I recently acquired the vehicle identified above and am now the legal owner.

An odometer statement is not available from any previous owner. Therefore, I am submitting the following declaration with my application to have a Utah title issued to me.

Enter odometer reading (no tenths)

--	--	--	--	--	--	--	--

Reading is: Miles Kilometers
(Kilometers will be converted to miles on the title.)

I certify, to the best of my knowledge, that the odometer reading (check one):

- Reflects actual mileage for this vehicle
- Reflects the mileage in excess of odometer's mechanical limits
- Is not the actual mileage (**Warning: Odometer discrepancy**)

I understand that the mileage I have declared above will be printed on the title. I hereby release the State of Utah, the Utah State Tax Commission, the Motor Vehicle Division and all persons acting under its direction, from any and all liability arising out of the issuance of this title, and I shall defend at my expense any claim or litigation that may result.
