

## INTEGRATED ENGINEERING SOFTWARE, INC. SOFTWARE LICENSE AGREEMENT

Thank you for choosing software by Integrated Engineering Software, Inc. ("IES"). Review these license terms ("Agreement") thoroughly. This Agreement is a legal agreement between you and Integrated Engineering Software, Inc. By clicking "I Agree," indicating acceptance electronically, or by installing, accessing or using the software, you agree to these terms. If you do not agree to this Agreement, then you may not use the software.

**APPLICABILITY.** This Agreement applies to the software that you purchased and installed (the "Software"), the media on which you received the software (if any), any fonts, icons, images, or sound files included with the software, and also any IES updates, upgrades, supplements or services for the software, unless other terms come with them. If this Agreement contains terms regarding a feature or service not available on your device, then those terms do not apply.

**INSTALLATION AND USE RIGHTS.** The software is protected by copyright, trade secret, and other intellectual property laws. You are only granted certain limited rights to install and use the software under one of two methods: a) single-user license - you may install and activate the software on up to two devices for the use of a single person; b) network concurrent-user license - you may activate the license on one device such that any number of client machines may access the software through the license based on the number of seats (concurrent users) purchased. Should you wish to replace a device on which the software is authorized under this Agreement, you must notify IES.

IES reserves all other rights in the software not granted to you in the writing herein. As long as you meet any applicable payment obligations and comply with this Agreement, IES grants you a personal, limited, nonexclusive, nontransferable, revocable license to use the software only for the period of use provided in the ordering and activation terms, as set forth in this Agreement, or in accordance with IES' then-current product discontinuation policies, as updated from time to time, and only for the purposes described by IES for the software.

You acknowledge and agree that the software is licensed, not sold. You agree not to use, nor permit any third party to use, the software in a manner that violates any applicable law, regulation or this Agreement. You agree you will not: a) provide access to a third party in a manner that would frustrate the nature of this license; b) or give the software or any part of the software to any third party c) reproduce, duplicate, modify, copy, deconstruct, reverse-engineer, sell, trade or resell the software; d) attempt unauthorized access to any other IES systems that are not part of the software; e) permit any third party to benefit from the use or functionality of the software via a rental, lease, timesharing, service bureau, hosting service, or other arrangement; f) make the software available on any file-sharing or application hosting service.

**BACKUP COPY.** You may make backup copies of the Software for archival purposes.

**LICENSE TRANSFER.** You may permanently transfer the software and accompanying written materials if you retain no copies and the transferee agrees to be bound by the terms of this Agreement. Such a transfer terminates your license. You may not transfer the software to share licenses between devices unless otherwise specified in this Agreement.

**PRIVACY.** Your privacy is important to us. Some software features send or receive information when using those features. By accepting this Agreement and using the software, you agree that IES may collect, use, and disclose the information as described in the IES privacy statement available on the website for the software.

**AUTHORIZED SOFTWARE AND ACTIVATION.** You are authorized to use this software only if you are properly licensed and the software has been properly activated with a genuine license ID and password or by other authorized method. When you connect to the Internet while using the software, the software will automatically contact IES or its affiliate to confirm the software is genuine and the license is associated with the licensed device. During activation (or reactivation that may be triggered by changes to your device's components), the software may determine that the installed instance of the software is counterfeit, improperly licensed or includes unauthorized changes. You may also receive reminders to obtain a proper license or maintenance for the software. You may not bypass or circumvent activation. Certain updates, support, and other services are only offered to users of genuine and up-to-date IES software.

**NETWORKS, DATA, AND INTERNET USAGE.** Some features of the software and services accessed through the software may require your device to access the Internet. Your access and usage (including charges) may be subject to the terms of your cellular or internet provider agreement. You are always responsible for (i) understanding and complying with the terms of your own plans and agreements, and (ii) any issues arising from using or accessing networks, including public/open networks.

This limited warranty does not cover problems that you cause, that arise when you fail to follow instructions, or that are caused by events beyond the reasonable control of IES. The limited warranty starts when the first user of your copy of the software acquires that copy, and lasts for 90 days. Any supplements, updates, or replacement software that you may receive from IES, during that 90-day period are also covered, but only for the remainder of that 90-day period or for 30 days, whichever is longer. Any termination of this Agreement shall not affect IES' rights to any payments due to it.

**DISCONTINUATION POLICY AND END OF SOFTWARE SUPPORT.** IES software is subject to IES' discontinuation policy and IES reserves the right to discontinue all support for the IES software, and/or for any features, services or content. Once an IES software version or its support is discontinued, no replacement download links or future support or updates will be provided or made available by IES for that particular software version.

**GOVERNING LAW.** Montana state law governs this Agreement regardless of conflict of law principles.

**DISPUTES.** ANY DISPUTE OR CLAIM RELATING IN ANY WAY TO THE IES SOFTWARE OR THIS AGREEMENT WILL BE RESOLVED BY BINDING ARBITRATION, RATHER THAN IN COURT, except that you may assert claims in small claims court if your claims qualify. Neither Party shall act or describe itself as the agent of the other, nor shall it make or represent that it has authority to make any commitments on the other's behalf.

**GOODWILL.** Neither Party shall use the goodwill, names, marks, trade names, trademarks, crests, logos, or registered images of the other Party without that Party's prior written consent.

You agree that you will read the terms before using the software or services. You understand that by using the software and services, you ratify this Agreement.
