Notes: Dash indicates that data are not available or that percent changes are not calculated when base numbers are less than 50.

This report includes data submitted to the Criminal Justice Statistics Center by the cutoff date of August 11, 1997.

The California Highway Patrol reports motor vehicle theft for some county sheriff's departments. Therefore, sheriff department figures for the motor vehicle theft category may not reflect all reported crimes.

¹The FBI Crime Index total includes the California Crime Index plus larceny-theft and arson.

²In 1997 nine San Diego County Sheriff's Department contract agencies began reporting separately. Therefore, to maintain comparability of the 1997 data with 1996 data, San Diego County Sheriff's Department is shown but not included in the subtotals or total jurisdiction counts.

³Arson counts for the full six-month period in 1997 were not available for Long Beach Police Department (January-March) or Butte County Sheriff's Department (January-February).
