

**Department of Otolaryngology – Head and Neck Surgery** University of California San Francisco

Thursday – Saturday

# November 10-12, 2022

COURSE CHAIRS
Patrick Ha, MD,
Ivan El-Sayed, MD
Jonathan George, MD, MPH

# November 10th **2022 Intensives:**

Nuts and Bolts Behind Maximizing Communication and Swallowing Outcomes After Oncologic Treatments Joey Laus, M.S. CCC-SLP, BCS-S Sarah L. Schneider, MS, CCC-SLP Sialendoscopy and Surgery for Salivary Obstruction Jolie L. Chang, MD William R. Ryan, MD

# Updates in the Management of Head and Neck Disease

November 10-12, 2022

The Grand Hyatt Hotel • San Francisco, CA

Join us in San Francisco for a conference on the advanced management of head and neck disease. We have curated a multi-faceted program so that each learner can choose the training that suits their needs. All sessions will take place at the *Grand Hyatt Hotel* in the heart of San Francisco.

On **November 10th** we have 2 different day-long Intensives open to anyone. "Nuts and Bolts Behind Maximizing Communication and Swallowing Outcomes After Oncologic Treatments" will feature practical training brought to you from the leaders of the UCSF Voice and Swallowing Center and other members of the multidisciplinary care team. "Sialendoscopy and Surgery for Salivary Obstruction" will feature didactic lectures and a hands-on lab for skills practice with expert guidance.

The General Session "Updates in the Management of Head and Neck Disease" from **November 11-12th** can be taken on its own or in conjunction with a workshop above, for a discounted fee. The goal of this conference is to outline practical treatment strategies for patients with early and advanced head and neck cancers. The multidisciplinary approach to care will be featured along this spectrum. We will address topics relevant to practitioners involved in the diagnosis, management, surveillance, and supportive care of these patients.

The teaching faculty represent some of the best and brightest at UCSF and from across the country. These courses are suitable for physicians, nurses, NPs, speech language pathologists, physician assistants, physicians in training, and all others involved in the care of patients with head and neck disease.

#### **ACCREDITATION**

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF designates this live activity for a maximum of **22.50** AMA PRA Category 1 Credits<sup>TM</sup>.

Credits Breakdown:
Nov. 10 Sialendoscopy: **7.75**Nov. 10 SLP Intensive: **7.50**Nov. 11-12 General Session: **14.75**Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Speech Language Pathologists: Application has been filed with the Speech Language Pathology and Audiology and Hearing Aid Dispensers Board (SLPAHADB). Determination of credit is pending. Please check the course website for updates.

Nurses: For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credits™ issued by organizations accredited by the ACCME.

Physician Assistants: AAPA accepts category 1 credit from AOACCME, Prescribed credit from AAFP, and AMA PRA Category 1 Credits<sup>TM</sup> from organizations accredited by the ACCME.

Pharmacists: The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for AMA PRA Category 1 Credits<sup>™</sup>.

American Board of **Otolaryngology Maintenance** of Certification: Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to meet the expectations of the American Board of Otolaryngology's Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of recognizing participation. The course evaluation must be completed within 30 days of the course ending to receive MOC credit.

### LEARNING OBJECTIVES

We specifically anticipate improvements in skills and strategies to:

- Implement best practice in the complex, multidisciplinary delivery of care for head and neck cancer patients;
- Adapt updates in the management of oral cavity cancer;
- Optimize the use of pathology and radiology to guide head and neck, thyroid, and salivary cancer management;
- Evaluate the goals and techniques of head and neck reconstruction;
- Incorporate novel diagnostic testing in patient care:
- Determine the indications for gland preservation with sialendoscopy and salivary duct surgery versus submandibular or parotid gland resection;
- Introduce surgeon-performed ultrasound and its application for salivary duct disease diagnosis and intraoperative ultrasound-guided salivary duct procedures;
- Determine swallowing therapy techniques appropriate to optimize swallowing outcomes for patients with head and neck cancer:
- Provide rationale for the necessity of instrumental swallowing assessment in patients with head and neck cancer.

#### **GENERAL INFORMATION**

Advance registration closes one (1) business day prior to start of course.

#### **HOW TO ENROLL**

# November 11-12, 2022 (General Session Only)

\$600 Physicians

\$450 Advance Practice Professionals and Speech Language Pathologists

\$450 Physicians in Training

#### November 10-12, 2022 (Intensive + General Session)

\$800 **Physicians** 

\$550

Advance Practice Professionals and Speech Language Pathologists

\$550 Physicians in Training

# November 10, 2022 (Intensives Only)

\$200 Nuts and Bolts Behind Maximizing

Communication and Swallowing Outcomes After Oncologic Treatments

\$400 Sialendoscopy and Surgery for Salivary

Obstruction Hands on Course

We're saving paper! The syllabus will be transmitted electronically one week prior to the course.

#### **REGISTER VIA:**

Online: cme.ucsf.edu

Mail: Complete course registration form

and send with payment to: UCSF Office of CME Box 0742 490 Illinois Street, Floor 8 San Francisco, CA 94143

To register by phone or to inquire about Phone:

registration status, please call UCSF's CME Registration Office at (415) 476-5808.

Please check our website for up-to-date information on the course: cme.ucsf.edu

On-Site Registration: Pre-registration is requested to ensure that we are able to accommodate everyone.

#### **REFUND POLICY**

Cancellations received in writing before November 2, 2022 will be refunded, less a \$100 administrative fee. No refunds will be made on cancellations received after that date.

#### **COVID GUIDELINES**

This conference will follow UCSF, city, state, and federal health and safety guidelines for meeting in person. Proof of vaccination will be required to attend. By registering for the conference attendees agree to adhere to these guidelines. Please visit the conference website for updates: cme.ucsf.edu

#### **CONFERENCE LOCATION**

Enjoy San Francisco's renowned attractions such as the historic cable cars, shopping in Union Square, or visit San Francisco's culinary hub at the Ferry Building.

The Grand Hyatt is just steps from Union Square and features stunning views of the city. A block of questrooms has been reserved at the special UCSF conference rate of \$269/night. You are urged to make your reservations early. The cut off date is October 19, 2022 or until the group room block is filled. To make hotel reservations online, visit the course website. If you prefer to telephone in your reservation, call 415-398-1234 and identify yourself as a member of this UCSF conference to receive the special discounted rate

By staying at the host hotel, you help UCSF meet its contractual obligations and keep registration fees reasonable

# AIR TRANSPORTATION AND RENTAL CAR

UCSF has negotiated special fares with United airlines. Please visit the course webpage for more information

and discount codes.

# THURSDAY, NOVEMBER 10, 2022

# Nuts and Bolts Behind Maximizing Communication and Swallowing **Outcomes After Oncologic Treatments**

7:30 am 8:00	Registration and Continental Breakfast  Course Overview	
8:10	Overview, Insight, and Importance of Multidisciplinary Care	Patrick Ha, MD
8:25	Considering Cancer and the Patient: Surgical Decision Making for Oral Tongue Cancer	Chase Heaton, MD
8:45	Pre-operative Counseling Prior to Free Flap Surgery — Purpose, Perspectives, and Pearls	Sky Yang, SLP and Rahul Seth, MD
9:15	Post-operative Assessment after Oral Cancer Surgery	Cara Evans, SLP and Rahul Seth, MD
10:00	Break	
10:15	The Role of Laryngology in Evaluating and Optimizing Communication and Swallowing Outcomes	Sarah Schneider, SLP and Yue Ma, MD
10:45	How Can Evaluation Practice Patterns and Protocols Enhance the Treatment of Dysphagia and Long-term	James Curtis, PhD, SLP
	Outcomes: Considerations for Head & Neck Cancer	
11:30	Questions & Answers	
12:00 pm	Lunch (on your own)	
1:00	Pre-Radiation Counseling and Preparation: SLP and Radiation Oncology Roles	Brittany Mitchell, SLP
1:30	What Should Every SLP Know About Radiation?	Jason Chan, MD
1:50	Guiding Principles and Considerations for Swallowing Therapy before, during and after Oncologic Treatments	James Curtis, PhD, SLP
2:30	Lymphedema and Manual Therapy	Sky Yang, SLP
2:50	Break	· , · · · · · · · · · · · · · · · · · ·
3:10	Your Patient is a Change-Agent: Maximizing Patient Participation in Behavioral Therapy	Erik Steele, SLP
3:30	Strategies for Addressing Pain and Mood to Improve Participation in Rehabilitation and Outcomes	Jules Vieaux, MD and Neha Goyal, PhD
4:00	Cases Panel Discussion	Faculty
4:55	Questions & Answers	,
5:10 pm	Course Adjourns	

# THURSDAY, NOVEMBER 10, 2022

7:00 am

9:40

# Sialendoscopy and Surgery for Salivary Obstruction Registration and Continental Breakfast

SESSION	1 • MODERATOR: JOLIE CHANG, MD	
7:30	Introduction and Course Overview	Jolie Chang, MD
7:40	Surgical Instrumentation	David Cognetti, MD
8:00	Evaluating Salivary Obstruction with Imaging	Arjun Joshi, MD
8:20	Endoscopic Management of Sialolithiasis	Jeffrey Houlton, MD
8:40	Open Approaches to Submandibular Duct Stones	William Ryan, MD
8:55	Open Approaches to Parotid Duct Stones	M. Allison Ogden, MD
9:10	Panel: Management of Sialolithiasis	Faculty

# **SESSION 2 • MODERATOR: WILLIAM RYAN, MD**

10:00	Endoscopic Management of Duct Stenoses	Jolie Chang, MD
10:20	Open Approaches to Salivary Duct Stenoses	David Cognetti, MD
10:40	Immune-Mediated and RAI-Induced Sialadenitis	M. Allison Ogden, MD
11:00	Panel: Management of Salivary Duct Stenoses	Faculty
11:30 am	Lunch (on your own)	

# **SESSION 3 • MODERATOR: JOLIE CHANG, MD**

1:00 pm	Pediatric Sialendoscopy	Kristina Rosbe, MD
1:20	Managing Sialendoscopic Failures	Arjun Joshi, MD
1:40	Evaluating Therapeutic Outcomes	Jolie Chang, MD
2:00	Practice Set-up and Coding	Jeffrey Houlton, MD
2:10	Panel: Starting Up and Lessons Learned in Practice	Faculty
2:30	Break	

# **SESSION 4 • HANDS-ON STATIONS**

**Practice Sialendoscopy and Ultrasound Skills** with Guidance from Faculty

#### **SESSION 5 • MODERATOR: WILLIAM RYAN, MD**

4:20 **Complex Cases** 

Break

Arjun Joshi, MD • David Cognetti, MD • M. Allison Ogden, MD • Jeffrey Houlton, MD

5:00 pm Course Adjourns
