SUPPLEMENTARY INFORMATION:

Public Participation

Interested persons are invited to participate in this rulemaking by submitting written data, views, or arguments on all aspects of the interim rule. See **ADDRESSES** above for information on how to submit comments. U.S. Customs and Border Protection (CBP) also invites comments that relate to the effects that might result from this interim rule. Comments that will provide the most assistance to CBP will reference a specific portion of the interim rule, explain the reason for any recommended change, and include data, information, or authority that support such recommended change.

Background

CBP is amending § 24.36 of title 19 of the Code of Federal Regulations (19 CFR 24.36) regarding the authority of CBP to issue refunds of excessive duties, taxes, fees, or interest to:

(1) Reflect changes in departmental organization, a statutory citation to account for the Internal Revenue Code of 1986, and current form names and numbers. The current text refers to the Department of the Treasury’s (Treasury) organization that preceded the 1972 transfer of certain functions from the Internal Revenue Service to the Bureau of Alcohol, Tobacco and Firearms. See Treasury Order 221 (June 6, 1972). The Homeland Security Act of 2002 (Pub. L. 107-296,

December 25, 2002) later transferred these functions described in 19 CFR 24.36(e) to the Alcohol and Tobacco Tax and Trade Bureau (TTB).

The reference to Internal Revenue Form 843 in § 24.36(e)(1) pre-dates the 1963 republication of chapter I of title 19 (*see* 28 FR 14546, 14815 (Dec. 31, 1963)) and is obsolete. The current IRS Form 843 is not related to excise tax. Current TTB Form 5620.8, “Claim—Alcohol, Tobacco, and Firearms Taxes,” is the modern equivalent of the form referred to in the regulations.

CBP is also removing references to the “port director” to allow for CBP to issue refunds either through electronic methods or by the ports or the Centers of Excellence and Expertise, and is making other grammatical changes as appropriate.

(2) Add to CBP’s refund authority the ability to refund taxes paid prior to assigning a reduced tax rate or tax credit for alcoholic beverages, including beer, wine, and distilled spirits, as allowed by sections 13801–13808 (Subpart A—Craft Beverage Modernization and Tax Reform, of Part IX) of the Tax Cuts and Jobs Act of 2017 (Pub. L. 115–97) signed December 22, 2017, commonly referred to as the Craft Beverage Modernization Act (CBMA).

The CBMA amended the Internal Revenue Code for two calendar years with respect to the tax treatment of alcoholic beverages, including beer, wine, and distilled spirits. For an importer to be eligible to receive a reduced tax rate or a tax credit, the importer must be able to substantiate that the foreign producer has assigned an allotment of its reduced tax rate or tax credits to the beer, wine, or distilled spirits imported by that importer. The new § 24.36(d)(10) makes it clear that CBP has authority to refund the difference between the full excise taxes an importer pays at the time of entry summary filing and the CBMA’s lower effective tax rate. An importer must request and substantiate its entitlement to the reduced tax rate or tax credit appropriately.

Inapplicability of Notice and Delayed Effective Date

The Administrative Procedure Act (APA) requirements in 5 U.S.C. 553 govern agency rulemaking procedures. Section 553(b) of the APA generally requires notice and public comment before issuance of a final rule. In addition, section 553(d) of the APA requires that a final rule have a 30-day delayed effective date. The APA, however, provides exceptions from the prior notice and public comment requirement and the delayed effective date requirements, when an agency for good cause finds that such procedures are impracticable, unnecessary, or contrary to the public interest.

Treasury and CBP find that prior notice and comment are unnecessary and that good cause exists to issue these regulations effective upon publication. Prior notice and comment are unnecessary because the rule does not substantively alter the underlying rights or interests of importers or filers, but instead makes technical corrections and makes clear that importers may obtain the benefit of a lower effective tax rate by filing a refund claim with CBP.

Executive Orders 13563, 12866, and 13771

Executive Orders (E.O.) 13563 (“Improving Regulation and Regulatory Review”) and 12866 (“Regulatory Planning and Review”) direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). E.O. 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. E.O. 13771 (“Reducing Regulation and Controlling Regulatory Costs”) directs agencies to reduce regulation and control regulatory costs and provides that “for every one new regulation issued, at least two prior regulations be identified for elimination, and that the cost of planned regulations be prudently managed and controlled through a budgeting process.”

This interim rule is not a “significant regulatory action,” under section 3(f) of E.O. 12866. Accordingly, the Office of Management and Budget (OMB) has not reviewed this regulation. As this rule is not a significant regulatory action, this rule is exempt from the requirements of E.O. 13771. *See* OMB’s Memorandum titled “Guidance Implementing Executive Order 13771, Titled ‘Reducing Regulation and Controlling Regulatory Costs’” (April 5, 2017).

Regulatory Flexibility Act

The Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*), as amended by the Small Business Regulatory Enforcement and Fairness Act of 1996, requires an agency to prepare and make available to the public a regulatory flexibility analysis that describes the effect of a proposed rule on small entities (*i.e.*, small businesses, small organizations, and small governmental jurisdictions) when the agency is required to publish a general notice of proposed rulemaking for a rule. Since a general notice of proposed rulemaking is not necessary for this rule, CBP is not required to prepare a regulatory flexibility analysis for this rule.

Paperwork Reduction Act (PRA)

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The information collection activities associated with the existing requirements related to the submission of a TTB Form 5620.8 are currently approved by OMB under OMB control number 1513–0030. There is no change in burden hours as a result of this rule.

Signing Authority

This document is being issued in accordance with § 0.1(a)(1) of the CBP regulations (19 CFR 0.1(a)(1)) pertaining to the authority of the Secretary of the Treasury (or his or her delegate) to approve regulations related to certain CBP revenue functions.

List of Subjects in 19 CFR Part 24

(2) The claim must be executed on TTB Form 5620.8 (Claim—Alcohol, Tobacco, and Firearms Taxes) and must be filed with the Director, National Revenue Center, TTB. The certified statement must be attached to and filed in support of such claim which may include refunds under more than one entry but is limited to refunds under entries filed at the same port and the same internal revenue region. The data to be shown on the claim must be as prescribed in TTB regulations, with the exception that any data on the certified statement also required to be shown in the claim need not be restated in the claim.

(3) The date of allowance of refund or credit in respect of such tax for the purposes of section 6407, Internal Revenue Code of 1986, as amended (26 U.S.C. 6407), will be that date on which a claim is perfected and the refund is authorized for scheduling under the applicable TTB regulations.
