

Pocket License Issuance

As of March 14, 2024, The Board is no longer issuing pocket licenses upon the approval of an initial license or renewal application. Licensees can print a pocket license by logging into their [BreEZe](#) account and selecting either of the below certificates from the drop-down menu under the "Manage Your License Information" section. Once selected, the pocket license certificate will open as a PDF on a separate tab.

- "Print License Certificate – Osteo Pocket Cert - **20A (Active)**" -or-
- "Print License Certificate – Osteo Pocket Cert - **20B (Inactive)**" for licensees who hold a *Current/Inactive License*

NOTE: If you are having difficulty accessing the PDF copy of your license once you have made your selection, please ensure that your popup blocker is disabled on your device.

All additional questions may be directed to the Osteopathic Medical Board of California at (916) 928-8390 and OsteoAdminServices@dca.ca.gov.
