# Proposed by the Board of Directors

# Proposal 3: Discussion on approving Capital Reduction by returning share capital in cash. Please discuss.

# **Description:**

- 1. To adjust its capital structure, the Company proposes to proceed with the capital reduction by returning share capital in cash. (Handbook pages 42-43).
- 2. The Company proposes to reduce NT\$31,746,294,820 and cancel 3,174,629,482 shares correspondingly. On March 15, 2022, a total of 5,291,049,137 common shares has been issued. According to the aforesaid amount, the capital is estimated to be reduced by 60% to

NT\$21,164,196,550 and 2,116,419,655 shares total shall be issued; however, the paid-in capital after capital reduction and the capital reduction ratio shall be calculated based on the total issued shares on the record date for capital reduction and stock conversion.

- 3. According to the total issued shares in the preceding paragraph, it is estimated that 600 shares are reduced per thousand shares (that is, 400 shares are converted per thousand share) and cash refund NT\$6,000. After capital reduction, shareholders may combine shares of common stock less than 1 share with the Company's Shareholder's Affairs Section before the book closure date. For fractional shares of common stock that are still less than 1 share after combination or has not been completed upon expiration, cash bill be distributed at the closing price (rounded up to the nearest integer) on the last trading date at the stock exchange market before the record date for cash reduction and stock conversion; Chairman is authorized to appoint a specific party to subscribe to such fractional shares at the closing price.
- 4. Shares converted from the capital reduction will be the same rights and obligations with original shares
- 5. After this proposal is adopted at the shareholders' meeting, Chairman is authorized to set the record date for cash reduction and the record date for cash reduction and stock conversion separately and then report to and approve by the competent authority.
- 6. If the number of outstanding shares is changed due to the change in the Company's share capital, causing the adjustments in the cash reduction ratio and the amount of repayment per share, or the cash reduction needs adjustment due to amendments of laws, the regulator's order or other objective environmental changes, the Chairman is hereby authorized to deal with relative matters.

# Proposed by the Board of Directors

# Proposal 4: Proposal to amend the Company's "Articles of Incorporation". Amendments shown in a comparison table on the Handbook (pages 44-48). Please discuss.

**Description:** Highlights of the amendments are as below:

- 1. In order to engage repair ships activity, it is proposed to amend Article 2 and add subparagraph 5 "CD01070 Commercial Port Area Ship-repair".
- 2. In order to increase the flexibility of the Company in convening shareholders' meetings, Article 8 of the Company's Articles of Incorporation is amended in accordance with Article 172-2 of the Company Act to add Paragraphs 2 and 3, which stipulate that the Company's shareholders' meetings can be held by means of a video conferencing network or other methods as promulgated by the central competent authority.
- 3. In order to enhance corporate governance, the Company will

establish other functional committees in the future in accordance with operational needs. As a result, Article 22 of the Company's Articles of Incorporation is amended to add Paragraph 2, which stipulates that the Company can establish various functional committees upon the resolution of the Board of Directors.

4. According to the Order No. Financial-Supervisory-Securities-Corporate-1090150022 issued by Financial **Supervisory** Commission (hereinafter referred to as "FSC") on March 31, 2021, when a public company has a distributable surplus for the net value of other deductions from equity accrued from prior years, the same amount thereof shall be set aside for special surplus reserve from retained earnings accrued from prior years. If the special surplus reserve is still insufficient, the amount from the net income after taxes for the current period, plus the items, other than the net income after taxes for the current period, shall be included in the amount of retained earnings for the current period to be set aside for such a purpose, which shall also be stipulated in the dividend policy of the Company's Articles of Incorporation.

Based on the principle of conservativeness and stability, it is proposed to add Paragraph 2 of Article 26-1 in accordance with the aforementioned Order; the original Paragraph 2 is adjusted to Paragraph 3, and the text is revised.
