Tobacco use premium surcharge

Response required if you are enrolling in medical coverage. The PEBB Program requires a $25-per-account tobacco use premium surcharge in addition to your monthly medical premium if you or a dependent (age 13 or older) enrolled on your PEBB medical coverage uses a tobacco product.

Tobacco use is defined as any use of tobacco products within the past two months except for religious or ceremonial use. Tobacco products are any product made with or derived from tobacco that is intended for human consumption, including any component, part, or accessory of a tobacco product. This includes, but is not limited to, cigars, cigarettes, pipe tobacco, chewing tobacco, snuff, and other tobacco products. Tobacco products do not include e-cigarettes or United States Food and Drug Administration (FDA) approved quit aids, such as over-the-counter nicotine replacement products and prescription nicotine replacement products.

If a provider finds that ending tobacco use or participating in your medical plan's tobacco cessation program will negatively affect your or your dependent's health, see more information in the PEBB Program Administrative Policy 91-1 at **hca.wa.gov/pebb-rules**.

If you check Yes or do not check any boxes below, you will be charged the $25 premium surcharge. The premium surcharge will not apply if you and any enrolled dependents who use tobacco products meet these requirements: Age 18 and older – enrolled in the free tobacco cessation program through your PEBB medical plan (visit HCA's website at **hca.wa.gov/tobacco-free**). Age 13 to 17 – accessed resources for teens at **teen.smokefree.gov**.

Does the tobacco use premium surcharge apply to you? Check one:

Yes, I am subject to the $25 premium surcharge. I have used tobacco products in the past two months. (If this is a change to a previous attestation, submit the *PEBB Premium Surcharge Attestation Change Form.)*

No, I am not subject to the $25 premium surcharge. I have not used tobacco products in the past two months, or I have enrolled in or accessed one of the tobacco cessation resources noted above.

3 Spouse or state-registered domestic partner (SRDP)

List an eligible spouse or SRDP you wish to enroll or remove from coverage. SRDP is defined in WAC 182-12-109. Individuals in state-registered domestic partnerships are treated the same as legal spouses except when in conflict with federal law. You must also provide proof of their eligibility within the PEBB Program's enrollment timelines, or they will not be enrolled. Timelines and a list of documents we will accept to prove eligibility are available at **hca.wa.gov/pebb-continuation**. Your spouse or SRDP cannot be enrolled in two PEBB medical or dental accounts at the same time. A health plan change is not allowed when adding an SRDP due to a special open enrollment event if they are not a tax dependent.

Spouse: date of marriage

SRDP: date registered

⚠ If enrolling an SRDP, also submit a *PEBB Declaration of Tax Status* to indicate whether they qualify as a dependent for tax purposes.

Tobacco use premium surcharge

Response required if you are enrolling your spouse or SRDP in medical coverage. If you check Yes or do not check any boxes below, you will be charged the $25-per-account tobacco use premium surcharge in addition to your monthly medical premium.

Does the tobacco use premium surcharge apply to you? Check one:

Yes, I am subject to the $25 premium surcharge. This dependent has used tobacco products in the past two months. (If this is a change to a previous attestation, submit the *PEBB Premium Surcharge Attestation Change Form*.)

No, I am not subject to the $25 premium surcharge. This dependent has not used tobacco products in the past two months or has enrolled in or accessed one of the tobacco cessation resources noted on page 3.

Spouse or state-registered domestic partner (SRDP) coverage premium surcharge

Response required if you are enrolling your spouse or SRDP in medical coverage. The PEBB Program requires a $50 premium surcharge in addition to your monthly medical premium if you are enrolling your spouse or SRDP in PEBB medical and they have chosen not to enroll in another employer-based group medical that is comparable to Uniform Medical Plan (UMP) Classic.

Answer these questions:	**Yes**	**No**
1. Are you covering your spouse or SRDP in a PEBB medical plan under your account in 2024?	✓	■
2. Will they be eligible for medical coverage through their employer in 2024? (If they will not be employed in 2024, answer No.)		
3. Will their employer offer at least one medical plan that serves their county of residence in 2024?		
4. Have they chosen not to enroll in their employer's medical (including SEBB) coverage in 2024?		
5. Will the coverage offered by their employer in 2024 not be through the PEBB Program or a TRICARE plan? (Answer Yes if their employer does not offer PEBB coverage or a TRICARE plan. Answer No if their employer offers PEBB coverage or a TRICARE plan.)		
6. Will their share of the medical premium through their employer be less than $117.81 per month in 2024?		

If you answered No to any of these questions, check No below. You will not be charged the surcharge.
If you answered Yes to all of these questions:

1. Ask your spouse or SRDP for the Summary of Benefits and Coverage (SBC) for all medical plans that:
   a. Serve their county of residence.
   b. Have a monthly premium of less than $117.81 per month for the employee.
2. Use the SBC information to answer the questions in the PEBB Spousal Plan Calculator online tool (address at bottom of page). You will get a Yes or No response from the calculator. Enter this response below.

If you check Yes or leave this section blank, you will be charged the $50 monthly premium surcharge.

Does the spouse or SRDP coverage premium surcharge apply to you? Check one:

Yes, I am subject to the $50 premium surcharge. I completed the *PEBB Spousal Plan Calculator* online.

No, I am not subject to the $50 premium surcharge. If needed, I completed the *PEBB Spousal Plan Calculator*.

PEBB Program to help determine if the premium surcharge applies. I am submitting a printed *PEBB Spousal Plan Calculator.* The PEBB Program will use these to help determine whether my spouse's or SRDP's employer-based group medical is comparable to UMP Classic and whether I am subject to this premium surcharge.

The *PEBB Spousal Plan Calculator* is available at **hca.wa.gov/pebb-continuation** under *Surcharges*. To change your previous attestation, use Benefits 24/7 or the *PEBB Premium Surcharge Attestation Change Form*.

Changes you can make during annual open enrollment

All changes become effective January 1 of the following year. Check the box next to the changes requested.

Add dependents

Remove dependents

Add or change medical plan

Add or change dental plan

Changes you can make if an event creates a special open enrollment (SOE)

The PEBB Program only allows changes outside of annual open enrollment when an event creates a special open enrollment. The change must be allowed under the Internal Revenue Code and Treasury regulations and correspond to and be consistent with an SOE event for the subscriber, the subscriber's dependents, or both. The PEBB Program must receive this form and proof of the event **no later than 60 days** after the event occurs.

To enroll a newborn or child whom you, the subscriber, have adopted or have assumed legal responsibility for support ahead of adoption, notify the PEBB Program by submitting the required forms as soon as possible. Doing so ensures timely payment of claims. If adding the child increases the premium, we must receive the required forms **no later than 60 days** after the date of the birth, adoption, or the date the legal responsibility for support is assumed ahead of adoption.

In most cases, the enrollment or change will be effective the first day of the month after the event date or the date we receive the form, whichever is later.

The following events allow a subscriber to add dependents or change medical or dental plans:

Check the box next to the applicable events below. **Note**: A health plan change is not allowed when adding an SRDP or their child if they are not a tax dependent.

- Subscriber or dependent loses other coverage under a group health plan or through health insurance coverage, as defined by the Health Insurance Portability and Accountability Act (HIPAA).
- Subscriber has a change in employment status that affects the subscriber's eligibility for their employer contribution toward their employer-based group health plan.
- Subscriber's dependent has a change in their own employment status that affects their eligibility or their dependent's eligibility for the employer contribution under their employer-based group health plan.
- A court order requires the subscriber or any other individual to provide insurance coverage for an eligible dependent of the subscriber.
- Subscriber or dependent enrolls in or loses eligibility for coverage under Medicaid or a state Children's Health Insurance Program (CHIP).
- Subscriber or dependent becomes eligible for a state premium assistance subsidy for PEBB health plan coverage from Medicaid or CHIP.
- Subscriber or dependent enrolls in or loses eligibility for Medicare or enrolls in or terminates enrollment in a Medicare Advantage plan or Medicare Part D plan.
- Child becomes eligible as an extended dependent through legal custody or legal guardianship. Also submit a *PEBB Extended Dependent Certification* and *PEBB Declaration of Tax Status* to indicate whether they qualify as a dependent for tax purposes, available at **hca.wa.gov/pebb-continuation**.
- Marriage, registering a state-registered domestic partnership as defined by Washington Administrative Code (WAC) 182-12-109, birth, adoption, or assuming a legal obligation for support ahead of adoption. You must also submit a *PEBB Declaration of Tax Status* if adding a state-registered domestic partner or their child to indicate whether they qualify as a dependent for tax purposes.

The following events allow a subscriber to add dependents:

Subscriber or dependent has a change in enrollment under another employer-based group health plan during its annual open enrollment that does not align with the PEBB Program's annual open enrollment.

Subscriber's dependent has a change in residence from another country to within the United States or from the United States to another country, and that change resulted in the dependent losing their health insurance.

The following events allow a subscriber to change medical or dental plans:

Subscriber or dependent has a change in residence that affects health plan availability. **Note:** If the subscriber's current dental plan does not have available providers within 50 miles of the subscriber or the dependent's new residence, the subscriber may select a new dental plan.

Subscriber or dependent's current medical plan becomes unavailable because the subscriber or enrolled dependent is no longer eligible for a health savings account.

Subscriber or dependent experiences a disruption of care for active and ongoing treatment that could function as a reduction in benefits for the subscriber or their dependent (requires approval by the PEBB Program).

I have received and read the *PEBB Continuation Coverage Election Notice,* including any appendices. By submitting this form, I declare that the information I have provided is true, complete, and correct. If it isn't, or if I do not update this information within the timelines in PEBB Program rules, to the extent permitted by federal and state laws, I must repay any claims paid by my health plans. My dependents and I may also lose PEBB insurance benefits as of the last day of the month we were eligible.

To the extent permitted by law, the PEBB Program may retroactively terminate coverage for me and my dependents if I intentionally misrepresent eligibility, or do not fully pay premiums when due. In addition, I understand that it is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of PEBB Program benefits.

If I send payment, this does not mean that I will be automatically enrolled in PEBB insurance coverage. The PEBB Program will verify eligibility for my dependents and me. If we do not qualify, I will receive a refund. I understand I am responsible for paying any applicable tobacco use premium surcharge and spouse or state-registered domestic partner coverage premium surcharge, in addition to my monthly medical premium.

If I enroll in a consumer-directed health plan with a health savings account (HSA), I must meet HSA eligibility conditions. I understand that the PEBB Program will direct a portion of my monthly premium to an HSA on my behalf based on the information I have provided, and that there are limits to these contributions and my HSA contributions (if any) under federal tax law.

I understand that my enrollment and my dependents' enrollment are subject to me abiding by all applicable deadlines and PEBB Program rules and policies. Failure to comply with applicable deadlines and PEBB Program rules and policies may result in my benefits selection being rejected. This form replaces all *PEBB Continuation Coverage (Unpaid Leave) Election/Change* forms previously submitted to the PEBB Program.
