Arab Titles —

Clericon tribal leader

Qadi – Judge for Islamic Sharia Court

Shaykh – literally an elder

R Iraqi Tribal names were dropped starting in the 1970s. Many Iraqi last names in documents include the tribal name, for example, al-Tikiriti, which is very common among leading regime figures. Iraq decreed again in the 1990s that Military officers were not to use their tribal names.

Example: Muhammad Mullah Husayn Al-Tikiriti

First Name: Muhammad

Middle Name(s): Husayn

Reference Name: Husayn

Tribal Name: Al-Tikiriti
