

# U.S. Customs and Border Protection

## *General Notices*

### **DISTRIBUTION OF CONTINUED DUMPING AND SUBSIDY OFFSET TO AFFECTED DOMESTIC PRODUCERS**

**AGENCY:** U.S. Customs and Border Protection, Department of Homeland Security.

**ACTION:** Notice of intent to distribute offset for Fiscal Year 2008.

**SUMMARY:** Pursuant to the Continued Dumping and Subsidy Offset Act of 2000, this document is U.S. Customs and Border Protection's notice of intent to distribute assessed antidumping or countervailing duties (known as the continued dumping and subsidy offset) for Fiscal Year 2008 in connection with countervailing duty orders, antidumping duty orders, or findings under the Antidumping Act of 1921. This document sets forth the case name and number of each order or finding for which funds may become available for distribution, together with the list of affected domestic producers, based on the list supplied by the United States International Trade Commission (USITC) associated with each order or finding, who are potentially eligible to receive a distribution. This document also provides the instructions for affected domestic producers (and anyone alleging eligibility to receive a distribution) to file certifications to claim a distribution in relation to the listed orders or findings.

**DATES:** Certifications to obtain a continued dumping and subsidy offset under a particular order or finding must be received by July 29, 2008. Any certification received after July 29, 2008 will be denied, making claimants ineligible for the distribution.

**ADDRESSES:** Certifications and any other correspondence should be addressed to the Assistant Commissioner, Office of Finance, U.S. Customs and Border Protection, Revenue Division, Attention: Leigh Redelman, 6650 Telecom Drive Suite 100, Indianapolis, IN 46278. Any delivery by an express or courier service requiring a street address may be addressed to 6650 Telecom Drive, Suite 100, Indianapolis, IN 46278.

**FOR FURTHER INFORMATION CONTACT:** For general questions regarding preparation of certifications, contact Leigh Redelman, Revenue Division, (317) 614-4462. For questions regarding legal aspects, contact William G. Rosoff, Office of International Trade, Regulations and Rulings, (202) 572-8807.

**SUPPLEMENTARY INFORMATION:**

**BACKGROUND**

The Continued Dumping and Subsidy Offset Act of 2000 (CDSOA) was enacted on October 28, 2000, as part of the Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2001 (the “Act”). The provisions of the CDSOA are contained in title X (§§ 1001-1003) of the Act.

The CDSOA, in § 1003 of the Act, amended title VII of the Tariff Act of 1930, as amended, by adding a new § 754 (codified at 19 U.S.C. 1675c) in order to provide that assessed duties received pursuant to a countervailing duty order, an antidumping duty order, or a finding under the Antidumping Act of 1921 will be distributed to affected domestic producers for certain qualifying expenditures that these producers incur after the issuance of such an order or finding. The term “affected domestic producer” means any manufacturer, producer, farmer, rancher or worker representative (including associations of such persons) who:

- (A) was a petitioner or interested party in support of a petition with respect to which an antidumping order, a finding under the Antidumping Act of 1921, or a countervailing duty order that has been entered,
- (B) remains in operation continuing to produce the product covered by a countervailing duty order, an antidumping duty order, or a finding under the Antidumping Act of 1921, and
- (C) if a company, has not been acquired by another company or business that is related to a company that opposed the antidumping or countervailing duty investigation that led to the order or finding, e.g., opposed the petition or otherwise presented evidence in opposition to the petition.

The distribution that these parties may receive is known as the continued dumping and subsidy offset.

Section 7601(a) of the Deficit Reduction Act of 2005 repealed 19 U.S.C. 1675c. According to § 7701 of the Deficit Reduction Act, the repeal takes effect as if enacted on October 1, 2005. However, § 7601(b) provides that all duties collected on an entry filed before October 1, 2007, shall be distributed as if 19 U.S.C. 1675c had not been repealed by § 7601(a).

Consequently, the full impact of the CDSOA repeal on amounts available for distribution may be delayed for several years. First, money collected on an entry filed before October 1, 2007, will continue to be subject to the distribution procedures under former § 1675c. Second, the duty on an entry is not available for distribution until the entry is liquidated pursuant to the direction of the Department of Commerce and the duty is collected and deposited into the special account; therefore, the distribution process will continue until all entries made before October 1, 2007, are liquidated and the duties are collected. Because of the statutory constraints in the assessments of antidumping and countervailing duties, the distribution process will be continued for an undetermined period; however, the amount of money available for distribution can be expected to diminish over time. It should also be noted that amounts distributed may be subject to recovery as a result of reliquidations, court actions, administrative errors, and other reasons.

#### **List of Orders or Findings and Affected Domestic Producers**

It is the responsibility of the U.S. International Trade Commission (USITC) to ascertain and timely forward to U.S. Customs and Border Protection (CBP) a list of the affected domestic producers that are potentially eligible to receive an offset in connection with an order or finding. In this regard, it is noted that the USITC has supplied CBP with the list of individual antidumping and countervailing duty cases, and the affected domestic producers associated with each case who are potentially eligible to receive an offset. This list appears at the end of this document.

Recent decisions by the Court of International Trade (CIT) have interpreted various provisions of the CDSOA, particularly those related to the definition of the term “affected domestic producer.” In Pat Huval Restaurant & Oyster Bar, Inc. v. United States, 2008 Ct. Int’l Trade LEXIS 23, Slip Op. 08–26 (Ct. Int’l Trade Mar. 3, 2008), the CIT held that a domestic producer’s failure to file timely certifications in certain fiscal years was not necessarily a bar to seeking judicial review for disbursements made within two years of filing suit because “Customs could have done nothing but reject them.” In both SKF USA Inc. v. United States, 451 F. Supp. 2d 1355, 1366 (Ct. Int’l Trade 2006), and PS Chez Sidney, L.L.C. v. United States ITC, 502 F. Supp. 2d 1318, 1325 (Ct. Int’l Trade 2007), the CIT held that the CDSOA’s support requirement was unconstitutional and severed this requirement for eligibility. As a result of these decisions and a number of other pending cases, CBP has calculated and withheld from distribution an amount corresponding to the pro-rata share of all domestic producers who have filed timely and facially accurate certifications starting in 2006, despite the fact that some claimants may not have appeared on the ITC list. Therefore, at a minimum, even under the relevant court decisions, it would not have been futile for domestic producers not appearing on the ITC list to file certifications starting in fiscal year 2006. CBP will determine the proper recipients of these funds once certain legal issues are resolved. As a

result, domestic producers who are not on the USITC list but believe they nonetheless are eligible for a CDSOA distribution under one or more antidumping and/or countervailing duty cases are required, as are all potential claimants that expressly appear on the list, to file their certification(s) within 60 days after this notice is published. Certifications that are not timely filed within the requisite 60 days will be summarily denied.

### **Regulations Implementing the CDSOA**

It is noted that CBP published Treasury Decision (T.D.) 01-68 (Distribution of Continued Dumping and Subsidy Offset to Affected Domestic Producers) in the **Federal Register** (66 FR 48546) on September 21, 2001, which was effective as of that date, in order to implement the CDSOA. The final rule added a new subpart F to part 159 of title 19, Code of Federal Regulations (19 CFR part 159, subpart F (§§ 159.61-159.64)). More specific guidance regarding the filing of certifications is provided in this notice in order to aid affected domestic producers and other domestic producers alleging eligibility (“claimants” or “domestic producers”).

### **Notice of Intent To Distribute Offset**

This document announces that CBP intends to distribute to affected domestic producers the assessed antidumping or countervailing duties that are available for distribution in Fiscal Year 2008 in connection with those antidumping duty orders or findings or countervailing duty orders that are listed in this document. Section 159.62(a) of title 19 (19 CFR 159.62(a)) provides that CBP will publish such a notice of intention to distribute assessed duties at least 90 calendar days before the end of a fiscal year. Failure to publish the notice at least 90 calendar days before the end of the fiscal year will not impact an affected domestic producer’s obligation to file a timely certification within 60 days after the notice is published.

### **Certifications; Submission and Content**

To obtain a distribution of the offset under a given order or finding, an affected domestic producer (and anyone alleging eligibility to receive a distribution) must submit a certification for each order or finding under which a distribution is sought, to CBP, indicating their desire to receive a distribution. To be eligible to obtain a distribution, certifications must be received by CBP no later than 60 calendar days after the date of publication of this notice of intent to distribute in the **Federal Register**. All certifications not received by the 60th day will not be eligible to receive a distribution.

As required by 19 CFR 159.62(b), this notice provides the case name and number of the order or finding concerned, as well as the specific instructions for filing a certification under § 159.63 to claim a distribution. Section 159.62(b) also provides that the dollar

amounts subject to distribution that are contained in the Special Account for each listed order or finding are to appear in this notice. However, these dollar amounts were not available in time for inclusion in this publication. The preliminary amounts will be posted on the CBP website ([www.cbp.gov](http://www.cbp.gov)) in order to assist potential claimants in determining whether it would be worthwhile to file a certification in a given case. The final amounts available for distribution may be higher or lower than the preliminary amounts.

CBP will provide general information to claimants regarding the preparation of certification(s). However, it remains the sole responsibility of the domestic producer to ensure that the certification is correct, complete, and accurate so as to demonstrate the eligibility of the domestic producer for the distribution requested. Failure to ensure that the certification is correct, complete, and accurate as provided in this notice will result in the domestic producer not receiving a distribution.

Specifically, to obtain a distribution of the offset under a given order or finding, each potential claimant must timely submit a certification containing the required information detailed below as to the eligibility of the domestic producer to receive the requested distribution and the total amount of the distribution that the domestic producer is claiming. Certifications should be submitted to the Assistant Commissioner, Office of Finance, U.S. Customs and Border Protection, Revenue Division. The certification must enumerate the qualifying expenditures incurred by the domestic producer since the issuance of an order or finding and it must demonstrate that the domestic producer is eligible to receive a distribution as an affected domestic producer or allege another basis of eligibility.

A successor to a company that was an affected domestic producer at the time of acquisition should consult 19 CFR 159.61(b)(1)(i). We note that the successor company may assume joint and several liability for the return of any overpayments arising under § 159.64(c)(3) that were previously paid to the predecessor. CBP may require the successor company to provide documents to support its eligibility to receive a distribution as set out in § 159.63(d).

A member company (or its successor) of an association that appears on the list of affected domestic producers in this notice, where the member company itself does not appear on the list, should consult 19 CFR 159.61(b)(1)(ii). Specifically, for a certification under 19 CFR 159.61(b)(1)(ii), the claimant must name the association of which it is a member and specifically establish that it was a member of the association at the time the association filed the petition with the USITC and establish that the company is a current member of the association. In order to promote accurate filings and more efficiently process the distributions, we offer the following guidance. If claimants are members of an association but the association does not file on their behalf, each association will need to provide their mem-

bers with a statement which contains notarized company specific information including dates of membership, and an original signature from an authorized representative of the association. An association filing a certification on behalf of a member must also provide a power of attorney or other evidence of legal authorization from each of the domestic producers it is representing. An association filing a certification on behalf of a member is responsible for verifying the accuracy of the member's financial records, which support their claim, and is responsible for that certification. Any association filing a certification on behalf of a member is responsible for verifying the legal sufficiency and accuracy of the member's financial records, which support the claim and may be liable for repayment of any claim found to have been paid in error.

The association may file a certification in its own right to claim an offset for that order or finding, but its qualifying expenditures would be limited to those expenditures that the association itself has incurred after the date of the order or finding in connection with the particular case.

As provided in 19 CFR 159.63(a), certifications to obtain a distribution of an offset must be received by CBP no later than 60 calendar days after the date of publication of the notice of intent in the **Federal Register**. All certifications received after the 60-day deadline will be summarily denied, making claimants ineligible for the distribution regardless of whether or not they appeared on the USITC list.

A list of all certifications received will be published on the CBP website shortly after the receipt deadline. This publication will not confirm acceptance or validity of the certification, but merely receipt of the certification. Due to the high volume of certifications, CBP is unable to respond to individual telephone or written inquiries regarding the status of a certification appearing on the list.

While there is no required format for a certification, CBP has developed a standard certification form to aid claimants in filing certifications. The certification form is available at [www.pay.gov](http://www.pay.gov) under Public Form Name entitled CDSOA. The certification form also follows this **Federal Register** Notice. The certification form may be submitted electronically through [www.pay.gov](http://www.pay.gov) or by mail. All certifications not submitted electronically must include original signatures.

Regardless of the format for a certification, per 19 CFR 159.63(b), the certification must contain the following information:

1. The date of this **Federal Register** notice;
2. The Commerce case number;
3. The case name (producer/country);
4. The name of the domestic producer and any name qualifier, if applicable (for example, any other name under which the domestic producer does business or is also known);

5. The mailing address of the domestic producer (if a post office box, the physical street address must also appear) including, if applicable, a specific room number or department;
6. The Internal Revenue Service (IRS) number (with suffix) of the domestic producer, employer identification number, or social security number, as applicable;
7. The specific business organization of the domestic producer (corporation, partnership, sole proprietorship);
8. The name(s) of any individual(s) designated by the domestic producer as the contact person(s) concerning the certification, together with the phone number(s), mailing address and, if available, facsimile transmission number(s) and electronic mail (e-mail) address(es) for the person(s). Correspondence from CBP will be directed to the designated contact(s) by either mail or phone or both;
9. The total dollar amount claimed;
10. The dollar amount claimed by category, as described in the section below entitled "Amount Claimed for Distribution";
11. A statement of eligibility, as described in the section below entitled "Eligibility to Receive Distribution"; and
12. For certifications not submitted electronically through [ww.w.pay.gov](http://ww.w.pay.gov), [CP1]an original signature by an individual legally authorized to bind the producer.

### **Qualifying Expenditures Which May Be Claimed for Distribution**

Qualifying expenditures which may be offset by a distribution of assessed antidumping and countervailing duties encompass those expenditures that are incurred by the domestic producer after the issuance of an antidumping duty order or finding or a countervailing duty order, and prior to its termination, provided that such expenditures fall within certain categories. The repeal language parallels the termination of an order. Therefore, for duty orders or findings that have not been previously revoked, expenses must be incurred before October 1, 2007, to be eligible for offset. For duty orders or findings that have been revoked, expenses must be incurred before the effective date of the revocation to be eligible for offset. For example, assume for case A-331-802, certain frozen warm-water shrimp and prawns from Ecuador, that the order date is February 1, 2005, and that the revocation effective date is August 23, 2007. In this case, eligible expenditures would have to be incurred between February 1, 2005, and August 23, 2007.

For the convenience and ease of the domestic producers, CBP is providing guidance on what the agency takes into consideration when making a calculation for each of the following categories: (1) Manufacturing facilities: (Any facility used for the transformation of raw material into a finished product that is the subject of the related

order or finding); (2) Equipment: (Goods that are used in a business environment to aid in the manufacturing of a product that is the subject of the related order or finding); (3) Research and development: (Seeking knowledge and determining the best techniques for production of the product that is the subject of the related order or finding); (4) Personnel training: (Teaching of specific useful skills to personnel, that will improve performance in the production process of the product that is the subject of the related order or finding); (5) Acquisition of technology: (Acquisition of applied scientific knowledge and materials to achieve an objective in the production process of the product that is the subject of the related order or finding); (6) Health care benefits for employees paid for by the employer: (Health care benefits paid to employees who are producing the specific product that is the subject of the related order or finding); (7) Pension benefits for employees paid for by the employer: (Pension benefits paid to employees who are producing the specific product that is the subject of the related order or finding); (8) Environmental equipment, training, or technology: (Equipment, training, or technology used in the production of the product that is the subject of the related order or finding, that will assist in preventing potentially harmful factors from impacting the environment); (9) Acquisition of raw materials and other inputs: (Purchase of unprocessed materials or other inputs needed for the production of the product that is the subject of the related order or finding); and (10) Working capital or other funds needed to maintain production: (Assets of a business that can be applied to its production of the product that is the subject of the related order or finding).

#### **Amount Claimed for Distribution**

In calculating the amount of the distribution being claimed as an offset, the certification must indicate: (1) The total amount of any qualifying expenditures currently and previously certified by the domestic producer, and the amount certified by category; (2) The total amount of those expenditures which have been the subject of any prior distribution for the order or finding being certified under 19 U.S.C. 1675c; and (3) The net amount for new and remaining qualifying expenditures being claimed in the current certification (the total amount currently and previously certified as noted in item “(1)” above minus the total amount that was the subject of any prior distribution as noted in item “(2)” above). In accordance with 19 CFR 159.63(b)(2)(i)-(b)(2)(iii), CBP will deduct the amount of any prior distribution from the producer’s claimed amount for that case. Total amounts disbursed by CBP under the CDSOA for Fiscal Years 2001 through 2007 are available on the CBP website.

Additionally, under 19 CFR 159.61(c), these qualifying expenditures must be related to the production of the same product that is

the subject of the order or finding, with the exception of expenses incurred by associations which must relate to a specific case.

### **Eligibility To Receive Distribution**

As noted, the certification must contain a statement that the domestic producer desires to receive a distribution and is eligible to receive the distribution as an affected domestic producer or on another legal basis. Also, the domestic producer must affirm that the net amount certified for distribution does not encompass any qualifying expenditures for which distribution has previously been made (19 CFR 159.63(b)(3)(i)).

Furthermore, under 19 CFR 159.63(b)(3)(ii), where a domestic producer files a separate certification for more than one order or finding using the same qualifying expenditures as the basis for distribution in each case, each certification must list all the other orders or findings where the producer is claiming the same qualifying expenditures.

Moreover, as required by 19 U.S.C. 1675c(b)(1) and 19 CFR 159.63(b)(3)(iii), the certification must include information as to whether the domestic producer remains in operation at the time the certifications are filed and continues to produce the product covered by the particular order or finding under which the distribution is sought. If a domestic producer is no longer in operation, or no longer produces the product covered by the order or finding, the producer will not be considered an affected domestic producer entitled to receive a distribution.

In addition, as required by 19 U.S.C. 1675c(b)(5) and 19 CFR 159.63(b)(3)(iii), the domestic producer must state whether it has been acquired by a company that opposed the investigation or was acquired by a business related to a company that opposed the investigation. If a domestic producer has been so acquired, the producer will not be considered an affected domestic producer entitled to receive a distribution. However, CBP may not make a final decision regarding the claimant's eligibility to receive funds until certain legal issues which may affect the claimant's eligibility are resolved. In these instances, CBP may withhold an amount of funds corresponding to the claimant's alleged pro rata share of funds from distribution pending the resolution of those legal issues.

The certification must be executed and dated by a party legally authorized to bind the domestic producer and it must state that the information contained in the certification is true and accurate to the best of the certifier's knowledge and belief under penalty of law, and that the domestic producer has records to support the qualifying expenditures being claimed (see section below entitled "Verification of Certification").

Moreover, as provided in 19 CFR 159.64(b)(3), overpayments to affected domestic producers are recoverable by CBP and CBP reserves

the right to use all available collection tools to recover overpayments. Overpayments may occur for a variety of reasons such as reliquidations, court actions, and administrative errors.

### **Review and Correction of Certification**

A certification that is submitted in response to this notice of distribution and received within 60 calendar days after the date of publication of the notice in the **Federal Register** may, at CBP's sole discretion, be subject to review before acceptance to ensure that all informational requirements are complied with and that any amounts set forth in the certification for current and prior qualifying expenditures, including the amount claimed for distribution, appear to be correct. A certification that is found to be materially incorrect or incomplete will be returned to the domestic producer within 15 business days after the close of the 60 calendar-day filing period, as provided in 19 CFR 159.63(c). CBP must receive a corrected certification from the domestic producer and/or an association filing on behalf of an association member within 10 business days from the date of the original denial letter. Failure to receive a correct certification will result in denial as an untimely submission of a correct certification. It is the sole responsibility of the domestic producer to ensure that the certification is correct, complete, and satisfactory so as to demonstrate the eligibility of the domestic producer to the distribution requested. Failure to ensure that the certification is correct, complete, and satisfactory will result in the domestic producer not receiving a distribution.

### **Verification of Certification**

Certifications are subject to CBP's verification. Claimants may also be required to provide copies of additional records for further review by CBP. Therefore, parties are required to maintain records supporting their claims for a period of five years after the filing of the certification (19 CFR 159.63(d)). The records must support each qualifying expenditure enumerated in the certification and they must support how the qualifying expenditures are determined to be related to the production of the product covered by the order or finding. Although CBP will accept comments and information from the public and other domestic producers, CBP retains complete discretion regarding the initiation and conduct of investigations stemming from such information.

### **Disclosure of Information in Certifications; Acceptance by Producer**

The name of the claimant, the total dollar amount claimed by the party on the certification, as well as the total dollar amount that CBP actually disburses to that affected domestic producer as an offset, will be available for disclosure to the public, as specified in 19

CFR 159.63(e). To this extent, the submission of the certification is construed as an understanding and acceptance on the part of the domestic producer that this information will be disclosed to the public. Alternatively, a statement in a certification that this information is proprietary and exempt from disclosure will result in CBP's rejection of the certification.

**List of Orders or Findings and Related Domestic Producers**

The list of individual antidumping duty orders or findings and countervailing duty orders is set forth below (following the CDSOA certification form), together with the affected domestic producers associated with each order or finding who are potentially eligible to receive an offset. Those domestic producers not on the list must allege another basis for eligibility in their certification.

Statement of Eligibility

42. \_\_\_\_\_ (Claimant's Name as it appears on USITC List or Association Membership List, if applicable) desire to receive a distribution and is eligible to receive a distribution as an affected domestic producer. I affirm that the net amount certified for distribution does not encompass any qualifying expenditures for which distributions previously have been made.

43. \_\_\_\_\_ (Claimant's Name as it appears on USITC List or Association Membership List, if applicable) remains in operation and continues to produce the product covered by the particular order or finding under which the distribution is sought.

44. \_\_\_\_\_ (Claimant's Name as it appears on USITC List or Association Membership List, if applicable) has not been acquired by a company that opposed the investigation or acquired by a business related to a company that opposed the investigation.

Certification

The information contained in this certification is true and accurate to the best of the knowledge and belief, under penalty of law, of the claimant and the claimant has records to support the qualifying expenditures being claimed.

45. Print Name of Person(s) Legally Authorized to Bind Producer \_\_\_\_\_

46. Date \_\_\_\_\_

47. Signature of Person(s) Legally Authorized to Bind Producer \_\_\_\_\_

48. Title of Person(s) Legally Authorized to Bind Producer \_\_\_\_\_

49. By submitting this certification, the certifier, \_\_\_\_\_, states that they are legally authorized to bind the producer and that information contained in the certification is true and accurate to the best of the certifier's knowledge and belief under penalty of law and the domestic producer has records to support the qualifying expenditures being claimed.

Privacy and Paperwork Reduction Act Statement

This statement is provided pursuant to the Privacy Act of 1974 (P.L. 93-579) for individuals seeking distributions under the Continued Dumping and Subsidy Offset Act of 2000 (19 U.S.C. § 1675c, as amended). The requested information is collected under the authority of 19 U.S.C. 1675c. The information collected on this form will be used by CBP to determine a claimant's eligibility for a distribution under the Continued Dumping and Subsidy Offset Act of 2000. Furnishing the information on this form is voluntary, however, failure to provide all requested information may result in denial of your certification. The name of the claimant, the total dollar amount claimed by that party on the certification, as well as the total dollar amount that CBP actually disburses to that claimant as an offset, will be available for disclosure to the public, as specified in 19 C.F.R. § 159.63. Public Law 104-134 (April 26, 1996) requires that any person doing business with the Federal government furnish a social security number or tax identification number.

We estimate this form will take an average of 1 hour to complete, including the time for reviewing instructions, getting the needed data, and reviewing the completed form. Send comments regarding our estimate or any other aspect of this form, including suggestions for reducing completion time, to CBP Office of Finance Revenue Division. The OMB number, 1651-0086, is currently valid. CBP may not collect this information; and you are not required to respond, unless this number is displayed.

DEPARTMENT OF HOMELAND SECURITY,  
OFFICE OF THE COMMISSIONER OF CUSTOMS.  
*Washington, DC, June 4, 2008*

The following documents of U.S. Customs and Border Protection (“CBP”), Office of Regulations and Rulings, have been determined to be of sufficient interest to the public and CBP field offices to merit publication in the CUSTOMS BULLETIN.

Myles B. Harmon for SANDRA L. BELL,  
*Executive Director,  
Regulations and Rulings,  
Office of International Trade.*

**PROPOSED MODIFICATION OF RULING LETTER AND  
PROPOSED REVOCATION OF TREATMENT RELATING TO  
THE TARIFF CLASSIFICATION OF CERTAIN FOOTWEAR**

**AGENCY:** U.S. Customs and Border Protection; Department of Homeland Security.

**ACTION:** Notice of proposed revocation of a ruling letter and treatment relating to tariff classification of certain footwear identified as “floral thong sandals”.

**SUMMARY:** Pursuant to section 625(c), Tariff Act of 1930 (19 U.S.C. 1625 (c)), as amended by Section 623 of Title VI (Customs Modernization) of the North American Free Trade Agreement Implementation Act (Pub.L. 103–182, 107 Stat. 2057), this notice advises interested parties that Customs and Border Protection (CBP) proposes to revoke one ruling letter relating to the tariff classification of certain footwear under the Harmonized Tariff Schedule of the United States (HTSUS). CBP also proposes to revoke any treatment previously accorded by CBP to substantially identical transactions. Comments are invited on the correctness of the proposed actions.

**DATE:** Comments must be received on or before July 18, 2008.

**ADDRESS:** Written comments are to be addressed to Customs and Border Protection, Office of International Trade, Regulations and Rulings, Attention: Trade and Commercial Regulations Branch, 1300 Pennsylvania Avenue, N.W. (Mint Annex), Washington, D.C. 20229. Submitted comments may be inspected at Customs and Border Protection, 799 9<sup>th</sup> Street N.W., Washington, D.C. during regular business hours. Arrangements to inspect submitted comments should be made in advance by calling Mr. Joseph Clark at (202) 572–8768.

**FOR FURTHER INFORMATION CONTACT:** Greg Connor, Tariff Classification and Marking Branch: (202) 572-8749

**SUPPLEMENTARY INFORMATION:**

**BACKGROUND**

On December 8, 1993 Title VI, (Customs Modernization) of the North American Free Trade Agreement Implementation Act (Pub. L. 103-182, 107 Stat. 2057) (hereinafter "Title VI"), became effective. Title VI amended many sections of the Tariff Act of 1930, as amended, and related laws. Two new concepts which emerge from the law are "**informed compliance**" and "**shared responsibility**." These concepts are premised on the idea that in order to maximize voluntary compliance with customs laws and regulations, the trade community needs to be clearly and completely informed of its legal obligations. Accordingly, the law imposes a greater obligation on CBP to provide the public with improved information concerning the trade community's responsibilities and rights under the customs and related laws. In addition, both the trade and CBP share responsibility in carrying out import requirements. For example, under section 484 of the Tariff Act of 1930, as amended (19 U.S.C. §1484), the importer of record is responsible for using reasonable care to enter, classify and value imported merchandise, and provide any other information necessary to enable CBP to properly assess duties, collect accurate statistics and determine whether any other applicable legal requirement is met.

Pursuant to section 625 (c)(1), Tariff Act of 1930, as amended (19 U.S.C. 1625 (c)(1)), this notice advises interested parties that CBP intends to revoke a ruling letter pertaining to the tariff classification of certain footwear identified as "floral thong sandals". Although in this notice, CBP is specifically referring to the revocation of New York Ruling Letter (NY) N006001, dated February 16, 2007 (Attachment A), this notice covers any rulings on this merchandise which may exist but have not been specifically identified. CBP has undertaken reasonable efforts to search existing databases for rulings in addition to the one identified. No further rulings have been found. Any party who has received an interpretive ruling or decision (i.e., ruling letter, internal advice memorandum or decision or protest review decision) on the merchandise subject to this notice should advise CBP during this notice period.

Similarly, pursuant to section 625 (c)(2), Tariff Act of 1930, as amended (19 U.S.C. 1625 (c)(2)), CBP intends to revoke any treatment previously accorded by CBP to substantially identical transactions. Any person involved in substantially identical transactions should advise CBP during this notice period. An importer's failure to advise CBP of substantially identical transactions or of a specific ruling not identified in this notice, may raise issues of reasonable care

on the part of the importer or its agents for importations of merchandise subsequent to the effective date of the final notice of this proposed action.

In NY N006001, set forth in Attachment A to this document, CBP determined that the subject merchandise was classified in heading 6402, HTSUS, and specifically in subheading 6402.99.4060 of the Harmonized Tariff Schedule of the United States Annotated (HTSUSA), which provides for, in pertinent part: “[o]ther footwear with uppers of rubber or plastics: Other footwear: Other: Other: Footwear with open toes or open heels . . . : Other: For women.” It is now CBP’s position that the subject sandals are properly classified in subheading 6402.99.3165, HTSUSA, which provides for, in pertinent part: “[o]ther footwear with uppers of rubber or plastics: Other footwear: Other: Other: Having uppers of which over 90 percent of the external surface area (including any accessories or reinforcements such as those mentioned in note 4(a) to this chapter) is rubber or plastics . . . : Other: Other . . . Other: For women.”

Pursuant to 19 U.S.C. 1625(c)(1), CBP intends to revoke NY N006001 and revoke or modify any other ruling not specifically identified, in order to reflect the proper classification of the subject footwear according to the analysis contained in proposed Headquarters Ruling Letter H019060, set forth as Attachment B to this document. Additionally, pursuant to 19 U.S.C. 1625(c)(2), CBP intends to revoke any treatment previously accorded by CBP to substantially identical transactions.

Before taking this action, consideration will be given to any written comments timely received.

**DATED:** May 30, 2008

Gail A. Hamill for MYLES B. HARMON,  
*Director,*  
*Commercial and Trade Facilitation Division.*

RE: The tariff classification of footwear from China

DEAR MR. PARKER:

In your letter dated January 17, 2007 you requested a tariff classification ruling. The submitted sample, identified as the "Floral Thong Sandal"-PP 359887, is a women's open-toe, open-heel, toe-thong fashion sandal with a ½-inch high plastic heel and a rubber/plastic sole. The shoe has a predominately rubber/plastic material upper comprised of a functionally stitched plastic "Y" configured strap-like vamp that includes numerous decorative accessories or reinforcements. These accessories or reinforcements consist of eight small daisy-like flowers with plastic material petals and ¼-inch diameter, round shiny metal centers. There are also six more small round metal stud-like accessories or reinforcements arranged along the sides of the upper and the sandal also has a heel strap closure with a small metal buckle. We have determined by visual estimates, that metal accessories or reinforcements account for more than 10% of the external surface area of this shoe's upper.

The applicable subheading for the women's shoe, identified as the "Floral Thong Sandal"-PP 359887, will be 6402.99.4060, Harmonized Tariff Schedule of the United States (HTSUS), which provides for footwear, in which both the upper's and outer sole's external surface is predominately rubber and/or plastics; which is not "sports footwear"; which does not cover the ankle; in which the upper's external surface area does not measure over 90% rubber or plastics (including any accessories or reinforcements); which has open toes or open heels; and which is not a house slipper. The rate of duty will be 37.5% ad valorem.

Duty rates are provided for your convenience and are subject to change. The text of the most recent HTSUS and the accompanying duty rates are provided on World Wide Web at <http://www.usitc.gov/tata/hts/>.

The submitted sample is not marked with the country of origin. Therefore, if imported as is, it will not meet the country of origin marking requirements of 19 U.S.C. 1304. Accordingly, the footwear would be considered not legally marked under the provisions of 19 C.F.R. 134.11 which states, "every article of foreign origin (or its container) imported into the U.S. shall be marked in a conspicuous place as legibly, indelibly, and permanently as the nature of the article (or container) will permit, in such manner as to indicate to the ultimate purchaser in the U.S. the English name of the country of origin of the article."

We are returning the sample as you requested.

This ruling is being issued under the provisions of Part 177 of the Customs Regulations (19 C.F.R. 177).

A copy of the ruling or the control number indicated above should be provided with the entry documents filed at the time this merchandise is imported. If you have any questions regarding the ruling, contact National Import Specialist Richard Foley at 646-733-3042.

**RE:** Tariff classification of “floral thong sandal”; reconsideration of NY N006001

DEAR MR. RYAN:

In New York Ruling Letter (NY) N006001, National Commodity Specialist Division, Customs and Border Protection (CBP), issued to your client, Avon Products, Inc. on February 16, 2007, a certain “floral thong sandal” (sandal) was classified under subheading 6402.99.4060 of the Harmonized Tariff Schedule of the United States Annotated (HTSUSA), which provides for, in pertinent part: “[o]ther footwear with uppers of rubber or plastics: Other footwear: Other: Other: Footwear with open toes or open heels . . . : Other: For women.” We have since reviewed NY N006001 and find it to be in error.

**FACTS:**

The sandal discussed in N006001 is identified by style number PP 359887. It is a women’s open-toe, open-heel, toe-thong fashion sandal with a ½ - inch high plastic heel and a rubber/plastic sole. The “Y” configured strap-like vamp includes numerous decorative accessories or reinforcements. These accessories or reinforcements consist of eight small daisy-like flowers with plastic material petals and ¼ - inch diameter, round shiny metal centers. There are also six more small round metal stud-like accessories or reinforcements arranged along the sides of the upper and the sandal also has a heel strap closure with a small metal buckle.

In issuing NY N006001, it was determined by visual estimation that the metal accessories and reinforcements account for more than 10% of the external surface area of the sandal upper. Subsequent laboratory analysis has

indicated that following constitutes the specific breakdown of the external surface area upper: 93.6 percent rubber/plastic and 6.4 percent metal (buckle plus fourteen rivets).

The submitted sample is not marked with a country of origin. However, you have stated that your client will mark the merchandise in accordance with the requirements of 19 U.S.C. §1304 upon importation. As such, this letter will discuss only the issue of tariff classification of the subject sandal.

**ISSUE:**

What is the proper classification under the HTSUS for the subject merchandise?

**LAW AND ANALYSIS:**

Classification under the HTSUS is made in accordance with the General Rules of Interpretation (GRIs). GRI 1 provides that the classification of goods shall be determined according to the terms of the headings of the tariff schedule and any relative section or chapter notes. In the event that the goods cannot be classified solely on the basis of GRI 1, and if the headings and legal notes do not otherwise require, the remaining GRIs 2 through 6 may then be applied in order.

For classification at the subheading level, GRI 6 is implicated. It states:

For legal purposes, the classification of goods in the subheading of a heading shall be determined according to the terms of those subheadings and any related subheading notes and, *mutatis mutandis*, to the above rules, on the understanding that only subheadings at the same level are comparable. For the purposes of this rule, the relative section, chapter and subchapter notes also apply, unless the context otherwise requires.

The HTSUS provisions under consideration are as follows:

- 6402                    Other footwear with outer soles and uppers of rubber or plastics:
  - \*       \*       \*
  - Other footwear:
    - \*       \*       \*
- 6402.99                Other:
  - \*       \*       \*
  - Other:

Having uppers of which over 90 percent of the external surface area (including any accessories or reinforcements such as those mentioned in note 4(a) to this chapter) is rubber or plastics (except footwear having a foxing or a foxing-like band applied or molded at the sole and overlapping the upper and except footwear designed to be worn over, or in lieu of, other footwear as a protection against water, oil, grease or chemicals or cold or inclement weather):

\* \* \*

Other:

\* \* \*

6402.99.31 Other,

\* \* \*

6402.99.40 Footwear with open toes or open heels; footwear of the slip-on type, that is held to the foot without the use of laces or buckles or other fasteners, the foregoing except footwear of subheading 6402.99.20 and except footwear having a foxing or a foxing-like band wholly or almost wholly of rubber or plastics applied or molded at the sole and overlapping the upper . . .

As indicated by the subheading text above (at the fifth indentation) note 4 to chapter 64, HTSUS, is implicated here. Note 4(a), which pertains to the composition of the upper, states, in pertinent part:

The material of the upper shall be taken to be the constituent material having the greatest external surface area, no account being taken of accessories or reinforcements such as ankle patches, edging, ornamentation, buckles, tabs, eyelet stays or similar attachments.

Consequently, in order to satisfy the terms of the subheading, which references note 4, the subject merchandise must: (1) have uppers of which over 90 percent of the surface area is rubber or plastics; (2) not possess a foxing or foxing-like band applied or molded at the sole and overlapping the upper; and (3) not be designed to be worn over, or in lieu of, other footwear as protection against water, oil, grease or chemicals or cold or inclement weather.

The principal issue in this case concerns whether or not the uppers consist of more than 90 percent rubber or plastics. The laboratory analysis conducted after NY N006001 was issued confirms that the upper of the subject sandal is indeed composed of over 90 percent rubber or plastics. As a consequence, the sandal is most specifically described in subheading 6402.99.31, HTSUS, as opposed to 6402.99.40, HTSUS.

**HOLDING:**

By application of GRI 6 and GRI 1, the “floral thong sandal” (item number PP359887) is classifiable under heading 6402, HTSUS, and specifically provided for in subheading 6402.99.3165, HTSUSA, which provides for, in pertinent part: “[o]ther footwear with uppers of rubber or plastics: Other footwear: Other: Other: Having uppers of which over 90 percent of the external surface area (including any accessories or reinforcements such as those mentioned in note 4(a) to this chapter) is rubber or plastics . . . : Other: Other . . . Other: For women.” The column one, general rate of duty is 6 percent *ad valorem*.

Duty rates are provided for your convenience and subject to change. The text of the most recent HTSUS and the accompanying duty rates are provided on the World Wide Web at [www.usitc.gov](http://www.usitc.gov).

**EFFECT ON OTHER RULINGS:**

NY N006001, dated February 16, 2007 is hereby REVOKED.

**PROPOSED REVOCATION OF A RULING LETTER AND  
PROPOSED REVOCATION OF TREATMENT RELATING TO  
THE TARIFF CLASSIFICATION OF CERTAIN ELECTRIC  
VAPORIZERS**

**AGENCY:** Bureau of Customs and Border Protection; Department of Homeland Security.

**ACTION:** Notice of proposed revocation of tariff classification ruling letter and proposed revocation of treatment relating to the classification of certain electric vaporizers.

**SUMMARY:** Pursuant to section 625(c), Tariff Act of 1930 (19 U.S.C. §1625(c)), this notice advises interested parties that Customs and Border Protection (CBP) intends to revoke one ruling letter relating to the tariff classification of certain electric vaporizers under the Harmonized Tariff Schedule of the United States Annotated (HTSUSA). CBP also proposes to revoke any treatment previously accorded by it to substantially identical transactions. Comments are invited on the correctness of the intended actions.

**DATE:** Comments must be received on or before July 18, 2008.

**ADDRESS:** Written comments are to be addressed to Customs and Border Protection, Office of International Trade, Regulations and Rulings, Attention: Trade and Commercial Regulations Branch, 1300 Pennsylvania Avenue, N.W., Washington, D.C. 20229. Submitted comments may be inspected at Customs and Border Protection, 799

9<sup>th</sup> Street N.W., Washington, D.C. during regular business hours. Arrangements to inspect submitted comments should be made in advance by calling Mr. Joseph Clark at (202) 572-8768.

**FOR FURTHER INFORMATION CONTACT:** Isaac D. Levy, Tariff Classification and Marking Branch: (202) 572-8794

**SUPPLEMENTARY INFORMATION:**

**BACKGROUND**

On December 8, 1993, Title VI (Customs Modernization) of the North American Free Trade Agreement Implementation Act (Pub. L. 103-182, 107 Stat. 2057) (hereinafter "Title VI"), became effective. Title VI amended many sections of the Tariff Act of 1930, as amended, and related laws. Two new concepts which emerge from the law are "**informed compliance**" and "**shared responsibility**." These concepts are premised on the idea that in order to maximize voluntary compliance with customs laws and regulations, the trade community needs to be clearly and completely informed of its legal obligations. Accordingly, the law imposes a greater obligation on CBP to provide the public with improved information concerning the trade community's responsibilities and rights under the customs and related laws. In addition, both the trade and CBP share responsibility in carrying out import requirements. For example, under section 484 of the Tariff Act of 1930, as amended (19 U.S.C. § 1484), the importer of record is responsible for using reasonable care to enter, classify and value imported merchandise, and provide any other information necessary to enable CBP to properly assess duties, collect accurate statistics and determine whether any other applicable legal requirement is met.

Pursuant to section 625(c)(1), Tariff Act of 1930 (19 U.S.C. § 1625(c)(1)), as amended by section 623 of Title VI, this notice advises interested parties that CBP intends to revoke one ruling letter pertaining to the tariff classification of certain electric vaporizers that use steel electrodes to produce a warm mist. Although in this notice, CBP is specifically referring to the revocation of New York Ruling Letter (NY) R00477 (July 19, 2004) (Attachment A), this notice covers any rulings on this merchandise which may exist but have not been specifically identified. CBP has undertaken reasonable efforts to search existing databases for rulings in addition to the one identified. No further rulings have been found. Any party who has received an interpretive ruling or decision (i.e., a ruling letter, internal advice memorandum or decision or protest review decision) on the merchandise subject to this notice should advise CBP during this notice period.

Similarly, pursuant to section 625(c)(2), Tariff Act of 1930 (19 U.S.C. § 1625 (c)(2)), as amended by section 623 of Title VI, CBP intends to revoke any treatment previously accorded by CBP to sub-

stantially identical transactions. Any person involved in substantially identical transactions should advise CBP during this notice period. An importer's failure to advise CBP of substantially identical transactions or of a specific ruling not identified in this notice may raise issues of reasonable care on the part of the importer or its agents for importations of merchandise subsequent to the effective date of the final decision on this notice.

In NY R00477, CBP classified electric vaporizers that use electrodes to produce a warm mist in subheading 8516.79.0000, HTSUSA. Upon our review of NY R00477, we have determined that such electric vaporizers are covered under subheading 8516.10.0080, HTSUSA, which provides for: "Electric instantaneous . . . water heaters . . . : Electric instantaneous . . . water heaters . . . Other water heaters . . .".

Pursuant to 19 U.S.C. § 1625(c)(1), CBP intends to revoke NY R00477, and to revoke or modify any other ruling not specifically identified to reflect the proper classification of the subject merchandise according to the analysis contained in proposed Headquarters Ruling Letter (HQ) W968423, set forth as Attachment B to this document. Additionally, pursuant to 19 U.S.C. § 1625(c)(2), CBP intends to revoke any treatment previously accorded by CBP to substantially identical transactions. Before taking this action, consideration will be given to any written comments timely received.

TARIFF NO.: 8516.79.0000

MR. PATRICK J. BOYLE  
AMERICAN HOUSEHOLD, INC.  
2381 Executive Center Drive  
Boca Raton, FL 33431

RE: The tariff classification of an electric, household, room vaporizer from China.

DEAR MR. BOYLE:

In your letter dated June 18, 2004, you requested a ruling on behalf of Sunbeam Products, Inc. on tariff classification.

The sample you provided is the Sunbeam Health at Home Warm Mist Vaporizer, model 1387. The request covers both the model 1387-800 and 1387-812. The appliance is a room vaporizer consisting of an upper housing and a lower tank. The upper housing contains two electrodes. The tank holds the water to be vaporized. The electric current passing through the water between the two electrodes turns the water into steam. In your letter, you suggest that the item should be classified as an immersion heater in heading 8516.10.0080, HTS. The Explanatory Notes to that heading describe immersion heaters as wire resistors with a reinforced protective sheath. This does not describe the mechanism used in this vaporizer.

The applicable subheading for this product will be 8516.79.0000, Harmonized Tariff Schedule of the United States (HTS), which provides for other electrothermic appliances, other. The general rate of duty will be 2.7 percent ad valorem.

This ruling is being issued under the provisions of Part 177 of the Customs Regulations (19 C.F.R.).

A copy of the ruling or the control number indicated above should be provided with the entry documents filed at the time this merchandise is imported. If you have any questions regarding the ruling, contact National Import Specialist James Smyth at 646-733-3018.

Pawling, New York 12564

Re: Electric Vaporizer; Revocation of NY R00477

DEAR MS. CERNY:

This letter concerns your request, dated September 27, 2006, for reconsideration of NY R00477 (July 19, 2004), on behalf of your client, Sunbeam Products. NY R00477, issued by the Director, National Commodity Specialist Division, concerns the classification of an electric, household room vaporizer under the Harmonized Tariff Schedule of the United States (HTSUS). We have reviewed NY R00477 and find that it is incorrect. Our discussion on the matter is set forth below.

**FACTS:**

The Sunbeam Health at Home Warm Mist Vaporizer, Model 1387, was described in NY R00477 as:

a room vaporizer consisting of an upper housing and a lower tank. The upper housing contains two electrodes. The tank holds the water to be vaporized. The electric current passing through the water between the two electrodes turns the water into steam.

CBP classified the Sunbeam Health at Home Warm Mist Vaporizer as an “other” electrothermic appliance under subheading 8516.79.0000, HTSUSA. In your request for reconsideration, you contend that the subject merchandise should be classified as “[o]ther water heaters and immersion heaters” in subheading 8516.10.0080, HTSUSA.

**ISSUE:**

Whether the Warm Mist Vaporizer is classified as “other water heaters and immersion heaters” in subheading 8516.10.0080, HTSUSA, or as “other electrothermic appliances” in subheading 8516.79.0000, HTSUSA?

**LAW AND ANALYSIS:**

Merchandise is classifiable under the HTSUS in accordance with the General Rules of Interpretation (GRIs). The systematic detail of the HTSUS is such that most goods are classified by application of GRI 1, that is, according to the terms of the headings of the tariff schedule and any relative Section or Chapter Notes. In the event that the goods cannot be classified solely on the basis of GRI 1, and if the headings and legal notes do not otherwise require, the remaining GRIs 2 through 6 may then be applied in order. GRI 6 provides that “for legal purposes”, classification of goods in the subheading of a heading shall be determined according to the terms of those subheadings and any related subheading notes, and *mutatis mutandis*, to the above

rules, on the understanding that only subheadings at the same level are comparable. GRI 6 thus incorporates GRIs 1 through 5 in classifying goods at the subheading level.

In understanding the language of the HTSUS, the Harmonized Commodity Description and Coding System Explanatory Notes (ENs) may be utilized. The ENs, although not dispositive or legally binding, provide a commentary on the scope of each heading of the HTSUS, and are the official interpretation of the Harmonized System at the international level. See T.D. 89–80, 54 Fed. Reg. 35127, 35128 (August 23, 1989).

The HTSUS provisions under consideration are as follows:

8516	Electric instantaneous or storage water heaters and immersion heaters; electric space heating apparatus and soil heating apparatus; electrothermic hairdressing apparatus (for example, hair dryers, hair curlers, curling tong heaters) and hand dryers; electric flatirons; other electrothermic appliances of a kind used for domestic purposes; electric heating resistors, other than those of heading 8545; parts thereof:
8516.10.00	Electric instantaneous or storage water heaters and immersion heaters * * *
8516.10.0080	Other water heaters and immersion heaters * * *
	Other electrothermic appliances: * * *
8516.79.0000	Other

EN 85.16 describes different categories of products classifiable as electric instantaneous or storage water heaters and immersion heaters, including “[e]lectrode hot water boilers, in which an AC [alternating current] passes through the water between two electrodes.” EN 85.16(A)(4). Counsel argues that because the subject merchandise “boil[s] water by passing an alternating current through the water between two electrodes”, it meets the parameters of EN 85.16(A)(4), and should be classified in subheading 8516.10.0080, HTSUSA, as an “other electric instantaneous water heater”.

Counsel also cites HQ 968027 (June 21, 2006), in which CBP revoked an earlier ruling (HQ 958017, dated February 13, 1996) that classified certain electrode steam humidifiers in subheading 8543.80.75, HTSUS. The electrode steam humidifiers were described as goods that “creat[e] steam which is used to add moisture, i.e., humidity, to the air that passes through a furnace. The steam is produced by means of hot water produced by an electric current generated between electrodes immersed in the water.” CBP concluded that “the function of electrode boilers is to produce hot water with steam being a byproduct for the purpose of introducing moisture into the air (humidity). Such apparatus is provided for in heading 8516”. By means of that revocation, CBP changed the classification of the merchandise to subheading 8516.10.0080, HTSUSA. See, HQ 968027.

Similarly, in the instant case, we find that the subject merchandise, which functions by passing an electrical current from one steel electrode to another in order to produce steam, is classified in subheading 8516.10.0080, HTSUSA. Therefore, NY R00477 is revoked.

**HOLDING:**

By application of GRI 1, the electric vaporizer is classified under subheading 8516.10.0080, HTSUSA, as “Electric instantaneous . . . water heaters . . . : Electric instantaneous . . . water heaters . . . Other water heaters . . .”. The column one, general rate of duty is “free”.

**EFFECT ON OTHER RULINGS:**

NY R00477 (July 19, 2004) is hereby revoked.

MYLES B. HARMON,  
*Director,*  
*Commercial and Trade Facilitation Division.*
