Self-Regulatory Organization; Cboe BYX Exchange, Inc.; Order Granting an Extension to Limited Exemption From Rule 612(c) of Regulation NMS in Connection with the Exchange's Retail Price Improvement Program

On November 27, 2012, the Securities and Exchange Commission ("Commission") issued an order pursuant to its authority under Rule 612(c) of Regulation NMS ("Sub-Penny Rule")¹ that granted the BATS BYX-Exchange, Inc. (k/n/a "Cboe BYX" or the "Exchange") a limited exemption from the Sub-Penny Rule in connection with the operation of the Exchange's Retail Price Improvement ("RPI") Program (the "Program"). The limited exemption was granted concurrently with the Commission's approval of the Exchange's proposal to adopt the Program for a one-year pilot term.² The exemption was granted coterminous with the effectiveness of the pilot Program and has been extended six times;³ both the pilot Program and exemption are scheduled to expire on December 31, 2018.

The Exchange now seeks to extend the exemption until June 30, 2019.⁴ The Exchange's request was made in conjunction with an immediately effective filing that extends the operation of the Program until June 30, 2019.⁵ In its request to extend the exemption, the Exchange notes that the Program was implemented gradually over time. Accordingly, the Exchange has asked for additional time to allow itself and the Commission to analyze data concerning the Program, which the Exchange committed to provide to the Commission, as well as to allow additional opportunities for greater participation in the Program.⁶ For this reason and the reasons stated in the Order originally granting the limited exemption, the Commission finds that extending the exemption, pursuant to its authority under Rule 612(c) of Regulation NMS, is appropriate in the public interest and consistent with the protection of investors.

THEREFORE, IT IS HEREBY ORDERED, that, pursuant to Rule 612(c) of Regulation NMS, the Exchange is granted a limited exemption from Rule 612(c) of Regulation NMS that
