

OUR...

Vision

The Texas Tech University Office of Student Conduct strives to uphold the high academic and community standards of the University while helping our students develop their ethical decision making skills.

Our...

Mission

The Office of Student Conduct at Texas Tech University responsibly maintains an educational environment conducive to learning through the administration of the Code of Student Conduct. We are dedicated to a fair and equitable decision making process that values mutual respect and personal accountability.

Our...

Philosophy

The Office of Student Conduct challenges Texas Tech University students to align their personal values with the Ethical Principles adopted by the University and holds paramount the importance of facilitating the holistic development of students.
