I get that too (on Chrome), and I'm in Reclamation; I think I've resolved this issue with tech support at some point, but I can't remember the answer. I can fix it by opening the link in Internet Explorer, or an IE tab if you have that plug-in for Chrome.

Randi et al,

I get a request rejected message when I try to open these documents. Anyone else having problems?

Greetings:

During today's SRTTG meeting we discussed the consultation with the United States Fish and Wildlife Service (USFWS) and National Marine Fisheries Service (NMFS) on the Coordinated Long-Term Operation (LTO) of the Central Valley Project (CVP) and State Water Project (SWP). Here is the link for more information:

<https://www.usbr.gov/mp/bdo/lto.html>

Please let me know if you need any additional information,  
Randi
