Dear Neil

Re: Freeview launch of Sky Arts

Sky is hoping to launch a new service on Freeview, Sky Arts.

Could I ask on behalf of Arqiva Muxco Limited that, under the provisions in Paragraph 11(11) of our Mux C licence (MUX-N00000CBA/1), Ofcom gives consent for us to enter into an agreement to launch a fourth Sky service, Sky Arts, on Mux C?

If you have any queries, or wish to discuss any of this then, in the first instance, please contact Anirban Roy, Director of Public Policy, Arqiva.

Yours sincerely,
