### ALL AGENCY MEMO - 2022-01

January 14, 2022

To: All Agencies  
From: Susan Brown, Director  
Subject: State Mileage Reimbursement Rate

The federal government has recently increased the standard mileage rate for transportation expenses from \$0.56 per mile to \$0.585 per mile. The allowable State mileage rate for the use of personal vehicles in the conduct of State business either at the direction of the State agency or for the personal convenience of the employee is adjusted periodically to reflect the allowable federal rate. Based on the change in the federal standard mileage rate, the State mileage reimbursement rates are as follows:

1. For an employee using his/her own vehicle for the State's convenience, the mileage reimbursement rate **has increased to \$0.585 per mile from \$0.56 per mile.**
2. For an employee using his/her own vehicle for the employee's convenience, the employee will be reimbursed at one-half the standard mileage reimbursement rate, which has been **increased to \$0.2925 per mile from \$0.28 per mile.**
- 3.

The rates are **effective January 1, 2022**, and will remain in effect throughout the calendar year. The GSA rate tables are located at: <http://www.gsa.gov/portal/content/100715>.
