“We Work Well Under Pressure”

## DRILLING PRODUCTS AND SERVICES

### PRODUCTS

#### WAGNER DRILLING INSTRUMENTATION

Weight indicators. Rotary torque systems. Tong torque systems. Wireline systems. Drilling and Pressure recorders.

#### QUADCO SURE-WEIGH

Two pad type weight indicators.

#### MUD GAUGES

0 – 15,000# Cameron Type F and Type D. New and rebuilt exchange

#### O'DRILL MCM

Float valves. Shear Pin relief Valves. Gate Valves. Plug Valves. Centrifugal Pumps, Hydrocyclones, Reset Relief Valves

#### HI-KALIBRE EQUIPMENT

Kelly Cock Valves, IBOP Valves, Ball Valves, Check Valves, Gate Valves, Plug Valves

#### VINTROL

Ball Valves, Check Valves, API 6A Gate Valves, Chokes

#### SATELLITE

Automatic Drillers

#### A-1 SURE SHOT

Deviation recording instrumentation.

#### QUADCO SPILL RESPONSE PRODUCTS

Spill containment systems – Booms, Pads, Socks, Spill Kits, Skimmer Systems, Bio-Remediation.

#### JET-LUBE SPECIALTY PRODUCTS AND LUBRICANTS

Thread compounds and lubricants. Valve lubricants and sealants

#### VAL-TEX

Grease Guns, Grease, Valve Flush, Fittings

#### TECH CAL

Chart Recorders, Charts, Pens, Clocks

### SERVICES

#### INSTRUMENTATION CALIBRATION INSTRUMENTATION REPAIR

Shop and field service and repair. Repair of weight indicators, tong torques, mud gauges, chokes, automatic drillers, pumps, chart recorders.

#### VALVE TESTING AND REPAIR

Kelly Cock Valves, IBOP Valves, Ball Valves, Check Valves, Gate Valves, Plug Valves

#### VALVE GREASING

API 6A Gate Valves, Choke Manifolds, Kill Lines

#### HYDROSTATIC TESTING

Shop & Field Capabilities up to 15,000 psi

#### RENTAL SYSTEMS AND REPAIR

Dual Pad Indicators, Deadline Indicators, Tong Torque Assembly, Chart Recorders

#### BLOWOUT PREVENTER TESTING

Testing, Rubber & Seal Replacement

#### ACCUMULATORS

Function Test, 4-Way Valves, Chokes, Relief Valve, Bladder Recharge/Replacement

### 24 HOUR EMERGENCY SERVICE

1-866-978-2326

“We Work Well Under Pressure”

## PRODUCTION PRODUCTS AND SERVICES

### PRODUCTS

#### MERCER PRESSURE SAFETY VALVES

ASME Coded relief valves for air, gas, liquid applications. Conventional and Pilot operated.

#### LESER LLC SAFETY VALVES

ASME Coded relief valves for air, gas, liquid, steam, pharmaceutical applications. Conventional and Pilot operated.

#### LAMOT

Rupture Discs, Rupture Disc Holders

#### WEATHER CAPS

Vinyl, Metal

#### VINTROL

Trunnion and Floating Ball Valves, Check Valves, API 6A Gate Valves, Chokes

#### HiP – HIGH PRESSURE EQUIPMENT

High pressure valves, fittings, tubing. Reactors, & pressure vessels. Pumping systems, intensifiers, gas boosters.

#### GRACO

Solar, electric, & pneumatic chemical pumps and parts. Office or remote access through your mobile device.

#### ARROW

Solar, electric, & pneumatic chemical pumps and parts.

#### QUADCO SPILL RESPONSE PRODUCTS

Spill Containment Systems – Booms, Pads, Socks, Spill Kits, Skimmer Systems, Bio-Remediation, Secondary Containment Systems

#### VAL-TEX

Valve Grease, Valve Flush, Pneumatic and Hand Operated Pumps, Fittings

#### JET-LUBE SPECIALTY PRODUCTS AND LUBRICANTS

Thread compounds and lubricants. Valve lubricants and sealants

#### TECH CAL

Chart Recorders, Charts, Pens, Clocks

#### REMANUFACTURED VALVE SALES

Pressure Relief, Ball, Gate, Globe, and Check Valves.

### SERVICES

#### PRV TESTING AND REPAIR

In shop and full mobile ASME testing and repair utilizing air and nitrogen. “VR” certified for vapor, steam, and liquid. In house boiler for Section I and VIII steam valve testing and repair. Auxiliary Lift Assist Device for in place steam and vapor testing. Electronic documentation available.

#### PRODUCTION AND PIPELINE VALVE MAINTENANCE

Gate, Globe, Ball Valve inspection, testing, and repair. In-place valve lubrication. Valve leak sealing products and services.

#### WELLHEAD VALVE LUBRICATION

#### HYDROSTATIC TESTING SERVICES

Shop & Field Capabilities up to 15,000 psi

#### DOT CERTIFIED OPERATOR QUALIFIED TECHNICIANS

#### CALIBRATION SERVICES

Chart Recorders. Pressure Gauges

#### INDUSTRIAL VALVE SERVICES

Shop & mobile inspection, testing, repair of all types and sizes of valves in accordance with ANSI, API, ASME and customer specifications. On-site packing extraction and installation. On site valve lubrication
