

College in the

High School

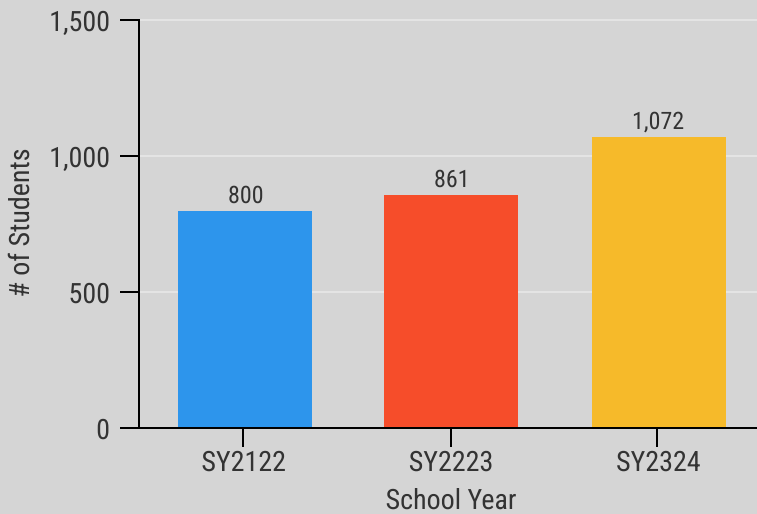

This program provides high school students the opportunity to earn college credit in approved high school courses for free.

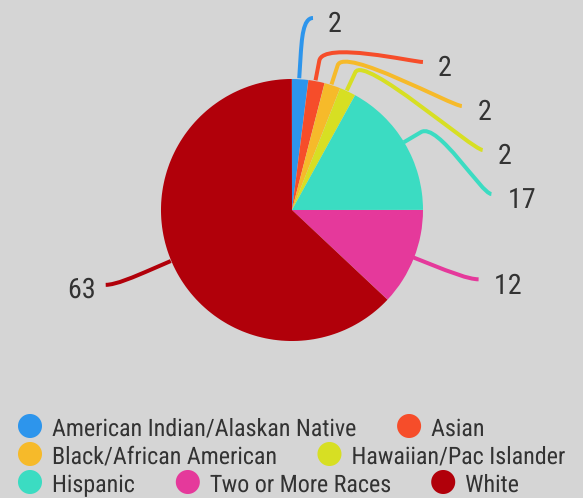

AA Degree

Students who choose this option will graduate as seniors with both a YHS diploma and a SPSCC Associate of Arts Degree. This will allow students to transfer to Washington 4-year colleges or universities as juniors, just two years away from earning their bachelor's degree!

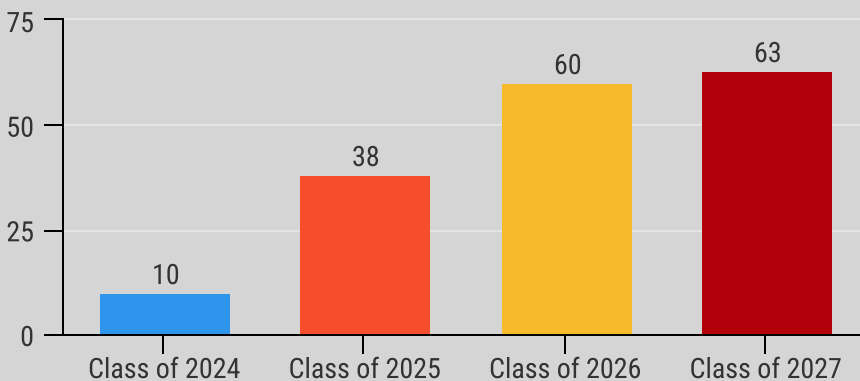

CiHS Course Enrollment by School Year (unduplicated)

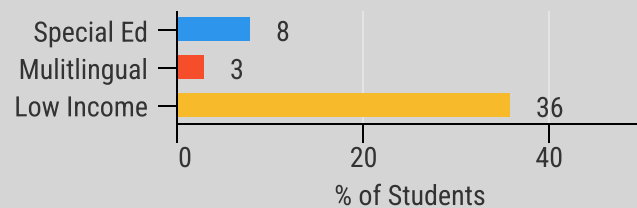

SY2324 CiHS % Enrollment by Race/Ethnicity

AA-DTA Participation by Graduation Class

SY2324 CiHS % Enrollment by Program Attribute

Disproportionality calculations for all student groups are within 2% of total enrollment with the exception of SpEd which is 5% underrepresented.
