BE IT ENACTED by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

PART I

LISTED BUILDINGS

CHAPTER 1

LISTING OF SPECIAL BUILDINGS

1.—(1) For the purposes of this Act and with a view to the guidance of local planning authorities in the performance of their functions under this Act and the principal Act in relation to buildings of special architectural or historic interest, the Secretary of State shall compile lists of such buildings, or approve, with or without modifications, such lists compiled by the Historic Buildings and Monuments Commission for England (in this Act referred to as “the Commission”) or by other persons or bodies of persons, and may amend any list so compiled or approved.

Listing of buildings of special architectural or historic interest.

(2) The Secretary of State shall not approve any list compiled by the Commission if the list contains any building situated outside England.

(3) In considering whether to include a building in a list compiled or approved under this section, the Secretary of State may take into account not only the building itself but also—

- (a) any respect in which its exterior contributes to the architectural or historic interest of any group of buildings of which it forms part; and

PART I

(b) the desirability of preserving, on the ground of its architectural or historic interest, any feature of the building consisting of a man-made object or structure fixed to the building or forming part of the land and comprised within the curtilage of the building.

(4) Before compiling, approving (with or without modifications) or amending any list under this section the Secretary of State shall consult—

(a) in relation to buildings which are situated in England, with the Commission; and

(b) with such other persons or bodies of persons as appear to him appropriate as having special knowledge of, or interest in, buildings of architectural or historic interest.

(5) In this Act “listed building” means a building which is for the time being included in a list compiled or approved by the Secretary of State under this section; and for the purposes of this Act—

(a) any object or structure fixed to the building;

(b) any object or structure within the curtilage of the building which, although not fixed to the building, forms part of the land and has done so since before 1st July 1948,

shall be treated as part of the building.

(6) Schedule 1 shall have effect for the purpose of making provision as to the treatment as listed buildings of certain buildings formerly subject to building preservation orders.

Publication of lists.

2.—(1) As soon as possible after any list has been compiled or approved under section 1 or any amendments of such a list have been made, a copy of so much of the list as relates to any district or London borough or, as the case may be, of so much of the amendments as so relates, certified by or on behalf of the Secretary of State to be a true copy, shall be deposited—

(a) in the case of a London borough, with the council of the borough and with the chief officer of the Commission; and

(b) in the case of a district—

(i) with the district council;

(ii) with the county planning authority whose area or any part of whose area includes the district, or any part of it; and

(iii) where the district council are not the district planning authority, with that authority.

(2) Any copy deposited under subsection (1) shall be a local land charge, and the council with whom a copy is deposited shall be treated for the purposes of the Local Land Charges Act 1975 as the originating authority as respects the charge constituted by the deposit.

1975 c.76.

(3) As soon as possible after the inclusion of any building in a list under section 1 (whether it is included when the list is compiled, approved or amended) or as soon as possible after any such list has been amended by the exclusion of any building from it—

(a) the Secretary of State shall inform the council of the district or London borough in whose area the building is situated of the inclusion or exclusion; and

- (b) the council shall serve a notice in the prescribed form on every owner and occupier of the building, stating that the building has been included in or excluded from the list.

PART I

(4) The Secretary of State shall keep available for public inspection free of charge at reasonable hours and at a convenient place, copies of all lists and amendments of lists, compiled, approved or made by him under section 1.

(5) Every authority with whom copies of any list or amendments are deposited under this section shall similarly keep available copies of so much of any such list or amendment as relates to buildings within their area.

(6) For the purposes of subsection (5) the Commission shall be taken to be an authority whose area is Greater London.

3.—(1) If it appears to a local planning authority, other than a county planning authority, that a building in their area which is not a listed building—

**Temporary listing:
building

notices.**

- (a) is of special architectural or historic interest; and
(b) is in danger of demolition or of alteration in such a way as to affect its character as a building of such interest,

they may serve on the owner and occupier of the building a notice (in this Act referred to as a “building preservation notice”).

(2) A building preservation notice served by a local planning authority shall—

- (a) state that the building appears to them to be of special architectural or historic interest and that they have requested the Secretary of State to consider including it in a list compiled or approved under section 1; and
(b) explain the effect of subsections (3) to (5) and Schedule 2.

(3) A building preservation notice—

- (a) shall come into force as soon as it has been served on both the owner and occupier of the building to which it relates; and
(b) subject to subsection (4), shall remain in force for six months from the date when it is served or, as the case may be, last served.

(4) A building preservation notice shall cease to be in force if the Secretary of State—

- (a) includes the building in a list compiled or approved under section 1, or
(b) notifies the local planning authority in writing that he does not intend to do so.

(5) While a building preservation notice is in force with respect to a building, the provisions of this Act (other than section 59) and the principal Act shall have effect in relation to the building as if it were a listed building.

PART I

(6) If, following the service of a building preservation notice, the Secretary of State notifies the local planning authority that he does not propose to include the building in a list compiled or approved under section 1, the authority shall immediately give notice of that decision to the owner and occupier of the building.

(7) Following such a notification by the Secretary of State no further building preservation notice in respect of the building shall be served by the local planning authority within the period of 12 months beginning with the date of the notification.

(8) The Commission shall, as respects any London borough, have concurrently with the council of that borough the functions of a local planning authority under this section; and references to the local planning authority shall be construed accordingly.

Temporary listing
in urgent cases.

4.—(1) If it appears to the local planning authority to be urgent that a building preservation notice should come into force, they may, instead of serving the notice on the owner and occupier of the building, affix the notice conspicuously to some object on the building.

(2) The affixing of a notice under subsection (1) shall be treated for all the purposes of section 3, this section, sections 5 and 10 to 26 and Schedule 2 as service of the notice.

(3) A notice which is so affixed must explain that by virtue of being so affixed it is treated as being served for those purposes.

(4) The Commission shall, as respects any London borough, have concurrently with the council of that borough the functions of a local planning authority under this section; and references to the local planning authority shall be construed accordingly.

Provisions

(b) any such planning permission has been granted;

the Secretary of State may, on the application of any person, issue a certificate stating that he does not intend to list the building.

(2) The issue of such a certificate in respect of a building shall—

(a) preclude the Secretary of State for a period of 5 years from the date of issue from exercising in relation to that building any of the powers conferred on him by section 1; and

(b) preclude the local planning authority for that period from serving a building preservation notice in relation to it.

(3) Notice of an application under subsection (1) shall be given to the local planning authority within whose area the building is situated at the same time as the application is submitted to the Secretary of State.

(4) In this section “local planning authority”, in relation to a building in Greater London, includes the Commission.

- (c) the reconstruction of the building or any part of it following the execution of any works, with the use of original materials so far as practicable and with such alterations of the interior of the building as may be specified in the conditions.

(2) A condition may also be imposed requiring specified details of the works (whether or not set out in the application) to be approved subsequently by the local planning authority or, in the case of consent granted by the Secretary of State, specifying whether such details are to be approved by the local planning authority or by him.

(3) Listed building consent for the demolition of a listed building may be granted subject to a condition that the building shall not be demolished before—

- (a) a contract for the carrying out of works of redevelopment of the site has been made; and
- (b) planning permission has been granted for the redevelopment for which the contract provides.

18.—(1) Subject to the provisions of this section, every listed building consent shall be granted subject to the condition that the works to which it relates must be begun not later than the expiration of—

- (a) five years beginning with the date on which the consent is granted; or

PART I

- (b) such other period (whether longer or shorter) beginning with that date as the authority granting the consent may direct, being a period which the authority considers appropriate having regard to any material considerations.

(2) If listed building consent is granted without the condition required by subsection (1), it shall be deemed to have been granted subject to the condition that the works to which it relates must be begun not later than the expiration of five years beginning with the date of the grant.

(3) Nothing in this section applies to any consent to the retention of works granted under section 8(3).

Application for variation or discharge of conditions.

19.—(1) Any person interested in a listed building with respect to which listed building consent has been granted subject to conditions may apply to the local planning authority for the variation or discharge of the conditions.

(2) The application shall indicate what variation or discharge of conditions is applied for.

(3) Sections 10 to 15 apply to such an application as they apply to an application for listed building consent.

(4) On such an application the local planning authority or, as the case may be, the Secretary of State may vary or discharge the conditions attached to the consent, and may add new conditions consequential upon the variation or discharge, as they or he thinks fit.

Appeals

Right to appeal against decision or failure to take decision.

20.—(1) Where a local planning authority—

- (a) refuse an application for listed building consent or grant it subject to conditions;
- (b) refuse an application for the variation or discharge of conditions subject to which such consent has been granted or grant it and add new conditions; or
- (c) refuse an application for approval required by a condition imposed on the granting of listed building consent with respect to details of works or grant it subject to conditions,

the applicant, if aggrieved by the decision, may appeal to the Secretary of State.

(2) A person who has made such an application may also appeal to the Secretary of State if the local planning authority have neither—

- (a) given notice to the applicant of their decision on the application; nor
- (b) in the case of such an application as is mentioned in paragraph (a) or (b) of subsection (1), given notice to the applicant that the application has been referred to the Secretary of State in accordance with directions given under section 12,

within the relevant period from the date of the receipt of the application, or within such extended period as may at any time be agreed upon in writing between the applicant and the authority.

- (b) in the case of such an application for approval as is mentioned in paragraph (c) of subsection (1), the period of eight weeks from the date of the receipt of the application.

(4) For the purposes of the application of sections 22(1) and 63(7)(b) in relation to an appeal under subsection (2) it shall be assumed that the authority decided to refuse the application in question.

21.—(1) An appeal under section 20 must be made by notice served in the prescribed manner within such period as may be prescribed.

Appeals:
supplementary
provisions.

(2) The period which may be prescribed under subsection (1) must not be less than—

- (a) in the case of an appeal under subsection (1) of section 20, 28 days from the receipt by the applicant of notification of the decision; or
- (b) in the case of an appeal under subsection (2) of that section, 28 days from the end of the relevant period (within the meaning of that section) or, as the case may be, the extended period there mentioned.

(3) The notice of appeal may include as the ground or one of the grounds of the appeal a claim that the building is not of special architectural or historic interest and ought to be removed from any list compiled or approved by the Secretary of State under section 1.

(4) In the case of a building with respect to which a listed building preservation notice is in force, the notice may include a claim that the building should not be included in such a list.

(5) Regulations under this Act may provide that an appeal in respect of an application for listed building consent or for the variation or discharge of conditions subject to which such consent has been granted shall not be entertained unless it is accompanied by a certificate in the prescribed form and corresponding to one of those described in subsection (1) of section 11.

(6) Any such regulations may also include provisions corresponding to those which may be included in the regulations which may be made by virtue of section 11.

(7) If any person—

- (a) issues a certificate which purports to comply with the requirements of regulations made by virtue of subsection (5) or (6) and contains a statement which he knows to be false or misleading in a material particular; or
- (b) recklessly issues a certificate which purports to comply with those requirements and contains a statement which is false or misleading in a material particular,

he shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 3 on the standard scale.

PART I

22.—(1) The Secretary of State may allow or dismiss an appeal under section 20 or may reverse or vary any part of the authority's decision (whether or not the appeal relates to that part), and—

- (a) may deal with the application as if it had been made to him in the first instance; and
- (b) may exercise his power under section 1 to amend any list compiled or approved under that section by removing from it the building to which the appeal relates.

(2) Before determining the appeal, the Secretary of State shall, if either the applicant or the local planning authority so wish, give each of them an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State for the purpose.

(3) The decision of the Secretary of State on the appeal shall be final.

(4) Schedule 3 applies to appeals under section 20.

 - (i) the period within which persons affected by the order may give notice to the Secretary of State that they wish for an opportunity of appearing before and being heard by a person appointed by him for the purpose; and
 - (ii) the period at the end of which, if no such notice is given to the Secretary of State, the order may take effect by virtue of this section without being confirmed by him;
- (b) serve notice to the same effect on the persons mentioned in subsection (1)(b);
- (c) send a copy of any such advertisement to the Secretary of State not more than three days after its publication.

(3) If—

- (b) the Secretary of State has not directed within that period that the order be submitted to him for confirmation,

the order shall take effect at the end of the period referred to in subsection (2)(a)(ii) without being confirmed by the Secretary of State as required by section 24(1).

(4) The period referred to in subsection (2)(a)(i) must not be less than 28 days from the date on which the advertisement first appears.

(5) The period referred to in subsection (2)(a)(ii) must not be less than 14 days from the end of the period referred to in subsection (2)(a)(i).

26.—(1) If it appears to the Secretary of State that it is expedient that an order should be made under section 23 revoking or modifying any listed building consent granted on an application under this Act, he may himself make such an order revoking or modifying the consent to such extent as he considers expedient.

(2) In performing his functions under subsection (1) the Secretary of State shall have regard to the development plan and to any other material considerations.

CHAPTER III

RIGHTS OF OWNERS ETC.

Compensation

Compensation for refusal of consent to alteration, etc. of listed building.

- 27.—(1) This section shall have effect where—
- (a) an application is made for listed building consent for the alteration or extension of a listed building;
 - (b) the works do not constitute development or they do so but the development is such that planning permission for it is granted by a development order; and
 - (c) the Secretary of State, either on appeal or on the reference of the application to him, refuses such consent or grants it subject to conditions.
- (2) If, on a claim made to the local planning authority within the prescribed time and in the prescribed manner, it is shown that the value of the interest of any person in the land is less than it would have been if listed building consent had been granted or, as the case may be, had been granted unconditionally, the local planning authority shall pay that person compensation of an amount equal to the difference.
- (3) In determining for the purposes of subsection (2) whether or to what extent the value of an interest in land is less than it would have been if listed building consent had been granted, or had been granted unconditionally—
- (a) it shall be assumed that any subsequent application for listed building consent for the alteration or extension in question would be determined in the same way; but

- (b) in the case of a refusal of listed building consent, regard shall be had to any undertaking given by the Secretary of State on that refusal to grant such consent for some other works to the building if an application were made for it.

PART I

(4) No compensation shall be payable under this section in respect of an interest in land in respect of which a notice is served under section 32 of this Act or under section 137 of the principal Act (circumstances in which purchase notices may be served) by virtue of subsection (1)(a) or (b) of that section, being a notice which takes effect.

(5) The local planning authority need not pay compensation under this section in respect of a building in respect of which a building preservation notice is in force unless and until the building is included in a list compiled or approved by the Secretary of State under section 1, but a claim for such compensation may be made before the building is so included.

28.—(1) This section shall have effect where listed building consent is revoked or modified by an order under section 23 (other than an order which takes effect by virtue of section 25).

Compensation where listed building consent revoked or modified.

(2) If on a claim made to the local planning authority within the prescribed time and in the prescribed manner, it is shown that a person interested in the building—

- (a) has incurred expenditure in carrying out works which are rendered abortive by the revocation or modification; or
- (b) has otherwise sustained loss or damage which is directly attributable to the revocation or modification,

the authority shall pay that person compensation in respect of that expenditure, loss or damage.

(3) Subject to subsection (4), no compensation shall be paid under this section in respect of—

- (a) any works carried out before the grant of the listed building consent which is revoked or modified; or
- (b) any other loss or damage (not being loss or damage consisting of depreciation of the value of an interest in land) arising out of anything done or omitted to be done before the grant of that consent.

(4) For the purposes of this section, expenditure incurred in the preparation of plans for the purposes of any works, or upon other similar matters preparatory to any works, shall be taken to be included in the expenditure incurred in carrying out those works.

29.—(1) This section applies where a building preservation notice ceases to have effect without the building having been included in a list compiled or approved by the Secretary of State under section 1.

Compensation for loss or damage caused by service of building preservation notice.

(2) Any person who at the time when the notice was served had an interest in the building shall, on making a claim to the authority within the prescribed time and in the prescribed manner, be entitled to be paid compensation by the local planning authority in respect of any loss or damage directly attributable to the effect of the notice.

PART I (3) The loss or damage in respect of which compensation is payable under subsection (2) shall include a sum payable in respect of any breach of contract caused by the necessity of discontinuing or countermanding any works to the building on account of the building preservation notice being in force with respect to it.

Local planning authorities for compensation purposes.

30.—(1) Subject to subsection (2)—

- (a) claims under section 27 shall be made to and paid by the local planning authority to whom the application for listed building consent was made;
- (b) claims under section 28 shall be made to and paid by the local planning authority who made the order in question or, where it was made by the Secretary of State under section 26, the local planning authority who are treated as having made it under that section;
- (c) claims under section 29 shall be made to and paid by the local planning authority who served the building preservation notice, and references in those sections to a local planning authority shall be construed accordingly.

(2) The Secretary of State may after consultation with all the authorities concerned direct that where a local planning authority is liable to pay compensation under section 27, 28 or 29 in any particular case or class of case they shall be entitled to be reimbursed the whole of the compensation or such proportion of it as he may direct from one or more authorities specified in the direction.

(3) This section does not apply in Greater London.

General provisions as to compensation for depreciation under this Part. 1961 c.33.

31.—(1) For the purpose of assessing any compensation to which this section applies, the rules set out in section 5 of the Land Compensation Act 1961 shall, so far as applicable and subject to any necessary modifications, have effect as they have effect for the purpose of assessing compensation for the compulsory acquisition of an interest in land.

(2) This section applies to any compensation which is payable under sections 27 to 29 in respect of depreciation of the value of an interest in land.

(3) Where an interest in land is subject to a mortgage—

- (a) any compensation to which this section applies, which is payable in respect of depreciation of the value of that interest, shall be assessed as if the interest were not subject to the mortgage;
- (b) a claim for any such compensation may be made by any mortgagee of the interest, but without prejudice to the making of a claim by the person entitled to the interest;
- (c) no compensation to which this section applies shall be payable in respect of the interest of the mortgagee (as distinct from the interest which is subject to the mortgage); and
- (d) any compensation to which this section applies which is payable in respect of the interest which is subject to the mortgage shall be paid to the mortgagee, or, if there is more than one mortgagee, to the first mortgagee, and shall in either case be applied by him as if it were proceeds of sale.

(4) Except in so far as may be otherwise provided by any regulations made under this Act, any question of disputed compensation under sections 27 to 29 shall be referred to and determined by the Lands Tribunal.

PART I

(5) In relation to the determination of any such question, the provisions of sections 2 and 4 of the Land Compensation Act 1961 shall apply subject to any necessary modifications and to the provisions of any regulations made under this Act.

1961 c.33.

Listed building purchase notices

32.—(1) Where—

- (a) listed building consent in respect of a building is refused, or granted subject to conditions, or is revoked or modified by an order under section 23 or 26; and
- (b) any owner of the building claims—
 - (i) that the conditions mentioned in subsection (2) are satisfied with respect to it and any land comprising the building, or contiguous or adjacent to it, and owned with it; and
 - (ii) that the conditions mentioned in subsection (3) are satisfied with respect to that land,

Purchase notice on refusal or conditional grant of listed building consent.

he may, within the prescribed time and in the prescribed manner, serve on the council of the district or London borough in which the building and land are situated a notice (in this Act referred to as a “listed building purchase notice”) requiring that council to purchase his interest in the building and land in accordance with sections 33 to 37.

(2) The conditions mentioned in subsection (1)(b)(i) are—

- (a) that the building and land in respect of which the notice is served have become incapable of reasonably beneficial use in their existing state;
- (b) in a case where listed building consent has been granted subject to conditions with respect to the execution of the works or has been modified by the imposition of such conditions, that the land cannot be rendered capable of such use by the carrying out of the works in accordance with those conditions; and
- (c) in any case, that the land cannot be rendered capable of such use by the carrying out of any other works for which listed building consent has been granted or for which the local planning authority or the Secretary of State has undertaken to grant such consent.

(3) The conditions mentioned in subsection (1)(b)(ii) are that the use of the land is substantially inseparable from that of the building and that it ought to be treated, together with the building, as a single holding.

(4) In determining for the purpose of subsection (2) what is or would in any particular circumstances be a reasonably beneficial use of land, no account shall be taken of any prospective use which would involve the carrying out of new development or any works requiring listed building consent which might be executed to the building, other than works for which the local planning authority or the Secretary of State have undertaken to grant such consent.

PART I

(5) References in sections 33 to 37 to the land are to the building and the land in respect of which the notice under subsection (1) is served.

Action by council on whom listed building purchase notice served.

33.—(1) The council on whom a listed building purchase notice is served by an owner shall serve on him a notice stating either—

- (a) that the council are willing to comply with the purchase notice; or
- (b) that another local authority or statutory undertakers specified in the notice under this subsection have agreed to comply with it in their place; or
- (c) that for reasons so specified the council are not willing to comply with the purchase notice and have not found any other local authority or statutory undertakers who will agree to comply with it in their place and that they have transmitted to the Secretary of State a copy of the purchase notice and of the notice under this subsection.

(2) A notice under subsection (1) must be served before the end of the period of three months beginning with the date of service of the listed building purchase notice.

(3) Where such a notice as is mentioned in paragraph (a) or (b) of subsection (1) has been duly served, the council or, as the case may be, the other local authority or statutory undertakers specified in the notice shall be deemed—

- (a) to be authorised to acquire the interest of the owner compulsorily in accordance with the provisions of section 47; and
- (b) to have served a notice to treat in respect of it on the date of service of the notice under that subsection.

(4) Where the council propose to serve such a notice as is mentioned in subsection (1)(c), they shall first send to the Secretary of State a copy of—

- (a) the proposed notice; and
- (b) the listed building purchase notice which was served on them.

Procedure on reference of listed building purchase notice to Secretary of State.

34.—(1) Where a copy of a listed building purchase notice is sent to the Secretary of State under section 33(4), he shall consider whether to confirm the notice or to take other action under section 35 in respect of it.

(2) Before confirming such a notice or taking such other action, the Secretary of State shall give notice of his proposed action—

- (a) to the person who served the notice;
- (b) to the council on whom it was served;
- (c) outside Greater London—
 - (i) to the county planning authority and also, where that authority is a joint planning board, to the county council; and
 - (ii) if the district council on whom the purchase notice in question was served is a constituent member of a joint planning board, to that board; and
- (d) if the Secretary of State proposes to substitute any other local authority or statutory undertakers for the council on whom the notice was served, to them.

PART I

(3) A notice under subsection (2) shall specify the period (which must not be less than 28 days from its service) within which any of the persons on whom it is served may require the Secretary of State to give him an opportunity of appearing before and being heard by a person appointed by him for the purpose.

(4) If any of those persons so require, before the Secretary of State confirms the listed building purchase notice or takes any other action under section 35 in respect of it, he shall give such an opportunity to each of them.

(5) If after any of those persons have appeared before and been heard by the appointed person, it appears to the Secretary of State to be expedient to take action under section 35 otherwise than in accordance with the notice given by him, the Secretary of State may take that action accordingly.

35.—(1) Subject to the following provisions of this section, if the Secretary of State is satisfied that the conditions specified in section 32(2)(a) to (c) are satisfied in the case of any listed building purchase notice, he shall confirm the notice.

Action by Secretary of State in relation to listed building purchase notice.

(2) If the Secretary of State is satisfied that those conditions are fulfilled only in respect of part of the land, he shall confirm the notice only in respect of that part and the notice shall have effect accordingly.

(3) The Secretary of State shall not confirm the notice unless he is satisfied that the land comprises such land contiguous or adjacent to the building as is in his opinion required—

- (a) for preserving the building or its amenities, or
- (b) for affording access to it, or
- (c) for its proper control or management.

(4) If it appears to the Secretary of State to be expedient to do so he may, instead of confirming the notice—

- (a) in the case of a notice served on account of the refusal of listed building consent for any works, grant such consent for those works;
- (b) in the case of a notice served on account of such consent being granted subject to conditions, revoke or amend those conditions so far as it appears to him to be required in order to enable the land to be rendered capable of reasonably beneficial use by the carrying out of those works;
- (c) in the case of a notice served on account of such consent being revoked by an order under section 23 or 26, cancel the order revoking the consent; or
- (d) in the case of a notice served on account of such consent being modified by such an order by the imposition of conditions, revoke or amend those conditions so far as appears to him to be required in order to enable the land to be rendered capable of reasonably beneficial use by the carrying out of the works in respect of which the consent was granted.

(5) If it appears to the Secretary of State that the land (or any part of it) could be rendered capable of reasonably beneficial use within a reasonable time by the carrying out—

- PART I**
- (a) of any other works for which listed building consent ought to be granted, or
 - (b) of any development for which planning permission ought to be granted,

he may, instead of confirming the listed building purchase notice (or confirming it so far as it relates to that part), direct that if an application is made for such consent for those works or, as the case may be, for planning permission for that development, it shall be granted.

(6) If it appears to the Secretary of State, having regard to the probable ultimate use of the building or its site, that it is expedient to do so, he may, if he confirms the notice, modify it either in relation to the whole or any part of the land, by substituting another local authority or statutory undertakers for the council on whom the notice was served.

(7) Any reference in section 34 to the taking of action by the Secretary of State under this section includes a reference to the taking by him of a decision not to confirm the notice on the grounds that any of the conditions referred to in subsection (1) are not satisfied.

Effect of Secretary of State's action in relation to listed building purchase notice.

36.—(1) Where the Secretary of State confirms a listed building purchase notice, the council on whom the notice was served shall be deemed—

- (a) to be authorised to acquire the owner's interest in the land compulsorily in accordance with the provisions of section 47; and
- (b) to have served a notice to treat in respect of it on such date as the Secretary of State may direct.

(2) If before the end of the relevant period the Secretary of State has neither—

- (a) confirmed the listed building purchase notice; nor
- (b) notified the owner by whom it was served that he does not propose to confirm it; nor
- (c) taken any such action in respect of it as is mentioned in subsection (4) or (5) of section 35,

the notice shall be deemed to be confirmed at the end of that period and the council on whom it was served shall be deemed to have been authorised as mentioned in subsection (1)(a) and to have served a notice to treat in respect of the owner's interest at the end of that period.

(3) Where a listed building purchase notice is confirmed in respect of only part of the land, references in this section to the owner's interest in the land are references to the owner's interest in that part.

(4) Where a listed building purchase notice is modified under section 35(6) by the substitution of another local authority or statutory undertakers for the council on whom the notice was served, the reference in subsection (1) to that council is to that other local authority or those statutory undertakers.

(5) In this section "the relevant period" means, subject to subsection (6) below—

- (a) the period of nine months beginning with the date of the service of the listed building purchase notice; or

PART I

- (b) if it ends earlier, the period of six months beginning with the date on which a copy of the notice was sent to the Secretary of State.
- (6) The relevant period does not run if the Secretary of State has before him at the same time both—
 - (a) a copy of the listed building purchase notice sent to him under section 33(4); and
 - (b) a notice of appeal under section 20 or section 39 relating to any of the land to which the listed building purchase notice relates.
- (7) Where any decision by the Secretary of State to confirm or not to confirm a listed building purchase notice (including any decision to confirm the notice only in respect of part of the land, or to give any direction as to the granting of listed building consent or planning permission) is quashed under section 63, the notice shall be treated as cancelled but the owner may serve a further notice in its place.
- (8) For the purposes of determining whether such a further notice has been served within the period prescribed for the service of listed building purchase notices, the decision concerning listed building consent on account of which the notice has been served shall be treated as having been made on the date on which the Secretary of State's decision was quashed.

37. Where compensation is payable under section 28 in respect of expenditure incurred in carrying out any works to a building, any compensation which then becomes payable in respect of the acquisition of an interest in the land in pursuance of a listed building purchase notice shall be reduced by an amount equal to the value of those works.

Reduction of compensation on acquisition where s. 28 compensation payable.

CHAPTER IV

ENFORCEMENT

- 38.—(1) Where it appears to the local planning authority—
- (a) that any works have been or are being executed to a listed building in their area; and
 - (b) that the works are such as to involve a contravention of section 9(1) or (2),

Power to issue listed building enforcement notice.

they may, if they consider it expedient to do so having regard to the effect of the works on the character of the building as one of special architectural or historic interest, issue a notice under this section (in this Act referred to as a "listed building enforcement notice").

(2) A listed building enforcement notice shall specify the alleged contravention and require such steps as may be specified in the notice to be taken within such period as may be so specified—

- (a) for restoring the building to its former state; or
- (b) if the authority consider that such restoration would not be reasonably practicable or would be undesirable, for executing such further works specified in the notice as they consider necessary to alleviate the effect of the works which were carried out without listed building consent; or
- (c) for bringing the building to the state in which it would have been if the terms and conditions of any listed building consent which has been granted for the works had been complied with.

PART I (3) A listed building enforcement notice shall specify the date on which it is to take effect (in this section referred to as “the specified date”).

(4) A copy of a listed building enforcement notice shall be served, not later than 28 days after the date of its issue and not later than 28 days before the specified date—

(a) on the owner and on the occupier of the building to which it relates; and

(b) on any other person having an interest in that building which in the opinion of the authority is materially affected by the notice.

(5) The local planning authority may withdraw a listed building enforcement notice (without prejudice to their power to issue another) at any time before it takes effect.

(6) If they do so, they shall immediately give notice of the withdrawal to every person who was served with a copy of the notice.

(7) Where a listed building enforcement notice imposes any such requirement as is mentioned in subsection (2)(b), listed building consent shall be deemed to be granted for any works of demolition, alteration or extension of the building executed as a result of compliance with the notice.

**Appeal against
listed building
enforcement
notice.**

39.—(1) A person having an interest in the building to which a listed building enforcement notice relates or a relevant occupier may appeal to the Secretary of State against the notice on any of the following grounds—

(a) that the building is not of special architectural or historic interest;

(b) that the matters alleged to constitute a contravention of section 9(1) or (2) do not involve such a contravention;

(c) that the contravention of that section alleged in the notice has not taken place;

(d) that works to the building were urgently necessary in the interests of safety or health or for the preservation of the building, that it was not practicable to secure safety or health or, as the case may be, the preservation of the building by works of repair or works for affording temporary support or shelter, and that the works carried out were limited to the minimum measures immediately necessary;

(e) that listed building consent ought to be granted for the works, or that any relevant condition of such consent which has been granted ought to be discharged, or different conditions substituted;

(f) that copies of the notice were not served as required by section 38(4);

(g) except in relation to such a requirement as is mentioned in section 38(2)(b) or (c), that the requirements of the notice exceed what is necessary for restoring the building to its condition before the works were carried out;

(h) that the period specified in the notice as the period within which any step required by the notice is to be taken falls short of what should reasonably be allowed;

PART I

- (i) that the steps required by the notice for the purpose of restoring the character of the building to its former state would not serve that purpose;
- (j) that steps required to be taken by virtue of section 38(2)(b) exceed what is necessary to alleviate the effect of the works executed to the building;
- (k) that steps required to be taken by virtue of section 38(2)(c) exceed what is necessary to bring the building to the state in which it would have been if the terms and conditions of the listed building consent had been complied with.

(2) An appeal under this section must be made by notice in writing to the Secretary of State before the date specified in the listed building enforcement notice as that on which it is to take effect.

(3) Where such an appeal is brought the listed building enforcement notice shall be of no effect pending the final determination or the withdrawal of the appeal.

(4) A person who gives notice of appeal under this section shall submit to the Secretary of State, either when giving the notice or within such time as may be prescribed, a statement in writing—

- (a) specifying the grounds on which he is appealing against the listed building enforcement notice; and
- (b) giving such further information as may be prescribed.

(5) If, where more than one ground is specified in the statement, the appellant does not give information required under subsection (4)(b) in relation to each of those grounds within the prescribed time, the Secretary of State may determine the appeal without considering any ground as to which the appellant has failed to give such information within that time.

(6) Where any person has appealed to the Secretary of State under this section against a notice, no person shall be entitled, in any other proceedings instituted after the making of the appeal, to claim that the notice was not duly served on the person who appealed.

(7) In this section “relevant occupier” means a person who—

- (a) on the date on which the listed building enforcement notice is issued occupies the building to which the notice relates by virtue of a licence in writing; and
- (b) continues so to occupy the building when the appeal is brought.

40.—(1) The Secretary of State may by regulations prescribe the procedure which is to be followed on appeals under section 39, and in particular, but without prejudice to the generality of this subsection may—

- (a) require the local planning authority to submit, within such time as may be prescribed, a statement indicating the submissions which they propose to put forward on the appeal;
- (b) specify the matters to be included in such a statement;
- (c) require the authority or the appellant to give such notice of such an appeal as may be prescribed, being notice which in the opinion of the Secretary of State is likely to bring the appeal to the attention of persons in the locality in which the building in question is situated;

**Appeals:
supplementary
provisions.**

PART I

(d) require the authority to send to the Secretary of State, within such period from the date of the bringing of the appeal as may be prescribed, a copy of the enforcement notice and a list of the persons served with copies of it.

(2) Subject to section 41(4), the Secretary of State shall, if either the appellant or the local planning authority so wish, give each of them an opportunity of appearing before and being heard by a person appointed by the Secretary of State for the purpose.

(3) Schedule 3 applies to appeals under section 39.

**Determination of
appeals under s.
39.**

41.—(1) On the determination of an appeal under section 39, the Secretary of State shall give directions for giving effect to the determination, including where appropriate directions for quashing the listed building enforcement notice or for varying its terms.

(2) On such an appeal if the Secretary of State is satisfied that to do so will not cause injustice to the appellant or to the local planning authority, he may—

- (a) correct any informality, defect or error in the listed building enforcement notice, or
- (b) give directions for varying its terms.

(3) The Secretary of State—

- (a) may dismiss such an appeal if the appellant fails to comply with section 39(4) within the prescribed time; and
- (b) may allow such an appeal and quash the listed building enforcement notice if the local planning authority fail to comply within the prescribed period with any requirement imposed by regulations made by virtue of section 40(1)(a),(b) or (d).

(4) If the Secretary of State proposes to dismiss an appeal under paragraph (a) of subsection (3) or to allow an appeal and quash the listed building enforcement notice under paragraph (b) of that subsection he need not comply with section 40(2).

(5) Where it would otherwise be a ground for determining an appeal in favour of the appellant that a person required to be served with a copy of the listed building enforcement notice was not served, the Secretary of State may disregard that fact if neither the appellant nor that person has been substantially prejudiced by the failure to serve him.

(6) On the determination of an appeal the Secretary of State may—

- (a) grant listed building consent for the works to which the listed building enforcement notice relates or for part only of those works;
- (b) discharge any condition or limitation subject to which listed building consent was granted and substitute any other condition, whether more or less onerous;
- (c) if he thinks fit, exercise his power under section 1 to amend any list compiled or approved under that section by removing from it the building to which the appeal relates.

(7) Any listed building consent granted by the Secretary of State under subsection (6) shall be treated as granted on an application for the same consent under section 10 and the Secretary of State's decision in relation to the grant shall be final.

PART I

42.—(1) If any of the steps specified in the listed building enforcement notice have not been taken within the compliance period, the authority may—

Execution of works required by listed building enforcement notice.

- (a) enter the land and take those steps, and
- (b) recover from the person who is then the owner of the land any expenses reasonably incurred by them in doing so.

(2) Where a listed building enforcement notice has been served in respect of a building—

- (a) any expenses incurred by the owner or occupier of the building for the purpose of complying with it, and
- (b) any sums paid by the owner of the building under subsection (1) in respect of expenses incurred by the local planning authority in taking steps required by it,

shall be deemed to be incurred or paid for the use and at the request of the person who carried out the works to which the notice relates.

(3) Regulations under this Act may provide that all or any of the following sections of the Public Health Act 1936, namely—

1936 c. 49.

- (a) section 276 (power of local authorities to sell materials removed in executing works under that Act subject to accounting for the proceeds of sale);
- (b) section 289 (power to require the occupier of any premises to permit works to be executed by the owner of the premises);
- (c) section 294 (limit on liability of persons holding premises as agents or trustees in respect of the expenses recoverable under that Act),

shall apply, subject to such adaptations and modifications as may be specified in the regulations, in relation to any steps required to be taken by a listed building enforcement notice.

(4) Regulations under subsection (3) applying all or any of section 289 of that Act may include adaptations and modifications for the purpose of giving the owner of land to which such a notice relates the right, as against all other persons interested in the land, to comply with the requirements of the notice.

(5) Regulations under subsection (3) may also provide for the charging on the land on which the building stands of any expenses recoverable by a local planning authority under subsection (1).

(6) Where any expenses are recoverable by a local planning authority by virtue of this section, those expenses shall be recoverable as a simple contract debt in any court of competent jurisdiction.

(7) In this section and in section 43 references to “the compliance period”, in relation to a listed building enforcement notice, are references to the period specified in the notice as that within which the steps specified in it are to be taken, or such extended period as the local planning authority may allow for the taking of those steps.

PART I
Penalties for non-compliance with listed building enforcement notice.

43.—(1) Where a listed building enforcement notice has been served on the person who at the time when the notice was served was the owner of the building to which it relates, and any steps required by the notice have not been taken within the compliance period, then subject to the provisions of this section, that person shall be guilty of an offence and liable—

- (a) on summary conviction, to a fine not exceeding the statutory maximum, or
- (b) on conviction on indictment, to a fine.

(2) Where proceedings have been brought under subsection (1) against a person (“the original owner”) who ceased to be the owner of the building before the end of the compliance period, if he—

- (a) duly lays information to that effect; and
- (b) gives the prosecution not less than three clear days’ notice of his intention,

he shall be entitled to have the person who then became the owner of the building (“the subsequent owner”) brought before the court in the proceedings.

(3) Where in such proceedings—

- (a) it is proved that any steps required by the notice have not been taken within the compliance period; and
- (b) the original owner proves that the failure to take those steps was attributable, in whole or in part, to the default of the subsequent owner,

then—

- (i) the subsequent owner may be convicted of the offence; and
- (ii) if the original owner also proves that he took all reasonable steps to secure compliance with the notice, he shall be acquitted of the offence.

(4) If, after a person has been convicted under the previous provisions of this section, he does not as soon as practicable do everything in his power to secure compliance with the notice, he shall be guilty of a further offence and liable—

- (a) on summary conviction, to a fine not exceeding £200 for each day following his first conviction on which any of the requirements of the notice remain unfulfilled; or
- (b) on conviction on indictment, to a fine.

Effect of listed building consent on listed building enforcement notice.

44.—(1) If, after the issue of a listed building enforcement notice, consent is granted under section 8(3)—

- (a) for the retention of any work to which the notice relates; or
- (b) permitting the retention of works without compliance with some condition subject to which a previous listed building consent was granted,

the notice shall cease to have effect in so far as it requires steps to be taken involving the works not being retained or, as the case may be, for complying with that condition.

(2) The fact that such a notice has wholly or partly ceased to have effect under subsection (1) shall not affect the liability of any person for an offence in respect of a previous failure to comply with that notice.

PART I

45. The Commission shall, as respects any London borough, have concurrently with the council of that borough the functions of a local planning authority under sections 38 to 43; and references to the local planning authority in those provisions shall be construed accordingly.

Commission to have concurrent enforcement functions in London.

46.—(1) If it appears to the Secretary of State to be expedient that a listed building enforcement notice should be issued in respect of any land, he may issue such a notice.

Enforcement by the Secretary of State.

(2) Before the Secretary of State serves a notice under subsection (1) he shall consult—

- (a) the local planning authority; and
- (b) if the land is situated in England, the Commission.

(3) A listed building enforcement notice issued by the Secretary of State shall have the same effect as a notice issued by the local planning authority.

(4) In relation to a listed building enforcement notice issued by the Secretary of State, sections 42 and 43 shall apply as if for any reference in those sections to the local planning authority there were substituted a reference to the Secretary of State.

(5) References in this section to the local planning authority shall in the case of an authority for an area outside Greater London be construed as references to the district planning authority.

CHAPTER V

PREVENTION OF DETERIORATION AND DAMAGE

Compulsory acquisition of listed building in need of repair

47.—(1) If it appears to the Secretary of State that reasonable steps are not being taken for properly preserving a listed building he—

Compulsory acquisition of listed building in need of repair.

- (a) may authorise the appropriate authority to acquire compulsorily under this section the building and any relevant land; or
- (b) may himself compulsorily acquire them under this section.

(2) The Acquisition of Land Act 1981 shall apply to compulsory acquisition under this section.

1981 c.67.

(3) The Secretary of State shall not make or confirm a compulsory purchase order for the acquisition of any building by virtue of this section unless—

- (a) in the case of the acquisition of a building situated in England otherwise than by the Commission, he has consulted with the Commission; and
- (b) in any case, he is satisfied that it is expedient to make provision for the preservation of the building and to authorise its compulsory acquisition for that purpose.

PART I

(4) Any person having an interest in a building which it is proposed to acquire compulsorily under this section may, within 28 days after the service of the notice required by section 12 of that Act of 1981 or, as the case may be, paragraph 3(1) of Schedule 1 to that Act, apply to a magistrates' court acting for the petty sessions area within which the building is situated for an order staying further proceedings on the compulsory purchase order.

(5) If on an application under subsection (4) the court is satisfied that reasonable steps have been taken for properly preserving the building, the court shall make an order accordingly.

(6) Any person aggrieved by the decision of a magistrates' court on an application under subsection (4) may appeal against the decision to the Crown Court.

(7) In this section—

“the appropriate authority” means—

(a) the council of the county or district in which the building is situated, or

(b) in the case of a building situated in Greater London, the Commission or the council of the London borough in which the building is situated, or

(c) in the case of a building situated outside Greater London, the joint planning board for the area in which the building is situated; or

(d) in the case of a building situated within the Broads, the Broads Authority;

“relevant land”, in relation to any building, means the land comprising or contiguous or adjacent to it which appears to the Secretary of State to be required for preserving the building or its amenities, or for affording access to it, or for its proper control or management.

Repairs notice as preliminary to acquisition under s. 47.

48.—(1) The compulsory purchase of a building under section 47 shall not be started by the appropriate authority or by the Secretary of State unless at least two months previously the authority or, as the case may be, the Secretary of State has served on the owner of the building a notice under this section (in this section referred to as a “repairs notice”)—

(a) specifying the works which the appropriate authority or, as the case may be, the Secretary of State considers reasonably necessary for the proper preservation of the building; and

(b) explaining the effect of sections 47 to 50,

and the repairs notice has not been withdrawn.

(2) Where—

(a) a building is demolished after a repairs notice has been served in respect of it by an appropriate authority or the Secretary of State, but

PART I

(b) the Secretary of State is satisfied that he would have confirmed or, as the case may be, would have made a compulsory purchase order in respect of the building had it not been demolished, the demolition of the building shall not prevent the authority or the Secretary of State from being authorised under section 47 to acquire compulsorily the site of the building.

(3) An appropriate authority or the Secretary of State may at any time withdraw a repairs notice served by them on any person; and if they do so, they shall immediately give him notice of the withdrawal.

(4) The Secretary of State shall consult with the Commission before he serves or withdraws a repairs notice in relation to a building situated in England.

(5) Where a repairs notice has been served on a person in respect of a building, he shall not be entitled to serve a listed building purchase notice in respect of it—

- (a) until the expiration of three months beginning with the date of the service of the repairs notice; or
- (b) if during that period the compulsory acquisition of the building is begun under section 47, unless and until the compulsory acquisition is discontinued.

(6) For the purposes of this section a compulsory acquisition—

- (a) is started when the notice required by section 12 of the Acquisition of Land Act 1981 or, as the case may be, paragraph 3(1) of Schedule 1 to that Act is served; and
- (b) is discontinued—
 - (i) in the case of acquisition by the Secretary of State, when he decides not to make the compulsory purchase order; and
 - (ii) in any other case, when the order is withdrawn or the Secretary of State decides not to confirm it.

1981 c.67.

(7) In this section “appropriate authority” has the same meaning as in section 47.

49. Subject to section 50, for the purpose of assessing compensation in respect of any compulsory acquisition of land including a building which immediately before the date of the compulsory purchase order was listed, it shall be assumed that listed building consent would be granted for any works—

Compensation on compulsory acquisition of listed building.

- (a) for the alteration or extension of the building; or
- (b) for the demolition of the building for the purpose of development of any class specified in Schedule 3 to the principal Act (development not constituting new development),

other than works in respect of which such consent has been applied for before the date of the order and refused by the Secretary of State, or granted by him subject to conditions, the circumstances having been such that on that refusal or grant compensation became payable under section 27.

PART I
Minimum
compensation in
case of listed
building
deliberately left
derelict.

50.—(1) Where the appropriate authority within the meaning of section 47—

- (a) propose to acquire a building compulsorily under that section; and
- (b) are satisfied that the building has been deliberately allowed to fall into disrepair for the purpose of justifying its demolition and the development or redevelopment of the site or any adjoining site,

they may include in the compulsory purchase order as submitted to the Secretary of State for confirmation a direction for minimum compensation.

(2) Subject to the provisions of this section, where the Secretary of State acquires a building compulsorily under section 47, he may, if he is satisfied as mentioned in subsection (1)(b), include a direction for minimum compensation in the compulsory purchase order.

1981 c.67.

(3) Without prejudice to so much of section 12 of the Acquisition of Land Act 1981 or, as the case may be, paragraph 3(1) of Schedule 1 to that Act (notices stating effect of compulsory purchase order or, as the case may be, draft order) as requires the notice to state the effect of the order, the notice required to be served in accordance with that provision shall—

- (a) include a statement that a direction for minimum compensation has been included in the order or, as the case may be, in the draft order prepared by the Secretary of State in accordance with Schedule 1 to that Act; and
- (b) explain the meaning of the expression “direction for minimum compensation”.

(4) A direction for minimum compensation, in relation to a building compulsorily acquired, is a direction that for the purpose of assessing compensation it is to be assumed, notwithstanding anything to the contrary in the Land Compensation Act 1961, the principal Act, or this Act—

1961 c.33.

- (a) that planning permission would not be granted for any development or re-development of the site of the building; and
- (b) that listed building consent would not be granted for any works for the demolition, alteration or extension of the building other than development or works necessary for restoring it to and maintaining it in a proper state of repair.

(5) If a compulsory purchase order is confirmed or made with the inclusion of a direction for minimum compensation, the compensation in respect of the compulsory acquisition shall be assessed in accordance with the direction.

(6) Where such a direction is included in a compulsory purchase order or, as the case may be, in a draft order prepared by the Secretary of State, any person having an interest in the building may, within 28 days after the service of the notice mentioned in subsection (3), apply to a magistrates’ court acting for the petty sessions area in which the building is situated for an order that no such direction be included in the compulsory purchase order as confirmed or made by the Secretary of State.

(7) If the court to which an application is made under subsection (6) is satisfied that the building in respect of which the application is made has not been deliberately allowed to fall into disrepair for the purpose mentioned in subsection (1)(b) the court shall make the order applied for.

(8) A person aggrieved by the decision of a magistrates' court on an application under subsection (6) may appeal against the decision to the Crown Court.

PART I

(9) The rights conferred by subsections (6) and (8) shall not prejudice those conferred by section 47(4) and (6).

51.—(1) Subject to the provisions of this section, upon the completion of a compulsory acquisition of land under section 47—

Ending of rights over land compulsorily acquired.

- (a) all private rights of way and rights of laying down, erecting, continuing or maintaining any apparatus on, under or over the land shall be extinguished, and
- (b) any such apparatus shall vest in the acquiring authority.

(2) Subsection (1) shall not apply—

- (a) to any right vested in, or apparatus belonging to, statutory undertakers for the purpose of the carrying on of their undertaking, or
- (b) to any right conferred by or in accordance with the telecommunications code on the operator of a telecommunications code system, or
- (c) to any telecommunication apparatus kept installed for the purposes of any such system.

(3) In respect of any right or apparatus not falling within subsection (2), subsection (1) shall have effect subject—

- (a) to any direction given by the acquiring authority before the completion of the acquisition that subsection (1) shall not apply to any right or apparatus specified in the direction; and
- (b) to any agreement which may be made (whether before or after the completion of the acquisition) between the acquiring authority and the person in or to whom the right or apparatus in question is vested or belongs.

(4) Any person who suffers loss by the extinguishment of a right or the vesting of any apparatus under this section shall be entitled to compensation from the acquiring authority.

(5) Any compensation payable under this section shall be determined in accordance with the Land Compensation Act 1961.

1961 c.33.

Acquisition by agreement

52.—(1) The council of any county, district or London borough or a joint planning board for an area outside Greater London may acquire by agreement—

Acquisition of land by agreement.

- (a) any building appearing to them to be of special architectural or historic interest; and
- (b) any land comprising or contiguous or adjacent to such a building which appears to the Secretary of State to be required—
 - (i) for preserving the building or its amenities, or
 - (ii) for affording access to it, or
 - (iii) for its proper control or management.

PART I
1965 c.56.

(2) The provisions of Part I of the Compulsory Purchase Act 1965 (so far as applicable), other than sections 4 to 8, 10 and 31, shall apply in relation to the acquisition of land under subsection (1), but references in that Part to the execution of the works shall be construed as including references to—

- (a) any erection, construction or carrying out of buildings or works authorised by section 237 of the principal Act; and
- (b) any erection, construction or carrying out of buildings or works on behalf of a Minister or statutory undertakers on land acquired by that Minister or those undertakers, where the buildings or works are erected, constructed or carried out for the purposes for which the land was acquired.

Management of acquired buildings

Management of
listed buildings
acquired under
this Act.

53.—(1) Where—

- (a) a local authority or joint planning board acquire any building or other land under section 47(1) or 52(1)(a) or (b); or
- (b) the Commission acquire any building or other land under section 47(1),

they may make such arrangements as to its management, use or disposal as they consider appropriate for the purpose of its preservation.

(2) Where the Secretary of State acquires any building or other land under section 47(1), he may—

- (a) make such arrangements as he thinks fit as to the management, custody or use of the building or land; and
- (b) dispose of or otherwise deal with any such building or land as he may from time to time determine.

(3) The Commission may be a party to such arrangements as are mentioned in subsection (2) if they relate to property situated in England.

Urgent preservation

Urgent works to
preserve
unoccupied listed
buildings.

54.—(1) A local authority may execute any works which appear to them to be urgently necessary for the preservation of a listed building in their area.

(2) If it appears to the Secretary of State that any works are urgently necessary for the preservation of a listed building—

- (a) if the building is in England, he shall authorise the Commission to execute any works specified in the authorisation which appear to him to be urgently necessary for its preservation; or
- (b) if the building is in Wales, he may himself execute any works which appear to him to be urgently necessary for its preservation.

(3) The works which may be executed under this section may consist of or include works for affording temporary support or shelter for the building.

(4) If the building is occupied works may be carried out only to those parts which are not in use.

(5) The owner of the building must be given not less than seven days notice in writing of the intention to carry out the works and, in the case of works authorised under subsection (2)(a), the Commission shall give that notice.

PART I

(6) A notice under subsection (5) shall describe the works proposed to be carried out.

(7) As respects buildings in Greater London, the functions of a local authority under this section are exercisable concurrently by the Commission and the relevant London borough council.

55.—(1) This section has effect for enabling the expenses of works executed under section 54 to be recovered by the authority who carried out the works, that is to say the local authority, the Commission or the Secretary of State or, in the case of works carried out by the Commission on behalf of the Secretary of State, the Secretary of State.

Recovery of expenses of works under s. 54.

(2) That authority may give notice to the owner of the building requiring him to pay the expenses of the works.

(3) Where the works consist of or include works for affording temporary support or shelter for the building—

(a) the expenses which may be recovered include any continuing expenses involved in making available the apparatus or materials used; and

(b) notices under subsection (2) in respect of any such continuing expenses may be given from time to time.

(4) The owner may within 28 days of the service of the notice represent to the Secretary of State—

(a) that some or all of the works were unnecessary for the preservation of the building; or

(b) in the case of works for affording temporary support or shelter, that the temporary arrangements have continued for an unreasonable length of time; or

(c) that the amount specified in the notice is unreasonable; or

(d) that the recovery of that amount would cause him hardship,

and the Secretary of State shall determine to what extent the representations are justified.

(5) The Secretary of State shall give notice of his determination, the reasons for it and the amount recoverable—

(a) to the owner of the building; and

(b) if the authority who gave notice under subsection (2) is a local authority or the Commission, to them.

(6) Any expenses recoverable by virtue of this section shall be recoverable as a simple contract debt in any court of competent jurisdiction.

56. Before taking any steps with a view to—

(a) the making of an order in respect of a listed building under section 77(1)(a) of the Building Act 1984 or section 65 or 69(1) of the London Building Acts (Amendment) Act 1939; or

Dangerous structure orders in respect of listed buildings.
1984 c. 55.
1939 c. xcvi.

PART I

(b) the service of a notice under section 79(1) of that Act of 1984 or section 62(2) of that Act of 1939,
 a local planning authority shall consider whether they should instead exercise their powers under sections 47 and 48 or section 54.

Grants for repair and maintenance

Power of local authority to contribute to preservation of listed buildings etc.

57.—(1) A local authority may contribute towards the expenses incurred or to be incurred in the repair or maintenance—

- (a) of a listed building which is situate in or in the vicinity of their area; or
- (b) of a building in their area which is not listed but appears to them to be of architectural or historic interest.

(2) At the time of making such a contribution the local authority may also contribute towards the expenses incurred, or to be incurred, in the upkeep of any garden occupied with the building and contiguous or adjacent to it.

(3) A contribution under this section may be made by grant or loan.

(4) A contribution by way of loan may be made upon such terms and conditions as the local authority may determine including (but without prejudice to the foregoing) a term that the loan shall be free of interest.

(5) A local authority—

- (a) may renounce their right to repayment of such a loan or any interest for the time being outstanding, and
- (b) by agreement with the borrower may otherwise vary any of the terms and conditions on which such a loan is made.

(6) A local authority may require as a condition of the making by them of a contribution under this section by way of grant towards the expenses of the repair or maintenance or upkeep of any property that the person to whom the grant is made shall enter into an agreement with them for the purpose of enabling the public to have access to the property or part of it during such period and at such times as the agreement may provide.

(7) In this section and in section 58 “local authority” means—

- (a) the council of a county, borough or district,
- (b) a joint planning board constituted under section 2 of the principal Act, and
- (c) in relation to a building or land in the Broads, the Broads Authority.

Recovery of grants under s. 57.

58.—(1) If, during the period of three years beginning with the day on which a grant is made under section 57 towards the repair or maintenance or upkeep of any property (“the grant property”), the grantee disposes of the interest held by him in the property on that day or any part of that interest, by way of sale or exchange or lease for a term of not less than 21 years, the local authority may recover the amount of the grant, or such part of it as they think fit, from the grantee in any court of competent jurisdiction.

PART I

(2) If the grantee gives the whole of that interest to any person (whether directly or indirectly, but otherwise than by will) subsection (1) shall have effect as if the donee were the grantee.

(3) If the grantee gives part of that interest to any person (whether directly or indirectly, but otherwise than by will) subsection (1) shall have effect as if any disposal or part disposal of that interest by the donee were a disposal by the grantee.

(4) If any condition imposed on the making of a grant to which this section applies is contravened or not complied with, the grantor may recover the amount of the grant, or such part of it as he thinks fit, from the grantee.

(2) Appeals of a prescribed class shall be so determined except in such classes of case as may for the time being be prescribed or as may be specified in directions given by the Secretary of State.

(3) Regulations made for the purpose of this paragraph may provide for the giving of publicity to any directions given by the Secretary of State under this paragraph.

(4) This paragraph shall not affect any provision in this Act or any instrument made under it that an appeal shall lie to, or a notice of appeal shall be served on, the Secretary of State.

(5) A person appointed under this paragraph is referred to in this Schedule as “an appointed person”.

Powers and duties of appointed person

2.—(1) An appointed person shall have the same powers and duties—

(2) Sections 22(2) and 40(2) shall not apply to an appeal which falls to be determined by an appointed person, but before it is determined the Secretary of State shall ask the appellant and the local planning authority whether they wish to appear before and be heard by the appointed person.

(3) If both the parties express a wish not to appear and be heard the appeal may be determined without their being heard.

(4) If either of the parties expresses a wish to appear and be heard, the appointed person shall give them both an opportunity of doing so.

(5) Where an appeal has been determined by an appointed person, his decision shall be treated as that of the Secretary of State.

(6) Except as provided by sections 62 to 65, the validity of that decision shall not be questioned in any proceedings whatsoever.

(7) It shall not be a ground of application to the High Court under section 63, or of appeal to the High Court under section 65, that an appeal ought to have been determined by the Secretary of State and not by an appointed person, unless the appellant or the local planning authority challenge the appointed person's power to determine the appeal before his decision on the appeal is given.

(8) Where in any enactment (including this Act) there is a reference to the Secretary of State in a context relating or capable of relating—

- (a) to an appeal under section 20 or 39, or

- SCH. 3 (b) to anything done or authorised or required to be done by, to or before the Secretary of State on or in connection with any such appeal, then so far as the context permits it shall be construed, in relation to an appeal determined or falling to be determined by an appointed person, as a reference to him.

(3) Where in consequence of such a direction an appeal under section 20 or 39 falls to be determined by the Secretary of State himself, the provisions of this Act which are relevant to the appeal shall, subject to the following provisions of this paragraph, apply to the appeal as if this Schedule had never applied to it.

(4) The Secretary of State shall give the appellant, the local planning authority and any person who has made such representations as are referred to in sub-paragraph (2) an opportunity of appearing before and being heard by a person appointed by the Secretary of State for that purpose if—

- (a) the reasons for the direction raise matters with respect to which any of those persons have not made representations; or
- (b) in the case of the appellant and the local planning authority, either of them was not asked in pursuance of paragraph 2(2) whether they wished to appear before and be heard by the appointed person, or expressed no wish in answer to that question, or expressed a wish to appear and be heard but was not given an opportunity of doing so.

(5) Except as provided by sub-paragraph (4), the Secretary of State need not give any person an opportunity of appearing before and being heard by a person appointed for the purpose, or of making fresh representations or making or withdrawing any representations already made.

(6) In determining the appeal the Secretary of State may take into account any report made to him by any person previously appointed to determine it.

4.—(1) The Secretary of State may by a further direction revoke a direction under paragraph 3 at any time before the determination of the appeal.

(2) Such a further direction shall state the reasons for which it is given and shall be served on the person, if any, previously appointed to determine the appeal, the appellant, the local planning authority and any person who made representations relating to the subject matter of the appeal which the authority were required to take into account by regulations made under section 11(4).

(3) Where such a further direction has been given the provisions of this Schedule relevant to the appeal shall apply, subject to sub-paragraph (4), as if no direction under paragraph 3 had been given.

(4) Anything done by or on behalf of the Secretary of State in connection with the appeal which might have been done by the appointed person (including any arrangements made for the holding of a hearing or local inquiry) shall unless that person directs otherwise, be treated as having been done by him.

Appointment of another person to determine appeal

SCH. 3

5.—(1) At any time before the appointed person has determined the appeal the Secretary of State may—

(3) Nothing in sub-paragraph (2) shall require—

- (a) the question referred to in paragraph 2(2) to be asked again with reference to the new appointed person if before his appointment it was asked with reference to the previous appointed person (any answers being treated as given with reference to the new appointed person); or
- (b) any person to be given an opportunity of making fresh representations or modifying or withdrawing any representations already made.
