INVESTMENT SERVICES RULES FOR INVESTMENT SERVICES PROVIDERS

PART BIV: STANDARD LICENCE CONDITIONS APPLICABLE TO INVESTMENT SERVICES LICENCE HOLDERS WHICH QUALIFY AS DEPOSITARIES

Introduction

Part BIV of the Investment Services Rules for Investment Services Providers (the “Rules”) applies to Investment Services Licence Holders which have been authorised to act as Depositaries of Collective Investment Schemes and are therefore in possession of an Investment Services Licence issued in terms of the Investment Services Act (the “Act”).

Any capitalised terms and notions not defined in these Rules are defined in the Glossary to the Investment Services Rules for Investment Services Providers.

1. General Requirements applicable to Depositaries of Collective Investment Schemes

The Standard Licence Conditions prescribed in this section shall apply where the Licence Holder proposes to act as Depositary of a Collective Investment Scheme which is third-party managed or self-managed.

Eligibility Criteria

- 1.01 The Licence Holder is required to have an Investment Services Licence permitting it to provide Depositary services and an established place of business in Malta.
- 1.02 The Licence Holder shall commence its Investment Services business within twelve months of the date of issue of the Investment Services Licence.

If, for any reason the Licence Holder is not in a position to comply with this condition, it shall notify the MFSA in writing setting out the reason/s for such a delay together with an updated business plan indicating the proposed date of commencement of business. On the basis of the information provided and the circumstances of the case, the MFSA may decide to suspend or cancel the Investment Services Licence in accordance with the relevant provisions of the Act.

- 1.03 The Licence Holder shall co-operate in an open and honest manner with the MFSA and inform it promptly of any relevant information. The Licence Holder shall supply the MFSA with such information and returns as the MFSA requires.
- 1.04 Where a Standard Licence Condition requires that the Licence Holder notifies the MFSA of an event, such notification shall be made to the MFSA formally, in a Durable Medium. The request to notify the MFSA of an event shall not be satisfied merely by the fact that the information which ought to be notified to the MFSA is included in a standard regulatory return.
- 1.05 The business of the Licence Holder shall be effectively directed or managed by at least two individuals in satisfaction of the “dual control” principle. Such persons shall be of sufficiently good repute and sufficiently experienced so as to ensure the sound and prudent management of the Licence Holder.

Moreover, the Licence Holder shall take reasonable steps to ensure continuity and regularity in the performance of Investment and Ancillary Services. To this end, the Licence Holder shall employ appropriate and proportionate systems, resources and procedures.

- 1.06 The Licence Holder shall notify the MFSA in writing of:
- a. a change in the name or business name (if different) – at least one month in advance.
 - b. a change of address – at least one month in advance.
 - c. the departure of a Director or Senior Manager – within 14 days of the departure. The Licence Holder shall also request the Director or Senior Manager to confirm to MFSA that their departure had no regulatory implications or to provide relevant details, as appropriate. A copy of such request shall be provided to MFSA together with the Licence Holder’s notification of departure.
 - d. the ultimate beneficial ownership of any party directly or indirectly controlling 10 per cent or more of the Licence Holder’s share capital – on becoming aware of the situation.
 - e. any acquisitions or disposals of shares which fall within the disclosure provisions of Article 10 of the Act – immediately upon becoming aware of the

proposed acquisition or disposal. It should be noted that MFSA has the right to object to such an acquisition.

- f. the provision of a related company loan – within 15 days of making the loan, provided that the Licence Holder which falls under any one of the following categories need not comply with these requirements:
 - i. credit institutions licensed in terms of the Banking Act, 1994; or
 - ii. financial institutions licensed in terms of the Financial Institutions Act, 1994.
- g. any proposed material change to its business (whether that business constitutes licensable activity under the Act or not) – at least one month before the change is to take effect. Where a new or amended Investment Services Licence is required, the Licence Holder shall not commence the new business until the new Investment Services Licence has been granted or the amendment has been approved by the MFSA.
- h. any evidence of fraud or dishonesty by a member of the Licence Holder’s staff – immediately upon becoming aware of the matter.
- i. a decision to make a material claim on any insurance policy held in relation to the Licence Holder’s business. Notification should be provided as soon as the decision is taken.
- j. any actual or intended legal proceedings of a material nature by or against the Licence Holder – immediately after the decision has been taken or on becoming aware of the matter.
- k. any material changes in the information supplied to the MFSA – immediately upon becoming aware of the matter. This shall include the obligation to notify the MFSA on a continuous basis of any changes or circumstances which give rise to the existence of close links, as defined in the Act, between the Licence Holder and any other person.
- l. the fact, where applicable, that the Licence Holder has not provided any Investment Service or carried out any investment activity for the preceding six months, setting out the reasons for such inactivity and providing a business plan for future activity.

- m. any other material information concerning the Licence Holder, its business or its staff in Malta or abroad – immediately upon becoming aware of the matter.

- g. the appointment of a Director or Senior Manager, responsible for the Investment Services business of the Licence Holder, or of a Compliance Officer in terms of SLC 1.20(b), Money Laundering Reporting Officer or other key function holders of the Licence Holder. The request shall be accompanied by the submission of a Personal Questionnaire (“PQ”), duly completed by the person proposed in line with the [Guidelines to the Personal Questionnaire](#), in order to enable the MFSA to assess whether the person(s) concerned are sufficiently competent and of good repute to undertake such activities.

For the purposes of the above and (h) below, ‘Senior Manager’ should be interpreted as the person occupying the most senior role following that of Director, so that in the case where there are various management grades, it is the most senior manager who will require the MFSA’s authorisation.

- h. the change in the responsibilities of an Approved Person¹ when such a change involves a variation in the role that would require authorisation by the MFSA. The request for consent of the change in responsibilities of an Approved Person shall be accompanied by a PQ.

- 1.09 The Licence Holder shall co-operate fully with any inspection or other enquiry, or compliance testing carried out by the MFSA, or an inspector acting on its behalf.
- 1.10 The Licence Holder shall pay promptly all amounts due to the MFSA.
- 1.11 The Licence Fee shall be payable by the Licence Holder on the day the Investment Services Licence is first issued, and thereafter a supervisory fee will become due annually within one week from the anniversary of that date.
- 1.12 The Licence Holder shall notify the MFSA of any breach of the conditions of the Licence as soon as it becomes aware of the breach.
- 1.13 If so required by the MFSA, the Licence Holder shall do everything in its power to delay the cessation of its Investment Services business, or the winding-up of such business so as to comply with conditions imposed by the MFSA, in order to protect the interests of customers.
