Rule 13.8. EDGA Book Feeds

(a) – (h) No change.

(i) Cboe Timestamping Service. The Cboe Timestamping Service will consist of two optional reports:

- (1) Missed Liquidity Report. The Missed Liquidity Report contains historical data from the prior trading day and will be available after the end of the trading day on a T+1 basis. It provides time details for executions of orders that rest on the book where the Member receiving the report attempted to execute against a resting order within an Exchange-determined period of time (not to exceed 1 millisecond) after receipt of the first attempt to execute against that resting order and within an Exchange-determined period of time (not to exceed 100 microseconds) before receipt of the first attempt to execute against that resting order.
- (2) Cancels Report. The Cancels Report contains historical data from the prior trading day and will be available after the end of the trading day on a T+1 basis. It provides liquidity response time details for executions of orders that rest on the book where the Member receiving the report attempted to cancel a resting order within an Exchange-determined period of time (not to exceed 1 millisecond) after receipt of the first attempt to execute against that resting order and within an Exchange-determined period of time (not to exceed 100 microseconds) before receipt of the first attempt to execute against that resting order.
