MATRIC REWRITE

OLD SYLLABUS Fulltime
CAPS CURRICULUM Part time
TECHNICAL MATRIC Distance Learning

Good Matric results further develop your employability, skills transfer such as numeracy, communication, information technology, improve your earnings within the company and industry.

We therefore encourage all prospective learners to join our Matric rewrite class. Our Matric rewrite classes are open every month therefore one can register anytime of the year. All prospective students are encouraged to communicate with the Administration office through the contact details in this brochure so that they meet their registration deadlines.

Taal-Net Matric Rewrite class offers:

- Flexible & accessible ways to advance your career
- Opportunity to upgrade your skills and realize your dreams
- Makes education and life easier for you
- Individual attention from qualified tutors and other support staff

Failing Matric – do not feel depressed, hopeless, helpless and lonely. We are together and remember there is always another chance. Approach us today and you will get to know the matric rewrite options we can offer you. We help you identify what made you fail and make you pass in your second sitting. If you failed your matric, you want to upgrade your marks or you are mature and have not done it before, Taal-Net is the best place for you.

Most professional companies in South Africa now require every employee to have at least a Matric Certificate. Such initiatives help employees to keep up to date with business and professional developments leading to increased confidence and motivation.

Having a matric Certificate improves chances of being promoted at work and getting better opportunities in the business world.

Our matric rewrite classes focus more on concept comprehension, revision and examination coaching. This gives learners much assurance of passing their exams. We revisit syllabus content, revisit past examination questions analyzing the papers together with the learners so that they can learn the techniques and strategies of tackling questions. Much time is devoted to those subjects learners think are difficult such as Mathematics, Physical Science and Biology. Thorough revisions and practice is done for these subjects.

The Matric rewrite Subjects are written in the following months

National Senior Certificate:

CAPS rewrite – October /November

Senior Certificate:

CAPS – May /June

Technical Matric:

April, July and November.
