About Diasorin

Diasorin S.p.A., an international player in the market for in vitro diagnostics, develops, produces and markets reagent kits for clinical laboratory diagnostics. The Diasorin Group is comprised of 20 companies based in Europe, the United States, Central and South America and Asia. It has more than 1,100 employees, including about 110 research and development specialists, and operates four manufacturing and research facilities in Saluggia (Vercelli, Italy), Dietzenbach (Germany), Stillwater (USA) and Dublin (Ireland). Thanks to its direct sales organization and an international network of over 80 independent distributors, the Group is present in more than 60 countries, offering a broad array of high quality products that includes comprehensive lines for each of the clinical segments in which it operates: infectious and viral diseases, management of bone and calcium related diseases, thyroid pathologies, oncology and fertility testing.
