## Overall findings

### ***AEOI legal framework***

Belize's legal framework implementing the AEOI Standard is in place and is consistent with the requirements of the AEOI Terms of Reference. This includes Belize's domestic legislative framework requiring Reporting Financial Institutions to conduct the due diligence and reporting procedures (CR1) and its international legal framework to exchange the information with all of Belize's Interested Appropriate Partners (CR2).

The methodology used for the peer reviews and that therefore underpins this report is outlined in Chapter 2.

**Overall determination on the legal framework: In Place**

## Conclusions on the legal framework

### ***General context***

Belize commenced exchanges under the AEOI Standard on a non-reciprocal basis in 2018 (i.e. it sends but does not receive information).

In order to provide for Reporting Financial Institutions to collect and report the information to be exchanged, Belize:

- enacted the Mutual Administrative Assistance in Tax Matters Act, which was amended in 2022; and
- introduced the Mutual Administrative Assistance in Tax Matters (Automatic Exchange of Financial Account Information) Regulations, Statutory Instrument No 52 of 2017, which was amended in 2022.

Under this framework Reporting Financial Institutions were required to commence the due diligence procedures in relation to New Accounts from 1 January 2017. With respect to Preexisting Accounts, Reporting Financial Institutions were required to complete the due diligence procedures on High Value Individual Accounts by 31 December 2017 and on Lower Value Individual Accounts and Entity Accounts by 31 December 2018.

Following the initial Global Forum peer review, Belize amended its legislative framework to address issues identified, the last of which was effective from 9 September 2022.

With respect to the exchange of information under the AEOI Standard, Belize is a Party to the Convention on Mutual Administrative Assistance in Tax Matters and activated the associated CRS Multilateral Competent Authority Agreement in time for exchanges in 2018.
