LEISURE TIME

A ACADEMY

EP Academy's Young Learners programme goes the extra mile in enhancing English language skills. These supplementary English classes are designed to provide in-depth, specialised training in specific areas, building upon what you learn in the core classes. They include interactive activities and practical scenarios to make your learning experience engaging and effective. From storytelling and pronunciation practice to engaging language games, our programme helps students build confidence and proficiency in English, preparing them for a brighter future.

S SPORTS

EP Sports for Young Learners is an exciting programme which is designed to keep kids active and engaged. Participants will enjoy a variety of physical activities, including football, basketball, tennis, and even their very own mini-Olympics, where they get to compete in various sports events. Beyond the fun and games, our programme instills essential values such as teamwork, fair play, and sportsmanship, making every activity a memorable adventure.

W WORKSHOPS

EP Workshops for Young Learners offer arts and crafts activities crafted to spark creativity and hands-on learning. Young artists can explore a wide range of creative pursuits, including painting, drawing, pottery, jewellery making, and more. These engaging experiences encourage artistic expression and enable students to bring their creative ideas to life.
