

Exemption of Utah Emission and Safety Requirements for Apportioned Vehicles not in Utah

WARNING: Providing false or misleading information on this form is a crime, subject to penalty under Utah Criminal Code §76-8-504.

Section 1 - Vehicle Information

Year	Make	Model	Vehicle Identification Number (VIN)	Fuel	Utah plate number	Fleet number	Unit number

I understand that when located in Utah, Utah law may require the above vehicle to pass an emissions and/or safety inspection. I certify that the above vehicle is part of a fleet licensed under the International Registration Plan (IRP) and is now located out-of-state at:

Physical address (not P.O. Box)	City	County	State	Zip Code

I further certify that the vehicle is in compliance with local emissions and/or safety inspection laws if located in a state shown on the reverse side of this form.

Section 2 - Owner Information and Signature

Owner's name	Telephone number
Owner or authorized representative's signature	Date
X	

SAFETY INSPECTIONS: You are responsible for the safe operation of your vehicle. Inspect your vehicle's tires, brakes, steering, suspension, lights and other equipment often to make sure your vehicle is in safe operating condition.

Commercial vehicles require an annual safety inspection. An inspection certificate must be kept in the vehicle for review by law enforcement but does not need to be submitted to the DMV for registration.

IMPORTANT INSTRUCTIONS: The vehicle owner must keep a copy of this completed form in the vehicle and to give a copy to the appropriate county health department listed below. At the time of registration, return this form with the renewal documents and all required fees to the Motor Carrier Services (do not send cash in the mail). If you have questions about this form, please call 801-297-6800 or 1-800-251-9555.
