

Dear Community Stakeholders:

As we embark on the development of the new Strategic Plan, Drive to 2025 and Beyond we encourage each of you to take your contributions a step farther by engaging in important conversations about the future of Stillman College. Over the next few months, we will be asking you to share your questions, ideas, hopes and dreams for a college that will continue to lead in a changing world.

As the strategic planning initiative begins, the committee invites all stakeholders to share their insights and ideas about Stillman's future. These discussions will help define the common ground and uniting goals that will be pillars of our strategic plan. We're all in this together, and we will be learning from you how we can focus our strengths to have the greatest impact.

Strategic Conversations, which began September 27th – 28th, are listed below by category. Please register for the category that best describes your affiliation with the college. We hope you will attend and help plan the future of Stillman College!

Strategic Conversation Sessions

Stillman College Students – October 18th 6 PM CST

Register in advance for this meeting:

****Note:** Additional Sessions may be added if needed.

Can't make a town hall? Share your thoughts by filling out a survey. Survey coming soon!

Information from the surveys and town halls will be used by the strategic planning committee as they develop a clear strategic vision, mission, and priorities that will serve Stillman College students and the greater community. We hope you'll take part!

To stay informed, please visit the strategic initiatives webpage to share your input and receive information about opportunities to engage, upcoming sessions, and updates on our progress. Thank you for all you do on behalf of Stillman College.

Sincerely,

Dr. Derrick Gilmore
Executive Vice President
Co-Chair

Dr. Maria A. Lumpkin
Vice President for Strategic Initiatives &
Chief Transformation Director
Co-Chair
