About DiaSorin

DiaSorin S.p.A., an international player in the market for in vitro diagnostics, develops, produces and markets reagent kits for clinical laboratory diagnostics. The DiaSorin Group is comprised of 23 companies based in Europe, North, Central and South America, Africa and Asia. It has about 1,500 employees, including more than 110 research and development specialists, and operates six manufacturing and research facilities in Saluggia (Vercelli, Italy), Dietzenbach (Germany), Stillwater (USA), Dublin (Ireland), Dartford (UK) and Johannesburg (SA). The last two were part of the Murex business operations, recently acquired from the Abbott Group. Thanks to its direct sales organization and an international network of over 80 independent distributors, the Group is present in more than 60 countries, offering a broad array of high quality products that includes comprehensive lines for each of the clinical segments in which the Group operates: infectious and viral diseases, management of bone and calcium related diseases, thyroid pathologies, oncology and fertility testing.
