### **EVERGREEN MARINE CORP. (TAIWAN) LTD.**

### **Business Report of the year 2023**

The global shipping sector faced significant challenges in 2023 due to the COVID-19 pandemic, high inflation, soaring interest rates, and the Russia-Ukraine war. Key factors influencing container shipping markets include:

- 1. Sluggish global economic recovery: The International Monetary Fund (IMF) reported a 3.1% global growth rate in 2023, down from 3.5% in 2022, indicating a slow recovery of major economies.
- 2. Escalating geopolitical and economic tensions: Ongoing conflicts such as the China-US confrontation, the prolonged Russia-Ukraine war, sudden conflicts such as the Israel-Hamas war, heightened tensions in the Taiwan Strait, disputes in the South China Sea, and the Red Sea crisis disrupted global supply chains and industrial operations.
- 3. Fluctuating market freight rates: The Shanghai Containerized Freight Index by the Shanghai Shipping Exchange declined from 4,856 in Q1 2022 to 1,065 in Q4 2023, reflecting rapid changes in market conditions.
- 4. Stringent environmental regulations: Evolving environmental standards from the International Maritime Organization (IMO), the European Union, the US, and governments across the globe significantly impacted operating costs and future planning in the shipping industry.

#### I. Container shipping market overview and company operational strategy

According to the latest statistics published by Alphaliner, the total capacity of the global container ship fleet reached 28.14 million TEU in 2023, marking a 8.2% increase from 2022. Despite a -0.3% growth rate in cargo loading due to inflation, high interest rates, and soaring costs, we at Evergreen swiftly adapted our operational strategies to bolster our core competitiveness: 1. Leverage alliances and joint ventures for a robust global route network. 2. Construct advanced energy-saving vessels to enhance competitiveness on each route. 3. Embrace an environmental protection and emission reduction strategy by incorporating an emission information platform. 4. Rigorously manage operating costs and optimize fleet capacity allocation. 5. Continuously implement digital processes to deliver top-notch services to customers.

Amid escalating international conflicts and trade disputes advocating antiglobalization, decoupling, supply chain disruption, protectionism, technological barriers, de-risking, friendly shore outsourcing, and supply chain restructuring, operational risks for the shipping industry are on the rise. Nevertheless, we are fully committed to navigating the complexities of these challenges.

#### **II. Financial Performance**

#### 1. Results vs. Projections

In 2023, our estimated total consolidated operating income was NT\$413.275 billion and our actual consolidated operating income was NT\$276.715 billion, representing an achievement rate of 67%.

#### 2. Annual Accounts

In 2023, actual consolidated operating income totaled NT\$276.715 billion, a decrease of NT\$350.569 billion compared to NT\$627.284 billion in 2022. In 2023, actual consolidated operating costs were NT\$226.806 billion, a decrease of NT\$2.036 billion compared to NT\$228.841 billion in 2022.

#### 3. Profitability Analysis

ROA: 5.43% ROE: 7.59%

Net Profit Margin: 14.45%

EPS: NT\$16.70 per share

#### III. Research & Development

#### 1. Green Fleet

- (1) Exploration and application of new energy: We are committed to researching the use of new energy and alternative fuels for ships and evaluating their feasibility in actual navigation, aiming to further reduce greenhouse gas emissions and comply with the carbon reduction goals of the International Maritime Organization.
- (2) Reduce pollutant emissions: We are striving to reduce air pollution in the fleet, including improving ship exhaust emissions, such as installing Sox scrubber, etc., to achieve the best balance between economy and environmental protection.
- (3) Innovation in ship design: The new ship types ordered by us are all planned by a dedicated unit, using advanced ship technology to develop optimized ship types to achieve optimal ship loading efficiency and energy saving goals, including the development of new equipment such as air lubrication systems to further reduce costs during navigation. energy consumption.
- (4) Intelligent systems and route optimization: Through cooperation with shipyards and weather navigation companies, we develop intelligent systems to improve ship safety and route planning efficiency, reduce marine pollution

- and improve fuel efficiency.
- (5) Environmental protection certification and management system: We have obtained ISO 14001:2015 environmental protection management systems certification. Complying with international standards in implementing environmental protection measures can effectively avoid environmental accidents.

#### 2. Maritime Training

Evergreen upholds the spirit and vision of sustainable development and maintains a firm commitment to professional maritime training. The Evergreen Seafarer Training Center has a comprehensive range of training equipment, and we run training courses to continuously improve the ability and skills of our crews so as to prevent maritime accidents and environmental pollution.

- (1) In addition to Taiwanese crew members, we continued to arrange training at the Evergreen Seafarer Training Center in 2023. We also planned to arrange for foreign crew members to conduct training courses through WEBEX remote video format. The Evergreen Seafarer Training Center organized 140 training courses in 22 categories throughout the year, including 28 STCW international convention trainings and 112 company-organized trainings, with 1,540 total trainees.
- (2) In June 2023, the Ministry of Transport approved awards to commend outstanding shipping industry, including "the number and total number of days of accepting students and trainees from domestic maritime colleges and trainees to work on ships", "accepting trainees (excluding trainees)" The number and total days of internships on board ships for students from domestic maritime colleges), "Support for Maritime Training Teachers", "Support for Maritime Training Equipment", and "Industry-Academic Cooperation" projects were also recognized as outstanding, ranking first in the number of awards received.
- (3) In June 2023, the Evergreen Training Center successfully completed an ISO 9001:2015 Quality Management System annual audit by Class NK, and passed "The 2022 era crew training professional institution evaluation" of Maritime Port Bureau in August 2023. We also cooperated in completing the "5th independent evaluation of quality standards of the Republic of China on the implementation of the STCW Convention" in September 2023. Continuously provide high-quality crew training environment and courses within various regulatory requirements.

- (4) To expand the development of maritime professionals, Evergreen has been extending our partnership with National Kaohsiung University of Science and Technology. This starts with a post-bachelor program of engineering. In addition, we encourage non-maritime undergraduates to engage in maritime work. Evergreen also subsidizes full tuition and part of the accommodation cost for qualified students who are offered the opportunity to intern onboard the Evergreen fleet. Employment offers are extended to cadets with excellent performance.
- (5) Alongside the construction of new ship types, new types of main engine training equipment have been added. For the deck crew training course, senior professionals in the industry are hired as course instructors to plan navigation safety and ship collision avoidance courses, and use ship maneuvering simulators to teach relevant knowledge and pass on experience.

#### 3. E – commerce

Participate in the Digital Container Shipping Association (DCSA) to jointly complete the formulation of standardized Application Programming Interface (API) formats for container updates, bookings, bills of lading, arrival notifications and shipping schedules. The remaining processes include the following:

- (1) Track and Trace: In 2022, we have completed the cargo tracking API to provide customers with API services to subscribe or actively query Track and Trace. Currently, large customers in the Americas, Europe and Asia have applied for and officially used this function, and will continue to be promoted to global customers in the future.
- (2) 100% eBL by 2030: Together with the other eight shipping member companies of DCSA, we jointly advocate to convert 50% of paper bills of lading into digital electronic bills of lading in the next five years, and to fully adopt electronic bills of lading (eBL) by 2030.
- (3) Asset Productivity: The container efficiency value chain examines all operational processes related to container management, covering empty container operations, smart containers and data analysis and other related issues. The core process calibration has been completed, and the on-board reefer remote monitoring API and on-board reefer spare parts API have been selected. The digital container handover list is an annual study case.
- (4) Vessel Schedule reliability & JIT(Just in Time) plan optimization: Container transportation-related digital standardization preparation and improvement projects have been carried out, including:

- A. DCSA OVS shipping schedule version 3.0 digital standardization draft.
- B. DCSA entry and exit optimization contact operation JIT PORT CALL OPTIMIZE version 1.2 standardization formulation draft.
- C. Developed JIT API tool for ship entry and exit operations, and successively cooperated with Hamburg Port 2021 (HVCC) Singapore 2021 (PSA), Belgium Andwerp 2022 (GATEWAY), Kaohsiung Port (Gaoming Terminal and Port Control Station), Greece (PCT) Dock and other drills.

The future goal is to build API PROTAL to provide OVS sailing schedule API and JIT API data connection and establishment functions, and continue to expand and promote the digital data exchange and participation of global terminals and port authorities and shipping companies in shipping schedule OVS and inbound and outbound JIT API. Research and development of standardization of Consolidated Booking Forecast (CBF) regional load forecast.

- 14. ISO 27001-Information Security Management Certification

#### V. Progress of Promoting ESG

In response to prevailing ESG trends, we have committed ourselves to the 2050 Net zero Pathway, encompassing clean energy, eco-friendly fleets, and the establishment of green supply and value chains. With an emphasis on social inclusion, we have updated our official platforms to address health, education, and sustainable urban and rural concerns. Our actions, tailored to diverse global locations, aim to give back to society and foster inclusivity. To reinforce sustainable management, a sustainability committee under the board reports quarterly on governance enhancements, ensuring compliance with climate risks, law and regulations, integrity, and information security.

In anticipation of increased market uncertainty from net-zero and ESG requirements, geopolitical shifts, and supply chain security, we are aligning our global operations for success while remaining mindful of clear standards set by organizations such as the IMO for environmental and greenhouse gas issues in 2030, 2040, and 2050.

#### INDEPENDENT AUDITORS' REPORT TRANSLATED FROM CHINESE

To the Board of Directors and Shareholders of Evergreen Marine Corporation (Taiwan) Ltd.

#### Introduction

We have audited the accompanying consolidated balance sheets of Evergreen Marine Corporation (Taiwan) Ltd. (the" Company") and its subsidiaries (collectively referred herein as the "Group") as of December 31, 2023 and 2022, and the related consolidated statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of material accounting policies.

In our opinion, based on our audits and the reports of other independent auditors (please refer to *Other Matter* section of our report), the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2023 and 2022, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the "Regulations Governing the Preparation of Financial Reports by Securities Issuers" and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations that came into effect as endorsed by the Financial Supervisory Commission.

#### Basis for opinion

We conducted our audits in accordance with the "Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants" and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the *Auditors' responsibilities for the audit of the consolidated financial statements* section of our report. We are independent of the Group in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. Based on our audits and the reports of other independent auditors, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Group's 2023 consolidated financial statements. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters.

Key audit matters for the Group's 2023 consolidated financial statements are stated as follows:

#### Accuracy and cut-off of freight revenue

#### Description

Please refer to Note 4(32) for accounting policies on revenue recognition, Note 5(2) for uncertainty of accounting estimates and assumptions applied on revenue recognition, and Note 6(23) for details of sales revenue.

The Group primarily engages in global container shipping service covering ocean-going and short-sea shipping line, shipping agency business as well as container freight station business. In 2023, freight revenue from contracts with customers was NT\$ 255,739,783 thousand, representing 92.42% of operating revenue. Since ocean-going shipping often lasts for several days, voyages are sometimes completed after the balance sheet date. Also, demand for freight services from forwarders is consistently received during voyage. Due to the factors mentioned above, freight revenue is recognized under the percentage-of-completion method for each vessel of which the service has been provided during the reporting period.

Despite the Group conducting business worldwide, its transactions are all in small amounts, whereas the freight rate is subject to fluctuation caused by cargo loading rate as well as market competition. Worldwide shipping agencies use a system to record the transactions by entering data including shipping departure, destination, counterparty, transit time, shipping amounts, and freight price for the Group. Therefore, the management could recognize freight revenue in accordance with the data on bill of lading reports generated from the system, accompanied by estimation made from past experience and current cargo loading conditions the revenue that would flow in, and calculate the revenue under the percentage-of-completion method. As the process of recording transactions, communicating with agencies, and maintaining the system are done manually, and the estimation of freight revenue are subject to management's judgement, therefore freight revenue involves high uncertainty and is material to the financial statements. Given the conditions mentioned above, we consider the accuracy of freight revenue and the appropriate use of cut-off as a key audit matter.

#### How our audit addressed the matter

Our key audit procedures performed in respect of the above key audit matter included the following:

- 1. Obtained an understanding of the operation and industry of the Group to assess the reasonableness of policies and procedures on revenue recognition, and confirmed whether it is appropriate to the financial statements.
- 2. Obtained an understanding of the procedures of revenue recognition from booking, picking, billing to receiving. Assessed and tested relevant internal controls, including checking freight items and amounts of delivery information against the approved contracts and booking list. In addition, recalculated the accuracy of freight revenue, and ensured its consistency with the bill of lading report.
- 3. Obtained the estimated freight income report for vessels underway as of balance sheet date, and inquired with management for the reasonableness of judgement. In addition, checked historical freight revenue for total voyage under each individual vessel, along with comparing with current cargo loading condition as well as actual revenue received after period end to ensure the reasonableness of revenue assumptions.
- 4. Confirmed the completeness of vessels underway for the reporting period, including tracking the movements of shipments on the internet to ensure the vessels that depart before period end have been taken into consideration in the freight revenue calculation.
- 5. Verified accuracy of data used in calculating percentage of completion under each voyage, including selecting samples and checking whether the total shipping days shown on the Company's website are in agreement with cruise timetable, considering the number of days delayed in the shipping routes due to port congestion as well as recalculating the shipping days (days between departure and balance sheet date), in order to examine the reasonableness of percentage applied.

## Assessment of the reasonableness of the purchase price allocation for business combination

#### **Description**

Please refer to Note 4(34) for accounting policies on business combination and Note 6(34) for details of business combination.

In July 2023, the subsidiary, Evergreen Marine (Asia) Pte. Ltd., acquired 100% of the share capital of Evergreen Marine (Singapore) Pte. Ltd. for NT\$ 24,133,200 thousand. Relevant reports of the purchase price allocation were completed in the fourth quarter of 2023. Fair value of the identifiable net assets acquired was NT\$ 29,097,422 thousand and gain recognised in bargain purchase transaction generated was NT\$ 4,964,222 thousand. The business combination is a significant transaction during the reporting period. The abovementioned net fair value of the identifiable assets and liabilities is based on the assessment of the management and the report of price allocation issued by the engaged professional valuer. Given that critical judgements and accounting estimates such as the assessment and measurement of the fair value are involved and the estimated results are significant to the financial statements, we consider the assessment of the share capital purchase price allocation as a key audit matter.

#### How our audit addressed the matter

Our key audit procedures performed in respect of the above key audit matter included the following:

- 1. Assessed the competence and objectivity of the external appraiser engaged by the management.
- Reviewed the measurement of fair value of identifiable assets and liabilities, the discount rate and the reasonableness of calculation of gain recognised in bargain purchase transaction in the report of purchase price allocation issued by the external appraiser.

#### Other matter - Reference to the reports of other independent auditors

We did not audit the financial statements of all the consolidated subsidiaries. Those statements and the information disclosed in Note 13 were audited by other independent auditors whose reports thereon have been furnished to us, and our audit expressed herein is based solely on the reports of the other independent auditors. The statements reflect that total assets in these subsidiaries amounted to NT\$ 55,857,834 thousand and NT\$ 64,803,127 thousand, constituting 7.63% and 7.30% of the total consolidated assets as of December 31, 2023, and 2022, respectively. Net operating revenues in the subsidiaries amounted to NT\$ 2,447,570 thousand and NT\$ 2,901,350 thousand, constituting 0.88% and 0.46% of the total consolidated net operating revenues of 2023 and 2022 for the years then ended, respectively.

In addition, we did not audit the financial statements of all the investee companies accounted for using equity method. Those statements and the information disclosed in Note 13 were audited by other independent auditors whose reports thereon have been furnished to us, and our audit expressed herein, insofar as it relates to the amounts included for those investee companies accounted for using equity method and information disclosed in Note 13 related to these long-term equity investments, is based solely on the reports of the other independent auditors. Long-term equity investments in these investee companies amounted to NT\$ 21,949,254 thousand and NT\$ 29,272,471 thousand, constituting 3.00% and 3.30% of the total consolidated assets as of December 31, 2023 and 2022, respectively, and comprehensive income (including share of profit or loss and share of other comprehensive income of associates and joint ventures accounted for using equity method) was NT\$ 4,772,986 thousand and NT\$ 6,819,519 thousand, constituting 12.16% and 1.86% of the consolidated total comprehensive income and loss for the years then ended, respectively.

#### Other matter - Parent company only financial reports

We have audited the parent company only financial statement of Evergreen Marine Corporation (Taiwan) Ltd. as of and for the years ended December 31, 2023 and 2022 on which we have issued an unqualified opinion with explanatory paragraph thereon.

## Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the "Regulations Governing the Preparation of Financial Reports by Securities Issuers" and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations that came into effect as endorsed by the Financial Supervisory Commission, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

## Auditors' responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### INDEPENDENT AUDITORS' REPORT TRANSLATED FROM CHINESE

To the Board of Directors and Shareholders of Evergreen Marine Corporation (Taiwan) Ltd.

#### **Opinion**

We have audited the accompanying parent company only balance sheets of Evergreen Marine Corporation (Taiwan) Ltd. (the "Company") as of December 31, 2023 and 2022, and the related parent company only statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, based on our audits and the reports of other auditors (please refer to *Other Matter* section of our report), the accompanying financial statements present fairly, in all material respects, the financial position of Evergreen Marine Corporation (Taiwan) Ltd. as of December 31, 2023 and 2022, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations that came into effect as endorsed by the Financial Supervisory Commission.

#### Basis for opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Norm of Professional Ethics for Certified Public Accountants of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements. These matters were addressed in the context of our audit of the financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

Key audit matters for the parent company only financial statements for the year ended December 31,2023 are stated as follows:

#### Accuracy and cut-off of freight revenue

#### Description

Please refer to Note 4(31) for accounting policy on revenue recognition, Note 5(2) for uncertainty of accounting estimates and assumptions applied on revenue recognition, and Note 6(23) for details of sales revenue, Note 6(8) for details of investments accounted for using equity method, and Table 9 for information on investees accounted for using equity method.

The Company, its directly held subsidiaries, Peony Investment S.A. and Evergreen Marine (Asia) Pte. Ltd., which are recognised in investments accounted for using equity method, and its subsidiary, Evergreen Marine (Hong Kong) Ltd., which is directly and indirectly held an 80% equity interest by the Company, primarily engages in global container shipping service covering ocean-going and near-sea shipping line, shipping agency business as well as container freight station business. Since ocean-going shipping often lasts for several days, voyages are sometimes completed after the balance sheet date. Also, demand for freight services is consistently sent by forwarders during voyage. Due to the factors mentioned above, freight revenue is recognized under the percentage-of-completion method for each vessel of which the service has been provided during the reporting period.

Despite the Company and its investee companies conducting business worldwide, its transactions are all in small amounts, whereas the freight rate is subject to fluctuation caused by cargo loading rate as well as market competition. Worldwide shipping agencies use a system to record the transactions by entering data including shipping departure, destination, counterparty, transit time, shipping amounts, and freight price for the Company. Therefore, the management could recognise freight revenue in accordance with the data on bill of lading reports generated from the system, accompanied by estimations made from past experience and current cargo loading conditions the revenue that would flow in, and calculate the revenue under percentage-of-completion method. As the process of recording transactions, communicating with agencies, maintaining the system are done manually, and the estimation of freight revenue is subject to management's judgement, therefore freight revenue involves high uncertainty and is material to the financial statements. Given the conditions as described above, we consider the accuracy of freight revenue and the appropriate use of cut-off by the Company and its investee companies as a key audit matter.

#### How our audit addressed the matter

We and other auditors performed the following audit procedures on the above key audit matter:

- 1. Obtained an understanding of the operation and industry of the Company and its investee companies to assess the reasonableness of policies and procedures on revenue recognition, and confirmed whether it is appropriate to the financial statements.
- 2. Obtained an understanding of the procedures of revenue recognition from booking, picking, billing to receiving. Assessed and tested relevant internal controls, including checking freight items and amounts of delivery information against the approved contracts and booking list. In addition, recalculated the accuracy of freight revenue, and ensured its consistency with the bill of lading report.

- 3. Obtained the estimated freight income report for vessels underway as of balance sheet date, and inquired with management for the reasonableness of judgment. In addition, checked historical freight revenue for total voyage under each individual vessel, along with comparing with current cargo loading condition as well as actual revenue received after period end to ensure the reasonableness of revenue assumptions.
- 4. Confirmed the completeness of vessels underway for the reporting period, including tracking the movements of shipments on the internet to ensure the vessels that depart before period end have been taken into consideration in the freight revenue calculation.
- 5. Verified accuracy of data used in calculating percentage of completion under each voyage, including selecting samples and checking whether the total shipping days shown on the Company's website are in agreement with cruises timetable, considering the number of days delayed in shipping routes due to port congestion as well as recalculating the shipping days (days between departure and balance sheet date), in order to examine the reasonableness of percentage applied.

#### Significant transactions in investments accounted for using equity method

#### Description

Please refer to Note 4(14) for accounting policy on investments accounted for using equity method, Note 6(7) for details of investments accounted for under equity method, and Table 9 for information on investees accounted for using equity method.

As of December 31, 2023, the Company owns directly and indirectly 100% equity interests in the subsidiary, Evergreen Marine (Asia) Pte. Ltd. which is recognised in investments accounted for using equity method amounting to NT\$205,719,723 thousand, constituting 40.23% of total assets, and recognised gain on investments for the year ended December 31, 2023 amounting to NT\$22,495,972 thousand.

In July 2023, the subsidiary, Evergreen Marine (Asia) Pte. Ltd. acquired a 100% equity interest in Evergreen Marine (Singapore) Pte. Ltd. by cash amounting to NT\$24,133,200 thousand, and the fair value of acquired identifiable net assets amounted to NT\$29,097,422 thousand and gain recognised in bargain purchase transaction generated was NT\$4,964,222 thousand. This business combination was a significant transaction during the financial reporting period, the fair value of identifiable net assets were estimated based on management's assessment and price allocation reports prepared by the independent expert appraisers appointed by the company mentioned above. Because the assessment and measurement of the fair value are subject to material judgements and accounting estimations, and are significant to the financial statements, therefore, we identified purchase price allocation a key audit matter.

#### How our audit addressed the matter

We performed the following audit procedures on the above key audit matter:

- 1. Assessed the competence and objectivity of the external appraiser engaged by the management.
- 2. Reviewed the measurement of fair value of identifiable assets and liabilities, the discount rate and the reasonableness of calculation of gain recognised in bargain purchase transaction in the report of purchase price allocation issued by the external appraiser by the auditors.

#### Other matter - Reference to the audits of other auditors

We did not audit the financial statements of all the investee companies accounted for using equity method. Those statements were audited by other independent auditors whose reports thereon have been furnished to us, and our opinion expressed herein, insofar as it relates to the amounts included for those investee companies accounted for using equity method and information disclosed in Note 13 relating to these long-term equity investments, is based solely on the reports of the other independent auditors. Long-term equity investments in these investee companies amounted to NT\$ 48,200,819 thousand and NT\$ 53,183,389 thousand, constituting 9.43% and 8.13% of the total assets as of December 31, 2023 and 2022, respectively, and comprehensive income (loss) (including share of profit or loss and share of other comprehensive income of associates and joint ventures accounted for using equity method) was NT\$ 6,608,737 thousand and NT\$ 7,365,951 thousand, constituting 19.10% and 2.09% of the total comprehensive income (loss) as of December 31, 2023 and 2022, respectively.

## Responsibilities of management and those charged with governance for the parent company only financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations that came into effect as endorsed by the Financial Supervisory Commission, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company, or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including supervisors, are responsible for overseeing the Company's financial reporting process.

## Auditors' responsibilities for the audit of the parent company only financial statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgement and professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the parent company only
  financial statements, whether due to fraud or error, design and perform audit
  procedures responsive to those risks, and obtain audit evidence that is sufficient and
  appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud
  may involve collusion, forgery, intentional omissions, misrepresentations, or the
  override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the parent company only financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the parent company only financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

# EVERGREEN MARINE CORPORATION (TAIWAN) LTD. ARTICLES OF INCORPORATION

#### **CHAPTER 1 GENERAL PROVISIONS**

#### **Article 1**

This Company is incorporated pursuant to the provisions governing a company limited by Shares of the Company Act of Republic of China with the name of 長榮海運股份有限公司 in Chinese and EVERGREEN MARINE CORPORATION (TAIWAN) LTD. in English.

#### Article 2

The Company may engage in the following activities:

- 1. G301011 Ship Transportation;
- 2. G401011 Shipping Agency Services;
- 3. G404011 Container Distributing Center Business;
- 4. I701011 Occupation Services;
- 5. CD01070 Commercial Port Area Ship-repair;
- 6. ZZ99999 All business items that are not prohibited or restricted by law, except those that are subject to special approval.

#### Article 3

The office of the Company is located at Taipei, Taiwan, where necessary, the Company may have branches or offices established within or outside the Republic of China as decided by resolution adopted by the Board of Directors.

#### Article 4

The total amount of investment by the Company shall not be subject to the restriction of 40 percent of the paid-up capital of the Company pursuant to Article 13 of the Company Act.

The Company may render external guarantees.

#### **CHAPTER 2 SHARES**

The total authorized capital of the Company shall be NT\$70,000,000,000 divided into 7,000,000,000 shares at NT\$10 each. The Board of Directors is hereby authorized to issue the unissued shares in installments.

#### Article 6

The shares issued by the Company shall be registered in the Securities Central Depositary Business Institution.

#### Article 7

Registration of share transfer, within sixty (60) days before the date of Annual General Meeting of the Shareholders, thirty (30) days before the date of Extraordinary Meeting of Shareholders, or five (5) days before the date fixed by the Company for distribution of dividends, bonus or other benefits, shall not be conducted.

#### **CHAPTER 3 SHAREHOLDERS' MEETING**

#### Article 8

The Shareholders' Meeting of the Company consists of two categories; the Annual General and Extraordinary Meetings;

- 1. The Annual General Meeting shall be duly held within six (6) months after the end of each fiscal year of the Company;
- 2. The Extraordinary Meeting of the Company may be duly held if necessary.

The Company's shareholders' meetings can be held by means of video conferencing network or other methods as promulgated by the central competent authority.

In the case where a shareholders' meeting is convened via a video conferencing network, the shareholders taking part in such a video conference meeting shall be deemed to have attended the meeting in person.

#### Article 9

Notices to convene the Annual General Meeting shall be given to each shareholder thirty (30) days in advance, and the one to convene the Extraordinary Meeting shall be given fifteen (15) days in advance. Notices of the Shareholders' Meeting shall specify the time and place of the meeting and the particulars of the business to be transacted, and shall be given to all the Shareholders.

The shareholders of the Company shall have one voting right for each share, except the shares which set forth in Article 179 of the Company Act are no voting right.

#### **Article 11**

A shareholder who is unable to attend a Shareholders' Meeting may duly authorize another person as his proxy to attend and vote on his behalf pursuant to a power of attorney printed and distributed by the Company duly issued by the Shareholder stating the ambit of the proxy's authority.

#### Article 12

Unless otherwise provided under the Company Act and related regulations, the quorum for a Shareholders' Meeting shall be duly adopted by a majority in the meeting attended by Shareholders who represent a majority of the total issued shares.

#### Article 13

When Shareholders' Meeting is convened by the Board of Director, its chairman shall be processed in accordance with the provision in Article 208 of the Company Act. When the meeting is convened by other party with right of summons other than the Board of Directors, the Chairman shall be undertaken by that party with right of summons. When there are two and more parties with right of summons, one party will be elected among these parties.

#### Article 14

The resolutions adopted by the Shareholders' Meeting shall be reported in the minutes. The content, distribution and other essentials of the minutes shall be made in accordance with the provision of Article 183 of the Company Act.

#### **CHAPTER 4 DIRECTORS AND MANAGERS**

#### Article 15

The Company shall have seven to nine  $(7\sim9)$  Directors.

The election of the Directors shall adopt the candidate nomination system provided in the Article 192-1 of the Company Act. The shareholders shall elect the Directors from the list of candidates announced by the Company. The following matters shall be processed according to the relevant regulations.

The total number of shares that should be held by all preceding Directors shall be subject to the provision established by the Securities Management Institution.

#### Article 15-1

The number of the Directors set forth in the preceding article shall include three (3) Independent Directors.

The independent and non-independent directors shall be elected at the same time, but the number of votes shall be calculated separately.

The professional qualifications, restrictions on shareholdings and concurrent positions held, assessment of independence, method of nomination and election, and other matters for compliance with respect to Independent Directors shall be subject to the Securities and Exchange Act and other relevant regulations.

#### Article 16

The Directors shall be elected at the Shareholders' Meeting and they are selected due to their competence and disposing capacity. They shall have a three-year term of office and are eligible for re-election. The Directors may, according to Article 199 of the Company Act, be discharged at any time by a resolution passed at a Shareholders' Meeting.

#### **Article 17**

When the number of vacancies of Directors reaches one-third of the total number of Directors, the Board of Directors shall convene a Shareholders' Meeting for supplementary election within 60 days from the date on which the situation arose. Its term of office shall only be limited to full replenishment of the original term of office.

When the dismissal of Independent Directors(s) result in the number of Independent Directors less than the number providing in the paragraph 1 of the Article 15-1, the Company shall hold supplementary election for Independent Director(s) at the next following Shareholders' Meeting. When all Independent Directors have been dismissed, the Board of Directors shall convene a Shareholders' Meeting for electing Independent Directors within 60 days from the date on which the situation arose.

#### Article 18

The Directors shall constitute the Board. The Chairman shall be elected at a meeting attended by at least two-thirds (2/3) of the Directors and by a simple majority vote of the Directors present at the meeting and may also elect a Vice Chairman in the same manner. The Chairman of the Board of Directors shall internally preside at the Meetings of Shareholders and Board Meetings, and shall externally represent the Company. When the Chairman is on leave of absence or cannot exercise its job for any cause, agency of his/her job shall be handled in accordance with Article 208 of the Company Act.

For execution of business of the Company, apart from items that are separately specified in related laws or the Articles of Incorporation to be resolved at the Shareholders' Meeting, all items shall be resolved by the Board of Directors.

#### Article 20

Notices of the Board Meeting shall be dispatched to each of the Directors seven (7) days prior to convening such meeting. Nevertheless, in case of emergency, the said meeting may be convened anytime.

The notice set forth in the preceding paragraph may be conducted in the form of writing or by way of e-mail or fax.

Where a Director is unable to attend a Board Meeting, he may authorize another Director to attend on his behalf by issuing a power of attorney in the latter's favor specifying the business to be conducted thereat and the scope of the authority to be granted.

#### **Article 21**

Unless otherwise provided under related regulations or the Articles of Incorporation, resolutions of the Board Meeting shall be adopted by a majority of the Directors at a meeting attended by a majority of the Directors.

#### **Article 22**

The Company shall establish the Audit Committee in accordance with Article 14-4 of the Securities and Exchange Act. The exercise of power and others of the Audit Committee and its members shall be in accordance with the Securities and Exchange Act and the relevant laws and regulations.

The Board of Directors may set up functional committees in accordance with regulations or business needs. Their Charters shall be made by the Board of Directors.

#### **Article 23**

The compensation of the Directors (the "compensation") to be resolved by the Board of the Directors authorized herein will be based on the level of each one's participation in and the value of individual's contribution to the Company's operation as well as the ordinary standard of the competitors' compensation.

In order to cover the loss causing from liabilities of the Directors and to raise awareness of corporate governance, the Company may take out liability insurance for all Directors and the representatives who are designated by the Company to its investing companies to act as Director or Supervisor during their terms of offices.

The company may have managers. Its appointment, discharge and remuneration shall be handled in accordance with the provision of Article 29 of the Company Act.

#### **CHAPTER 5 ACCOUNTING**

#### Article 25

After the end of each fiscal year of the Company, the Board of Directors shall prepare and submit the following reports to the Annual General Meeting of the Shareholders for approval according to legal procedures:

- 1. Business report.
- 2. Financial statements.
- 3. Proposal for allocation of surplus profit or making up loss.

#### Article 26

If the Company makes profit in a fiscal year, employees' compensation, no less than 0.5% of the profit, and directors' remuneration, no more than 2% of the profit, shall be set aside. However, in case the Company has accumulated losses, the Company shall reserve an amount to offset accumulated losses beforehand. The employees' compensation and directors' remuneration shall be set aside afterwards according to the principles mentioned above.

The employees' compensation shall be distributed in the form of stock or cash; while the directors' remuneration shall be distributed only in the form of cash.

The profit in item 1 refers to profit before tax without deducting employees' compensation and directors' remuneration.

The amount of employees' compensation and directors' remuneration as well as the payment method of employees' compensation shall be determined by a resolution adopted by a majority vote at a board of directors' meeting attended by two-thirds or more of the directors and be reported at a shareholders' meeting.

#### Article 26-1

If the Company reports a surplus at the year end, after clearing taxes, the Company shall first offset losses from previous years (if any), then set aside 10% of the balance as the statutory surplus reserve, and set aside or reverse special surplus reserve per the provisions. After that, the Board of Directors shall propose a surplus distribution plan of the balance plus the retained earnings accrued from prior years, submit the distribution plan to the shareholders' meeting for approval, and then distribute it.

Where the special surplus reserve set aside in the preceding paragraph belongs to a part

not fully set aside accrued from prior years, the same amount thereof shall be set aside for the special surplus reserve from the retained earnings accrued from prior years. If the special surplus reserve is still insufficient, the amount from the net income after taxes for the current period plus the items other than the net income after taxes for the current period shall be included in the amount of the retained earnings for the current period to be set aside for such a purpose.

The dividends may be distributed either in full in cash, or in the combination of cash and stocks, however the cash dividends shall not be less than 10% of the total amount of dividends.

#### **CHAPTER 6 MISCELLANEOUS**

#### Article 27

The rules and regulations of the Company and various operation procedures shall be separately stipulated by the Board of Directors.

# EVERGREEN MARINE CORPORATION (TAIWAN) LTD. RULES AND PROCEDURES OF SHAREHOLDERS' MEETING

#### **Article 1**

Shareholders' Meeting of the Company (the "Meeting") shall be conducted in accordance with these Rules and Procedures. Any matter not provided in these Rules and Procedures shall be handled in accordance with the Company Act and other relevant laws and regulations.

#### **Article 2**

Shareholders in these Rules refer to shareholders themselves or their designated proxies attending the Meeting.

The number of representatives appointed by any juristic person shareholders attending the shareholders' meeting shall not exceed the total number of the Company's directors of the current term.

Where a juristic person is delegated to attend the shareholders' meeting, such juristic person shall only appoint one (1) representative to attend such meeting.

#### **Article 3**

Shareholders attending the Meeting shall bring an attendance card and identification document. The number of shares represented by shareholders attending the Meeting shall be calculated in accordance with the attendance cards submitted by the shareholders.

The attendance of the Meeting shall be calculated based on shares.

The Company shall announce the number of non-voting shares, the number of shares in attendance and other relevant information.

#### **Article 4**

The Meeting shall be held at the head office of the Company or at any other appropriate place that is convenient for the shareholders to attend. The time to start the Meeting shall not be earlier than 9:00 a.m. or later than 3:00 p.m.

#### Article 5

Chairman shall call the Meeting to order at the time scheduled for the Meeting. If the number of shares represented by the shareholders present at the Meeting has not yet constituted the majority at the time scheduled for the Meeting, the chairman may postpone the Meeting. The postponements shall be limited to two times at the most and Meeting shall not be postponed for longer than one hour in the aggregate. If after two

postponements no quorum can yet be constituted but the shareholders present at the Meeting represent more than one - third of the total outstanding shares, tentative resolutions may be made in accordance with Section 1 of Article 175 of the Company Act.

If before the end of the Meeting the number of outstanding shares represented by the shareholders present becomes sufficient to constitute the quorum, the chairman shall submit the tentative resolutions to the Meeting for approval in accordance with Article 174 of the Company Act.

#### Article 6

The Chairman of the Board of Directors shall be the chairman presiding at the Meeting in the case that the Meeting is convened by the Board of Directors.

If the Meeting is convened by any other person entitled to convene the Meeting, such person shall be the chairman to preside at the Meeting. If there are more than two persons convening the Meeting, they should select one person to be the chairman.

#### Article 7

The agenda of the Meeting shall be set by the Board of Directors if the Meeting is convened by the Board of Directors. Unless otherwise resolved at the Meeting, the Meeting shall proceed in accordance with the agenda.

The above provision applies mutatis mutandis to cases where the Meeting is convened by any person, other than the Board of Directors, entitled to convene such Meeting.

Unless otherwise resolved at the Meeting, the chairman cannot announce adjournment of the Meeting before all the items (including special motions) listed in the agenda are resolved. In the event that the Chairman adjourns the Meeting in violation of these Rules and Procedures, the shareholders may designate, by a majority of votes represented by shareholders attending the Meeting, one person as chairman to continue the Meeting.

The shareholders cannot designate any other person as chairman and continue the Meeting in the same or other place after the Meeting is adjourned.

#### Article 7-1

In accordance with Article 172-1 of the Company Act, the shareholders who hold one percent (1%) or more of the total number of outstanding shares of the Company may submit proposal in written form for discussion at the annual general meeting of shareholders.

The proposals submitted by shareholders violating Article 172-1 of the Company Act shall not be included in the agenda of the Meeting and the minute of the Meeting, but the

cause of exclusion of such proposals shall be listed in the appendix of the handbook for shareholders' meeting proceedings of the Company.

The shareholders' proposals complying with the Article 172-1 of the Company Act, which are classified into the same category of the proposal submitted by the Board of Directors, shall be deemed as the amendment of the proposal submitted by the Board of Directors, and the Chairman may combine them into one proposal to deal with.

#### **Article 8**

When a shareholder attending the Meeting wishes to speak, a Speech Note should be filled out with summary of the speech, the shareholder's number (or the number of the Attendance Card) and the name of the shareholder. The sequence of speeches by shareholders should be decided by the chairman.

If any shareholder presenting at the Meeting submits a Speech Note but does not speak, no speech should be deemed to have been made by such shareholder. In case the contents of the speech of a shareholder are inconsistent with the contents of the Speech Note, the contents of actual speech shall prevail.

Unless otherwise permitted by the chairman and the shareholder in speaking, no shareholder shall interrupt the speeches of the other shareholders; otherwise the chairman shall stop such interruption.

#### Article 9

If a juristic person shareholder designates two or more representatives to attend the Meeting, only one representative is entitled to speak for each item.

When reporting the topic, speech for each shareholder is limited to once, and the speech shall not exceed five minutes for all reporting items.

Unless otherwise permitted by the chairman, each shareholder shall not speak more than two times concerning each motion and each preposition shall not exceed 5 minutes with regard to each proposal listed in ratification and discussion items listed on the agenda, proposals collected during special motion procedure.

When a shareholder speaks with regard to non-proposal matters and expresses other opinions during the special motion session, the provisions in the preceding paragraph regarding speaking time and number of speaking times shall be applied.

In case the speech of any shareholder violates the proceeding four provisions, exceeds the scope of the discussion item, or disturbs the order of the meeting, the chairman is entitled to stop the speech of such shareholder.

The Company may ask its lawyer, certified public accountant or related person to attend the Meeting. After a shareholder speaks, chairman may answer the question personally or designate the related person to answer the question.

#### Article 11

Unless otherwise required by the Company Act or the Articles of Incorporation, a resolution of a shareholders' meeting shall be adopted by a majority of the votes represented by the Shareholders present at the Meeting.

#### Article 12

The resolution shall be voted on by casting ballots, and the chairman shall decide all voting (including the election votes) to be conducted separately or at the meantime.

#### Article 13

If there is an amendment to or a substitute for a proposal of a discussion topic, the chairman shall decide the sequence of voting for the amendment or the substitute, together with the original proposal. If any one of them has been adopted, the others shall be deemed vetoed and no further voting is necessary.

#### Article 14

Where the chairman believes that the proposal discussed may be resolved, he/she may announce the ending of the discussion, and propose that votes be made and arrange adequate voting time.

#### **Article 15**

During the Meeting, the chairman may, at his/her discretion, set time for intermission.

#### Article 16

The election of directors at a shareholders meeting shall be held in accordance with "Regulations for Electing Directors" of the Company.

#### Article 17

The personnel supervising and calculating the votes for the proposals shall be designated by the chairman, but the supervising personnel shall be a shareholder.

The result of the votes shall be announced on the spot and recorded.

The process of the meeting shall be fully recorded via audio or video recording, and retained for at least one (1) year. However, if any shareholder files a lawsuit pursuant to Article 189 of the Company Act, the audio or video recording shall be retained until the final conclusion of the lawsuit.

#### Article 19

Logistics staff and disciplinary personnel (including security guards) assisting the Meeting shall wear badge or armband for identification purpose.

The chairman may command the disciplinary personnel (or security guards) to help safeguard the order of the meeting site.

Shareholders who violate these Rules and Procedures and defy the chairman's correction, or obstruct the proceeding of the meeting and refuse to stop, the chairman may direct the disciplinary personnel (including security guards) to escort the shareholder off the meeting.

#### Article 20

These Rules and Procedures shall be effective from the date it is approved by the Shareholders' Meeting. The same applies in case of revision.

When the number of votes obtained by two or more than two candidates is the same but that exceed the required number of Directors to be elected, the case shall be determined by drawing lots, and the Chairman of the Shareholders' Meeting shall draw the lots for any candidate who is involved in the case but fails to attend the meeting.

The vote shall be prepared by the Board of Directors, and shall note shareholder account number, Attendance Certificate number and number of voting right on the vote.

#### Article 6

If the elected person possesses shareholder status, in the "election candidate" column on the vote the voter shall fill in the name of the election candidate and shareholder account number. If the elected person does not possess shareholder status, the voter shall fill in the name and identity card number of the election candidate.

#### Article 7

Any vote that is in any of the following conditions shall be deemed ineffective:

- (1) Vote not specified in Article 5 of this regulation.
- (2) Blank vote.
- (3) Writing is blurred and cannot be identified.
- (4) If the filled in election candidate possesses shareholder status, when its account name, shareholder account number do not match the shareholder register; if the filled in election candidate does not possess shareholder status, his/her name and identity card number does not match.
- (5) Write other word apart from the name of the election candidate, shareholder account number, identity card number or the number of voting rights.
- (6) Two or more elected candidates are filled in the same vote.

#### Article 8

After the votes are completed, the votes shall be opened on the spot, and the results of the votes shall be announced by the Chairman of the shareholders' meeting.

For the preceding election, the Company shall keep the voting papers for at least one year, but for any shareholder who files a litigation in accordance with Article 189 of the Company Act, the voting papers shall be kept until the end of the litigation.

#### Article 9

The Regulations shall come into force after the approval of the shareholders' meeting, and the same shall apply after amendment.
