How do I decide which plan to use?

GO! exec plans include data, voice call and Iridium messaging app bundles (available some time in 2024) and can be used on land, recreational maritime and general aviation.

Certus 100 Land plans include data bundle and can be used on land only. Data pooling is supported on Certus 100 Land plans.

	Certus 100 Land Plans	Monthly GO! exec Plans	Annual GO! exec Plans
Land Mobile Use	Yes	Yes	Yes
