

Stormwater Master Plan (SWMP) Update

The City of Miami’s Department of Resilience and Public Works and the Office of Capital Improvements invite you to a series of virtual community meetings to update residents on the City’s Comprehensive Citywide Stormwater Master Plan!

All four meetings are designed to provide information about the SWMP Citywide Plan, with minor emphasis on the regions below.

Please join these meetings at your convenience!

Join us to learn about the results of the Stormwater Master Plan and what it means for you and the City!
