Welcome to the Florida Department of Transportation's One Stop Permitting site. From this website you will be able to see the permits that are administered by the Florida Department of Transportation (FDOT), the Florida Administrative Code (F.A.C.) Rule Chapters that govern the permit requirements, and information concerning the permit applications and how to submit them. Contact information for permit staff can be found under the Permit Offices tab. You can find the appropriate contact information for your county of interest by using the interactive map. If you are interested in obtaining information on permits that have been issued by the FDOT, you can use the GIS Permit Search or Reports tab to run various reports.
