the FIVB Road to Paris Olympic Qualifier in Łódź, Poland.

United States finished the tournament with a 6-1 record. They qualified for their 11th straight Olympic Games and 13th overall. USA finished first in group C and also improved their world ranking to No. 2.

United States dominated Germany on the attack (69-41) led by opposite Annie Drews who entered the match as a substitute to start the second set and led all scorers with 27 points on a match-high 27 kills (.544 hitting efficiency).

"My focus coming into tonight was to just be where my feet were and fill in the gaps as needed," Drews said. "We sometimes talk about how we want to feel after the match is over. Can we truly say we have nothing left in the tank or finished with no regrets? So that was in the back of my mind tonight; playing in a way where I wouldn't regret anything."

Outside hitter Jordan Larson added 17 points on 11 kills, a team-high three aces and three blocks. She also led the team in successful receptions with five and had 16 digs.

"Really proud of our team for how we responded after a difficult loss (to Poland) yesterday," said Larson, a three-time Olympic medalist. "Props to Germany for coming out strong in set one, but really proud of our team, which stayed steady and secured our ticket to Paris."

Germany led in blocks (10-8). The teams tied in aces (6-6) and Germany had one more scoring error (16-15).

USA outside hitter Kelsey (Robinson) Cook totaled 13 points on 12 kills and one ace. Middle blocker Chiaka Ogbogu scored 10 points on five kills, a team-high four blocks and one ace.

## United States snatch ticket to Paris 2024

TOKYO, Japan, October 7, 2023 - One day before the end of the FIVB Road to Paris Volleyball Qualifiers Pool B tournament in Tokyo, United States qualified for next year's Olympic Games. USA will compete in the men's volleyball Olympic tournament for the 13th time in history.

On Saturday, United States delivered their sixth straight victory in the pool, a shutout of Serbia, to become the first team to secure a spot at Paris 2024, along with hosts France. So far in the history of the Olympic Games, the Americans have earned three gold and two bronze medals.

Follow the tournament at [Volleyball Olympic Qualifying Tournament](#)

Hammering out Saturday's 3-0 (25-18, 25-18, 25-17) win over Serbia, United States, now on a 6-0 win-loss record and 18 points, made sure they will finish among the top two teams in the pool at the end of Sunday's last competition day in the Japanese capital when they face Japan who also claimed a ticket to Paris beating Slovenia 3-0 (25-21, 25-22, 25-18).

The match was a one-sided affair, in which the Serbians managed to take short-lived leads only early into each of the first two sets. The Americans clearly outplayed the opponents in all scoring elements, most notably in serving, with 12 aces against two. Middle blocker Maxwell Holt produced four of those aces and raised two kill blocks towards a match-high 13 points. The other middle, Jeffrey Jendryk, and opposite Matthew Anderson added 11 points, including two aces, each, while outside hitter Aaron Russell scored 10 times. His counterpart Miran Kulundzic and opposite Aleksandar Atanasijevic led Serbia with 12 and 11 points, respectively.

"I feel really good about this victory. I think one of the hardest parts about this job are the intensity and focus on getting qualified for the Olympic Games," USA's head coach John Speraw told Volleyball World. "So in the back of your mind there is always that quest to make sure you have that opportunity at the end. So for us, to get past that is exciting, it's a relief and I'm so happy and proud of the guys, because they've really had an outstanding tournament, steady the whole way through. It's a well deserved victory."
