

## Sportsman Racer Advisory Council

The Sportsman Racer Advisory Council (SRAC) was formed to provide a means for discussing and evaluating rules and regulations pertaining to Sportsman racing at NHRA events. The committee consists of Sportsman drivers, crew chiefs, and team owners and is divided into five subcommittees: Top Alcohol, Comp, Super Stock-Stock, Super Comp-Gas-Street, and Top Sportsman-Top Dragster. Each subcommittee has one representative from each NHRA division and a division director serving as a chairperson for each subcommittee.
