Utah Sales and Use Tax Direct Payment Permit Application Instructions

General Information

Use form TC-62DPA to apply to the Utah State Tax Commission for a Sales and Use Tax Direct Payment Permit. A direct payment permit allows a permit holder to purchase taxable goods and services without payment of tax to the seller. The permit holder then determines the taxability and reports and pays the tax due directly to the Tax Commission on the permit holder's monthly sales and use tax return.

Type or print clearly. Applications with missing or illegible information will be returned.

Mail or fax the completed application to the address below. Allow 15 days for processing.

Requirements for a Direct Payment Permit Holder

As a permit holder you must:

- Obtain a sales tax license from the Utah State Tax Commission per Utah Code §59-12-106.
- Make purchases of at least \$1,500,000 in each of the previous three years.
- Demonstrate a timely filing/payment history. Your application will be denied if your account is not current or shows a history of delinquencies (late payment) for sales and use tax.
- Demonstrate to the Utah State Tax Commission that you are able to comply with the reporting requirements for local tax distribution sourcing under Utah Code §§59-12-211, 212 and 213.
