Notes: Dash indicates that data are not available or that percent changes are not calculated when base numbers are less than 50. Percent changes are also not calculated for agencies with incomplete data.

This report includes data submitted to the Criminal Justice Statistics Center by the cutoff date of August 31, 1999.

Counts reflect the number of actual offenses. Unfounded crime counts are not included.

Sheriff Department counts are for unincorporated areas only and do not include contract cities.

The California Highway Patrol reports motor vehicle theft for some county sheriff's departments. Therefore, sheriff's department figures for this category may not reflect all reported motor vehicle thefts.

¹The FBI Crime Index total includes the California Crime Index total, larceny-theft, and arson.

²The following agencies were unable to provide crime counts for the entire six-month period in 1999: Fullerton Police Department (June), Irvine Police Department (March - June), San Bernardino Police Department (April - June), Santa Clara Police Department (May - June), Santa Barbara Sheriff's Department (March - June), and Santa Cruz Sheriff's Department (June). Therefore, to maintain comparability of 1999 data with 1998 data, counts for these agencies are shown but not included in the subtotals or total selected jurisdiction counts.

³Arson counts for the full six-month period in 1999 were not available for: Fullerton Police Department (June), Irvine Police Department (March - June), San Bernardino Police Department (May - June), Santa Clara Police Department (May - June), Alameda County Sheriff's Department (February), Santa Barbara Sheriff's Department (March - June), and Santa Cruz County Sheriff's Department (June).
