Accordingly, without limitation to the foregoing, if any portion of this request is denied for any reason, please provide written notice of the records or portions of records that are being withheld and cite each specific exemption of the Freedom of Information Act on which the agency relies. FTC action 6. FTC action date. In particular, #5 - FTC action - might be separate columns on a. whether early termination request is granted/denied/not filed by firm b. whether FTC asked for more information (second request) or not, c. whether firms' responses to second request was satisfactory or not d. further actions beyond second request if applicable. Similarly, #6 - FTC action date - ideally will have columns of dates that matches items under #5, if possible; if not, the date FTC close any investigation or consideration of the case would be great. The information might look a lot like a csv file that contains information from FTC's "early termination notices" page (https://www.ftc.gov/legal-library/browse/early-termination-notice), but more expansive to include all M&A filings to FTC. I'm especially interested in cases that got second request as well as cases that got denied early termination notices. Referring to your annual report (e.g. https://www.ftc.gov/system/files/ftc_gov/pdf/p110014fy2021hsrannualreport.pdf), I'd like to obtain a comprehensive list of all filings (e.g. 2000 to 2010) with indicators of those detailed out in #5 above.	-

05/28/2024	FOIA-2024-01103	Aamot, Colin	News Media	<p>Dear FOIA Officer, Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and the implementing FOIA regulations of the agency, I respectfully request the following: From the month of May 2024, all of the following records from Janice L. Kopec, GS-15: A full calendar export with all entries during business hours, or outside of business hours if in an official capacity. All congressional correspondence and communications to/from Congressional Offices or Committees for the previous month including responses or document productions to outstanding, extant, or previous congressional inquiries or oversight efforts. Please exclude all correspondence pertaining to individuals such as constituent correspondence. All communications to/from the following email domains: @eop.gov, @who.eop.gov, @ovp.eop.gov, @mail.house.gov, *.senate.gov. All communications sent (not received) via email, Department of State Cables, SMS, Microsoft Teams, Rocketchat, or Slack mentioning 'Policy', 'Policy Draft', 'Venntel', 'Gravy Analytics', 'Fog Data Science', 'CTD' or 'adtech'. For any potentially responsive documents please include all file attachments regardless of type and the entire email chain for completeness. I am amicable to a rolling production as records are available. I request all responsive documents be delivered electronically, via email. To further narrow down the scope of the request, requester does not seek correspondence that merely forwards press clippings, such as news accounts or opinion pieces, newsletters, and published or docketed materials, if that correspondence has no comment or no substantive comment added by any party in the thread. The terms "pertaining to", "referring", "relating", or "concerning" with respect to any given subject means anything that constitutes, contains, embodies, reflects, identifies, states, refers to, deals with, or is in any manner whatsoever pertinent to that subject. The term "record" means any written, recorded, or graphic matter of any nature whatsoever, regardless of how recorded, and whether original or copy, including, but not limited to, the following: memoranda, reports, expense reports, books, manuals, instructions, financial reports, working papers, records, notes, letters, notices, confirmations, telegrams, receipts, appraisals, pamphlets, magazines, newspapers, prospectuses, inter-office and intra-office communications, electronic mail (emails), MMS or SMS text messages, instant messages, messaging systems (such as iMessage, Microsoft Teams, WhatsApp, Telegram, Signal, Google Chat, Twitter direct messages, Lync, Slack, and Facebook Messenger), contracts, cables, telexes, notations of any type of conversation, telephone call, voicemail, meeting or other communication. Please comply fully with 5 U.S.C. § 552(b). Please limit all searches to the full calendar month of May, 2024, starting from 00:00 on 1 May, 2024 to 11:59 PM on May 31, 2024. Search Instructions: Please include the full email chain, and all attachments for potentially responsive documents. Please search all email inboxes, regardless of classification, such as NIPR, SIPR, and JWICS or the agency's equivalents.</p>
