On March 26, 2007, the Extraordinary Shareholders' Meeting voted to adopt a new share-based incentive plan and approved the applicable regulations. The Plan, called "DiaSorin S.p.A. Stock Option Plan," (or "**2007-2012 Plan**") will benefit specifically identified executives and employees of DiaSorin S.p.A. and its subsidiaries.

Also on March 26, 2007, the Extraordinary Shareholders' Meeting, acting pursuant to Article 2443 of the Italian Civil Code, authorized a capital increase of up to 1,000,000 euros, to be carried out in one or more installments through March 26, 2012. The Company's share capital will be increased through the issuance of up to 1,000,000 common shares, par value 1 euro each with regular ranking for dividends. Suspending the preemptive right of other shareholders, as allowed by Article 2441, Section 8, of the Italian Civil Code, these shares will be offered for purchase through subscription to key executives and employees of DiaSorin S.p.A. and its subsidiaries at a price that shall not be less than the simple average of the official prices of the DiaSorin shares on the Online Stock Market during the period between the date of award of the options and the same day in the previous calendar month (fair value).

The Board of Directors shall have jurisdiction over implementation of the Plan and, acting pursuant to the Plan's Regulations, it shall designate the beneficiaries, decide the number of options that will be awarded, set the option exercise dates and shall adopt any other resolution that may be necessary for the optimum management and implementation of the Plan. By a resolution dated August 10, 2007, the Board of Directors awarded a first batch of 745,000 options to an initial group of beneficiaries. A limited number of these latter options (i.e. 10,000) have returned in the availability of the Board eventually to be re-awarded.
