

CRIME

AS REPORTED BY SELECTED CALIFORNIA AGENCIES

January through September, 1998 and 1999

Crime As Reported by Selected California Agencies, January through September, 1998 and 1999, is a special statistical report based on preliminary crime data for the first nine months of 1999 compared to the same period in 1998. Comparisons are based on percent change in number. The data table (pages 4-11) displays the total number of crimes reported by the 76 agencies serving populations of 100,000 or more. One agency was unable to provide a full nine-months of data by the December 14, 1999 cutoff date. Data for that agency are shown on the table but not included in the totals.

CALIFORNIA CRIME INDEX offenses are homicide, forcible rape, robbery, aggravated assault, burglary, and motor vehicle theft. During the first nine months of 1999, the number of reported offenses dropped 14.7 percent when compared to the same period in 1998.

Notes: Dash indicates that data are not available or that percent changes are not calculated when base numbers are less than 50. Percent changes are also not calculated for agencies with incomplete data.

This report includes data submitted to the Criminal Justice Statistics Center by the cutoff date of December 14, 1999.

Counts reflect the number of actual offenses. Unfounded crime counts are not included.

Sheriff Department counts are for unincorporated areas only and do not include contract cities.

The California Highway Patrol reports motor vehicle theft for some county sheriff's departments. Therefore, sheriff's department figures for this category may not reflect all reported motor vehicle thefts.

¹The FBI Crime Index total includes the California Crime Index total, larceny-theft, and arson.

²El Monte Police Department was unable to provide crime counts for the entire nine-month period. To maintain comparability of 1999 data with 1998 data, counts for El Monte (January - June) are shown but not included in the subtotals or total selected agency counts.

³Arson counts for the full nine-month period in 1999 were not available for: El Monte Police Department (July - September), and West Covina Police Department (August - September).
