**5810. Notification of Deficiency by the Listing Qualifications Department**

When the Listing Qualifications Department determines that a Company does not meet a listing standard set forth in the Rule 5000 Series, it will immediately notify the Company of the deficiency. As explained in more detail below, deficiency notifications are of four types:

(1) – (4) No change.

Notifications of deficiencies that allow for submission of a compliance plan or an automatic cure or compliance period may result, after review of the compliance plan or expiration of the cure or compliance period, in issuance of a Staff Delisting Determination or a Public Reprimand Letter.

(a) – (b) No change.

IM-5810-1. No change.

**(c) Types of Deficiencies and Notifications**

The type of deficiency at issue determines whether the Company will be immediately suspended and delisted, or whether it may submit a compliance plan for review or is entitled to an automatic cure or compliance period before a Staff Delisting Determination is issued. In the case of a deficiency not specified below, Staff will issue the Company a Staff Delisting Determination or a Public Reprimand Letter.

(1) – (2) No change.

**(3) Deficiencies for which the Rules Provide a Specified Cure or Compliance Period**

With respect to deficiencies related to the standards listed in (A) - (F) below, Staff's notification will inform the Company of the applicable cure or compliance period provided by these Rules and discussed below. If the Company does not regain compliance within the specified cure or compliance period, the Listing Qualifications Department will immediately issue a Staff Delisting Determination letter.

(A) Bid Price

A failure to meet the continued listing requirement for minimum bid price shall be determined to exist only if the deficiency continues for a period of 30 consecutive business days. Upon such failure, the Company shall be notified promptly and shall have a period of 180 calendar days from such notification to achieve compliance. Compliance can be achieved during any compliance period by meeting the applicable standard for a minimum of 10 consecutive business days during the applicable compliance period, unless Staff exercises its discretion to extend this 10 day period as discussed in Rule 5810(c)(3)(H).

(i) – (iii) No change.

**(iv) Excessive Reverse Stock Splits**

Notwithstanding the foregoing, if a Company's security fails to meet the continued listing requirement for minimum bid price and the Company has effected a reverse stock split over the prior one-year period; or has effected one or more reverse stock splits over the prior two-year period with a cumulative ratio of 250 shares or more to one, then the Company shall not be eligible for any compliance period specified in this Rule 5810(c)(3)(A) and the Listing Qualifications Department shall issue a Staff Delisting Determination under Rule 5810 with respect to that security.

(B) – (H) No change.

(4) No change.

(d) No change.

**5815. Review of Staff Determinations by Hearings Panel**

When a Company receives a Staff Delisting Determination or a Public Reprimand Letter issued by the Listing Qualifications Department, or when its application for initial listing is denied, it may request in writing that the Hearings Panel review the matter in a written or an oral hearing. This section sets forth the procedures for requesting a hearing before a Hearings Panel, describes the Hearings Panel and the possible outcomes of a hearing, and sets forth Hearings Panel procedures.

**(a) Procedures for Requesting and Preparing for a Hearing**

(1) Timely Request Stays Delisting

(A) No change.

(B) Subject to the following limitations, a timely request for a hearing shall ordinarily stay the suspension and delisting action pending the issuance of a written Panel Decision.

(i) No change.

(ii) A timely request for a hearing will not stay the suspension of the securities from trading pending the issuance of a written Panel Decision when the Staff Delisting Determination is related to one of the following deficiencies:

a. No change.

b. A Company that has filed for protection under any provision of the federal bankruptcy laws, or comparable foreign laws, or that has announced that liquidation has been authorized by its board of directors and that it is committed to proceed, as described in Nasdaq Rule 5110(b); [or]

In each case, the Company's securities will be immediately suspended and will remain suspended unless the Panel Decision issued after the hearing determines to reinstate the securities.
