ACTIVITIES  
REPORT  
2022

NORCECA continues to support and assist the Central American Volleyball Association (**AFECAVOL**), the Caribbean Zonal Volleyball Association (**CAZOVA**), the Eastern Caribbean Zonal Volleyball Association (**ECVA**) and the (**NCVA**) in the development of volleyball and beach volleyball, organization of events and hosting of General Assemblies.

The regions have received the necessary support from NORCECA's Development Plan funds since its implementation in 2008 providing volleyball Sport Court surface, volleyball equipment distribution, financial assistance for the organization of youth, junior and Under-Age tournaments, as well as important seminars and courses to further enhance the technical capability of each member National Federation. Also, Norceca Instructors have been assigned to each zone. Today several High Performance Volleyball and Beach Volleyball Instructors are providing technical support to our Member National Federations.
